An act to add Section 1732.8 to the Welfare and Institutions Code, relating to prisons.

LEGISLATIVE COUNSEL'S DIGEST

SB 768, as amended, McPherson. Prisons.

Existing law creates the Department of the Youth Authority within the Youth and Adult Correctional Agency. Existing law generally commits to the Department of the Youth Authority any person convicted of a public offense who, among other things, is found to be less than 21 years of age at the time of apprehension and who has not been sentenced to specified crimes. Under existing law, the Youth Authority shall accept a person committed to it if it believes that the person can be materially benefited by its reformatory and educational discipline, and if it has adequate facilities to provide that care.

This bill would authorize the Director of the Youth Authority to transfer and cause to be confined within the custody of the Director of Corrections any person 18 years of age or older who is subject to the custody, control, and discipline of the Department of the Youth Authority and who is scheduled to be returned, or has been returned to the Department of the Youth Authority after serving a sentence imposed for a felony that was committed while he or she was in the custody of the Department of the Youth Authority. Under this bill, the person

would not be transferred unless he or she voluntarily, intelligently, and knowingly executes a consent to the transfer, which would be irrevocable. Additionally, the person would be required to meet with a parole agent or appropriate Department of the Youth Authority staff member who would be required to explain specified matters to the person prior to his or her return to the Department of the Youth Authority. The bill also would require any person housed in *an institution under the jurisdiction of* the Department of Corrections the Department of Corrections pursuant to these provisions who has not attained a high school diploma or its equivalent to participate in educational or vocational programs, *to the extent the appropriate programs are available.*

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
