

Assembly Bill No. 463

Passed the Assembly September 11, 2007

Chief Clerk of the Assembly

Passed the Senate September 7, 2007

Secretary of the Senate

This bill was received by the Governor this _____ day
of _____, 2007, at _____ o'clock ____M.

Private Secretary of the Governor

CHAPTER _____

An act to amend Section 22511.85 of the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 463, Huffman. Vehicles: disabled persons: parking.

Existing law authorizes a vehicle that is equipped with a side-loading lift or ramp that is used for the loading and unloading of disabled persons to park in not more than 2 adjacent stalls or spaces in a public off-street parking facility when loading or unloading disabled persons, under specified circumstances.

This bill would revise that provision to apply to a vehicle with a special license plate or distinguishing placard issued to a disabled person or disabled veteran, or entity transporting those persons, which is equipped with a lift, ramp, or assistive equipment. The bill would make the provision applicable on a street or highway or in a public or private off-street parking facility.

The people of the State of California do enact as follows:

SECTION 1. Section 22511.85 of the Vehicle Code is amended to read:

22511.85. A vehicle, identified with a special license plate issued pursuant to Section 5007 or a distinguishing placard issued pursuant to Section 22511.55 or 22511.59, which is equipped with a lift, ramp, or assistive equipment that is used for the loading and unloading of a person with a disability may park in not more than two adjacent stalls or spaces on a street or highway or in a public or private off-street parking facility if the equipment has been or will be used for loading or unloading a person with a disability, and if there is no single parking space immediately available on the street or highway or within the facility that is suitable for that purpose including, but not limited to, when there is not sufficient space to operate a vehicle lift, ramp, or assistive equipment or there is not sufficient room for a person with a disability to exit the vehicle or maneuver once outside the vehicle.

Approved _____, 2007

Governor
