[Approved by Governor September 22, 2005. Filed with

LEGISLATIVE COUNSEL'S DIGEST

SB 679, Simitian. Aid to Families with Dependent Children-Foster Care: group homes: definition.

Existing law establishes the Aid to Families with Dependent Children-Foster Care (AFDC-FC) program, under which counties provide payments to foster care providers, including group homes, on behalf of qualified children in foster care. The program is funded by a combination of federal, state, and county funds, with money from the General Fund being continuously appropriated to pay for the state's share of AFDC-FC costs.

Existing law designates the various placements which may be made for a child eligible for AFDC-FC benefits, including a licensed group home. Existing law defines a group home for purposes of the AFDC-FC program as a nondetention privately operated residential home, organized and operated on a nonprofit basis only, of any capacity, that provides services in a group setting to children in need of care and supervision.

This bill would also include within the definition of a group home for purposes of the AFDC-FC program a nondetention, licensed residential home operated by the County of San Mateo, with a capacity of up to 25 beds, that provides services in a group setting to children in need of care and supervision. This bill would provide that no appropriation shall be made pursuant to the provision continuously appropriating funds for the AFDC-FC program, for the purposes of funding the bill.

Existing law requires foster care providers licensed as group homes to have rates established by the State Department of Social Services only if the group home is organized and operated on a nonprofit basis.

This bill, notwithstanding existing law, would authorize the department to establish a rate for a foster family group home operated by the County of San Mateo, as provided for in the bill.
