ASSEMBLY BILL

No. 2494

Introduced by Assembly Member Caballero

February 21, 2008

An act to add Chapter 8 (commencing with Section 50700) to Part 2 of Division 31 of the Health and Safety Code, relating to housing, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 2494, as amended, Caballero. Housing-Related Parks Program.

The Housing and Emergency Shelter Trust Fund Act of 2006 authorizes the issuance of bonds in the amount of \$2,850,000,000 pursuant to the State General Obligation Bond Law. Proceeds from the sale of these bonds are required to be used to finance various existing housing programs, capital outlay related to infill development, brownfield cleanup that promotes infill development, and housing-related parks. The act establishes the Housing and Emergency Shelter Trust Fund of 2006 in the State Treasury, requires the sum of \$200,000,000 to be deposited in the Housing Urban-Suburban-and-Rural Parks Account, which the act establishes in the fund, and makes the money in the account available, upon appropriation, for housing-related parks grants in urban, suburban, and rural areas, subject to the conditions and criteria that the Legislature may provide in statute.

This bill would establish the Housing-Related Parks Program under the administration of the Department of Housing and Community Development. The bill would require the department to use funds allocated from the account, upon appropriation by the Legislature, to provide grants for the creation, development, or rehabilitation of park and recreation facilities, to cities, counties, and cities and counties that meet certain criteria and issue housing starts, as defined, for newly constructed units that are affordable to very low or low-income households.

The bill would appropriate the sum of \$459,000 from the account to the department to fund the startup administrative costs of the program.

Vote: majority. Appropriation: yes. Fiscal committee: yes.
 State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Chapter 8 (commencing with Section 50700) is
 2 added to Part 2 of Division 31 of the Health and Safety Code, to
 3 read:

4
 5 CHAPTER 8. HOUSING-RELATED PARKS PROGRAM

32 and Article 10.6 (commencing with Section 65580) of Chapter 3
33 of Division 1 of Title 7 of, the Government Code. The regional

37 vehicle trips; accommodates an adequate supply of housing for all
38 income levels; reduces impacts on valuable farmland, natural
39 resources, and air quality; includes the reduction of greenhouse

3 ~~(g)~~

4 (h) “Urbanized area” means an incorporated city or an urbanized
5 area or urban cluster as defined by the United States Census

10 ~~(h)~~

11 (i) “Urban use” means any residential, commercial, industrial,
12 public institutional, transit, transportation passenger facility, or
13 retail use, or any combination of those uses.

14 50701. There is hereby established in state government the
15 Housing-Related Parks Program, to be administered by the
16 department, using funds allocated, upon appropriation, under
17 subdivision (d) of Section 53545, for the purpose of providing
18 grants for the creation, development, or rehabilitation of park and
19 recreation facilities to cities, counties, and cities and counties for
20 housing starts for newly constructed units that are affordable to
21 very low or low-income households.

22 50702. (a) To the extent that funds are available for this
23 purpose, the department shall determine a base grant amount to
24 be provided under this chapter to any city, county, or city and
25 county that meets all of the following criteria:

26 (1) On or before the end of the period covered by the Notice of
27 Funding Availability required under subdivision (b), the jurisdiction
28 has adopted a housing element that the department, pursuant to
29 Section 65585 of the Government Code, has found to be in
30 substantial compliance with the requirements of Article 10.6
31 (commencing with Section 65580) of Chapter 3 of Division 1 of
32 Title 7 of the Government Code, and the jurisdiction has submitted
33 to the department the annual progress report required under Section
34 65400 of the Government Code within the preceding 12 months.

35 (2) The jurisdiction can document housing starts for newly
36 constructed units that are affordable to very low or low-income
37 households within the designated time period and that meet either
38 of the following criteria:

39 (A) In the case of rental units, the development is subject to a
40 regulatory agreement recorded against the property that obligates

1 the owner to maintain rents on the restricted units at levels
2 affordable to very low or low-income households for at least 55
3 years.

4 (B) In the case of ownership housing, units in the development
5 are initially sold to households of very low or low income at an
6 affordable housing cost. If public funds are used to achieve an
7 affordable housing cost, then upon the sale of an assisted unit to
8 a very low or low- income household, the public entity shall ensure
9 the repayment of the public funds and reuse of those funds for
10 affordable housing for a period of at least 20 years. The proposed
11 mechanism for restrictions of ownership units shall be consistent
12 with criteria established by the department and specified in the
13 Notice of Funding Availability.

