No. 2205

LEGISLATIVE COUNSEL'S DIGEST

AB 2205, as amended, Garrick. Horse racing: racing weeks: 22nd District Agricultural Association. *allocations*.

Existing law generally creates district agricultural associations, which are state institutions.

Existing law requires the board to make allocations of racing weeks as it deems appropriate and specifies the maximum number of racing weeks that may be allocated for horse racing other than at fairs, including, for thoroughbred racing, a maximum of 44 weeks per year in the northern zone, 42 weeks per year in the central zone, and 7 weeks per year in the southern zone.

This bill would, in the event a venue used for thoroughbred racing by an association licensed to conduct thoroughbred racing in the central zone in 2008 is not available for racing in 2009 or thereafter, permit the board to authorize the 22nd District Agricultural Association to use allocations of racing weeks from the central zone and conduct
