An act to amend Section 49531.1 of the Education Code, relating to pupils.

LEGISLATIVE COUNSEL'S DIGEST

AB 444, as introduced, Yee. School food: nutrition guidelines.

Existing law requires the State Department of Education to develop and maintain nutrition guidelines for school lunches and breakfasts, and for all food and beverages sold on public school campuses.

This bill would also require the department to develop and maintain those guidelines for all food and beverages served on public school campuses.

Existing law requires the nutrition guidelines to include guidelines for fat, saturated fat, and cholesterol, and to specify that if comparable food products of equal nutritional value are available, the food product lower in fat, saturated fat, or cholesterol shall be used.

This bill would include sugar within those guideline provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
