

Assembly Bill No. 2289

CHAPTER 1111

An act to amend Sections 1351, 1363.05, 1366, 1366.3, 1367, and 1368 of, and to add Sections 1361.5, 1365.1, and 1367.1 to, the Civil Code, relating to common interest developments.

[Approved by Governor September 29, 2002. Filed with Secretary of State September 29, 2002.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2289, Kehoe. Common interest developments.

(1) The Davis-Stirling Common Interest Development Act defines and regulates common interest developments and permits the association that manages the development to levy assessments to fulfill its obligations under the act, but also prohibits certain actions.

This bill would prohibit an association from denying an owner physical access to his or her separate interest, except pursuant to an order of a court or an order pursuant to a final and binding arbitration decision.

(2) Existing law permits any member of the association of a common interest development to attend meetings of the board of directors of the association, except when the board adjourns to executive session to consider litigation, matters relating to the formation of contracts with 3rd parties, member discipline, or personnel matters.

This bill would revise the matters that the board may consider in executive session to include meeting with a member, upon the member's request, regarding the member's payment of assessments. This bill would require that matters discussed in executive sessions be noted in the minutes of the immediately following meeting open to the entire membership. The bill would also revise notice provisions regarding the times and places of board meetings.

(3) Existing law requires an association to prepare and distribute to its members specified documents, including documents related to the association's budget, finances, and policies and practices in enforcing lien rights or other legal remedies for default in payment of its assessments against its members.

This bill would require an association to deliver a specific notice to each member of the association regarding assessments and foreclosure.

(4) Existing law provides that a regular or special assessment of the association, late charges, reasonable costs of collection, and interest, as specified, are a debt of the owner of the separate interest at the time the assessment or other sums are levied, and are a lien on the owner's

separate interest when the association records a specified document and follows a specified process. Existing law permits the association to enforce the lien in any manner permitted by law including a sale by a trustee, also known as a nonjudicial foreclosure.

This bill would require that an association that fails to comply with that specified process, prior to placing a lien, recommence the notice process at the expense of the association. This bill also requires that parties recording liens against separate interests in error follow a timely procedure for recording a lien release, as specified.

(5) Existing law requires an association to provide notice to its members by first-class mail of any increase in the assessments within a specified timeframe. Existing law permits the association to recover various costs, fees, and interest in collecting a delinquent assessment.

This bill would clarify the timeframe in which notice is required, and the amount of interest the association is permitted to recover, as specified.

(6) Existing law provides a specified process for disputes related to association assessments, including an exception to that process if the owner of the separate interest chooses to pay certain charges and mail a written notice that the amount is paid under protest. Under this exception, the association is required to inform the owner of his or her right to resolve the dispute through alternative dispute resolution.

This bill would require, as a condition for the exception to apply, that only reasonable fees and charges be paid, including reasonable attorney's fees not to exceed \$425.

(7) Existing law further requires an association to notify an owner of record of the penalty procedures and provide an itemized statement of charges.

This bill would require, for liens created on and after January 1, 2003, that an association, 30 days prior to placing a lien on the separate interest of the owner of record, to notify the owner by mail of the association's collection and lien procedures, as specified, and of the owner's right to request a meeting before the board of directors to discuss amounts constituting the owner's debt that are in dispute or delinquent, and any payment plan proposed by the owner, as specified. The bill would require the board, under specified circumstances, to respond in writing to an owner's dispute of a debt when an owner submits a written explanation to the board, and would require the board to meet with a homeowner to discuss a payment plan, as specified. The bill would except owners of time-share projects, time-share estates, and time-share uses from the right to submit a payment plan to the board and meet with the board to discuss that plan. The bill would also make conforming changes.

(8) This bill would incorporate additional changes in Section 1368 of the Civil Code proposed by AB 643, to be operative if AB 643 and this bill become effective on or before January 1, 2003, and this bill is enacted last.

The people of the State of California do enact as follows:

SECTION 1. Section 1351 of the Civil Code is amended to read:

1351. As used in this title, the following terms have the following meanings:

(a) "Association" means a nonprofit corporation or unincorporated association created for the purpose of managing a common interest development.

(b) "Common area" means the entire common interest development except the separate interests therein. The estate in the common area may be a fee, a life estate, an estate for years, or any combination of the foregoing. However, the common area for a planned development specified in paragraph (2) of subdivision (k) may consist of mutual or reciprocal easement rights appurtenant to the separate interests.

(c) "Common interest development" means any of the following:

- (1) A community apartment project.
- (2) A condominium project.
- (3) A planned development.
- (4) A stock cooperative.

(d) "Community apartment project" means a development in which an undivided interest in land is coupled with the right of exclusive occupancy of any apartment located thereon.

