### CHAPTER 151

An act to amend Section 1393.5 of the Labor Code, relating to employment.

[Approved by Governor July 15, 2004. Filed with Secretary of State July 16, 2004.]

#### LEGISLATIVE COUNSEL'S DIGEST

SB 1134, Chesbro. Employment of minors: agricultural packing plants.

Existing law prescribes limits on the hours of employment of minors, but authorizes the Labor Commissioner to grant an exemption to employers operating agricultural packing plants for employment of minors 16 and 17 years of age for up to 10 hours per nonschool day during peak harvest season. Under existing law, which will be repealed January 1, 2005, that exemption may additionally authorize employment of a minor who is enrolled in a school in Lake County to be employed for more than 48, but not more than 60, hours a week upon prior written approval by the Lake County Board of Education.

Existing law also requires the Labor Commissioner, prior to issuing the Lake County exemption or renewing an exemption, to inspect an affected agricultural packing plant, and to file a written report with the Legislature on or before March 1 of each year describing the general working conditions of minors employed in the agricultural packing industry during the past year, as specified. Existing law further requires an affected employer, on or before March 1 of each year, as a condition of receiving that exemption or a renewal of that exemption, to file a written report to the Labor Commissioner, as specified.

This bill would extend the operation of those provisions until January 1, 2008.
