

Senate Bill No. 690

CHAPTER 560

An act to amend Section 13300 of the Penal Code, relating to crime.

[Approved by Governor October 12, 2007. Filed with
Secretary of State October 12, 2007.]

LEGISLATIVE COUNSEL'S DIGEST

SB 690, Calderon. Criminal history.

Existing law requires the Department of Justice to maintain specified criminal history information, and requires the Attorney General to supply that information to specified law enforcement and other entities, as prescribed.

This bill would additionally require the Attorney General to provide criminal history information to city attorneys pursuing civil gang injunctions or drug abatement actions, as specified.

Existing law establishes procedures for the disclosure of local summary criminal history information by a local criminal justice agency for certain purposes, as specified.

This bill would require local criminal justice agencies to provide local criminal history information to city attorneys pursuing civil gang injunctions or drug abatement actions, as specified.

By imposing additional duties on local criminal justice agencies, this bill would impose a state-mandated local program.

This bill would also authorize a local criminal justice agency, in response to a written public records request, to provide information from a local summary criminal history, if release of the information would enhance public safety, the interest of justice, or the public's understanding of the justice system and the person making the request declares that the request is made for a scholarly or journalistic purpose. This bill would provide that if a person in a declaration willfully states as true any material fact that he or she knows to be false, he or she shall be subject to a civil penalty not exceeding \$10,000.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. Section 13300 of the Penal Code is amended to read:
13300. (a) As used in this section:

(11) Any city, county, city and county, or district, or any officer or official thereof, when access is needed in order to assist the agency, officer, or

official in fulfilling employment, certification, or licensing duties, and when the access is specifically authorized by the city council, board of supervisors, or governing board of the city, county, or district when the local summary criminal history information is required to implement a statute, regulation, or ordinance that expressly refers to specific criminal conduct applicable to the subject person of the local summary criminal history information, and contains requirements or exclusions, or both, expressly based upon the specified criminal conduct.

(12) The subject of the local summary criminal history information.

(14) Any managing or supervising correctional officer of a county jail or other county correctional facility.

(15) Local child support agencies established by Section 17304 of the Family Code. When a local child support agency closes a support enforcement case containing summary criminal history information, the agency shall delete or purge from the file and destroy any documents or information concerning or arising from offenses for or of which the parent has been arrested, charged, or convicted, other than for offenses related to the parents having failed to provide support for the minor children, consistent with Section 17531 of the Family Code.

(16) County child welfare agency personnel who have been delegated the authority of county probation officers to access state summary criminal information pursuant to Section 272 of the Welfare and Institutions Code for the purposes specified in Section 16504.5 of the Welfare and Institutions Code.

(c) The local agency may furnish local summary criminal history information, upon a showing of a compelling need, to any of the following, provided that when information is furnished to assist an agency, officer, or official of state or local government, a public utility, or any entity, in fulfilling employment, certification, or licensing duties, Chapter 1321 of the Statutes of 1974 and Section 432.7 of the Labor Code shall apply:

(1) Any public utility, as defined in Section 216 of the Public Utilities Code, which operates a nuclear energy facility when access is needed to assist in employing persons to work at the facility, provided that, if the local agency supplies the information, it shall furnish a copy of this information to the person to whom the information relates.

(2) To a peace officer of the state other than those included in subdivision (b).

(3) To a peace officer of another country.

(4) To public officers, other than peace officers, of the United States, other states, or possessions or territories of the United States, provided that access to records similar to local summary criminal history information is

expressly authorized by a statute of the United States, other states, or possessions or territories of the United States when this information is needed for the performance of their official duties.

(5) To any person when disclosure is requested by a probation, parole, or peace officer with the consent of the subject of the local summary criminal history information and for purposes of furthering the rehabilitation of the subject.

(6) The courts of the United States, other states, or territories or possessions of the United States.

(7) Peace officers of the United States, other states, or territories or possessions of the United States.

(8) To any individual who is the subject of the record requested when needed in conjunction with an application to enter the United States or any foreign nation.

(9) Any public utility, as defined in Section 216 of the Public Utilities Code, when access is needed to assist in employing persons who will be seeking entrance to private residences in the course of their employment. The information provided shall be limited to the record of convictions and any arrest for which the person is released on bail or on his or her own recognizance pending trial.

If the local agency supplies the information pursuant to this paragraph, it shall furnish a copy of the information to the person to whom the information relates.

Any information obtained from the local summary criminal history is confidential and the receiving public utility shall not disclose its contents, other than for the purpose for which it was acquired. The local summary criminal history information in the possession of the public utility and all copies made from it shall be destroyed 30 days after employment is denied or granted, including any appeal periods, except for those cases where an employee or applicant is out on bail or on his or her own recognizance pending trial, in which case the state summary criminal history information and all copies shall be destroyed 30 days after the case is resolved, including any appeal periods.

A violation of any of the provisions of this paragraph is a misdemeanor, and shall give the employee or applicant who is injured by the violation a cause of action against the public utility to recover damages proximately caused by the violation.

