

Assembly Bill No. 1711

CHAPTER 923

An act to amend Section 2185 of the Elections Code, relating to elections.

[Approved by Governor October 14, 2001. Filed with Secretary of State October 14, 2001.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1711, Committee on Elections, Reapportionment and Constitutional Amendments. Voter registration index.

Existing law requires county elections officials to provide up to 2 copies of the printed indexes of voter registration for the primary and general elections, or for any special election at which a partisan office is being filled, to a requesting state or county party central committee.

This bill would permit county elections officials to furnish one copy of the indexes in electronic form, in lieu of furnishing 2 copies in print.

The people of the State of California do enact as follows:

SECTION 1. Section 2185 of the Elections Code is amended to read:

2185. Upon written demand of the chairman or vice chairman of a party state central committee or of the chairman of a party county central committee, the county elections official shall furnish to each committee, without charge therefor, the index of registration for the primary and general elections or for any special election at which a partisan office is to be filled. The index of registration shall be furnished to the committee demanding the indexes not less than 25 days prior to the day of the primary, general, or special election for which they are provided. Upon written demand, the county elections official shall also furnish to the committee the index of registration of voters who registered after the 54th day before the election, which shall be compiled and prepared by Assembly districts. The county elections official shall furnish either two printed copies or, if available, one copy in an electronic form of the indexes specified in this section.
