CHAPTER _____

An act to amend Section 26802.5 of the Government Code, to add Section 71.7.5 to the Harbors and Navigation Code, and to amend Sections 7 and 14 of Chapter 1617 of the Statutes of 1982, relating to state and local government.

LEGISLATIVE COUNSEL'S DIGEST

AB 958, Evans. State and local government.

(1) Under existing law, the duties pertaining to elections are performed by the county elections official. However, in specified counties, the board of supervisors is authorized to appoint a registrar of voters to discharge all duties vested by law in the county clerk that relate to, and are part of, the election procedure.

This bill would extend this appointment authority to the County of Napa.

(2) Existing law authorizes the Department of Boating and Waterways to enter into a loan agreement with the County of Sonoma for the planning, acquisition, construction, improvement, maintenance, or operation of the Spud Point Marina, and to renegotiate the terms of the loan with the County of Sonoma, with the advice and consent of the Boating and Waterways Commission, to solve the fiscal problems involving the marina, as specified.

This bill would authorize the County of Sonoma to provide facilities at the Spud Point Marina for commercial, recreational, or other vessels, as specified. The bill would also repeal certain requirements for the terms of the loan from the department.

The bill would make legislative findings and declarations as to the necessity of a special statute.

The people of the State of California do enact as follows:

SECTION 1. Section 26802.5 of the Government Code is amended to read:

26802.5. In the Counties of El Dorado, Kings, Lake, Marin, Merced, Monterey, Napa, Riverside, San Joaquin, Solano, and Tulare, a registrar of voters may be appointed by the board of supervisors in the same manner as other county officers are

appointed. In those counties, the county clerk is not ex officio registrar of voters, and the registrar of voters shall discharge all duties vested by law in the county elections official that relate to and are a part of the election procedure.

SEC. 2. Section 71.7.5 is added to the Harbors and Navigation Code, to read:

71.7.5. Notwithstanding any other provision of law, or any contract or agreement to the contrary, Sonoma County may provide facilities at the Spud Point Marina for commercial, recreational, or other vessels, in numbers that it determines appropriate, subject only to the following:

(a) Sonoma County shall maintain an advisory committee for the Spud Point Marina, and shall give the advisory committee at least 30 days notice before changing any berthing rates at the Spud Point Marina, and shall consider, but is not obligated to follow, any recommendations of the advisory committee.

(b) Sonoma County may establish different berthing rates and any other charges for commercial, recreational, or other vessels, if the board of supervisors determines that the differing rates or charges are in the public interest, and if any loans from the department are outstanding, are necessary to provide revenue to repay those loans. However, if any loans are outstanding, berthing rates at the Spud Point Marina for recreational vessels shall not exceed the highest rates charged for berthing within the Spud Point Marina market area for recreational vessels.

SEC. 3. Section 7 of Chapter 1617 of the Statutes of 1982 is amended to read:

SEC. 4. Section 14 of Chapter 1617 of the Statutes of 1982 is amended to read:

Sec. 14. The Legislature finds and declares that the commercial fishing industry is involved with the public interest and that it directly affects the public health and welfare by providing food and jobs. The Legislature further finds and declares that the Spud Point Marina project is necessary for the long-term survival of the industry between San Francisco Bay and Fort Bragg, an area that depends economically on the industry, and that maximum cooperation and participation by state and local public agencies is necessary to develop the marina.

SEC. 5. (a) Due to the unique circumstances of the County of Napa with respect to the registrar of voters, the Legislature hereby finds and declares that a general statute cannot be made applicable within the meaning of Section 16 of Article IV of the California

Constitution. Therefore, the special legislation contained in Section 1 of this act is necessarily applicable only to the County of Napa.

(b) The Legislature finds and declares that there are unique circumstances concerning the need to provide the County of Sonoma with the flexibility necessary to operate, manage, and maintain the Spud Point Marina under changed and changing circumstances recognized by the renegotiation of the loan contract between the Department of Boating and Waterways and the County of Sonoma, necessitating the enactment of the procedures contained in this act. It is therefore declared that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution, and that the special legislation contained in Sections 2, 4, and 5 of this act is necessarily applicable only to the County of Sonoma.
