AMENDED IN ASSEMBLY FEBRUARY 21, 2006

CALIFORNIA LEGISLATURE—2005–06 REGULAR SESSION

ASSEMBLY BILL

No. 1866

Introduced by Assembly Member Karnette

January 17, 2006

An act to add Chapter 6.5 (commencing with Section 42390) to Part 3 of Division 30 of the Public Resources Code, relating to recycling.

LEGISLATIVE COUNSEL'S DIGEST

AB 1866, as amended, Karnette. Recycling: ~~polystyrene~~ state facilities.

~~Existing law requires all rigid plastic bottles and rigid plastic containers sold in the state to be labeled with a code that indicates the resin used to produce the rigid plastic bottle or rigid plastic container. Existing law, the California Integrated Waste Management Act of 1989, administered by the California Integrated Waste Management Board, requires every rigid plastic packaging container, as defined, sold or offered for sale in this state, to generally meet one of specified criteria.~~

Under existing law, it is the policy of the state to conserve and protect resources by encouraging the recycling of solid waste and the purchase of those recycled materials, including recycled concrete, rubberized asphalt concrete, and lead-acid batteries. Existing law also regulates the recycling and reuse of, among other things, beverage containers, plastic waste, and tires, and the manufacture of fiberglass recycled content.

This bill would ~~define terms and would prohibit~~ *allow* a state facility ~~from selling, possessing, or distributing an expanded polystyrene to sell, possess, or distribute a food container only if the food container is recyclable or compostable, as defined,~~ on and after January 1, 2008. The bill would direct a state agency to require each prospective bidder, on and after January 1, 2008, to certify that it, and its agents, subsidiaries, partners, joint venturers, and subcontractors for procurement, will ~~not sell, possess, or distribute an expanded polystyrene~~ a food container at a state facility *only if the food container is recyclable or compostable. The bill would provide that the requirement regarding food containers applies to the campuses of the University of California only upon the approval of the Board of Regents of the University of California. The bill would also exempt prisons and state mental health facilities until the Director of Corrections, for the prisons, or the Director of Mental Health, for the state mental health facilities, determines that the use of food containers that are recyclable or compostable would not pose a danger for persons in those facilities.*

This bill would require the board to adopt regulations to establish standards for determining whether a food container is recyclable, for purposes of the bill's requirements.

Vote: majority. Appropriation: no. Fiscal committee: yes.
 State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Chapter 6.5 (commencing with Section 42390)
 2 is added to Part 3 of Division 30 of the Public Resources Code,
 3 to read:

4
 5 CHAPTER 6.5. ~~POLYSTYRENE~~ FOOD CONTAINERS
 6

7 42390. For purposes of this chapter, the following definitions
 8 shall apply:

9 (a) ~~“Expanded polystyrene food container” means a rigid~~
 10 ~~plastic packing container, as defined in Section 42301, that meets~~
 11 ~~all of the following conditions:~~

12 (1) ~~Polystyrene is the sole resin used to produce the rigid~~
 13 ~~plastic packaging container.~~

1 ~~(2) The container is required to be labeled with a “6” pursuant~~
2 ~~to subdivision (a) of Section 18015.~~

3 ~~(3) The container~~

4 (a) *“Compostable” means the food container meets the*
5 *current American Society for Testing and Materials (ASTM)*
6 *standards specifications for determining whether a product is*
7 *compostable.*

8 (b) *“Food container” means a container that is used, or is*
9 *intended to be used, to contain food, as defined in Section*
10 *109935 of the Health and Safety Code.*
