An act to add Section 9104.2 to the Vehicle Code, relating to vehicles.

[Approved by Governor July 10, 2008. Filed with  
Secretary of State July 10, 2008.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2060, Jeffries. Vehicles: fee exemption: tribal firefighting equipment.

Existing law exempts certain firefighting and rescue vehicles and ambulances owned by a public fire department or a voluntary fire department, as prescribed, from certain vehicle fees.

This bill would extend those fee exemptions to these vehicles and ambulances that are owned by federally recognized Indian tribes that have entered into a mutual aid agreement with a state, county, city, or other governmental municipality for fire protection and emergency response.

*The people of the State of California do enact as follows:*

SECTION 1. Section 9104.2 is added to the Vehicle Code, to read:

9104.2. The fees specified in this code, except fees for duplicate plates, certificates, or cards need not be paid for a vehicle of a type subject to registration under this code owned by a federally recognized Indian tribe that has entered into a mutual aid agreement with a state, county, city, or other governmental municipality for fire protection and emergency response, and the equipment is used exclusively for firefighting or rescue purposes or exclusively as an ambulance.
