### CHAPTER 75

An act to amend Sections 2248 and 2851 of the Health and Safety Code, relating to pest abatement.

[Approved by Governor July 18, 2001. Filed with  
Secretary of State July 19, 2001.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 682, Calderon. Mosquito abatement, pest abatement, or vector control districts: traveling expenses.

Existing law requires the members of a mosquito abatement, pest abatement, or vector control district board to serve without compensation, but requires members to be paid for the necessary expenses for actual traveling in connection with meetings or business of the board. Existing law provides that in lieu of expenses, the district board may by resolution provide for the allowance and payment to the members of the board of a sum not exceeding \$50 per month per member for expenses incurred in attending business meetings of the board.

This bill would increase the sum that the district board by resolution may provide for the allowance of payment to board members for these expenses from \$50 to \$100 per month per member.

*The people of the State of California do enact as follows:*

SECTION 1. Section 2248 of the Health and Safety Code is amended to read:

2248. The members of the district board shall serve without compensation, but the necessary expenses of each member for actual traveling in connection with meetings or business of the board shall be allowed and paid. In lieu of expenses, the district board may by resolution provide for the allowance and payment to the members of the board of a sum not exceeding one hundred dollars (\$100) per month per member for expenses incurred in attending business meetings of the board.

SEC. 2. Section 2851 of the Health and Safety Code is amended to read:

2851. The members of the district board shall hold office at the pleasure of the board of supervisors. They shall serve without compensation, but shall be allowed their necessary traveling and other expenses incurred in performance of their official duties. In lieu of

expenses, the district board may, by resolution, provide for the allowance and payment to each member of the board of a sum not exceeding one hundred dollars (\$100) as expenses incurred in attending each business meeting of the board.
