No. 88

Introduced by Assembly Member Lieu
(Principal coauthor: Senator Oropeza)

December 13, 2006

~~An act to add Chapter 5.8 (commencing with Section 51950) to Part 28 of Division 4 of Title 2 of the Education Code, relating to pupil instruction. An act to add Section 6880 to the Public Resources Code, relating to oil and gas leases.~~

LEGISLATIVE COUNSEL'S DIGEST

AB 88, as amended, Lieu. ~~Pupil instruction: Internet safety resources.~~
Oil and gas leases: damages.

Existing law regulates oil and gas leases on public lands.

This bill would preclude liability of a public entity for damages for any lost profits with respect to an oil and gas lease on land located in a coastal zone beyond the date of enactment of a valid initiative that invalidates the oil and gas lease.

The bill would specify that its provisions apply to contracts entered into before, on, or after its effective date, and to causes of action that accrued prior to its effective date, except as specified.

Existing law prescribes various matters to be included in the adopted course of study at the appropriate elementary and secondary grade levels.

This bill would require the State Department of Education to work with the Department of Consumer Affairs to ensure that, at a minimum, the resources included in the California Cyber Safety Resource Center encompass information about specified subjects on Internet safety. The bill would also require the State Department of Education to distribute, and make available on its Internet Web site, the list of Internet safety resources developed in concert with the Department of Consumer Affairs to local educational agencies. A local educational agency would be authorized to incorporate the resources into the agency's existing curricula. The State Department of Education would be required to perform the specified duties once every 3 years.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 6880 is added to the Public Resources
