SENATE BILL

No. 312

Introduced by Senator Alpert

February 20, 2001

An act to amend Sections 30005.5, 30123, 30131.2, 30177, and 30178.2 of, and to add Section 30176.2 to, the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

LEGISLATIVE COUNSEL'S DIGEST

SB 312, as amended, Alpert. Cigarette and tobacco products taxes: returned products.

The Cigarette and Tobacco Products Tax Law imposes a tax on every distributor of cigarettes at specified rates. For purposes of that law, "untaxed tobacco product" is defined as any tobacco product that has not yet been distributed in a manner that results in a tax liability.

This bill would include as an "untaxed tobacco product" any tobacco product that was distributed in a manner that resulted in a tax liability, but that was returned to the distributor after the tax was paid and for which the distributor claimed a deduction, refund, or credit.

The Tobacco Tax and Health Protection Act of 1988 (Proposition 99), which was adopted by the voters at the general election held on November 8, 1988, imposes a surtax on the distribution of cigarettes in addition to the tax imposed pursuant to the Cigarette Tax Law as of the effective date of the adoption of Proposition 99, and imposes a tax on the distribution of certain tobacco products at an equivalent total rate determined pursuant to specified criteria.

The California Families and Children Act of 1998 (Proposition 10), which was adopted by the voters at the general election held on November 3, 1998, imposes a surtax on the distribution of cigarettes in addition to the tax imposed pursuant to the Cigarette Tax Law and the Tobacco Tax and Health Protection Act of 1988 as of the effective date of the adoption of Proposition 10, and imposes a tax on the distribution of certain tobacco products at an equivalent rate.

This bill would provide that the wholesale cost used to calculate the amount of ~~that tax~~ those taxes does not include the wholesale cost of tobacco products that were returned by a customer during the same reporting period *in which* the tobacco products were distributed ~~and~~, when the distributor refunds the amount paid in cash or credit.

The bill would also make changes with respect to refunds and credits, related to the other provisions of this bill.

The Tobacco Tax and Health Protection Act of 1988, an initiative measure, and the California ~~Children and Families and Children Act of 1998~~, another initiative measure, *each* require that amendments to their provisions be consistent with the act’s purposes, and ~~require~~ *be approved by* either a ⁴/₅ or ²/₃ vote of both houses of the Legislature.

This bill would declare that it amends those measures in a manner that furthers and is consistent with the purposes of those measures, and that it would require a ⁴/₅ vote for passage.

This bill would take effect immediately as a tax levy.

Vote: ⁴/₅. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
