### CHAPTER 105

An act to amend Section 42285.3 of the Education Code, relating to schools, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor July 5, 2004. Filed with  
Secretary of State July 6, 2004.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 987, Keene. School finance: necessary small schools.

(1) Existing law provides that a unified school district that meets certain criteria is eligible to receive apportionments pursuant to the schedules for a necessary small school and a necessary small high school, as specified. Existing law requires a school district that receives those apportionments to report to the State Department of Education and the Department of Finance by July 1, 2001, concerning the plan of the district to address its need for additional funding after the January 1, 2005, date of repeal of this authority.

This bill would delete that reporting requirement.

(2) Under existing law, these provisions become inoperative on July 1, 2004, and are repealed as of January 1, 2005.

This bill would delete the repeal date, thereby extending the operation of these provisions indefinitely.

(3) This bill would declare that it would take effect immediately as an urgency statute.

*The people of the State of California do enact as follows:*
