CHAPTER _____

An act to amend Section 4658 of the Labor Code, relating to workers' compensation.

LEGISLATIVE COUNSEL'S DIGEST

SB 815, Perata. Workers' compensation: permanent disability: schedule.

Existing law establishes a workers' compensation system, administered by the Administrative Director of the Division of Workers' Compensation, to compensate an employee for injuries sustained in the course of his or her employment. Existing law requires the payment of disability benefits to eligible individuals for injuries sustained in the course of employment that cause permanent disability, and specifies that the amount of those payments be computed in accordance with a prescribed formula.

This bill would revise the formula for computing those payments for injuries causing permanent disability, which occur on or after January 1, 2007, as specified.

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) In enacting Assembly Bill 227 (Chapter 635, Statutes of 2003), Senate Bill 228 (Chapter 639, Statutes of 2003), and Senate Bill 899 (Chapter 34, Statutes of 2004), it was the intent of the Legislature to create a workers' compensation system that is fair to all parties involved.

(b) Ensuring that permanently disabled workers receive fair compensation is a high priority of the Legislature.

(c) Until we know the full effect workers' compensation reform has had on the workers' compensation system in general, and permanently disabled workers in particular, we should ensure that permanently disabled workers receive adequate benefits.

(d) In ensuring adequate benefit levels to permanently disabled workers, it is not the intent of the Legislature to undermine the

positive effect workers' compensation reform has had on California's employers and workers.

SEC. 2. Section 4658 of the Labor Code is amended to read:
