An act to add Section 22511.3 to the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 190, as amended, Bass. Vehicles: veterans: parking.

~~(1) Existing~~

Existing law authorizes the issuance of special license plates by the Department of Motor Vehicles to certain qualified veterans for their vehicles.

This bill would authorize veterans displaying those special license plates on their vehicles to park, without charge, in a metered parking space, as specified. ~~The bill would impose a new duty on a local agency by requiring the local agency to provide a program for implementation of this requirement, thereby creating a state-mandated local program provide that compliance with this provision is compulsory unless the governing body of the local authority adopts a resolution to the contrary. The bill would provide that a local authority's compliance with this provision is solely contingent upon the approval of its governing body.~~

~~(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: ~~yes~~*no*.
