CHAPTER _____

An act to amend Section 7337.5 of the Business and Professions Code, relating to barbering and cosmetology.

LEGISLATIVE COUNSEL'S DIGEST

AB 2743, Lowenthal. Barbering and cosmetology apprenticeship.

Existing law requires the Bureau of Barbering and Cosmetology in the Department of Consumer Affairs to adopt regulations for the submittal of preapplications for admission to examination of students of approved cosmetology, electrology, or barbering school who have completed a specified percentage of the requirements.

This bill would also require the bureau to adopt regulations for the submittal of preapplications for admission to examination by a person licensed as an apprentice in barbering, cosmetology, skin care, or nail care who has completed 75% of apprenticeship requirements. The bill would authorize the bureau to require an additional fee for an apprenticeship preapplication.

The people of the State of California do enact as follows:

SECTION 1. Section 7337.5 of the Business and Professions Code is amended to read:

7337.5. (a) The bureau shall adopt regulations providing for the submittal of applications for admission to examination of students of approved cosmetology, electrology, or barbering schools who have completed at least 75 percent of the required course clock hours and curriculum requirements (60 percent for students of the manicurist course), or any person licensed as an apprentice in barbering, cosmetology, skin care, or nail care who has completed at least 75 percent of the required apprenticeship training hours. The regulations shall include provisions that ensure that all proof of qualifications of the applicant is received by the bureau before the applicant is examined.

(b) An application for examination submitted by a student of an approved cosmetology, electrology, or barbering school under this

section shall be known as a “school preapplication” and an additional preapplication fee may be required.

(c) An application for examination submitted by a person licensed as an apprentice in barbering, cosmetology, skin care, or nail care shall be known as an “apprenticeship preapplication” and an additional fee may be required.

(d) The bureau shall administer the licensing examination not later than 10 working days after graduation from an approved cosmetology, electrology, or barbering school to students who have submitted an application for admission for examination under the preapplication procedure, or not later than 10 working days after completion of an approved barbering, cosmetology, skin care, or nail care apprenticeship program for a person licensed as an apprentice.
