[Approved by Governor September 29, 2006. Filed with Secretary of State September 29, 2006.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1468, Alarcon. Car washes.

Existing law, until January 1, 2007, regulates the industry of car washing and polishing by providing specific recordkeeping requirements that employers of car washers must implement with regard to car washer wages, hours, and working conditions.

This bill would extend that repeal date to January 1, 2010.

The bill would also require the Labor Commissioner to report to the Legislature not later than December 31, 2008, on the status of labor law violations and enforcement in the car washing and polishing industry.

The people of the State of California do enact as follows:

SECTION 1. Section 2067 of the Labor Code is amended to read:

2067. This part shall remain in effect only until January 1, 2010, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2010, deletes or extends that date.

SEC. 2. Chapter 5 (commencing with Section 2068) is added to Part 8.5 of Division 2 of the Labor Code, to read:

CHAPTER 5. REPORTING

2068. The commissioner shall study and report to the Legislature, not later than December 31, 2008, on the status of labor law violations and enforcement in the car washing and polishing industry.