(e) "Condominium plan" means a plan consisting of (1) a description or survey map of a condominium project, which shall refer to or show monumentation on the ground, (2) a three-dimensional description of a condominium project, one or more dimensions of which may extend for an indefinite distance upwards or downwards, in sufficient detail to identify the common areas and each separate interest, and (3) a certificate consenting to the recordation of the condominium plan pursuant to this title signed and acknowledged by the following:

(A) The record owner of fee title to that property included in the condominium project.

(B) In the case of a condominium project which will terminate upon the termination of an estate for years, the certificate shall be signed and acknowledged by all lessors and lessees of the estate for years.

(C) In the case of a condominium project subject to a life estate, the certificate shall be signed and acknowledged by all life tenants and remainder interests.

(D) The certificate shall also be signed and acknowledged by either the trustee or the beneficiary of each recorded deed of trust, and the mortgagee of each recorded mortgage encumbering the property.

Owners of mineral rights, easements, rights-of-way, and other nonpossessory interests do not need to sign the condominium plan. Further, in the event a conversion to condominiums of a community apartment project or stock cooperative has been approved by the required number of owners, trustees, beneficiaries, and mortgagees pursuant to Section 66452.10 of the Government Code, the certificate need only be signed by those owners, trustees, beneficiaries, and mortgagees approving the conversion.

A condominium plan may be amended or revoked by a subsequently acknowledged recorded instrument executed by all the persons whose signatures would be required pursuant to this subdivision.

(f) A “condominium project” means a development consisting of condominiums. A condominium consists of an undivided interest in common in a portion of real property coupled with a separate interest in space called a unit, the boundaries of which are described on a recorded final map, parcel map, or condominium plan in sufficient detail to locate all boundaries thereof. The area within these boundaries may be filled with air, earth, or water, or any combination thereof, and need not be physically attached to land except by easements for access and, if necessary, support. The description of the unit may refer to (1) boundaries described in the recorded final map, parcel map, or condominium plan, (2) physical boundaries, either in existence, or to be constructed, such as walls, floors, and ceilings of a structure or any portion thereof, (3) an entire structure containing one or more units, or (4) any combination thereof. The portion or portions of the real property held in undivided interest may be all of the real property, except for the separate interests, or may include a particular three-dimensional portion thereof, the boundaries of which are described on a recorded final map, parcel map, or condominium plan. The area within these boundaries may be filled with air, earth, or water, or any combination thereof, and need not be physically attached to land except by easements for access and, if necessary, support. An individual condominium within a condominium project may include, in addition, a separate interest in other portions of the real property.

(g) “Declarant” means the person or group of persons designated in the declaration as declarant, or if no declarant is designated, the person or group of persons who sign the original declaration or who succeed to special rights, preferences, or privileges designated in the declaration as belonging to the signator of the original declaration.

(h) “Declaration” means the document, however denominated, which contains the information required by Section 1353.

(i) “Exclusive use common area” means a portion of the common areas designated by the declaration for the exclusive use of one or more, but fewer than all, of the owners of the separate interests and which is or will be appurtenant to the separate interest or interests.

(1) Unless the declaration otherwise provides, any shutters, awnings, window boxes, doorsteps, stoops, porches, balconies, patios, exterior doors, doorframes, and hardware incident thereto, screens and windows or other fixtures designed to serve a single separate interest, but located outside the boundaries of the separate interest, are exclusive use common areas allocated exclusively to that separate interest.

(2) Notwithstanding the provisions of the declaration, internal and external telephone wiring designed to serve a single separate interest, but located outside the boundaries of the separate interest, are exclusive use common areas allocated exclusively to that separate interest.

(j) “Governing documents” means the declaration and any other documents, such as bylaws, operating rules of the association, articles of incorporation, or articles of association, which govern the operation of the common interest development or association.

(k) “Planned development” means a development (other than a community apartment project, a condominium project, or a stock cooperative) having either or both of the following features:

(1) The common area is owned either by an association or in common by the owners of the separate interests who possess appurtenant rights to the beneficial use and enjoyment of the common area.

(2) A power exists in the association to enforce an obligation of an owner of a separate interest with respect to the beneficial use and enjoyment of the common area by means of an assessment which may become a lien upon the separate interests in accordance with Section 1367 or 1367.1.

(l) “Separate interest” has the following meanings:

(1) In a community apartment project, “separate interest” means the exclusive right to occupy an apartment, as specified in subdivision (d).

(2) In a condominium project, “separate interest” means an individual unit, as specified in subdivision (f).

(3) In a planned development, “separate interest” means a separately owned lot, parcel, area, or space.

(4) In a stock cooperative, “separate interest” means the exclusive right to occupy a portion of the real property, as specified in subdivision (m).

