

Assembly Bill No. 2257

CHAPTER 89

An act to add Section 2919 to the Business and Professions Code, relating to psychologists.

[Approved by Governor July 20, 2006. Filed with
Secretary of State July 20, 2006.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2257, Committee on Business and Professions. Psychologists: records retention.

Existing law, the Psychology Licensing Law, provides for the licensure and regulation of the practice of psychology. A violation of that law is a crime.

This bill would require a licensed psychologist to retain a patient's health service records for a minimum of 7 years from the patient's discharge date, and would also require a minor patient's health service records to be retained for a minimum of 7 years from the date the patient reaches 18 years of age. Because a violation of the bill would be a crime, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. Section 2919 is added to the Business and Professions Code, to read:

2919. A licensed psychologist shall retain a patient's health service records for a minimum of seven years from the patient's discharge date. If the patient is a minor, the patient's health service records shall be retained for a minimum of seven years from the date the patient reaches 18 years of age.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the

definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
