Secretary of State October 13, 2007.]

#### LEGISLATIVE COUNSEL'S DIGEST

SB 703, Ducheny. Placement of children.

(1) The Interstate Compact on the Placement of Children, which has been adopted in this state, authorizes and governs the interstate placement of children. Pursuant to the compact, the officers and agencies of this state and its subdivisions are authorized to enter into agreements with appropriate officers or agencies of, or in, other states to provide for the out-of-state placement of a child and for the provision of services to that child.

This bill would require a county child welfare agency to conduct, complete, and report the results of a home study, as specified, within 60 days after an officer or agency of this state, or its political subdivision, receives a request from another state to conduct a study of a home environment for purposes of assessing the safety and suitability of placing a child in the home, except as specified. The bill would also require a county to treat a home study report received from another state as meeting specified requirements of this state for the completion of a home study, except as specified. By imposing new duties on local employees, the bill would impose a state-mandated local program.

(2) Existing law authorizes various types of adoption agencies that have been licensed by the State Department of Social Services to provide adoption services, as specified. Existing law provides that intercountry adoption services, as described, shall be exclusively provided by private adoption agencies licensed by the department to provide those services.

This bill would require any private full-service adoption agency and any noncustodial adoption agency to be accredited by the Council on Accreditation, or supervised by an accredited primary provider, or acting as an exempted provider, in compliance with a specified provision of federal law as a condition of licensure to provide intercountry adoption services. The bill would prohibit an adoption facilitator from offering, providing, or facilitating any adoption service in connection with certain intercountry

adoptions, unless the facilitator is registered, posts a bond, and is approved by a specified accrediting entity. The bill would impose additional requirements relating to the provision of adoption services in connection with intercountry adoptions.

(3) Existing law authorizes the Director of Social Services to enter into an agreement with any California Indian tribe or any out-of-state Indian tribe regarding the care and custody of Indian children and jurisdiction over Indian child custody proceedings.

Existing law requires the Attorney General to furnish state summary criminal history information, if needed in the course of their duties, to the courts. Existing law authorizes the Attorney General to direct any agency that maintains, or has received, criminal offender records to produce for inspection information concerning the storage and dissemination of criminal offender record information.

This bill would revise those provisions to specifically apply to a tribe or consortium of tribes that has entered into an agreement with the state, as described above. The bill would provide that any entity that fails to provide for inspection information concerning the storage and dissemination of criminal offender record information, when directed to do so by the Attorney General, shall lose access to criminal offender record information.

(4) Under existing law, mandated reports of suspected child abuse and neglect are confidential and may be disclosed only under specified circumstances to specified entities and persons.

This bill would authorize the disclosure of these reports to out-of-state agencies responsible for approving prospective foster or adoptive parents or relative caregivers for placement of a child, as specified.

(5) The Department of Justice is required to maintain an index of all reports of known or suspected child abuse and severe neglect. The department is required to make available to the State Department of Social Services, or to any county licensing agency that has contracted with the state for the performance of specified licensing and enforcement duties, information regarding a known or suspected child abuser maintained in the index concerning, among others, any person who is an applicant for licensure or any adult who resides or is employed in the home of an applicant for licensure.

This bill would require the department to also make that information available to a tribal court or tribal child welfare agency of a tribe or consortium of tribes that has entered into an agreement with the state, as described in (3) above. The bill would require the department to make available to an out-of-state agency, for purposes of approving a prospective foster or adoptive parent or relative caregiver for placement of a child, information regarding a known or suspected child abuser maintained in the index concerning the prospective foster or adoptive parent or relative caregiver, and any other adult living in the home of the prospective parent or relative caregiver. The bill would authorize the department to charge the out-of-state agency a fee for providing the information, to be deposited in the Department of Justice Child Abuse Fund for expenditure, upon

appropriation by the Legislature, to offset the costs incurred to process requests for that information.