Unless the declaration or condominium plan, if any exists, otherwise provides, if walls, floors, or ceilings are designated as boundaries of a

separate interest, the interior surfaces of the perimeter walls, floors, ceilings, windows, doors, and outlets located within the separate interest are part of the separate interest and any other portions of the walls, floors, or ceilings are part of the common areas.

The estate in a separate interest may be a fee, a life estate, an estate for years, or any combination of the foregoing.

(m) “Stock cooperative” means a development in which a corporation is formed or availed of, primarily for the purpose of holding title to, either in fee simple or for a term of years, improved real property, and all or substantially all of the shareholders of the corporation receive a right of exclusive occupancy in a portion of the real property, title to which is held by the corporation. The owners’ interest in the corporation, whether evidenced by a share of stock, a certificate of membership, or otherwise, shall be deemed to be an interest in a common interest development and a real estate development for purposes of subdivision (f) of Section 25100 of the Corporations Code.

A “stock cooperative” includes a limited equity housing cooperative which is a stock cooperative that meets the criteria of Section 33007.5 of the Health and Safety Code.

SEC. 2. Section 1361.5 is added to the Civil Code, to read:

1361.5. Except as otherwise provided in law, an order of the court, or an order pursuant to a final and binding arbitration decision, an association may not deny an owner or occupant physical access to his or her separate interest, either by restricting access through the common areas to the owner’s separate interest, or by restricting access solely to the owner’s separate interest.

SEC. 3. Section 1363.05 of the Civil Code is amended to read:

1363.05. (a) This section shall be known and may be cited as the Common Interest Development Open Meeting Act.

(b) Any member of the association may attend meetings of the board of directors of the association, except when the board adjourns to executive session to consider litigation, matters relating to the formation of contracts with third parties, member discipline, personnel matters, or to meet with a member, upon the member’s request, regarding the member’s payment of assessments, as specified in Section 1367 or 1367.1. The board of directors of the association shall meet in executive session, if requested by a member who may be subject to a fine, penalty, or other form of discipline, and the member shall be entitled to attend the executive session.

(c) Any matter discussed in executive session shall be generally noted in the minutes of the immediately following meeting that is open to the entire membership.

(d) The minutes, minutes proposed for adoption that are marked to indicate draft status, or a summary of the minutes, of any meeting of the board of directors of an association, other than an executive session, shall be available to members within 30 days of the meeting. The minutes, proposed minutes, or summary minutes shall be distributed to any member of the association upon request and upon reimbursement of the association's costs for making that distribution.

(e) Members of the association shall be notified in writing at the time that the pro forma budget required in Section 1365 is distributed, or at the time of any general mailing to the entire membership of the association, of their right to have copies of the minutes of meetings of the board of directors, and how and where those minutes may be obtained.

(f) As used in this section, "meeting" includes any congregation of a majority of the members of the board at the same time and place to hear, discuss, or deliberate upon any item of business scheduled to be heard by the board, except those matters that may be discussed in executive session.

(g) Unless the time and place of meeting is fixed by the bylaws, or unless the bylaws provide for a longer period of notice, members shall be given notice of the time and place of a meeting as defined in subdivision (f), except for an emergency meeting, at least four days prior to the meeting. Notice shall be given by posting the notice in a prominent place or places within the common area and by mail to any owner who had requested notification of board meetings by mail, at the address requested by the owner. Notice may also be given, by mail or delivery of the notice to each unit in the development or by newsletter or similar means of communication.

(h) An emergency meeting of the board may be called by the president of the association, or by any two members of the governing body other than the president, if there are circumstances that could not have been reasonably foreseen which require immediate attention and possible action by the board, and which of necessity make it impracticable to provide notice as required by this section.

(i) The board of directors of the association shall permit any member of the association to speak at any meeting of the association or the board of directors, except for meetings of the board held in executive session. A reasonable time limit for all members of the association to speak to the board of directors or before a meeting of the association shall be established by the board of directors.

SEC. 4. Section 1365.1 is added to the Civil Code, to read:

1365.1. (a) The association shall distribute the written notice described in subdivision (b) to each member of the association during

the 60-day period immediately preceding the beginning of the association's fiscal year. The notice shall be printed in at least 12-point type. An association distributing the notice to an owner of an interest that is described in Section 11003.5 of the Business and Professions Code may delete from the notice described in subdivision (b) the portion regarding meetings and payment plans.

