LEGISLATIVE COUNSEL'S DIGEST

SB 1812, as amended, Brulte. ~~Perjury: depositions, affidavits, or certificates~~ Firearms.

*Existing law makes it a crime to manufacture or cause to be manufactured, import into the state, keep for sale, offer or expose for sale, give, lend, or possess unsafe handguns. Existing law requires the Department of Justice to compile, publish, and maintain a roster listing of all the pistols, revolvers, and other firearms capable of being concealed upon the person that have been tested by a certified testing laboratory, have been determined not to be unsafe handguns, and that may be sold in this state. Existing law exempts from this prohibition and exempts from related requirements concerning the testing of firearms, specified single-action revolvers if any enumerated specifications for the revolver are satisfied.*

*This bill would also exempt a single shot pistol, as defined, from these provisions.*

~~Under existing law, the making of a deposition, affidavit, or certificate is deemed to be complete, within specified provisions, from the time when it is delivered by the accused to any other person, with the intent that it be uttered or published as true.~~

~~This bill would change the reference from the making of a deposition to the taking of a deposition.~~
