LEGISLATIVE COUNSEL'S DIGEST

AB 14, as amended, Laird. Discrimination: Civil Rights Act of 2007.

(1) The Unruh Civil Rights Act entitles all persons within the jurisdiction of this state to the full and equal accommodations, advantages, facilities, privileges, or services in all business establishments, regardless of sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation.

Under existing law, persons holding licenses under the provisions of the Business and Professions Code are subject to disciplinary action for refusing, or aiding or inciting another licensee to refuse, to perform the licensed services because of the prospective recipient's race, color, sex, religion, ancestry, disability, marital status, or national origin. Existing law also creates an exception to that prohibition for healing arts practitioners if the licensed activity sought would pose a direct threat to the health or safety of others.

This bill would enact the Civil Rights Act of 2007, as described herein, and would instead subject those licensees to disciplinary action if the above-described discrimination is based upon the prospective recipient's sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation. This bill would also provide, however, that nothing in these provisions would prohibit the consideration of those characteristics for purposes of diagnosis or treatment, or require any healing arts practitioner to perform a licensed activity for which he or she is not qualified.

(2) Existing law provides that no person within the jurisdiction of this state shall be excluded or required to be excluded from a business transaction on the basis of a policy expressed in any document or writing and imposed by a 3rd party if that policy requires discrimination against that person on the basis of the person's sex, race, color, religion, ancestry, or national origin, or on the basis that the person conducts or has conducted business in a particular location.

This bill would instead prohibit that discrimination if based upon sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation, or on the basis that the person conducts or has conducted business in a particular location.

(3) Existing law provides that it is an unlawful trust and an unlawful restraint of trade for any person to grant or accept any letter of credit, or other document that evidences the transfer of funds or credit, or enter into any contract for the exchange of goods or services, if the letter of

credit, contract, or other document contains any provision that requires any person to discriminate against, or to certify that he, she, or the letter, contract, or document has not dealt with, any other person on the basis of sex, race, color, religion, ancestry, or national origin, or on the basis of a person's lawful business association.

This bill would instead prohibit that discrimination if based upon sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation, or on the basis of a person's lawful business association.

(4) The Horse Racing Law authorizes the California Horse Racing Board to provide by rule for the exclusion or ejection of specified persons from any horse racing inclosure. Notwithstanding that authorization, the law prohibits the board from providing by rule for the exclusion or ejection of a person on the ground of race, color, creed, national origin or ancestry, or sex.

This bill would instead prohibit the board from excluding or ejecting a person on the ground of sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation.

(5) Existing law prohibits tennis, handball, racquetball, and beach and athletic clubs from discriminating against any person on account of specified characteristics.

This bill would conform those provisions to the Unruh Civil Rights Act, and instead prohibit those clubs from discriminating on account of sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation.

(6) Existing law requires every alcoholic beverage club licensee that restricts membership or the use of its services or facilities on the basis of age, sex, race, religion, color, ancestry, or national origin to incorporate a printed statement on its receipts that the expenditures covered by those receipts are nondeductible for tax purposes.

This bill would instead impose that requirement upon every alcoholic beverage club licensee that restricts membership or the use of its services or facilities on the basis of ancestry, race, national origin, ethnic group identification, religion, age, sex, sexual orientation, color, or disability.

(7) The California Fair Dealership Law prohibits various acts of discrimination based on race, color, religion, national ancestry, or sex, with regard to the granting of dealerships, as defined.

This bill would conform those provisions to the Unruh Civil Rights Act, and instead prohibit that discrimination based upon sex, race, color,

religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation.

(8) A provision of the Song-Beverly Credit Card Act of 1971 prohibits a card issuer, as defined, from refusing to issue a credit card to a person solely because of that person's race, religious creed, color, national origin, ancestry, or sex.

This bill would conform that provision to the Unruh Civil Rights Act, and instead prohibit that discrimination if based upon sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation.

(9) Existing law specifies that no eligible person shall be exempt from service as a trial juror by reason of occupation, race, color, religion, sex, national origin, economic status, or sexual orientation, or for any other reason.

