~~An act to amend Section 18610.5 of, and to add Sections 18407 and 18408 to, the Health and Safety Code, relating to mobilehome parks. An act relating to state government.~~

LEGISLATIVE COUNSEL'S DIGEST

SB 339, as amended, Dunn. ~~Mobilehome parks~~ *State government.*

~~This bill would declare that it is the intent of the Legislature to provide adequate funding for the operation of state government.~~

~~(1) The existing Mobilehome Parks Act requires local enforcement agencies to enter and inspect all mobilehome parks at least once every 7 years and pursuant to complaints regarding serious health and safety violations of the park. It requires advance notice of the inspection to the owners of the manufactured homes or mobilehomes, or occupants thereof, if different, and to the owner or operator of the mobilehome park.~~

~~This bill would require, upon a complaint about a violation of the act to the enforcement agency, an inspector or representative of the enforcement agency to notify the complainant, in advance, of the date of any scheduled investigation. Following the inspection, an inspector or representative would be required to contact the complainant with the findings of the inspector concerning the complaint.~~

~~The bill would also require the enforcement agency to inspect a mobilehome or manufactured home, upon request, in the event of a dispute between a mobilehome owner and a mobilehome park operator concerning compliance of the mobilehome or manufactured home with specified health and safety standards.~~

~~(2) The act prohibits the creation, movement, shifting, or alteration of mobilehome park lot lines without written authorization of the local planning agency and the occupant or occupants, if any, of the mobilehome space or spaces on which the lot line will be affected. Any person who willfully violates a provision of the act, including its related rules and regulations, is guilty of a misdemeanor.~~

~~This bill would prohibit instead the creation, movement, shifting, or alteration of the lot lines without a permit issued by the enforcement agency and the written authorization or consent of the occupant or occupants, if any, of the mobilehome space or spaces on which the lot line will be affected. It would authorize the enforcement agency to require submission of a detailed plot plan of all lots and the dimensions of each lot affected by the creation of, or change in, lot lines. By expanding the definition of a crime, this bill would impose a state-mandated local program.~~

~~(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that no reimbursement is required by this act for a specified reason.~~