(b) The notice required by this section shall read as follows:

“NOTICE

ASSESSMENTS AND FORECLOSURE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND NONJUDICIAL FORECLOSURE

The failure to pay association assessments may result in the loss of an owner's property without court action, often referred to as nonjudicial foreclosure. When using nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the lien is not paid. Assessments become delinquent 15 days after they are due, unless the governing documents of the association provide for a longer time. (Sections 1366 and 1367.1 of the Civil Code)

In a nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common areas damaged by a member or a member's guests, if the governing documents provide for this. (Sections 1366 and 1367.1 of the Civil Code)

The association must comply with the requirements of Section 1367.1 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 1367.1 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain

documents by certified mail. Among these documents, the association must send a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association’s records to verify the debt. (Section 1367.1 of the Civil Code)

If a lien is recorded against an owner’s property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 1367.1 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, he or she may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Sections 1367.1 and 1367.1 of the Civil Code)

An owner may dispute an assessment debt by giving the board of the association a written explanation, and the board must respond within 15 days if certain conditions are met. An owner may pay assessments that are in dispute in full under protest, and then request alternative dispute resolution. (Sections 1366.3 and 1367.1 of the Civil Code)

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 1367.1 of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a time-share may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exist. (Section 1367.1 of the Civil Code)

The board of the directors must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 1367.1 of the Civil Code)”

SEC. 5. Section 1366 of the Civil Code is amended to read:

1366. (a) Except as provided in this section, the association shall levy regular and special assessments sufficient to perform its obligations under the governing documents and this title. However, annual increases in regular assessments for any fiscal year, as authorized by subdivision (b), shall not be imposed unless the board has complied with subdivision (a) of Section 1365 with respect to that fiscal year, or has obtained the approval of owners, constituting a quorum, casting a majority of the votes at a meeting or election of the association conducted in accordance with Chapter 5 (commencing with Section 7510) of Part 3 of Division 2 of Title 1 of the Corporations Code and Section 7613 of the Corporations Code. For the purposes of this section, “quorum” means more than 50 percent of the owners of an association.

(b) Notwithstanding more restrictive limitations placed on the board by the governing documents, the board of directors may not impose a regular assessment that is more than 20 percent greater than the regular assessment for the association’s preceding fiscal year or impose special assessments which in the aggregate exceed 5 percent of the budgeted gross expenses of the association for that fiscal year without the approval of owners, constituting a quorum, casting a majority of the votes at a meeting or election of the association conducted in accordance with Chapter 5 (commencing with Section 7510) of Part 3 of Division 2 of Title 1 of the Corporations Code and Section 7613 of the Corporations Code. For the purposes of this section, quorum means more than 50 percent of the owners of an association. This section does not limit assessment increases necessary for emergency situations. For purposes of this section, an emergency situation is any one of the following:

- (1) An extraordinary expense required by an order of a court.
- (2) An extraordinary expense necessary to repair or maintain the common interest development or any part of it for which the association is responsible where a threat to personal safety on the property is discovered.
- (3) An extraordinary expense necessary to repair or maintain the common interest development or any part of it for which the association is responsible that could not have been reasonably foreseen by the board in preparing and distributing the pro forma operating budget under Section 1365. However, prior to the imposition or collection of an assessment under this subdivision, the board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the budgeting process, and the resolution shall be distributed to the members with the notice of assessment.

(c) Regular assessments imposed or collected to perform the obligations of an association under the governing documents or this title

shall be exempt from execution by a judgment creditor of the association only to the extent necessary for the association to perform essential services, such as paying for utilities and insurance. In determining the appropriateness of an exemption, a court shall ensure that only essential services are protected under this subdivision.

This exemption shall not apply to any consensual pledges, liens, or encumbrances that have been approved by the owners of an association, constituting a quorum, casting a majority of the votes at a meeting or election of the association, or to any state tax lien, or to any lien for labor or materials supplied to the common area.

(d) The association shall provide notice by first-class mail to the owners of the separate interests of any increase in the regular or special assessments of the association, not less than 30 nor more than 60 days prior to the increased assessment becoming due.

(e) Regular and special assessments levied pursuant to the governing documents are delinquent 15 days after they become due, unless the declaration provides a longer time period, in which case the longer time period shall apply. If an assessment is delinquent the association may recover all of the following:

(1) Reasonable costs incurred in collecting the delinquent assessment, including reasonable attorney's fees.

(2) A late charge not exceeding 10 percent of the delinquent assessment or ten dollars (\$10), whichever is greater, unless the declaration specifies a late charge in a smaller amount, in which case any late charge imposed shall not exceed the amount specified in the declaration.

(3) Interest on all sums imposed in accordance with this section, including the delinquent assessments, reasonable fees and costs of collection, and reasonable attorney's fees, at an annual interest rate not to exceed 12 percent, commencing 30 days after the assessment becomes due, unless the declaration specifies the recovery of interest at a rate of a lesser amount, in which case the lesser rate of interest shall apply.

(f) Associations are hereby exempted from interest-rate limitations imposed by Article XV of the California Constitution, subject to the limitations of this section.