(6) Existing law requires the juvenile court to conduct various hearings regarding children who are, or who may become, dependent children. Existing law requires the probation officer, the social worker, or the clerk of the court to provide notice of those hearings to certain persons, including parents, guardians, the child, if he or she is 10 years of age or older, adult relatives under certain conditions, and attorneys for the parents or guardians, as specified.

This bill additionally would require the probation officer, social worker, or the clerk of the court to provide notice of certain of those hearings to the current caregiver for the child, including foster parents, relative caregivers, preadoptive parents, and nonrelative extended family members. By imposing new duties on probation officers and social workers, the bill would create a state-mandated local program. The bill would require the court to consider in-state and out-of-state placement options for the child at these hearings, as specified.

(7) Existing law requires the State Department of Social Services to check the Child Abuse Central Index prior to granting a license to, or otherwise approving, any individual to care for children. Existing law also requires a county social worker to cause a check of the Child Abuse Central Index to be conducted on all persons over 18 years of age living in a home whenever a child may be placed in the home of a relative or prospective guardian or other person who is not a licensed or certified foster parent.

This bill would also require, if any person in a household is 18 years of age or older and has lived in another state in the preceding 5 years, the department or its designated representative to check the other state's child abuse and neglect registry to the extent required by federal law prior to granting a license to, or otherwise approving, any foster family home, certified family home, or person for whom an adoption home study is conducted or who has filed to adopt. The bill would require the licensing agency or licensed adoption agency to check another state's child abuse and neglect registry if any prospective foster or adoptive parent, or any person over 18 years of age residing in the household, has lived in the other state in the preceding 5 years. The bill would require the department, in consultation with the County Welfare Directors Association, to develop and promulgate the process and criteria to be used to review and consider other states' findings of child abuse or neglect.

(8) Existing law sets forth the goals of the state regarding the needs of children who are alleged to be abused or neglected, and requires the state to encourage the development of approaches to child protection that would achieve those goals, including providing support to foster children and foster families. In carrying out these requirements, the State Department of Social Services is required to ensure that emergency response services, family maintenance services, family reunification services, and permanent placement services are coordinated with the implementation of specified program models.

This bill would require each county to provide the State Department of Social Services with a disaster response plan describing how county programs that receive federal assistance under the Social Security Act for child and family services would respond to a disaster. The bill would require the department to review its disaster plan, revise the plan to clarify the role and responsibilities of the state in the event of a disaster, and consult with counties to identify opportunities for collaboration in the event of a disaster.

This bill also would require the department, in consultation with the County Welfare Directors Association and other advocates, to develop a comprehensive plan to ensure that 90% of foster children are visited by their caseworkers on a monthly basis by October 1, 2011, and that the majority of the visits occur in the residence of the child. The plan would be required to include any data reporting requirements necessary to comply with specified provisions of federal law.

(9) Existing law requires social workers to prepare and update a case plan in connection with periodic status review hearings in the juvenile court, and specifies requirements for the development of the case plan.

This bill would require the case plan to consider in-state and out-of-state placement options if out-of-home services are used and the goal is reunification.

(10) The bill would make other related and conforming changes. By imposing various new duties on counties, the bill would impose a state-mandated local program.

(11) This bill would incorporate additional changes in Section 1522 of the Health and Safety Code proposed by SB 172 and SB 776, to be operative if this bill and one or both of the other bills are chaptered and become effective on or before January 1, 2008, and this bill is chaptered last.

(12) This bill would incorporate additional changes in Section 11105 of the Penal Code enacted by AB 104 (Ch. 104, Stats. 2007) and proposed by AB 1048 and SB 340, to be operative only if this bill and one or more of the other bills are chaptered and become effective on or before January 1, 2008, and this bill is chaptered last.

(13) This bill would incorporate additional changes in Section 11170 of the Penal Code enacted by AB 369 (Ch. 160, Stats. 2007), to be operative if AB 369 and this bill are both chaptered and become effective on or before January 1, 2008, and this bill is chaptered last.

