LEGISLATIVE COUNSEL'S DIGEST

SB 1244, as introduced, Figueroa. Professional and vocational boards.

Existing law provides for various boards contained within the Department of Consumer Affairs. The initiative act known as the Chiropractic Act provides for the State Board of Chiropractic Examiners and requires that the Governor appoint members of that board.

This bill would require the Governor to fill a board vacancy on a board within the Department of Consumer Affairs or the State Board of Chiropractic Examiners within 30 days, and would provide that if the Governor fails to make an appointment the Senate Committee on Rules may make the appointment.

This bill would require the provisions relating to the State Board of Chiropractic Examiners, which was created by initiative statute, to be submitted to the voters for approval consistent with that initiative statute.

The bill would declare that it is to take effect immediately as an urgency statute.