SEC. 6. Section 1366.3 of the Civil Code is amended to read:

1366.3. (a) The exception for disputes related to association assessments in subdivision (b) of Section 1354 shall not apply if, in a dispute between the owner of a separate interest and the association regarding the assessments imposed by the association, the owner of the separate interest chooses to pay in full to the association all of the charges listed in paragraphs (1) to (4), inclusive, and states by written notice that the amount is paid under protest, and the written notice is mailed by

certified mail not more than 30 days from the recording of a notice of delinquent assessment in accordance with Section 1367 or 1367.1; and in those instances, the association shall inform the owner that the owner may resolve the dispute through alternative dispute resolution as set forth in Section 1354, civil action, and any other procedures to resolve the dispute that may be available through the association.

- (1) The amount of the assessment in dispute.
- (2) Late charges.
- (3) Interest.
- (4) All reasonable fees and costs associated with the preparation and filing of a notice of delinquent assessment, including all mailing costs, and including reasonable attorney's fees not to exceed four hundred twenty-five dollars (\$425).

(b) The right of any owner of a separate interest to utilize alternative dispute resolution under this section may not be exercised more than two times in any single calendar year, and not more than three times within any five calendar years. Nothing within this section shall preclude any owner of a separate interest and the association, upon mutual agreement, from entering into alternative dispute resolution for a number of times in excess of the limits set forth in this section. The owner of a separate interest may request and be awarded through alternative dispute resolution reasonable interest to be paid by the association on the total amount paid under paragraphs (1) to (4), inclusive, of subdivision (a), if it is determined through alternative dispute resolution that the assessment levied by the association was not correctly levied.

SEC. 7. Section 1367 of the Civil Code is amended to read:

1367. (a) A regular or special assessment and any late charges, reasonable costs of collection, and interest, as assessed in accordance with Section 1366, shall be a debt of the owner of the separate interest at the time the assessment or other sums are levied. Before an association may place a lien upon the separate interest of an owner to collect a debt which is past due under this subdivision, the association shall notify the owner in writing by certified mail of the fee and penalty procedures of the association, provide an itemized statement of the charges owed by the owner, including items on the statement which indicate the assessments owed, any late charges and the method of calculation, any attorney's fees, and the collection practices used by the association, including the right of the association to the reasonable costs of collection. In addition, any payments toward that debt shall first be applied to the assessments owed, and only after the principal owed is paid in full shall the payments be applied to interest or collection expenses.

(b) The amount of the assessment, plus any costs of collection, late charges, and interest assessed in accordance with Section 1366, shall be a lien on the owner's interest in the common interest development from and after the time the association causes to be recorded with the county recorder of the county in which the separate interest is located, a notice of delinquent assessment, which shall state the amount of the assessment and other sums imposed in accordance with Section 1366, a legal description of the owner's interest in the common interest development against which the assessment and other sums are levied, the name of the record owner of the owner's interest in the common interest development against which the lien is imposed, and, in order for the lien to be enforced by nonjudicial foreclosure as provided in subdivision (e) the name and address of the trustee authorized by the association to enforce the lien by sale. The notice of delinquent assessment shall be signed by the person designated in the declaration or by the association for that purpose, or if no one is designated, by the president of the association, and mailed in the manner set forth in Section 2924b, to all record owners of the owner's interest in the common interest development no later than 10 calendar days after recordation. Upon payment of the sums specified in the notice of delinquent assessment, the association shall cause to be recorded a further notice stating the satisfaction and release of the lien thereof. A monetary penalty imposed by the association as a means of reimbursing the association for costs incurred by the association in the repair of damage to common areas and facilities for which the member or the member's guests or tenants were responsible may become a lien against the member's separate interest enforceable by the sale of the interest under Sections 2924, 2924b, and 2924c, provided the authority to impose a lien is set forth in the governing documents. It is the intent of the Legislature not to contravene Section 2792.26 of Title 10 of the California Code of Regulations, as that section appeared on January 1, 1996, for associations of subdivisions that are being sold under authority of a subdivision public report, pursuant to Part 2 (commencing with Section 11000) of Division 4 of the Business and Professions Code.

(c) Except as indicated in subdivision (b), a monetary penalty imposed by the association as a disciplinary measure for failure of a member to comply with the governing instruments, except for the late payments, may not be characterized nor treated in the governing instruments as an assessment which may become a lien against the member's subdivision interest enforceable by the sale of the interest under Sections 2924, 2924b, and 2924c.

(d) A lien created pursuant to subdivision (b) shall be prior to all other liens recorded subsequent to the notice of assessment, except that the

declaration may provide for the subordination thereof to any other liens and encumbrances.

(e) After the expiration of 30 days following the recording of a lien created pursuant to subdivision (b), the lien may be enforced in any manner permitted by law, including sale by the court, sale by the trustee designated in the notice of delinquent assessment, or sale by a trustee substituted pursuant to Section 2934a. Any sale by the trustee shall be conducted in accordance with the provisions of Sections 2924, 2924b, and 2924c applicable to the exercise of powers of sale in mortgages and deeds of trusts.