(14) This bill would incorporate additional changes in Sections 361.5, 366.21, 366.22, and 366.26 of the Welfare and Institutions Code proposed by AB 298, to be operative if AB 298 and this bill are both chaptered and become effective on or before January 1, 2008, and this bill is chaptered last.

(15) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

*The people of the State of California do enact as follows:*

SECTION 1. Section 7901.1 is added to the Family Code, to read:

7901.1. (a) Within 60 days of receipt of a request from another state to conduct a study of a home environment for purposes of assessing the safety and suitability of placing a child in the home, a county child welfare agency shall, directly or by contract, do both of the following:

(1) Conduct and complete the study.

(2) Return a report to the requesting state on the results of the study. The report shall address the extent to which placement in the home would meet the needs of the child.

(b) Except as provided in subdivision (c), in the case of a home study commenced on or before September 30, 2008, if the agency fails to comply with subdivision (a) within the 60-day period as a result of circumstances beyond the control of the agency, the agency shall have 75 days to comply with subdivision (a). The agency shall document the circumstances involved and certify that completing the home study is in the best interests of the child. For purposes of this subdivision, "circumstances beyond the control of the agency" include, but are not limited to, the failure of a federal agency to provide the results of a background check or the failure of any entity to provide completed medical forms, if the background check or records were requested by the agency at least 45 days before the end of the 60-day period.

(c) Subdivision (b) shall not be construed to require the agency to have completed, within the applicable period, the parts of the home study involving the education and training of the prospective foster or adoptive parents.

(d) The agency shall treat any report described in subdivision (a) that is received from another state, an Indian tribe, or a private agency under contract with another state, as meeting any requirements imposed by the state for the completion of a home study before placing a child in the home, unless, within 14 days after receipt of the report, the agency determines, based on grounds that are specific to the content of the report, that making a decision in reliance on the report would be contrary to the welfare of the child.

(e) A county is not restricted from contracting with a private agency for the conduct of a home study described in subdivision (a).

(f) The department shall work with counties to identify barriers to meeting the timeframes specified in this section and to develop recommendations to reduce or eliminate those barriers.

7906.5. (a) Within 60 days after an officer or agency of this state, or its political subdivision, receives a request from another state to conduct a study of a home environment for purposes of assessing the safety and suitability of placing a child, who is in the custody of the requesting state, in the home, the county child welfare agency shall, directly or indirectly, do both of the following:

(c) Notwithstanding subdivision (a), in the case of a home study commenced on or before September 30, 2008, if the county fails to comply with subdivision (a) within the 60-day period as a result of circumstances beyond the control of the state, including, but not limited to, failure by a federal agency to provide the results of a background check or failure of any entity to provide completed medical forms requested by the state at least 45 days before the end of the 60-day period, the county shall have 75 days to comply with subdivision (a) if the county documents the circumstances involved and certifies that completing the home study is in the best interest of the child.

(d) Nothing in this section shall be construed to require the county to have completed, within the applicable period, those portions of the home study concerning the education and training of the prospective foster parent or adoptive parent.

(e) The county shall treat any report described in subdivision (a) that is received from another state, an Indian tribe, or a private agency under contract with another state, as meeting any requirements imposed by the state for the completion of a home study before placing a child in the home, unless, within 14 days after receipt of the report, the county determines, based on grounds that are specific to the content of the report, that making a decision in reliance on the report would be contrary to the welfare of the child.

(c) “Director” means the Director of Social Services.

SEC. 12. Section 1503.5 of the Health and Safety Code is amended to read:

1503.5. (a) A facility shall be deemed to be an “unlicensed community care facility” and “maintained and operated to provide nonmedical care” if it is unlicensed and not exempt from licensure and any one of the following conditions is satisfied:

(1) The facility is providing care or supervision, as defined by this chapter or the rules and regulations adopted pursuant to this chapter.

(2) The facility is held out as or represented as providing care or supervision, as defined by this chapter or the rules and regulations adopted pursuant to this chapter.

