

ASSEMBLY BILL

No. 2320

Introduced by Assembly Member Niello

February 21, 2008

An act to amend Section 35162 of the Education Code, relating to school litigation.

LEGISLATIVE COUNSEL'S DIGEST

AB 2320, as introduced, Niello. School litigation.

Existing law establishes the public school system in this state, and, among other things, provides for the establishment of school districts throughout the state and for the provision of instruction at the public elementary and secondary schools that these districts operate and maintain. Existing law authorizes school district governing boards to sue and be sued in the name by which the district is designated.

This bill would amend the provision authorizing school districts to sue and be sued to make a technical, nonsubstantive change.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 35162 of the Education Code is amended
- 2 to read:
- 3 35162. In the name by which the district is designated, the
- 4 governing board may sue and be sued, and hold and convey
- 5 property for the use and benefit of the school district.