(f) Nothing in this section or in subdivision (a) of Section 726 of the Code of Civil Procedure prohibits actions against the owner of a separate interest to recover sums for which a lien is created pursuant to this section or prohibits an association from taking a deed in lieu of foreclosure.

(g) This section only applies to liens recorded on or after January 1, 1986 and prior to January 1, 2003.

SEC. 8. Section 1367.1 is added to the Civil Code, to read:

1367.1. (a) A regular or special assessment and any late charges, reasonable fees and costs of collection, reasonable attorney's fees, if any, and interest, if any, as determined in accordance with Section 1366, shall be a debt of the owner of the separate interest at the time the assessment or other sums are levied. At least 30 days prior to recording a lien upon the separate interest of the owner of record to collect a debt that is past due under this subdivision, the association shall notify the owner of record in writing by certified mail of the following:

(1) A general description of the collection and lien enforcement procedures of the association and the method of calculation of the amount, a statement that the owner of the separate interest has the right to inspect the association records, pursuant to Section 8333 of the Corporations Code, and the following statement in 14-point boldface type, if printed, or in capital letters, if typed: "IMPORTANT NOTICE: IF YOUR SEPARATE INTEREST IS PLACED IN FORECLOSURE BECAUSE YOU ARE BEHIND IN YOUR ASSESSMENTS, IT MAY BE SOLD WITHOUT COURT ACTION".

(2) An itemized statement of the charges owed by the owner, including items on the statement which indicate the amount of any delinquent assessments, the fees and reasonable costs of collection, reasonable attorney's fees, any late charges, and interest, if any.

(3) A statement that the owner shall not be liable to pay the charges, interest, and costs of collection, if it is determined the assessment was paid on time to the association.

(4) The right to request a meeting with the board as provided by subdivision (c).

(b) Any payments made by the owner of a separate interest toward the debt set forth, as required in subdivision (a), shall first be applied to the assessments owed, and, only after the assessments owed are paid in full shall the payments be applied to the fees and costs of collection, attorney's fees, late charges, or interest. When an owner makes a payment, the owner may request a receipt and the association shall provide it. The receipt shall indicate the date of payment and the person who received it. The association shall provide a mailing address for overnight payment of assessments.

(c) (1) An owner may dispute the debt noticed pursuant to subdivision (a) by submitting to the board a written explanation of the reasons for his or her dispute. The board shall respond in writing to the owner within 15 days of the date of the postmark of the explanation, if the explanation is mailed within 15 days of the postmark of the notice.

(2) An owner, other than an owner of any interest that is described in Section 11003.5 of the Business and Professions Code, may submit a written request to meet with the board to discuss a payment plan for the debt noticed pursuant to subdivision (a). The association shall provide the owners the standards for payment plans, if any exist. The board shall meet with the owner in executive session within 45 days of the postmark of the request, if the request is mailed within 15 days of the date of the postmark of the notice, unless there is no regularly scheduled board meeting within that period, in which case the board may designate a committee of one or more members to meet with the owner.

(d) The amount of the assessment, plus any costs of collection, late charges, and interest assessed in accordance with Section 1366, shall be a lien on the owner's interest in the common interest development from and after the time the association causes to be recorded with the county recorder of the county in which the separate interest is located, a notice of delinquent assessment, which shall state the amount of the assessment and other sums imposed in accordance with Section 1366, a legal description of the owner's interest in the common interest development against which the assessment and other sums are levied, the name of the record owner of the owner's interest in the common interest development against which the lien is imposed. In order for the lien to be enforced by nonjudicial foreclosure as provided in subdivision (g), the notice of delinquent assessment shall state the name and address of the trustee authorized by the association to enforce the lien by sale. The notice of delinquent assessment shall be signed by the person designated in the declaration or by the association for that purpose, or if no one is designated, by the president of the association, and mailed in the manner

set forth in Section 2924b, to all record owners of the owner's interest in the common interest development no later than 10 calendar days after recordation. Within 21 days of the payment of the sums specified in the notice of delinquent assessment, the association shall record or cause to be recorded in the office of the county recorder in which the notice of delinquent assessment is recorded a lien release or notice of rescission and provide the owner of the separate interest a copy of the lien release or notice that the delinquent assessment has been satisfied. A monetary charge imposed by the association as a means of reimbursing the association for costs incurred by the association in the repair of damage to common areas and facilities for which the member or the member's guests or tenants were responsible may become a lien against the member's separate interest enforceable by the sale of the interest under Sections 2924, 2924b, and 2924c, provided the authority to impose a lien is set forth in the governing documents. It is the intent of the Legislature not to contravene Section 2792.26 of Title 10 of the California Code of Regulations, as that section appeared on January 1, 1996, for associations of subdivisions that are being sold under authority of a subdivision public report, pursuant to Part 2 (commencing with Section 11000) of Division 4 of the Business and Professions Code.