(3) The facility accepts or retains residents who demonstrate the need for care or supervision, as defined by this chapter or the rules and regulations adopted pursuant to this chapter.

(4) The facility represents itself as a licensed community care facility.

(5) The facility is performing any of the functions of a foster family agency or holding itself out as a foster family agency.

(6) The facility is performing any of the functions of an adoption agency or holding itself out as performing any of the functions of an adoption agency as specified in paragraph (9) of subdivision (a) of Section 1502 or subdivision (b) of Section 8900.5 of the Family Code.

(b) No unlicensed community care facility, as defined in subdivision (a), shall operate in this state.

(c) Upon discovery of an unlicensed community care facility, the department shall refer residents to the appropriate local or state ombudsman, or placement, adult protective services, or child protective services agency if either of the following conditions exist:

(1) There is an immediate threat to the clients’ health and safety.

(2) The facility will not cooperate with the licensing agency to apply for a license, meet licensing standards, and obtain a valid license.

SEC. 13. Section 1522 of the Health and Safety Code is amended to read:

1522. The Legislature recognizes the need to generate timely and accurate positive fingerprint identification of applicants as a condition of issuing licenses, permits, or certificates of approval for persons to operate or provide direct care services in a community care facility, foster family home, or a certified family home of a licensed foster family agency. Therefore, the Legislature supports the use of the fingerprint live-scan technology, as identified in the long-range plan of the Department of Justice for fully

automating the processing of fingerprints and other data by the year 1999, otherwise known as the California Crime Information Intelligence System (CAL-CII), to be used for applicant fingerprints. It is the intent of the Legislature in enacting this section to require the fingerprints of those individuals whose contact with community care clients may pose a risk to the clients' health and safety. An individual shall be required to obtain either a criminal record clearance or a criminal record exemption from the State Department of Social Services before his or her initial presence in a community care facility.

(a) (1) Before issuing a license or special permit to any person or persons to operate or manage a community care facility, the State Department of Social Services shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any other person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, of the Penal Code, subdivision (b) of Section 273a of the Penal Code, or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons, and subsequent arrest information pursuant to Section 11105.2 of the Penal Code.

(3) Except during the 2003–04, 2004–05, 2005–06, 2006–07, and 2007–08 fiscal years, neither the Department of Justice nor the State Department of Social Services may charge a fee for the fingerprinting of an applicant for a license or special permit to operate a facility providing nonmedical board, room, and care for six or less children or for obtaining a criminal record of the applicant pursuant to this section.

(4) The following shall apply to the criminal record information:

(A) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(B) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services may cease processing the application until the conclusion of the trial.

(C) If no criminal record information has been recorded, the Department of Justice shall provide the applicant and the State Department of Social Services with a statement of that fact.

(D) If the State Department of Social Services finds after licensure that the licensee, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license may be revoked, unless the director grants an exemption pursuant to subdivision (g).

(E) An applicant and any other person specified in subdivision (b) shall submit fingerprint images and related information to the Department of Justice for the purpose of searching the criminal records of the Federal Bureau of Investigation, in addition to the criminal records search required by this subdivision. If an applicant and all other persons described in subdivision (b) meet all of the conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal offender record information search response for the applicant or any of the persons described in subdivision (b), the department may issue a license if the applicant and each person described in subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction, as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, the department determines that the licensee or any other person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1550. The department may also suspend the license pending an administrative hearing pursuant to Section 1550.5.

(F) The State Department of Social Services shall develop procedures to provide the individual's state and federal criminal history information with the written notification of his or her exemption denial or revocation based on the criminal record. Receipt of the criminal history information shall be optional on the part of the individual, as set forth in the agency's procedures. The procedure shall protect the confidentiality and privacy of the individual's record, and the criminal history information shall not be made available to the employer.

(G) Notwithstanding any other provision of law, the department is authorized to provide an individual with a copy of his or her state or federal level criminal offender record information search response as provided to that department by the Department of Justice if the department has denied a criminal background clearance based on this information and the individual makes a written request to the department for a copy specifying an address to which it is to be sent. The state or federal level criminal offender record information search response shall not be modified or altered from its form or content as provided by the Department of Justice and shall be provided to the address specified by the individual in their written request. The department shall retain a copy of the individual's written request and the response and date provided.

