AMENDED IN ASSEMBLY MARCH 3, 2008

CALIFORNIA LEGISLATURE—2007–08 REGULAR SESSION

ASSEMBLY BILL

No. 1900

Introduced by Assembly Member Nava

February 7, 2008

An act to add Section 103629 to the Health and Safety Code, and to add Section 368.1 to the Penal Code, relating to seniors.

LEGISLATIVE COUNSEL'S DIGEST

AB 1900, as amended, Nava. Senior services: fees and penalties.

(1) Existing law requires the collection of fees for certified copies of fetal death or death records and marriage or birth certificates.

This bill would authorize a county board of supervisors, upon making findings and declarations supporting the need for senior services in the county, to authorize an increase in fees for certified copies of a death record, for the purpose of supporting county senior services, up to a maximum increase of \$3, by adoption of an ordinance, ~~if subject to certain conditions are met.~~

This bill would require any proceeds collected pursuant to the above provisions to be deposited by the county treasurer into a special county healthy seniors fund for allocation by the county board of supervisors to support county senior services.

(2) Existing law proscribes various crimes committed against an elder or dependent adult when the person has knowledge that the victim is an elder or dependent adult related to physical and financial abuse, including causing or permitting an elder or dependent adult to suffer or inflicting thereon unjustifiable physical pain or mental suffering and

violating any provision of law proscribing theft, embezzlement, forgery, fraud, or identity theft, with respect to the person or property of an elder or dependent adult.

This bill would, upon conviction for the above crimes, impose an additional penalty assessment in the amount of 10% of the fine, if any, imposed for a conviction of the above crimes, to be deposited by the county treasurer into a special county healthy seniors fund for allocation by the county board of supervisors to support county senior services.

(3) Because this bill would require additional duties of local officials, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. This act shall be known, and may be cited, as the
2 Healthy Seniors Act of 2008.
