CHAPTER _____

An act to amend Section 22212.5 of the Education Code, and to amend Section 20098 of the Government Code, relating to public employees' retirement.

LEGISLATIVE COUNSEL'S DIGEST

AB 1317, Mullin. Public employees' retirement: executive compensation.

(1) Existing law requires the Teachers' Retirement Board to fix compensation for certain positions in the State Teachers' Retirement System, notwithstanding specified authority granted to the Department of Personnel Administration.

This bill would extend that requirement to a general counsel position.

(2) Existing law requires the Board of Administration of the Public Employees' Retirement System to appoint and fix the compensation of certain employees of the system whose positions are designated as managerial, notwithstanding specified authority granted to the Department of Personnel Administration.

This bill would extend that requirement to a general counsel position.

The people of the State of California do enact as follows:

SECTION 1. Section 22212.5 of the Education Code is amended to read:

22212.5. (a) This section shall apply to the following positions in the system: chief executive officer, system actuary, general counsel, chief investment officer, and other investment officers and portfolio managers whose positions are designated managerial pursuant to Section 18801.1 of the Government Code.

(b) Notwithstanding Sections 19816, 19825, 19826, 19829, and 19832 of the Government Code, the board shall fix the compensation for the positions specified in subdivision (a). In so doing, the board shall be guided by the principles contained in Sections 19826 and 19829 of the Government Code, consistent

with its fiduciary responsibility to its members to recruit and retain highly qualified and effective employees for these positions.

(c) When a position specified in subdivision (a) is filled through a general civil service appointment, it shall be filled from an eligible list based on an examination that was held on an open basis, and tenure in those positions shall be subject to the provisions of Article 2 (commencing with Section 19590) of Chapter 7 of Part 2 of Division 5 of Title 2 of the Government Code. In addition to the causes for action specified in that article, the board may take action under the article for causes related to its fiduciary responsibility to its members, including the employee's failure to meet specified performance objectives.

(d) An individual who held a position designated in subdivision (a) for less than five years may not, for a period of two years after leaving that position, for compensation, act as agent or attorney for, or otherwise represent, any other person, except the state, by making any formal or informal appearance before or by making any oral or written communication to the board, or any officer or employee thereof, if the appearance or communication is made for the purpose of influencing administrative or legislative action or any action or proceeding involving the issuance, amendment, awarding, or revocation of a permit, license, grant, contract, or sale or purchase of goods or property.

SEC. 2. Section 20098 of the Government Code is amended to read:

20098. (a) The board shall appoint and, notwithstanding Sections 19816, 19825, 19826, 19829, and 19832 shall fix the compensation of an executive officer, a general counsel, a chief actuary, a chief investment officer, and other investment officers and portfolio managers whose positions are designated managerial pursuant to Section 18801.1.

(b) The executive officer, deputy executive officers, and the assistant executive officers may administer oaths.

(c) When fixing the compensation for the positions specified in subdivision (a), the board shall be guided by the principles contained in Sections 19826 and 19829, consistent with its fiduciary responsibility to its members to recruit and retain highly qualified and effective employees for these positions.

(d) When a position specified in subdivision (a) is filled through a general civil service appointment, it shall be filled from an

eligible list based on an examination that was held on an open basis, and tenure in the position shall be subject to the provisions of Article 2 (commencing with Section 19590) of Chapter 7 of Part 2 of Division 5 of Title 2. In addition to the causes for action specified in that article, the board may take action under the article for causes related to its fiduciary responsibility to its members, including the employee's failure to meet specified performance objectives.

(e) An individual who held a position designated in subdivision (a) for less than five years may not, for a period of two years after leaving that position, for compensation, act as agent or attorney for, or otherwise represent, any other person, except the state, by making any formal or informal appearance before or any oral or written communication to the Public Employees' Retirement System, or any officer or employee thereof, if the appearance or communication is made for the purpose of influencing administrative or legislative action or any action or proceeding involving the issuance, amendment, awarding, or revocation of a permit, license, grant, contract, or sale or purchase of goods or property.