(b) (1) In addition to the applicant, this section shall be applicable to criminal convictions of the following persons:

(A) Adults responsible for administration or direct supervision of staff.

(B) Any person, other than a client, residing in the facility.

(C) Any person who provides client assistance in dressing, grooming, bathing, or personal hygiene. Any nurse assistant or home health aide meeting the requirements of Section 1338.5 or 1736.6, respectively, who is not employed, retained, or contracted by the licensee, and who has been certified or recertified on or after July 1, 1998, shall be deemed to meet the criminal record clearance requirements of this section. A certified nurse

assistant and certified home health aide who will be providing client assistance and who falls under this exemption shall provide one copy of his or her current certification, prior to providing care, to the community care facility. The facility shall maintain the copy of the certification on file as long as care is being provided by the certified nurse assistant or certified home health aide at the facility. Nothing in this paragraph restricts the right of the department to exclude a certified nurse assistant or certified home health aide from a licensed community care facility pursuant to Section 1558.

(D) Any staff person, volunteer, or employee who has contact with the clients.

(E) If the applicant is a firm, partnership, association, or corporation, the chief executive officer or other person serving in like capacity.

(F) Additional officers of the governing body of the applicant, or other persons with a financial interest in the applicant, as determined necessary by the department by regulation. The criteria used in the development of these regulations shall be based on the person's capability to exercise substantial influence over the operation of the facility.

(2) The following persons are exempt from the requirements applicable under paragraph (1):

(A) A medical professional as defined in department regulations who holds a valid license or certification from the person's governing California medical care regulatory entity and who is not employed, retained, or contracted by the licensee if all of the following apply:

(i) The criminal record of the person has been cleared as a condition of licensure or certification by the person's governing California medical care regulatory entity.

(ii) The person is providing time-limited specialized clinical care or services.

(iii) The person is providing care or services within the person's scope of practice.

(iv) The person is not a community care facility licensee or an employee of the facility.

(B) A third-party repair person or similar retained contractor if all of the following apply:

(i) The person is hired for a defined, time-limited job.

(ii) The person is not left alone with clients.

(iii) When clients are present in the room in which the repairperson or contractor is working, a staff person who has a criminal record clearance or exemption is also present.

(C) Employees of a licensed home health agency and other members of licensed hospice interdisciplinary teams who have a contract with a client or resident of the facility and are in the facility at the request of that client or resident's legal decisionmaker. The exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(D) Clergy and other spiritual caregivers who are performing services in common areas of the community care facility or who are advising an

individual client at the request of, or with the permission of, the client or legal decisionmaker, are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care licensee or employee of the facility.

(E) Members of fraternal, service, or similar organizations who conduct group activities for clients if all of the following apply:

- (i) Members are not left alone with clients.
- (ii) Members do not transport clients off the facility premises.
- (iii) The same organization does not conduct group activities for clients more often than defined by the department's regulations.

(3) In addition to the exemptions in paragraph (2), the following persons in foster family homes, certified family homes, and small family homes are exempt from the requirements applicable under paragraph (1):

(A) Adult friends and family of the licensed or certified foster parent, who come into the home to visit for a length of time no longer than defined by the department in regulations, provided that the adult friends and family of the licensee are not left alone with the foster children. However, the licensee, acting as a reasonable and prudent parent, as defined in paragraph (2) of subdivision (a) of Section 362.04 of the Welfare and Institutions Code, may allow his or her adult friends and family to provide short-term care to the foster child and act as an appropriate occasional short-term babysitter for the child.

(B) Parents of a foster child's friends when the foster child is visiting the friend's home and the friend, licensed or certified foster parent, or both are also present. However, the licensee, acting as a reasonable and prudent parent, may allow the parent of the foster child's friends to act as an appropriate short-term babysitter for the child without the friend being present.

