CHAPTER 44

An act to amend Section 2704.13 and 2704.16 of the Streets and Highways Code, and to amend Sections 3 and 4 of Chapter 697 of the Statutes of 2002, relating to transportation, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor June 27, 2006. Filed with Secretary of State June 27, 2006.]

LEGISLATIVE COUNSEL'S DIGEST

Existing law provides for submission of the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century to the voters for approval at the November 7, 2006, general election. Subject to voter approval, the act would provide for the issuance of $9.95 billion of general obligation bonds, $9 billion of which would be available in conjunction with any available federal funds for planning and construction of a high-speed train system pursuant to the business plan of the High-Speed Rail Authority, and $950 million of which would be available for capital projects on other passenger rail lines to provide connectivity to the high-speed train system and for capacity enhancements and safety improvements to those lines.

This bill would instead provide for submission of the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century to the voters for approval at the November 4, 2008, general election. The bill would make other related changes.

This bill would declare that it is to take effect immediately as an urgency statute.

2704.13. The committee shall determine whether or not it is necessary or desirable to issue bonds authorized pursuant to this chapter in order to carry out the actions specified in Sections 2704.06 and 2704.095 and, if so, the amount of bonds to be issued and sold. Successive issues of bonds may be issued and sold to carry out those actions progressively, and it is not necessary that all of the bonds authorized be issued and sold at any one time. The committee shall consider program funding needs, revenue

The amount of the request shall not exceed the amount of the unsold bonds which the committee has, by resolution, authorized to be sold for the purpose of this chapter, less any amount borrowed pursuant to Section 2701.17. The board shall execute such documents as required by the Pooled Money Investment Board to obtain and repay the loan.
