An act to add *and repeal* Section 1369.1~~to~~ of the Penal Code, relating to criminal procedure.

LEGISLATIVE COUNSEL'S DIGEST

SB 568, as amended, Wiggins. Criminal procedure: mental competence.

Existing law prohibits a person from being tried or adjudged to punishment while that person is mentally incompetent. If a defendant is found to be mentally incompetent, the trial or judgment shall be suspended until the person becomes mentally competent, during which time the court shall order that the mentally incompetent defendant be delivered to a state hospital or to any other available public or private treatment facility, or be placed on outpatient status, as specified.

This bill would provide that the term "treatment facility" as used in these provisions includes a county jail, or other county penal facility, that, upon the concurrence of the county board of supervisors and the county sheriff, the county mental health director, or the chief of corrections, as specified, may be used to provide medically approved treatment of defendants found to be mentally incompetent due to a mental disorder. *The bill would limit treatment in these facilities to a maximum of 6 months. The bill would require the State Department of Mental Health to report to the Legislature, not later than January 1, 2009, on specified topics relating to treatment, pursuant to the provisions of the bill, of defendants who are incompetent to stand trial.*

*The bill would provide that its provisions would be repealed on January 1, 2010.*