(C) Individuals who are engaged by any licensed or certified foster parent to provide short-term care to the child for periods not to exceed 24 hours. Caregivers shall use a reasonable and prudent parent standard in selecting appropriate individuals to act as appropriate occasional short-term babysitters.

(4) In addition to the exemptions specified in paragraph (2), the following persons in adult day care and adult day support centers are exempt from the requirements applicable under paragraph (1):

(A) Unless contraindicated by the client's individualized program plan (IPP) or needs and service plan, a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to the client.

(B) A volunteer if all of the following applies:

- (i) The volunteer is supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(ii) The volunteer is never left alone with clients.

(iii) The volunteer does not provide any client assistance with dressing, grooming, bathing, or personal hygiene other than washing of hands.

(5) (A) In addition to the exemptions specified in paragraph (2), the following persons in adult residential and social rehabilitation facilities, unless contraindicated by the client's individualized program plan (IPP) or needs and services plan, are exempt from the requirements applicable under paragraph (1): a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to that client.

(B) Nothing in this subdivision shall prevent a licensee from requiring a criminal record clearance of any individual exempt from the requirements of this section, provided that the individual has client contact.

(6) Any person similar to those described in this subdivision, as defined by the department in regulations.

(c) (1) Subsequent to initial licensure, any person specified in subdivision (b) and not exempted from fingerprinting shall, as a condition to employment, residence, or presence in a community care facility, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions. The licensee shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or to comply with paragraph (1) of subdivision (h), prior to the person's employment, residence, or initial presence in the community care facility. These fingerprint images and related information shall be sent by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice for the purpose of obtaining a permanent set of fingerprints, and shall be submitted to the Department of Justice by the licensee. A licensee's failure to submit fingerprint images and related information to the Department of Justice for the purpose of obtaining a permanent set of fingerprints, and shall be submitted to the Department of Justice by the licensee. A licensee's failure to submit fingerprints to the Department of Justice or to comply with paragraph (1) of subdivision (h), as required in this section, shall result in the citation of a deficiency and the immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548. The fingerprint images and related information shall then be submitted to the Department of Justice for processing. Upon request of the licensee, who

shall enclose a self-addressed stamped postcard for this purpose, the Department of Justice shall verify receipt of the fingerprints.

(2) Within 14 calendar days of the receipt of the fingerprint images, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided for in subdivision (a). If no criminal record information has been recorded, the Department of Justice shall provide the licensee and the State Department of Social Services with a statement of that fact within 14 calendar days of receipt of the fingerprint images. Documentation of the individual's clearance or exemption shall be maintained by the licensee and be available for inspection. If new fingerprint images are required for processing, the Department of Justice shall, within 14 calendar days from the date of receipt of the fingerprints, notify the licensee that the fingerprints were illegible, the Department of Justice shall notify the State Department of Social Services, as required by Section 1522.04, and shall also notify the licensee by mail, within 14 days of electronic transmission of the fingerprints to the Department of Justice, if the person has no criminal history recorded. A violation of the regulations adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548.

(3) Except for persons specified in paragraph (2) of subdivision (b), the licensee shall endeavor to ascertain the previous employment history of persons required to be fingerprinted under this subdivision. If it is determined by the State Department of Social Services, on the basis of the fingerprint images and related information submitted to the Department of Justice, that the person has been convicted of, or is awaiting trial for, a sex offense against a minor, or has been convicted for an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the State Department of Social Services shall notify the licensee to act immediately to terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility. The State Department of Social Services may subsequently grant an exemption pursuant to subdivision (g). If the conviction or arrest was for another crime, except a minor traffic violation, the licensee shall, upon notification by the State Department of Social Services, act immediately to either (A) terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility; or (B) seek an exemption pursuant to subdivision (g). The State Department of Social Services shall determine if the person shall be allowed to remain in the facility until a decision on the exemption is rendered. A licensee's failure to comply with the department's prohibition of employment, contact with

clients, or presence in the facility as required by this paragraph shall be grounds for disciplining the licensee pursuant to Section 1550.

