ASSEMBLY BILL

No. 2321

Introduced by Assembly Members Feuer, Levine, and Davis

February 21, 2008

An act to amend Section 130350.5 of the Public Utilities Code, relating to transportation, ~~and declaring the urgency thereof, to take effect immediately.~~

LEGISLATIVE COUNSEL'S DIGEST

AB 2321, as amended, Feuer. Transportation funding: County of Los Angeles.

Existing law authorizes the Los Angeles County Metropolitan Transportation Authority (MTA) to impose, in addition to any other tax that it is authorized to impose, a transactions and use tax at the rate of 0.5% for 6½ years or less, for the funding of specified transportation-related purposes designated as capital projects or capital programs. Existing law conditions the imposition of a tax under this authority upon voter approval as otherwise required by law. It also prohibits the MTA from incurring bonded indebtedness payable from the tax proceeds to fund those projects or programs or from substituting revenue from the tax proceeds for current funding commitments to the projects or programs. Existing law requires the MTA to prepare an expenditure plan prior to submitting the tax ordinance to voters, describing the projects and programs and their cost and funding sources. Existing law also creates the Capital Project Development Fund, into

which the tax revenue is to be deposited, and makes those moneys available for expenditure by the MTA to fund the designated projects and programs.

This bill would modify these provisions to require the MTA tax ordinance to specify that the tax is to be imposed for a period not to exceed 30 years, and to require the MTA to include specified projects and programs in its Long Range Transportation Plan. This bill would also authorize the MTA to incur bonded indebtedness, as specified, and would make other related changes.

~~This bill would declare that it is to take effect immediately as an urgency statute.~~

Vote: $\frac{2}{3}$ -majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 130350.5 of the Public Utilities Code is
- 2 amended to read:
- 3 130350.5. (a) In addition to any other tax that it is authorized
- 4 by law to impose, the Los Angeles County Metropolitan
- 5 Transportation Authority (MTA) may impose, in compliance with
- 6 subdivision (b), a transactions and use tax at a rate of 0.5 percent
- 7 that is applicable in the incorporated and unincorporated areas of
- 8 the county.
- 9 (b) For purposes of the taxing authority set forth in subdivision
- 10 (a), all of the following apply:
- 11 (1) The tax shall be proposed in a transactions and use tax
- 12 ordinance, that conforms with Chapter 2 (commencing with Section
- 13 7261) to Chapter 4 (commencing with Section 7275), inclusive,
- 14 of the Transactions and Use Tax Law (Part 1.6 (commencing with
- 15 Section 7251) of Division 2 of the Revenue and Taxation Code),
- 16 and that is approved by a majority of the entire membership of the
- 17 authority.
- 18 (2) The tax may be imposed only if the proposing ordinance is
- 19 approved by two-thirds of the voters in the manner as otherwise
- 20 required by law and, if so approved, shall become operative as
- 21 provided in Section 130352.
- 22 (3) The proposing ordinance shall specify, in addition to the
- 23 rate of tax and other matters as required by the Transactions and
- 24 Use Tax Law, that the tax is to be imposed for a period not to

1 exceed 30 years and that the revenues derived from the tax, net of
2 refunds and costs of administration, are to be administered by the
3 MTA as provided in this section. The MTA shall, during the period
4 the ordinance is operative, allocate 20 percent of all revenues

13 additional revenues derived from the tax to these projects. The

39 in subparagraphs (A) and (B) of paragraph (3) of subdivision (b),
40 the excess revenues may simultaneously be used to complete other

1 projects and programs in the LRTP, including the replacement of
2 federal or state funds if the amount of those federal or state funds
3 received by the MTA is less than anticipated in the expenditure
4 plan.

5 (h) If other funds become available and are allocated to complete
6 capital projects or capital programs, as described in subparagraphs
7 (A) and (B) of paragraph (3) of subdivision (b), the MTA may
8 expend the surplus tax revenue on its next highest priority projects
9 in the LRTP.