This bill would instead specify that no eligible person shall be exempt from service as a trial juror by reason of occupation, economic status, race, national origin, ethnic group identification, religion, age, sex, sexual orientation, color, or disability, or for any other reason.

(10) Existing law provides that no cause of action may be maintained against a person serving without compensation as a director or officer of a nonprofit corporation incorporated pursuant to specified provisions of the nonprofit corporation law on account of any negligent act or omission by that person within the scope of that person's duties, except by court order or if the corporation unlawfully restricts membership, services, or benefits conferred on the basis of race, religious creed, color, national origin, ancestry, sex, marital status, disability, political affiliation, or age.

This bill would instead except from that immunity a director or officer of a nonprofit corporation that unlawfully restricts membership, services, or benefits on the basis of ancestry, marital status, political affiliation, race, national origin, religion, age, sex, sexual orientation, color, disability, or medical condition.

(11) Existing law provides that it is the policy of the state to afford all persons equal rights and opportunities in the postsecondary institutions of the state, regardless of specified factors. Existing law prohibits those institutions from discriminating on the basis of those factors, and requires the governing board of each community college district, the Chancellor of the California State University, the president of each California State University campus, the President of the University of California, and the chancellor of each University of

California campus to ensure that campus programs and activities are free from discrimination based upon those factors.

This bill would recast those factors in terms of, among others, sex, race, color, religion, age, ethnic group identification, national origin, disability, or sexual orientation.

(12) Existing law requires Cal Grant Program awards to be awarded without regard to race, religion, creed, sex, or age.

This bill would instead require Cal Grant Program awards to be awarded without regard to age, sex, race, color, religion, ethnic group identification, national origin, disability, or sexual orientation.

(13) Existing law prohibits the funds of a community college district, California State University, or University of California to be used for membership with, or for any participation involving a financial payment or contribution to, any private organization which membership practices are discriminatory on the basis of race, creed, color, sex, religion, or national origin.

(15) Existing law prohibits the state from using state funds for membership or any participation involving any private organization or the use of a facility which membership practices discriminate on the basis of, among others, race, creed, color, sex, religion, or national origin. Existing law also prohibits the legislative body of a local agency from using a facility which practices discriminate on the basis of those factors.

This bill would instead prohibit that state or local involvement and use of private facilities if the organization or facility discriminates on the basis of, among others, ancestry, race, national origin, ethnic group identification, religion, age, sex, sexual orientation, color, or disability.

(16) Existing law requires a city, county, or other local agency that owns, operates, or controls a public beach, or access to that beach, to allow for its use by any person regardless of color, race, religion, ancestry, sex, national origin, or residence.

This bill would allow for that access regardless of sex, race, color, religion, ancestry, age, ethnic group identification, national origin, disability, sexual orientation, or residence.

(17) Existing law authorizes the Judicial Council to provide by rule of court for racial, ethnic, gender bias, and sexual harassment training for judges, commissioners, and referees.

This bill would further authorize the Judicial Council to provide by rule of court for training for judges, commissioners, and referees on any other bias based on race, national origin, ethnic group identification, religion, age, sex, sexual orientation, color, or disability.

(18) Existing law prohibits the provision of emergency services and care to be based upon, or affected by, a person's race, ethnicity, religion, national origin, citizenship, age, sex, preexisting medical condition, physical or mental handicap, insurance status, economic status, or ability to pay for medical services, except as specified, and requires every hospital to adopt that policy.

This bill would instead prohibit that discrimination if based upon ethnicity, citizenship, age, preexisting medical condition, insurance status, economic status, ability to pay for medical services, sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation, except as specified, and would require every hospital to adopt that policy.

(19) Existing law authorizes each county to apply to the State Department of Health Services for funds for the purposes of alleviating problems in its county related to alcohol and drug abuse. Existing law authorizes each county to administer and coordinate all county alcohol and other drug programs funded by the state. Existing law requires every county alcohol and drug program administrator to assure compliance with applicable laws relating to discrimination against any person because of race, creed, age, religion, sex, sexual preference, or disabling conditions.

(21) Existing law governs contracts for state park system concessions, and prohibits discrimination by a concessionaire or his or her agents or employees against any person because of the race, color, religion, sex, marital status, national origin, or ancestry of that person.