(e) Except as indicated in subdivision (d), a monetary penalty imposed by the association as a disciplinary measure for failure of a member to comply with the governing instruments, except for the late payments, may not be characterized nor treated in the governing instruments as an assessment that may become a lien against the member's subdivision separate interest enforceable by the sale of the interest under Sections 2924, 2924b, and 2924c.

(f) A lien created pursuant to subdivision (d) shall be prior to all other liens recorded subsequent to the notice of assessment, except that the declaration may provide for the subordination thereof to any other liens and encumbrances.

(g) An association may not voluntarily assign or pledge the association's right to collect payments or assessments, or to enforce or foreclose a lien to a third party, except when the assignment or pledge is made to a financial institution or lender chartered or licensed under federal or state law, when acting within the scope of that charter or license, as security for a loan obtained by the association; however, the foregoing provision may not restrict the right or ability of an association to assign any unpaid obligations of a former member to a third party for purposes of collection. Subject to the limitations of this subdivision, after the expiration of 30 days following the recording of a lien created pursuant to subdivision (d), the lien may be enforced in any manner permitted by law, including sale by the court, sale by the trustee

designated in the notice of delinquent assessment, or sale by a trustee substituted pursuant to Section 2934a. Any sale by the trustee shall be conducted in accordance with Sections 2924, 2924b, and 2924c applicable to the exercise of powers of sale in mortgages and deeds of trusts. The fees of a trustee may not exceed the amounts prescribed in Sections 2924c and 2924d.

(h) Nothing in this section or in subdivision (a) of Section 726 of the Code of Civil Procedure prohibits actions against the owner of a separate interest to recover sums for which a lien is created pursuant to this section or prohibits an association from taking a deed in lieu of foreclosure.

(i) If it is determined that a lien previously recorded against the separate interest was recorded in error, the party who recorded the lien shall, within 21 calendar days, record or cause to be recorded in the office of the county recorder in which the notice of delinquent assessment is recorded a lien release or notice of rescission and provide the owner of the separate interest with a declaration that the lien filing or recording was in error and a copy of the lien release or notice of rescission.

(j) (1) An association that fails to comply with the procedures set forth in this section shall, prior to recording a lien, recommence the required notice process.

(2) Any costs associated with recommencing the notice process shall be borne by the association and not by the owner of a separate interest.

(k) This section only applies to liens recorded on or after January 1, 2003.

SEC. 9. Section 1368 of the Civil Code is amended to read:

1368. (a) The owner of a separate interest, other than an owner subject to the requirements of Section 11018.6 of the Business and Professions Code, shall, as soon as practicable before transfer of title to the separate interest or execution of a real property sales contract therefor, as defined in Section 2985, provide the following to the prospective purchaser:

(1) A copy of the governing documents of the common interest development.

(2) If there is a restriction in the governing documents limiting the occupancy, residency, or use of a separate interest on the basis of age in a manner different from that provided in Section 51.3, a statement that the restriction is only enforceable to the extent permitted by Section 51.3 and a statement specifying the applicable provisions of Section 51.3.

(3) A copy of the most recent documents distributed pursuant to Section 1365.

(4) A true statement in writing obtained from an authorized representative of the association as to the amount of the association's

current regular and special assessments and fees, any assessments levied upon the owner's interest in the common interest development that are unpaid on the date of the statement, and any monetary fines or penalties levied upon the owner's interest and unpaid on the date of the statement. The statement obtained from an authorized representative shall also include true information on late charges, interest, and costs of collection which, as of the date of the statement, are or may be made a lien upon the owner's interest in a common interest development pursuant to Section 1367 or 1367.1.

(5) A copy or a summary of any notice previously sent to the owner pursuant to subdivision (h) of Section 1363 that sets forth any alleged violation of the governing documents that remains unresolved at the time of the request. The notice shall not be deemed a waiver of the association's right to enforce the governing documents against the owner or the prospective purchaser of the separate interest with respect to any violation. This paragraph shall not be construed to require an association to inspect an owner's separate interest.

(6) A copy of the preliminary list of defects provided to each member of the association pursuant to Section 1375, unless the association and the builder subsequently enter into a settlement agreement or otherwise resolve the matter and the association complies with Section 1375.1. Disclosure of the preliminary list of defects pursuant to this paragraph shall not waive any privilege attached to the document. The preliminary list of defects shall also include a statement that a final determination as to whether the list of defects is accurate and complete has not been made.

(7) A copy of the latest information provided for in Section 1375.1.

