AMENDED IN ASSEMBLY MARCH 18, 2004
CALIFORNIA LEGISLATURE—2003–04 REGULAR SESSION

ASSEMBLY BILL

No. 1812

Introduced by Assembly Member Bermudez

January 13, 2004

An act to amend Section ~~12517.2~~ of 12804.9 of, and to amend, repeal, and add Section 12517.2 of, the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 1812, as amended, Bermudez. Drivers' certificates: medical examination.

Existing

(1) *Existing* law requires applicants for an original or renewal certificate to drive a schoolbus, school pupil activity bus, youth bus, general public paratransit vehicle, or farm labor vehicle to submit a specified report of a medical examination by a physician licensed to practice medicine.

Existing law defines the term "advanced practice registered nurse" as a licensed registered nurse who has met certain additional requirements.

This bill would include, as an alternative, a report of a medical examination given by a licensed physician's assistant, *advanced practice registered nurse practitioner*, or a doctor of chiropractic. *The bill would repeal this authority on January 1, 2007.*

The bill would require the Department of Motor Vehicles, by December 31, 2006, to submit a report to the Joint Committee on Boards, Commissions, and Consumer Protection regarding the authority granted by the bill to licensed physician’s assistants, advanced practice registered nurses, and doctors of chiropractic to perform these medical examinations.

(2) Existing law requires an examination for a class A or class B license to include a report of a medical examination by a health care professional, which is defined as including, among other persons, an advanced practice nurse.

The bill would instead include an advanced practice registered nurse, and would also delete an obsolete provision.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:
