An act to amend Section 8282 of, *and to add Section 8283 to*, the Education Code, relating to state preschool.

LEGISLATIVE COUNSEL'S DIGEST

AB 2467, as amended, Brownley. State preschool: information.

The Child Care and Development Services Act establishes various full- and part-time programs for a comprehensive, coordinated, and cost-effective system of developmental services for children to 13 years of age and their parents. Existing law requires certain information to be provided to a child's parent or guardian when a child is transferred from a state-funded preschool or infant and toddler program to a public school, ~~which~~ *and that information* may, with the permission of the parent or guardian, be transferred to the pupil's elementary school.

This bill would permit certain other information, *including, but not limited to, information* that the Superintendent of Public Instruction deems appropriate and helpful, to be included on the information transfer form. *The bill would authorize the parent or guardian of a pupil to*

provide additional specified information if information is transferred to the elementary school pursuant to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
