No. 2023

Introduced by Senator Figueroa

~~An act to amend Sections 5000, 5015.6, 5020, 5061, 5063, 5079, and 5100 of, to add Sections 5000.5, 5063.1, 5063.2, 5103, 5108, 5109, and 5109.5 to, to repeal and amend Section 5076 of, the Business and Professions Code, relating to accountancy, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.~~
An act to amend and supplement the Budget Act of 2002, relating to vacant positions in state government, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

SB 2023, as amended, Figueroa. ~~Accountancy~~ *State government: vacant positions.*

Existing law provides that the Legislature shall enact a budget bill making appropriations for the support of state government for the 2002–03 fiscal year.

This bill would provide that, if a budget bill is chaptered that contains specified provisions requiring the Director of Finance to eliminate certain employee positions in state government, the director may not abolish positions for peace officers, as defined, and for certain field enforcement personnel, provided that the positions are funded or reimbursed by a specified source.

This bill would declare that it is to take effect immediately as an urgency statute.

~~Existing law provides for the licensing and regulation of accountants by the State Board of Accountancy in the Department of Consumer Affairs. The provisions creating the board, specifying the board's composition, and authorizing the board to appoint an executive officer will become inoperative on July 1, 2006, and will be repealed on January 1, 2007.~~

~~This bill would change these dates, making the provisions inoperative on July 1, 2005, and repealing them on January 1, 2006. The bill would increase the number of members on the board from 11 to 15 by increasing the number of licensee members from 6 to 7 and increasing the number of public members from 5 to 8. The bill would revise the qualification requirements for certain members of the board.~~

~~Existing law provides that each board or commission in the Department of Consumer Affairs facing a statutory repeal date has the burden of establishing a compelling need for its continuation to the Joint Legislative Sunset Review Committee. Existing law limits this review in the case of the Board of Accountancy.~~

~~This bill would expand that review regarding the Board of Accountancy to include consideration of reports and studies specified in the law regulating accountancy.~~

~~Existing law prohibits a person engaged in the practice of public accountancy from performing services for a client for a commission or from receiving a commission from a client when that person also performs specified services for that client.~~

~~This bill would include in that prohibition services for a commission for or receiving a commission from, an officer or director of a client or client-sponsored retirement plan.~~

~~Existing law provides that unlicensed persons can be minority owners of public accountancy firms, notwithstanding other laws~~

~~providing for the issuance of permits to practice accountancy only to licensees, if specified requirements are met.~~

~~This bill would add the requirement that a licensed firm disclose the actual or potential involvement of nonlicensee owners in services provided.~~

~~Existing law authorizes the board to conduct investigations or hearings relating to any matter involving the conduct of licensees. Existing law authorizes the board to appoint an administrative committee for the purpose of obtaining technical expertise. Existing law authorizes the board to vest this committee with the powers of the board for specified purposes.~~

~~This bill would delete the authority to vest the powers of the board in this committee.~~

~~Existing law authorizes the board, after notice and hearing, to revoke, suspend, or refuse to renew any permit or certificate, as specified, or to censure the holder of that permit or certificate for unprofessional conduct. Under existing law, unprofessional conduct includes a conviction for a crime substantially related to the qualifications, functions, and duties of a certified public accountant or public accountant, and dishonesty, fraud, or gross negligence in certain duties. Existing law requires, with respect to standards of professional conduct, a licensee to report to the board in writing, within 30 days of the time the licensee has knowledge of certain events concerning the licensee, including the conviction of a crime.~~

~~This bill would require a licensee to report other specified events concerning the licensee, including certain civil judgments and settlements, and would authorize the board to adopt regulations to further define certain reporting requirements. It would also require courts and specified insurers and surplus brokers to report certain events to the board. This bill would expand the definition of unprofessional conduct to include repeated negligence indicating a lack of competency and would provide the board with subpoena power and the authority to proceed in an investigation or action in specified circumstances.~~

~~Existing law requires an applicant for licensure as a certified public accountant to demonstrate experience in the attest function. A firm, other than a sole proprietor or a small firm, is required to meet specified peer review requirements in order to provide attest services and an individual applicant is required to meet specified criteria to sign reports on attest engagements. The board is required to adopt regulations~~

~~implementing, interpreting, and making specific the peer review requirements.~~

~~This bill would require the board to report to the Legislature and the department by September 1, 2003, concerning the peer review program.~~

~~This bill would also require the board to report to the Legislature by September 1, 2003, on problems with respect to the policing and disciplining of accountants employed by a large public accounting firm.~~

~~Existing law appropriates all money in the Accountancy Fund to the board to carry out provisions of the law relating to accountancy.~~

~~This bill would make an appropriation because it authorizes the board to expend money in the fund for additional purposes.~~

~~This bill would declare that it is to take effect immediately as an urgency statute.~~

Vote: ²/₃. Appropriation: **yes** *no*. Fiscal committee: **yes**. State-mandated local program: **no**.

33 ~~services provided to the client by the person engaged in the~~
34 ~~practice of public accountancy. Nothing in this subdivision shall~~