(8) Any change in the association's current regular and special assessments and fees which have been approved by the association's board of directors, but have not become due and payable as of the date disclosure is provided pursuant to this subdivision.

(b) Upon written request, an association shall, within 10 days of the mailing or delivery of the request, provide the owner of a separate interest with a copy of the requested items specified in paragraphs (1) to (8), inclusive, of subdivision (a). The association may charge a fee for this service, which shall not exceed the association's reasonable cost to prepare and reproduce the requested items.

(c) An association shall not impose or collect any assessment, penalty, or fee in connection with a transfer of title or any other interest except the association's actual costs to change its records and that fee authorized by subdivision (b).

(d) Any person or entity who willfully violates this section shall be liable to the purchaser of a separate interest which is subject to this section for actual damages occasioned thereby and, in addition, shall pay

a civil penalty in an amount not to exceed five hundred dollars (\$500). In an action to enforce this liability, the prevailing party shall be awarded reasonable attorneys' fees.

(e) Nothing in this section affects the validity of title to real property transferred in violation of this section.

(f) In addition to the requirements of this section, an owner transferring title to a separate interest shall comply with applicable requirements of Sections 1133 and 1134.

SEC. 9.5. Section 1368 of the Civil Code is amended to read:

1368. (a) The owner of a separate interest, other than an owner subject to the requirements of Section 11018.6 of the Business and Professions Code, shall, as soon as practicable before transfer of title to the separate interest or execution of a real property sales contract therefor, as defined in Section 2985, provide the following to the prospective purchaser:

(1) A copy of the governing documents of the common interest development, including a copy of the association's articles of incorporation, or, if not incorporated, a statement in writing from an authorized representative of the association that the association is not incorporated.

(2) If there is a restriction in the governing documents limiting the occupancy, residency, or use of a separate interest on the basis of age in a manner different from that provided in Section 51.3, a statement that the restriction is only enforceable to the extent permitted by Section 51.3 and a statement specifying the applicable provisions of Section 51.3.

(3) A copy of the most recent documents distributed pursuant to Section 1365.

(4) A true statement in writing obtained from an authorized representative of the association as to the amount of the association's current regular and special assessments and fees, any assessments levied upon the owner's interest in the common interest development that are unpaid on the date of the statement, and any monetary fines or penalties levied upon the owner's interest and unpaid on the date of the statement. The statement obtained from an authorized representative shall also include true information on late charges, interest, and costs of collection which, as of the date of the statement, are or may be made a lien upon the owner's interest in a common interest development pursuant to Section 1367 or 1367.1.

(5) A copy or a summary of any notice previously sent to the owner pursuant to subdivision (h) of Section 1363 that sets forth any alleged violation of the governing documents that remains unresolved at the time of the request. The notice shall not be deemed a waiver of the association's right to enforce the governing documents against the owner

or the prospective purchaser of the separate interest with respect to any violation. This paragraph shall not be construed to require an association to inspect an owner's separate interest.

(6) A copy of the preliminary list of defects provided to each member of the association pursuant to Section 1375, unless the association and the builder subsequently enter into a settlement agreement or otherwise resolve the matter and the association complies with Section 1375.1. The preliminary list of defects shall also include a statement that a final determination as to whether the list of defects is accurate and complete has not been made.

(7) A copy of the latest information provided for in Section 1375.1.

(8) Any change in the association's current regular and special assessments and fees which have been approved by the association's board of directors, but have not become due and payable as of the date disclosure is provided pursuant to this subdivision.

(b) Upon written request, an association shall, within 10 days of the mailing or delivery of the request, provide the owner of a separate interest with a copy of the requested items specified in paragraphs (1) to (8), inclusive, of subdivision (a). The association may charge a fee for this service, which shall not exceed the association's reasonable cost to prepare and reproduce the requested items.

(c) An association shall not impose or collect any assessment, penalty, or fee in connection with a transfer of title or any other interest except the association's actual costs to change its records and that authorized by subdivision (b).

(d) Any person or entity who willfully violates this section shall be liable to the purchaser of a separate interest which is subject to this section for actual damages occasioned thereby and, in addition, shall pay a civil penalty in an amount not to exceed five hundred dollars (\$500). In an action to enforce this liability, the prevailing party shall be awarded reasonable attorneys' fees.

(e) Nothing in this section affects the validity of title to real property transferred in violation of this section.

(f) In addition to the requirements of this section, an owner transferring title to a separate interest shall comply with applicable requirements of Sections 1133 and 1134.

SEC. 10. Section 9.5 of this bill incorporates amendments to Section 1368 of the Civil Code proposed by both this bill and AB 643. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2003, (2) each bill amends Section 1368

of the Civil Code, and (3) this bill is enacted after AB 643, in which case Section 9 of this bill shall not become operative.
