

Assembly Bill No. 2580

CHAPTER 910

An act to amend Sections 12076, 12082, and 12305 of, and to add Sections 12099, 12234, and 12289.5 to, the Penal Code, relating to dangerous weapons.

[Approved by Governor September 25, 2002. Filed with Secretary of State September 26, 2002.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2580, Simitian. Dangerous weapons.

Existing law requires that all sales, loans, or transfers of firearms, including those between private parties, be transacted through a law enforcement agency, or a licensed dealer. Those transactions involving a dealer require the delivery of the firearm to the dealer, who is then required to make specified inquiries and to deliver the weapon only upon satisfaction of specified requirements.

This bill would provide that a dealer who does not otherwise sell, transfer, or keep an inventory of handguns is not required to process private party transfers of handguns.

Existing law generally regulates various dangerous weapons, including short-barreled shotguns, short-barreled rifles, machine guns, assault weapons, and destructive devices.

This bill would require, in regard to those devices, that the Department of Justice would, for every person, firm, or corporation to whom a permit is issued relating to the device, annually conduct an inspection for security and safe storage purposes, and to reconcile the inventories of the devices, except as specified. The bill would also provide that, for a person, firm, or corporation with an inventory of fewer than 5 devices that require any Department of Justice permit, the department would conduct an inspection for security and safe storage purposes, and to reconcile inventories, once every 5 years, or more frequently if determined by the department, except as specified.

This bill would require the department to establish a schedule of fees to cover the costs of the inspection duties imposed on the department by this bill. This bill would provide that these fees shall be equitable and shall not exceed the costs of providing the required inspections. The bill would also indicate that the duties it imposes on the department are to be funded from those fees and, as may be needed, from a specified account.

This bill would incorporate additional changes in Section 12076 of the Penal Code proposed by AB 2080, AB 2902, or both, depending on the prior enactment of one or both of those bills and the chaptering of this bill last.

The people of the State of California do enact as follows:

SECTION 1. Section 12076 of the Penal Code is amended to read:

(4) If requested, a photocopy of the original shall be provided to the purchaser by the dealer.

(5) If the transaction is one conducted pursuant to Section 12082, a photocopy of the original shall be provided to the seller by the dealer, upon request.

(3) Ensure that the register or record of electronic or telephonic transfer shall state the name and address of the seller or transferor of the firearm or the person loaning the firearm and whether or not the person is a personal handgun importer in addition to any other information required by Section 12077.

(c) Notwithstanding any other provision of law, a dealer who does not sell, transfer, or keep an inventory of handguns is not required to process private party transfers of handguns.
