An act to add Section 8314.5 to the Government Code, relating to state computers.

LEGISLATIVE COUNSEL'S DIGEST

AB 546, as amended, Garcia. State computers: prohibited use: obscene matter.

Existing law makes it unlawful and subject to a civil penalty for any elected state or local officer, appointee, employee, or consultant to use or permit others to use public resources for personal or other purposes that are not authorized by law. Existing law also provides that the incidental and minimal use of public resources is not subject to criminal prosecution.

This bill, in furtherance of existing law, would make it unlawful for any person to *knowingly* use a state-owned or state-leased computer to access, view, download, or otherwise obtain obscene matter, as defined, except for specified purposes.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