14 (b) For each year that funds are available, the department shall
15 issue a Notice of Funding Availability for housing starts issued
16 during the designated time period. The department shall accept
17 applications at the close of the designated period. Grant amounts
18 shall be based on a per-bedroom incentive for each unit restricted
19 for very low and low-income households. For the purposes of this
20 section, single-room occupancies and studio apartments shall be
21 considered one-bedroom units.

22 (c) If eligibility for funds exceeds the amount of funding
23 available for the program, the department shall reduce all grants
24 proportionally. Funds awarded shall be disbursed upon
25 documentation of a certificate of occupancy, final inspection, or
26 other comparable local approval.

27 50703. (a) The department shall award bonus funds in addition
28 to the base grant award for applicants that meet the requirements
29 under Section 50702. The department shall determine the amount
30 of the bonus funds to be awarded pursuant to this chapter.

31 (b) The amount of the bonus funds to be awarded shall be
32 established in the Notice of Funding Availability.

33 (c) Bonus funds shall be awarded for any of the following:

34 (1) Qualifying units that are affordable to extremely low income
35 households.

36 (2) Qualifying units that are affordable to very low and
37 low-income households and are developed in infill projects.

38 (3) Jurisdictions that have met or exceeded housing production
39 thresholds established by the department, in consultation with the
40 Department of Finance.

1 ~~(4) Communities that meet the definition of “critically~~
2 ~~underserved community” set forth in subdivision (a) of Section~~
3 ~~50700.~~

4 *(4) Jurisdictions that demonstrate that grant funds will be spent*
5 *to improve a park or community recreational facility that will serve*
6 *a disadvantaged community, as defined in subdivision (a) of Section*
7 *50700.*

8 *(5) Jurisdictions that demonstrate that grant funds will be spent*
9 *to create a new park or community recreational facility that will*
10 *serve a disadvantaged community, as defined in subdivision (a)*
11 *of Section 50700.*

12 *(6) Jurisdictions that meet the definition of a park deficient*
13 *community, as defined in subdivision (b) of Section 50700.*

14 ~~(5)~~

15 (7) Those jurisdictions that can demonstrate that grant funds
16 will be spent to create or improve a park or community recreational
17 facility to support infill development, or development within a
18 jurisdiction that has conformed its general plan to the regional
19 blueprint, as determined by the council of governments.

20 50704. (a) (1) Except as authorized under paragraph (2), a
21 city, county, or city and county shall not receive a grant unless it
22 qualifies, based on housing starts issued during the period
23 designated in the Notice of Funding Availability, for a grant in an
24 amount of seventy-five thousand dollars (\$75,000) or more.

25 (2) If a city, county, or city and county is not able to meet the
26 minimum qualification amount under paragraph (1), it may delay
27 application, combine the number of housing starts issued during
28 the designated period described in paragraph (1) with the number
29 of housing starts issued during one or more subsequent Notice of
30 Funding Availability periods, and apply once it is able to meet the
31 minimum qualification amount by using the combined amount of
32 housing starts issued.

33 (b) Grants provided pursuant to this chapter shall be used for
34 the costs of park and recreation facility creation, development, or
35 rehabilitation, including, but not limited to, the acquisition of land
36 for the purposes of those activities, consistent with the requirements
37 set forth in Section 16727 of the Government Code.

38 (c) Funds awarded pursuant to this chapter shall supplement,
39 not supplant, other available funding.

1 (d) A city, county, or city and county that receives funds under
2 this chapter may subcontract through a recreation and park district
3 formed under Chapter 4 (commencing with Section 5780) of
4 Division 5 of the Public Resources Code, or a district formed
5 pursuant to Section 5500 *or* 35100 of the Public Resources Code,
6 for the creation or improvement of a park or recreational facility,

10 *Sec. 501(a)), and that has among its purposes the conservation of*
11 *natural or cultural resources.*

12 50704.5. The department shall adopt guidelines for the
13 operation of the program. The guidelines shall not be subject to
14 the requirements of Chapter 3.5 (commencing with Section 11340)
15 of Division 3 of Title 2 of the Government Code.

16 SEC. 2. The sum of four hundred fifty-nine thousand dollars
17 (\$459,000) is hereby appropriated from the Housing
18 Urban-Suburban-and-Rural Parks Account in the Housing and
19 Emergency Shelter Trust Fund of 2006 to the Department of
20 Housing and Community Development to fund the startup
21 administrative costs of the Housing-Related Parks Program
22 established under this act.
