An act to add Section 11110 to the Health and Safety Code, relating to nonprescription drugs.

LEGISLATIVE COUNSEL'S DIGEST

AB 1853, as introduced, Simitian. Dimenhydrinate: dextromethorphan: sale to minors prohibited.

Existing law regulates the sale of nonprescription drugs, as specified.

This bill would, in addition, make it an infraction for any person in an over-the-counter sale to, without a prescription, willfully deliver to a person under 18 years of age a nonprescription drug containing dimenhydrinate or dextromethorphan. By creating new crimes, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. Section 11110 is added to the Health and Safety
- 2 Code, to read:

1 11110. (a) It shall be an infraction for any person in an  
2 over-the-counter sale to, without a prescription, willfully deliver  
3 to a person under the age of 18 years a drug, material, compound,  
4 mixture, preparation, or substance containing any quantity of the  
5 following:

6 (1) Dimenhydrinate.

7 (2) Dextromethorphan (the dextrorotatory isomer of  
8 3-methoxy-N-methylmorphinan, including its salts, but not  
9 including its racemic or levorotatory forms).

10 (b) (1) It shall be prima facie evidence of a violation of this  
11 section if the person making the sale does not require and obtain  
12 proof of age from the purchaser, unless from the purchaser's  
13 outward appearance the person making the sale would reasonably  
14 presume the purchaser to be 25 years of age or older.

15 (2) For the purposes of this section, "proof of age" means any  
16 document issued by a governmental agency that contains a  
17 description or photograph of the person and gives the person's date  
18 of birth, including a passport, military identification card, or  
19 driver's license.

20 (c) It shall be an affirmative defense to a violation of this  
21 section if the defendant proves, by a preponderance of the  
22 evidence, all of the following:

23 (1) The person making the sale required and obtained proof of  
24 age from the purchaser.

25 (2) The purchaser falsely represented his or her age by the use  
26 of a false, forged, or altered document.

27 (3) The appearance of the purchaser would lead an ordinary  
28 and prudent person to believe that the purchaser was at least 18  
29 years of age.

30 (4) The sale was made in good faith and in reliance upon the  
31 appearance and representation of proof of age of the purchaser.

32 SEC. 2. No reimbursement is required by this act pursuant to  
33 Section 6 of Article XIII B of the California Constitution because  
34 the only costs that may be incurred by a local agency or school  
35 district will be incurred because this act creates a new crime or  
36 infraction, eliminates a crime or infraction, or changes the penalty  
37 for a crime or infraction, within the meaning of Section 17556 of  
38 the Government Code, or changes the definition of a crime within

1 the meaning of Section 6 of Article XIII B of the California  
2 Constitution.