(22) Existing law prohibits a public utility from charging a person different rates or deposit amounts because of that person's race, religious creed, color, national origin, ancestry, physical handicap, medical condition, occupation, sex, marital status, or change in marital status.

(24) The Personal Income Tax Law and the Bank and Corporation Tax Law prohibit tax deductions based upon payments or expenditures made at a club that restricts membership or the use of its services or facilities on the basis of age, sex, race, religion, color, ancestry, or national origin.

This bill would instead prohibit those deductions if made at a club that discriminates on the basis of ancestry, race, national origin, ethnic group identification, religion, age, sex, sexual orientation, color, or disability. The bill would also delete an identical and duplicate provision as that described above.

(25) Existing law requires the state to contract with appropriate agencies to provide regional centers in the community for persons with developmental disabilities. Existing law prohibits those regional centers from conducting any meeting, conference, or other function in any facility that discriminates on the basis of race, religious creed, color, national origin, ancestry, sex, or disability.

Existing law requires those individual personal service plans to ensure that members of the target population involved in the system of care receive age, gender, and culturally appropriate services, to the extent feasible.

This bill would ~~instead~~ *additionally* require those service plans to ensure that members of the target population receive culturally appropriate services or appropriate services based upon race, national origin, ethnic group identification, religion, ~~age~~, sex, sexual orientation, color, or disability, to the extent feasible.

(28) Existing law specifies that for the purposes of the Welfare and Institutions Code that aid shall be administered and services provided promptly and humanely, with due regard for the preservation of family life, and without discrimination on account of race, national origin or ancestry, religion, sex, marital status, or political affiliation.

The people of the State of California do enact as follows:

1 SECTION 1. The Legislature finds and declares as follows:

2 (a) Even prior to passage of the Unruh Civil Rights Act,
3 California law afforded broad protection against arbitrary
4 discrimination by business establishments. The Unruh Civil Rights
5 Act was enacted to provide broader, more effective protection
6 against arbitrary discrimination. California's interest in preventing
7 that discrimination is longstanding and compelling.

8 (b) In keeping with that history and the legislative history of
9 the Unruh Civil Rights Act, California courts have interpreted the
10 categories enumerated in the act to be illustrative rather than
11 restrictive. It is the intent of the Legislature that these enumerated
12 bases shall continue to be construed as illustrative rather than
13 restrictive, and, consistent with the Unruh Civil Rights Act, that
14 the civil rights provisions of this act that reference Section 51 of
15 the Civil Code also be interpreted to be illustrative rather than
16 restrictive.

17 SEC. 1.5. This act shall be known and may be cited as the Civil
18 Rights Act of 2007.

19 SEC. 2. Section 125.6 of the Business and Professions Code
20 is amended to read:

21 125.6. (a) (1) With regard to an applicant, every person who
22 holds a license under the provisions of this code is subject to
23 disciplinary action under the disciplinary provisions of this code
24 applicable to that person if, because of any characteristic listed or
25 defined in subdivision (b) or (e) of Section 51 of the Civil Code,
26 he or she refuses to perform the licensed activity or aids or incites
27 the refusal to perform that licensed activity by another licensee,
28 or if, because of any characteristic listed or defined in subdivision
29 (b) or (e) of Section 51 of the Civil Code, he or she makes any
30 discrimination, or restriction in the performance of the licensed
31 activity.

32 (2) Nothing in this section shall be interpreted to prevent a
33 physician or health care professional licensed pursuant to Division
34 2 (commencing with Section 500) from considering any of the
35 characteristics of a patient listed in subdivision (b) or (e) of Section
36 51 of the Civil Code if that consideration is medically necessary
37 and for the sole purpose of determining the appropriate diagnosis
38 or treatment of the patient.

1 (3) Nothing in this section shall be interpreted to apply to
2 discrimination by employers with regard to employees or
3 prospective employees, nor shall this section authorize action
4 against any club license issued pursuant to Article 4 (commencing
5 with Section 23425) of Chapter 3 of Division 9 because of
6 discriminatory membership policy.

7 (4) The presence of architectural barriers to an individual with
8 physical disabilities that conform to applicable state or local
9 building codes and regulations shall not constitute discrimination
10 under this section.