Nothing in this section shall be construed as imposing any duty upon public utilities to request local summary criminal history information on any current or prospective employee.

Seeking entrance to private residences in the course of employment shall be deemed a "compelling need" as required to be shown in this subdivision.

(10) Any city, county, city and county, or district, or any officer or official thereof, if a written request is made to a local law enforcement agency and the information is needed to assist in the screening of a prospective concessionaire, and any affiliate or associate thereof, as these terms are defined in subdivision (k) of Section 432.7 of the Labor Code, for the

purposes of consenting to, or approving of, the prospective concessionaire's application for, or acquisition of, any beneficial interest in a concession, lease, or other property interest.

Any local government's request for local summary criminal history information for purposes of screening a prospective concessionaire and their affiliates or associates before approving or denying an application for, or acquisition of, any beneficial interest in a concession, lease, or other property interest is deemed a "compelling need" as required by this subdivision. However, only local summary criminal history information pertaining to criminal convictions may be obtained pursuant to this paragraph.

Any information obtained from the local summary criminal history is confidential and the receiving local government shall not disclose its contents, other than for the purpose for which it was acquired. The local summary criminal history information in the possession of the local government and all copies made from it shall be destroyed not more than 30 days after the local government's final decision to grant or deny consent to, or approval of, the prospective concessionaire's application for, or acquisition of, a beneficial interest in a concession, lease, or other property interest. Nothing in this section shall be construed as imposing any duty upon a local government, or any officer or official thereof, to request local summary criminal history information on any current or prospective concessionaire or their affiliates or associates.

(d) Whenever an authorized request for local summary criminal history information pertains to a person whose fingerprints are on file with the local agency and the local agency has no criminal history of that person, and the information is to be used for employment, licensing, or certification purposes, the fingerprint card accompanying the request for information, if any, may be stamped "no criminal record" and returned to the person or entity making the request.

(e) A local agency taking fingerprints of a person who is an applicant for licensing, employment, or certification may charge a fee not to exceed ten dollars (\$10) to cover the cost of taking the fingerprints and processing the required documents.

(f) Whenever local summary criminal history information furnished pursuant to this section is to be used for employment, licensing, or certification purposes, the local agency shall charge the person or entity making the request a fee which it determines to be sufficient to reimburse the local agency for the cost of furnishing the information, provided that no fee shall be charged to any public law enforcement agency for local summary criminal history information furnished to assist it in employing, licensing, or certifying a person who is applying for employment with the agency as a peace officer or criminal investigator. Any state agency required to pay a fee to the local agency for information received under this section may charge the applicant a fee sufficient to reimburse the agency for the expense.

(g) Whenever there is a conflict, the processing of criminal fingerprints shall take priority over the processing of applicant fingerprints.

(h) It is not a violation of this article to disseminate statistical or research information obtained from a record, provided that the identity of the subject of the record is not disclosed.

(i) It is not a violation of this article to include information obtained from a record in (1) a transcript or record of a judicial or administrative proceeding or (2) any other public record when the inclusion of the information in the public record is authorized by a court, statute, or decisional law.

(j) Notwithstanding any other law, a public prosecutor may, in response to a written request made pursuant to Section 6253 of the Government Code, provide information from a local summary criminal history, if release of the information would enhance public safety, the interest of justice, or the public's understanding of the justice system and the person making the request declares that the request is made for a scholarly or journalistic purpose. If a person in a declaration required by this subdivision willfully states as true any material fact that he or she knows to be false, he or she shall be subject to a civil penalty not exceeding ten thousand dollars (\$10,000). The requestor shall be informed in writing of this penalty. An action to impose a civil penalty under this subdivision may be brought by any public prosecutor and shall be enforced as a civil judgment.

(k) Notwithstanding any other law, the Department of Justice or any state or local law enforcement agency may require the submission of fingerprints for the purpose of conducting summary criminal history information record checks which are authorized by law.

(l) Any local criminal justice agency may release, within five years of the arrest, information concerning an arrest or detention of a peace officer or applicant for a position as a peace officer, as defined in Section 830, which did not result in conviction, and for which the person did not complete a postarrest diversion program or a deferred entry of judgment program, to a government agency employer of that peace officer or applicant.

(m) Any local criminal justice agency may release information concerning an arrest of a peace officer or applicant for a position as a peace officer, as defined in Section 830, which did not result in conviction but for which the person completed a postarrest diversion program or a deferred entry of judgment program, or information concerning a referral to and participation in any postarrest diversion program or a deferred entry of judgment program to a government agency employer of that peace officer or applicant.

(n) Notwithstanding subdivision (l) or (m), a local criminal justice agency shall not release information under the following circumstances:

(1) Information concerning an arrest for which diversion or a deferred entry of judgment program has been ordered without attempting to determine whether diversion or a deferred entry of judgment program has been successfully completed.

(2) Information concerning an arrest or detention followed by a dismissal or release without attempting to determine whether the individual was exonerated.

(3) Information concerning an arrest without a disposition without attempting to determine whether diversion has been successfully completed or the individual was exonerated.

SEC. 2. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