(4) The department may issue an exemption on its own motion pursuant to subdivision (g) if the person's criminal history indicates that the person is of good character based on the age, seriousness, and frequency of the conviction or convictions. The department, in consultation with interested parties, shall develop regulations to establish the criteria to grant an exemption pursuant to this paragraph.

(5) Concurrently with notifying the licensee pursuant to paragraph (3), the department shall notify the affected individual of his or her right to seek an exemption pursuant to subdivision (g). The individual may seek an exemption only if the licensee terminates the person's employment or removes the person from the facility after receiving notice from the department pursuant to paragraph (3).

(d) (1) Before issuing a license, special permit, or certificate of approval to any person or persons to operate or manage a foster family home or certified family home as described in Section 1506, the State Department of Social Services or other approving authority shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons.

(3) Neither the Department of Justice nor the State Department of Social Services may charge a fee for the fingerprinting of an applicant for a license, special permit, or certificate of approval described in this subdivision. The record, if any, shall be taken into consideration when evaluating a prospective applicant.

(4) The following shall apply to the criminal record information:

(A) If the applicant or other persons specified in subdivision (b) have convictions that would make the applicant's home unfit as a foster family home or a certified family home, the license, special permit, or certificate of approval shall be denied.

(B) If the State Department of Social Services finds that the applicant, or any person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services or other approving authority may cease processing the application until the conclusion of the trial.

(C) For the purposes of this subdivision, a criminal record clearance provided under Section 8712 of the Family Code may be used by the department or other approving agency.

(D) To the extent required by federal law, an applicant for a foster family home license or for certification as a family home, and any other person specified in subdivision (b), shall submit a set of fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, in addition to the criminal records search required by subdivision (a).

(5) Any person specified in this subdivision shall, as a part of the application, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions or arrests for any crime against a child, spousal or cohabitant abuse or, any crime for which the department cannot grant an exemption if the person was convicted and shall submit these fingerprints to the licensing agency or other approving authority.

(6) (A) The foster family agency shall obtain fingerprint images and related information from certified home applicants and from persons specified in subdivision (b) and shall submit them directly to the Department of Justice by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice. A foster family home licensee or foster family agency shall submit these fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or to comply with paragraph (1) of subdivision (b) prior to the person's employment, residence, or initial presence in the foster family home or certified family home. A foster family agency's failure to submit fingerprint images and related information to the Department of Justice, or comply with paragraph (1) of subdivision (h), as required in this section, shall result in a citation of a deficiency, and the immediate civil penalties of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. A violation of the regulation adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the foster family agency pursuant to Section 1550. A licensee's failure to submit fingerprint images and related information to the Department of Justice, or comply with paragraph (1) of subdivision (h), as required in this section, may result in the citation of a deficiency and immediate civil penalties of one hundred dollars (\$100) per violation. A licensee's violation of regulations adopted pursuant to Section 1522.04 may result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation. The

State Department of Social Services may assess penalties for continued violations, as permitted by Section 1548. The fingerprint images shall then be submitted to the Department of Justice for processing.

(B) Upon request of the licensee, who shall enclose a self-addressed envelope for this purpose, the Department of Justice shall verify receipt of the fingerprints. Within five working days of the receipt of the criminal record or information regarding criminal convictions from the Department of Justice, the department shall notify the applicant of any criminal arrests or convictions. If no arrests or convictions are recorded, the Department of Justice shall provide the foster family home licensee or the foster family agency with a statement of that fact concurrent with providing the information to the State Department of Social Services.

(7) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(8) If the State Department of Social Services finds after licensure or the granting of the certificate of approval that the licensee, certified foster parent, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license or certificate of approval may be revoked by the department or the foster family agency, whichever is applicable, unless the director grants an exemption pursuant to subdivision (g). A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by paragraph (3) of subdivision (c) shall be grounds for disciplining the licensee pursuant to Section 1550.