11 (b) (1) Nothing in this section requires a person licensed
12 pursuant to Division 2 (commencing with Section 500) to permit
13 an individual to participate in, or benefit from, the licensed activity
14 of the licensee where that individual poses a direct threat to the
15 health or safety of others. For this purpose, the term “direct threat”
16 means a significant risk to the health or safety of others that cannot
17 be eliminated by a modification of policies, practices, or procedures
18 or by the provision of auxiliary aids and services.

19 (2) Nothing in this section requires a person licensed pursuant
20 to Division 2 (commencing with Section 500) to perform a licensed
21 activity for which he or she is not qualified to perform.

22 (c) (1) “Applicant,” as used in this section, means a person
23 applying for licensed services provided by a person licensed under
24 this code.

25 (2) “License,” as used in this section, includes “certificate,”
26 “permit,” “authority,” and “registration” or any other indicia giving
27 authorization to engage in a business or profession regulated by
28 this code.

29 SEC. 3. Section 16721 of the Business and Professions Code
30 is amended to read:

31 16721. Recognizing that the California Constitution prohibits
32 a person from being disqualified from entering or pursuing a
33 business, profession, vocation, or employment because of sex,
34 race, creed, color, or national or ethnic origin, and guarantees the
35 free exercise and enjoyment of religion without discrimination or
36 preference; and recognizing that these and other basic, fundamental
37 constitutional principles are directly affected and denigrated by
38 certain ongoing practices in the business and commercial world,
39 it is necessary that provisions protecting and enhancing a person’s

1 right to enter or pursue business and to freely exercise and enjoy
2 religion, consistent with law, be established.

3 (a) No person within the jurisdiction of this state shall be
4 excluded from a business transaction on the basis of a policy
5 expressed in any document or writing and imposed by a third party
6 where that policy requires discrimination against that person on
7 the basis of any characteristic listed or defined in subdivision (b)
8 or (e) of Section 51 of the Civil Code or on the basis that the person
9 conducts or has conducted business in a particular location.

10 (b) No person within the jurisdiction of this state shall require
11 another person to be excluded, or be required to exclude another
12 person, from a business transaction on the basis of a policy
13 expressed in any document or writing that requires discrimination
14 against that other person on the basis of any characteristic listed
15 or defined in subdivision (b) or (e) of Section 51 of the Civil Code
16 or on the basis that the person conducts or has conducted business
17 in a particular location.

18 (c) Any violation of any provision of this section is a conspiracy
19 against trade.

20 (d) Nothing in this section shall be construed to prohibit any
21 person, on this basis of his or her individual ideology or
22 preferences, from doing business or refusing to do business with
23 any other person consistent with law.

24 SEC. 4. Section 16721.5 of the Business and Professions Code
25 is amended to read:

26 16721.5. (a) It is an unlawful trust and an unlawful restraint
27 of trade for any person to do the following:

28 (1) Grant or accept any letter of credit, or other document that
29 evidences the transfer of funds or credit, or enter into any contract
30 for the exchange of goods or services, where the letter of credit,
31 contract, or other document contains any provision that requires
32 any person to discriminate against or to certify that he, she, or it
33 has not dealt with any other person on the basis of any
34 characteristic listed or defined in subdivision (b) or (e) of Section
35 51 of the Civil Code, or on the basis of a person's lawful business
36 associations.

37 (2) To refuse to grant or accept any letter of credit, or other
38 document that evidences the transfer of funds or credit, or to refuse
39 to enter into any contract for the exchange of goods or services,

1 on the ground that it does not contain a discriminatory provision
2 or certification.

3 (b) The provisions of this section shall not apply to any letter
4 of credit, contract, or other document that contains any provision
5 pertaining to a labor dispute or an unfair labor practice if the other
6 provisions of that letter of credit, contract, or other document do
7 not otherwise violate the provisions of this section.

8 (c) For purposes of this section, the prohibition against
9 discrimination on the basis of a person's business associations
10 shall be deemed not to include the requiring of association with
11 particular employment or a particular group as a prerequisite to
12 obtaining group rates or discounts on insurance, recreational
13 activities, or other similar benefits.

