#### LEGISLATIVE COUNSEL'S DIGEST

AB 2154, Goldberg. Parking: car share vehicle.

Existing law regulates the stopping, parking, and standing of vehicles on the public streets.

This bill would allow a city or county, by ordinance or resolution, to designate certain streets or portions of streets for the exclusive parking privilege of motor vehicles participating in a car share vehicle program or ridesharing program. The bill would provide that under a car share vehicle program or ridesharing program a car share vehicle or ridesharing vehicle would be assigned a permit by the local authority that allows that vehicle to park in the exclusive designated parking areas. The bill would provide that the ordinance or resolution does not apply until signs or markings giving adequate notice thereof have been placed. The bill would allow the local ordinance or resolution to contain provisions that are reasonable and necessary to ensure the effectiveness of the programs.
