[Approved by Governor October 10, 2001. Filed
with Secretary of State October 11, 2001.]

LEGISLATIVE COUNSEL'S DIGEST

SB 613, Alarcon. Medi-Cal: notifications to managed care plans.

Existing law provides for the Medi-Cal program, administered by the State Department of Health Services, under which qualified low-income persons are provided with health care services.

This bill would require the department to notify a Medi-Cal managed care plan of the date of the annual redetermination of a Medi-Cal beneficiary, who is in a disabled aid category and whose redetermination is the responsibility of the department.

The people of the State of California do enact as follows:

SECTION 1. Section 14018.1 is added to the Welfare and Institutions Code, to read:

14018.1. The department shall prospectively notify a Medi-Cal managed care plan of the date of the regularly scheduled annual redetermination of a Medi-Cal beneficiary in a disabled aid category, who is enrolled in that plan and where eligibility redetermination is the responsibility of the department. Nothing in this section shall provide a beneficiary with additional Medi-Cal coverage due to the department's failure to provide this notice.