14 (d) For purposes of this section, "person" shall include, but not
15 be limited to, individuals, firms, partnerships, associations,
16 corporations, and governmental agencies.

17 SEC. 5. Section 19572 of the Business and Professions Code
18 is amended to read:

19 19572. The board may, by rule, provide for the exclusion or
20 ejection from any inclosure where horse races are authorized, or
21 from specified portions of that inclosure, of any known bookmaker,

23 provision of this chapter or of any law prohibiting bookmaking or
24 any other illegal form of wagering on horseraces, or any other
25 person whose presence in the inclosure would, in the opinion of
26 the board, be inimical to the interests of the state or of legitimate
27 horse racing, or both. No rule shall provide for the exclusion or
28 ejection of any person on the ground of any characteristic listed
29 or defined in subdivision (b) or (e) of Section 51 of the Civil Code.

37 development as defined in Section 1351 of the Civil Code, a
38 community apartment project as defined in Section 11004 of this
39 code, a project consisting of condominiums as defined in Section

1 783 of the Civil Code, or a mobilehome park as defined in Section
2 18214 of the Health and Safety Code.

3 (b) It shall be unlawful for any club licensed pursuant to this
4 section to make any discrimination, distinction, or restriction
5 against any person on account of age or any characteristic listed
6 or defined in subdivision (b) or (e) of Section 51 of the Civil Code.

7 SEC. 7. Section 23428.19 of the Business and Professions

12 regulation-size handball or racquetball courts, which has members,
13 and the members each pay regular monthly dues. As used in this
14 section, a “regulation-size handball or racquetball court” is a court
15 meeting the standards for regulation courts as are promulgated by
16 the United States Handball Association or an equivalent
17 organization.

18 It shall be unlawful for any club licensed pursuant to this section

33 omission by that person within the scope of that person's duties
34 as a director acting in the capacity of a board member, or as an
35 officer acting in the capacity of, and within the scope of the duties
36 of, an officer, shall be included in a complaint or other pleading
37 unless the court enters an order allowing the pleading that includes
38 that claim to be filed after the court determines that the party
39 seeking to file the pleading has established evidence that
40 substantiates the claim. The court may allow the filing of a pleading

1 that includes that claim following the filing of a verified petition
2 therefor accompanied by the proposed pleading and supporting
3 affidavits stating the facts upon which the liability is based. The
4 court shall order service of the petition upon the party against
5 whom the action is proposed to be filed and permit that party to
6 submit opposing affidavits prior to making its determination. The
7 filing of the petition, proposed pleading, and accompanying
8 affidavits shall toll the running of any applicable statute of
9 limitations until the final determination of the matter, which ruling,
10 if favorable to the petitioning party, shall permit the proposed
11 pleading to be filed.

12 (b) Nothing in this section shall affect the right of the plaintiff
13 to discover evidence on the issue of damages.

14 (c) Nothing in this section shall be construed to affect any action
15 against a nonprofit corporation for any negligent action or omission
16 of a volunteer director or officer occurring within the scope of the
17 person's duties.

18 (d) For the purposes of this section, "compensation" means
19 remuneration whether by way of salary, fee, or other consideration
20 for services rendered. However, the payment of per diem, mileage,
21 or other reimbursement expenses to a director or officer shall not
22 constitute compensation.

23 (e) (1) This section applies only to officers and directors of
24 nonprofit corporations that are subject to Part 2 (commencing with
25 Section 5110), Part 3 (commencing with Section 7110), or Part 4
26 (commencing with Section 9110) of Division 2 of Title 1 of the

36 SEC. 17. Section 5047.5 of the Corporations Code is amended
37 to read:

38 5047.5. (a) The Legislature finds and declares that the services
39 of directors and officers of nonprofit corporations who serve
40 without compensation are critical to the efficient conduct and

1 management of the public service and charitable affairs of the
2 people of California. The willingness of volunteers to offer their
3 services has been deterred by a perception that their personal assets
4 are at risk for these activities. The unavailability and unaffordability
5 of appropriate liability insurance makes it difficult for these
6 corporations to protect the personal assets of their volunteer
7 decisionmakers with adequate insurance. It is the public policy of
8 this state to provide incentive and protection to the individuals
9 who perform these important functions.

