### CHAPTER 909

An act to amend Sections 12001, 12071, 12072, 12073, 12076, and 12078 of, and to add Section 12083 to, the Penal Code, relating to firearms.

[Approved by Governor September 25, 2002. Filed with Secretary of State September 26, 2002.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 2080, Steinberg. Firearms: illegal trafficking.

Existing law defines various terms for the purpose of regulating firearms and other dangerous weapons.

This bill would define "gunsmith" for purposes of firearms regulation and firearms dealer licensure, as specified.

Existing law requires a licensed firearms dealer to comply with various requirements, including holding a federal firearms license.

This bill would require the Department of Justice to maintain certain records pertaining to licensed firearms dealers containing specified information.

Existing law charges the Department of Justice with various regulatory obligations relating to licensed firearms dealers.

This bill would, in addition, require the department to determine whether a person who holds a federal firearms license and is the intended recipient for firearms delivered from another holder of a federal firearms license, as specified, is properly licensed pursuant to state licensure provisions, and to provide to the inquiring party, a unique verification number to demonstrate verification of the intended recipient's state firearms licensure status has been confirmed. In the event the intended recipient is not properly licensed, the department would be required to notify the inquiring party, and specified law enforcement authorities, as prescribed.

Existing law provides that no person who is a federally licensed firearms dealer, as specified, shall deliver, sell, or transfer a firearm to a person who is also federally licensed and whose licensed premises are located in this state unless the intended recipient presents proof of state licensure as a firearms dealer, or presents proof of exemption from that licensure requirement. Violation of these provisions is punishable as a misdemeanor or may be enhanced to a felony, as prescribed.

This bill would, in addition, commencing January 1, 2005, require that the person intending to deliver, sell, or transfer the firearms obtain from

the department, prior to delivery, a unique verification number demonstrating that the person has verified with the department that the intended recipient is properly licensed pursuant to existing state requirements, as prescribed, and would require the person intending to deliver, sell, or transfer firearms to provide the unique verification number to the recipient along with the firearms upon delivery, as prescribed. Violation of these provisions would be punishable as a misdemeanor or could be enhanced to a felony, pursuant to existing provisions of law.

By expanding the scope of an existing crime, this bill would impose a state-mandated local program.

This bill would make additional conforming changes relative to information submitted to the department regarding firearms transactions.

Existing law specifies the purposes for which funds from the Dealers' Record of Sale Special Account of the General Fund, upon appropriation by the Legislature for expenditure by the Department of Justice, may be used.

This bill would provide that these funds may also be used, upon appropriation by the Legislature, to offset the costs incurred for the verification of licensure provisions described above.

This bill would require additional information regarding the licensure of firearms dealers to be submitted to the Department of Justice, as specified. Violation of these provisions would be an infraction. This bill would also delay all new duties imposed by this bill on the department related to this additional submitted information and related to dealer licensing and records until the time on or after January 1, 2004, when a specified financial contingency is met to the department's satisfaction.

By creating a new crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

This bill would incorporate additional changes in Section 12071 of the Penal Code proposed by AB 2793 that would become operative only if AB 2793 and this bill are both chaptered and become effective on or before January 1, 2003, and this bill is chaptered last.

This bill would incorporate additional changes in Section 12076 of the Penal Code proposed by AB 2580, AB 2902, or both, that would become

operative depending on the prior enactment of one or both of those bills and the chaptering of this bill last.