10 (b) Except as provided in this section, no cause of action for
11 monetary damages shall arise against any person serving without
12 compensation as a director or officer of a nonprofit corporation
13 subject to Part 2 (commencing with Section 5110), Part 3
14 (commencing with Section 7110), or Part 4 (commencing with
15 Section 9110) of this division on account of any negligent act or
16 omission occurring (1) within the scope of that person's duties as
17 a director acting as a board member, or within the scope of that
18 person's duties as an officer acting in an official capacity; (2) in
19 good faith; (3) in a manner that the person believes to be in the
20 best interest of the corporation; and (4) is in the exercise of his or
21 her policymaking judgment.

22 (c) This section shall not limit the liability of a director or officer
23 for any of the following:

24 (1) Self-dealing transactions, as described in Sections 5233 and
25 9243.

26 (2) Conflicts of interest, as described in Section 7233.

27 (3) Actions described in Sections 5237, 7236, and 9245.

28 (4) In the case of a charitable trust, an action or proceeding
29 against a trustee brought by a beneficiary of that trust.

30 (5) Any action or proceeding brought by the Attorney General.

31 (6) Intentional, wanton, or reckless acts, gross negligence, or
32 an action based on fraud, oppression, or malice.

33 (7) Any action brought under Chapter 2 (commencing with
34 Section 16700) of Part 2 of Division 7 of the Business and
35 Professions Code.

36 (d) This section only applies to nonprofit corporations organized
37 to provide religious, charitable, literary, educational, scientific,
38 social, or other forms of public service that are exempt from federal
39 income taxation under Section 501(c)(3) or 501(c)(6) of the Internal
40 Revenue Code.

1 (e) This section applies only if the nonprofit corporation
2 maintains a general liability insurance policy with an amount of
3 coverage of at least the following amounts:

4 (1) If the corporation's annual budget is less than fifty thousand
5 dollars (\$50,000), the minimum required amount is five hundred
6 thousand dollars (\$500,000).

7 (2) If the corporation's annual budget equals or exceeds fifty
8 thousand dollars (\$50,000), the minimum required amount is one
9 million dollars (\$1,000,000).

10 This section applies only if the claim against the director or
11 officer may also be made directly against the corporation and a
12 general liability insurance policy is in force both at the time of
13 injury and at the time the claim against the corporation is made,
14 so that a policy is applicable to the claim. If a general liability
15 policy is found to cover the damages caused by the director or
16 officer, no cause of action as provided in this section shall be
17 maintained against the director or officer.

18 (f) For the purposes of this section, the payment of actual
19 expenses incurred in attending meetings or otherwise in the
20 execution of the duties of a director or officer shall not constitute
21 compensation.

22 (g) Nothing in this section shall be construed to limit the liability
23 of a nonprofit corporation for any negligent act or omission of a
24 director, officer, employee, agent, or servant occurring within the
25 scope of his or her duties.

26 (h) This section does not apply to any corporation that
27 unlawfully restricts membership, services, or benefits conferred
28 on the basis of political affiliation, age, or any characteristic listed
29 or defined in subdivision (b) or (e) of Section 51 of the Civil Code.

30 (i) This section does not apply to any volunteer director or
31 officer who receives compensation from the corporation in any
32 other capacity, including, but not limited to, as an employee.

33 SEC. 18. Section 24001.5 of the Corporations Code is amended
34 to read:

35 24001.5. (a) The Legislature finds and declares that the
36 services of directors or officers of nonprofit medical associations,
37 as defined in Section 21200, who serve without compensation are
38 critical to the efficient conduct and management of the public
39 service and charitable affairs of the people of California. The
40 willingness of volunteers to offer their services has been deterred

1 by a perception that their personal assets are at risk for these
2 activities. The unavailability and unaffordability of appropriate
3 liability insurance makes it difficult for these associations to protect
4 the personal assets of their volunteer decisionmakers with adequate
5 insurance. It is the public policy of this state to provide incentive
6 and protection to the individuals who perform these important
7 functions.

8 (b) Except as provided in this section, no cause of action for
9 monetary damages shall arise against any person serving without
10 compensation as a director or officer of a nonprofit medical
11 association, as defined in Section 21200, on account of any
12 negligent act or omission occurring (1) within the scope of that
13 person's duties as a director acting as a board member, or within
14 the scope of that person's duties as an officer acting in an official
15 capacity; (2) in good faith; (3) in a manner that the person believes
16 to be in the best interest of the association; and (4) is in the exercise
17 of his or her policymaking judgment.

18 (c) This section shall not limit the liability of a director or officer
19 for any of the following:

20 (1) Self-dealing transactions, as described in Sections 5233 and
21 9243.

22 (2) Conflicts of interest, as described in Section 7233.

23 (3) Actions described in Sections 5237, 7236, and 9245.

24 (4) In the case of a charitable trust, an action or proceeding
25 against a trustee brought by a beneficiary of that trust.

26 (5) Any action or proceeding brought by the Attorney General.

27 (6) Intentional, wanton, or reckless acts, gross negligence, or
28 an action based on fraud, oppression, or malice.

29 (7) Any action brought under Chapter 2 (commencing with
30 Section 16700) of Part 2 of Division 7 of the Business and
31 Professions Code.

32 (d) This section only applies to nonprofit organizations
33 organized to provide charitable, educational, scientific, social, or
34 other forms of public service that are exempt from federal income
35 taxation under Section 501(c)(3) or 501(c)(6) of the Internal
36 Revenue Code.

37 (e) This section applies only if the nonprofit association
38 maintains a general liability insurance policy with an amount of
39 coverage of at least the following amounts:

1 (1) If the association's annual budget is less than fifty thousand
2 dollars (\$50,000), the minimum required amount is five hundred
3 thousand dollars (\$500,000).

4 (2) If the association's annual budget equals or exceeds fifty
5 thousand dollars (\$50,000), the minimum required amount is one
6 million dollars (\$1,000,000).

7 This section applies only if the general liability insurance policy
8 is in force both at the time of injury and at the time that the claim
9 is made, so that the policy is applicable to the claim.

10 (f) For the purposes of this section, the payment of actual
11 expenses incurred in attending meetings or otherwise in the
12 execution of the duties of a director or officer shall not constitute
13 compensation.

14 (g) Nothing in this section shall be construed to limit the liability
15 of a nonprofit association for any negligent act or omission of a
16 director, officer, employee, agent, or servant occurring within the
17 scope of his or her duties.

18 (h) This section does not apply to any association that unlawfully
19 restricts membership, services, or benefits conferred on the basis
20 of political affiliation, age, or any characteristic listed or defined
21 in subdivision (b) or (e) of Section 51 of the Civil Code.

22 (i) This section does not apply to any volunteer director or
23 officer who receives compensation from the association in any
24 other capacity, including, but not limited to, as an employee.

10 emergency department to provide emergency services to the public
11 when the health facility has appropriate facilities and qualified
12 personnel available to provide the services or care.

13 (b) In no event shall the provision of emergency services and

19 as age, sex, preexisting medical condition, or physical or mental
20 disability is medically significant to the provision of appropriate
21 medical care to the patient.

22 (c) Neither the health facility, its employees, nor any physician
23 and surgeon, dentist, clinical psychologist, or podiatrist shall be
24 liable in any action arising out of a refusal to render emergency
25 services or care if the refusal is based on the determination,

26 1317.3. (a) As a condition of licensure, each hospital shall
27 adopt, in consultation with the medical staff, policies and transfer
28 protocols consistent with this article and regulations adopted
29 hereunder.

30 (b) As a condition of licensure, each hospital shall adopt a policy
31 prohibiting discrimination in the provision of emergency services
32 and care based on ethnicity, citizenship, age, preexisting medical
33 condition, insurance status, economic status, ability to pay for
34 medical services, or any characteristic listed or defined in
35 subdivision (b) or (e) of Section 51 of the Civil Code, except to
36 the extent that a circumstance such as age, sex, preexisting medical
37 condition, or physical or mental disability is medically significant
38 to the provision of appropriate medical care to the patient. Transfer
39 by a hospital of a patient who requires evaluation for involuntary
40 psychiatric treatment, as determined by the receiving hospital or

1 other receiving health facility, based upon the decision of a
2 professional person duly authorized by law to make that decision,
3 shall not constitute discrimination for the purposes of this section,
4 if the transferring hospital has not been designated as an evaluation
5 facility by a county pursuant to Section 5150 of the Welfare and
6 Institutions Code, and if the transfer is in compliance with Section
7 1317.2.

8 (c) As a condition of licensure, each hospital shall require that
9 physicians and surgeons who serve on an “on-call” basis to the
10 hospital’s emergency room cannot refuse to respond to a call on
11 the basis of the patient’s ethnicity, citizenship, age, preexisting
12 medical condition, insurance status, economic status, ability to
13 pay for medical services, or any characteristic listed or defined in
14 subdivision (b) or (e) of Section 51 of the Civil Code, except to
15 the extent that a circumstance such as age, sex, preexisting medical
16 condition, or physical or mental disability is medically significant
17 to the provision of appropriate medical care to the patient. If a
18 contract between a physician and surgeon and hospital for the
19 provision of emergency room coverage presently prevents the
20 hospital from imposing those conditions, the conditions shall be
21 included in the contract as soon as is legally permissible. Nothing
22 in this section shall be construed as requiring that any physician
23 serve on an “on-call” basis.

24 (d) As a condition of licensure, all hospitals shall inform all
25 persons presented to an emergency room or their representatives
26 if any are present and the person is unable to understand verbal or
27 written communication, both orally and in writing, of the reasons
28 for the transfer or refusal to provide emergency services and care
29 and of the person’s right to emergency services and care prior to
30 transfer or discharge without regard to ability to pay. Nothing in
31 this subdivision requires notification of the reasons for the transfer
32 in advance of the transfer where a person is unaccompanied and
33 the hospital has made a reasonable effort to locate a representative,
34 and because of the person’s physical or mental condition,
35 notification is not possible. All hospitals shall prominently post a
36 sign in their emergency rooms informing the public of their rights.
37 Both the posted sign and written communication concerning the
38 transfer or refusal to provide emergency services and care shall
39 give the address of the department as the government agency to

1 contact in the event the person wishes to complain about the
2 hospital's conduct.

3 (e) If a hospital does not timely adopt the policies and protocols
4 required in this article, the hospital, in addition to denial or
5 revocation of any of its licenses, shall be subject to a fine not to
6 exceed one thousand dollars (\$1,000) each day after expiration of
7 60 days' written notice from the state department that the hospital's
8 policies or protocols required by this article are inadequate unless
9 the delay is excused by the state department upon a showing of
10 good and sufficient cause by the hospital. The notice shall include
11 a detailed statement of the state department's reasons for its
12 determination and suggested changes to the hospital's protocols
13 which would be acceptable to the state department.

15 this article shall be submitted for approval to the state department
16 by December 31, 1988.

8 the expenditure for the purchase of supplies and materials exceeds
9 fifty thousand dollars (\$50,000) and the district determines that
10 ratepayers reasonably can expect a net benefit in the cost of district
11 services, the district may provide for the purchase of the supplies
12 and materials by contract let in accordance with best value at the

14 this section.

16 and new businesses and the number of years each contract awardee
17 had been in business. The report shall also include an analysis of
18 the effects of best value procurement practices on these businesses,

22 Legislature on the use of “best value at lowest cost acquisition”
23 procurement practices used by municipal utility districts, and
24 recommend whether to modify this section and extend the authority
25 of additional districts to elect to purchase supplies and materials
26 by contract let in accordance with best value acquisition policies,
27 beyond January 1, 2012.

28 (e) The district shall ensure that all businesses have a fair and
29 equitable opportunity to compete for, and participate in, district
30 contracts and shall also ensure that discrimination in the award
31 and performance of contracts does not occur on the basis of marital
32 status, ancestry, medical condition, any characteristic listed or
33 defined in Section 11135 of the Government Code, or retaliation
34 for having filed a discrimination complaint in the performance of
35 district contractual obligations.

36 (f) A district that did not purchase supplies and materials by
37 contract let pursuant to this section before January 1, 2006, shall
38 not purchase supplies and materials by contract let pursuant to this
39 section after January 1, 2012.