(e) The State Department of Social Services may not use a record of arrest to deny, revoke, or terminate any application, license, employment, or residence unless the department investigates the incident and secures evidence, whether or not related to the incident of arrest, that is admissible in an administrative hearing to establish conduct by the person that may pose a risk to the health and safety of any person who is or may become a client. The State Department of Social Services is authorized to obtain any arrest or conviction records or reports from any law enforcement agency as necessary to the performance of its duties to inspect, license, and investigate community care facilities and individuals associated with a community care facility.

(f) (1) For purposes of this section or any other provision of this chapter, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the State Department of Social Services is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, when the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, notwithstanding a subsequent order pursuant to Sections 1203.4 and 1203.4a of the Penal Code permitting the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation,

information, or indictment. For purposes of this section or any other provision of this chapter, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction. For purposes of this section or any other provision of this chapter, the arrest disposition report certified by the Department of Justice, or documents admissible in a criminal action pursuant to Section 969b of the Penal Code, shall be prima facie evidence of the conviction, notwithstanding any other provision of law prohibiting the admission of these documents in a civil or administrative action.

(2) For purposes of this section or any other provision of this chapter, the department shall consider criminal convictions from another state or federal court as if the criminal offense was committed in this state.

(g) (1) After review of the record, the director may grant an exemption from disqualification for a license or special permit as specified in paragraphs (1) and (4) of subdivision (a), or for a license, special permit, or certificate of approval as specified in paragraphs (4) and (5) of subdivision (d), or for employment, residence, or presence in a community care facility as specified in paragraphs (3), (4), and (5) of subdivision (c), if the director has substantial and convincing evidence to support a reasonable belief that the applicant and the person convicted of the crime, if other than the applicant, are of good character as to justify issuance of the license or special permit or granting an exemption for purposes of subdivision (c). Except as otherwise provided in this subdivision, an exemption may not be granted pursuant to this subdivision if the conviction was for any of the following offenses:

(A) (i) An offense specified in Section 220, 243.4, or 264.1, subdivision (a) of Section 273a or, prior to January 1, 1994, paragraph (1) of Section 273a, Section 273d, 288, or 289, subdivision (a) of Section 290, or Section 368 of the Penal Code, or was a conviction of another crime against an individual specified in subdivision (c) of Section 667.5 of the Penal Code.

(ii) Notwithstanding clause (i), the director may grant an exemption regarding the conviction for an offense described in paragraph (1), (2), (7), or (8) of subdivision (c) of Section 667.5 of the Penal Code, if the employee or prospective employee has been rehabilitated as provided in Section 4852.03 of the Penal Code, has maintained the conduct required in Section 4852.05 of the Penal Code for at least 10 years, and has the recommendation of the district attorney representing the employee's county of residence, or if the employee or prospective employee has received a certificate of rehabilitation pursuant to Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code.

(B) A felony offense specified in Section 729 of the Business and Professions Code or Section 206 or 215, subdivision (a) of Section 347, subdivision (b) of Section 417, or subdivision (a) of Section 451 of the Penal Code.

(2) The department may not prohibit a person from being employed or having contact with clients in a facility on the basis of a denied criminal

record exemption request or arrest information unless the department complies with the requirements of Section 1558.

(h) (1) For purposes of compliance with this section, the department may permit an individual to transfer a current criminal record clearance, as defined in subdivision (a), from one facility to another, as long as the criminal record clearance has been processed through a state licensing district office, and is being transferred to another facility licensed by a state licensing district office. The request shall be in writing to the State Department of Social Services, and shall include a copy of the person's driver's license or valid identification card issued by the Department of Motor Vehicles, or a valid photo identification issued by another state or the United States government if the person is not a California resident. Upon request of the licensee, who shall enclose a self-addressed envelope for this purpose, the State Department of Social Services shall verify whether the individual has a clearance that can be transferred.

(2) The State Department of Social Services shall hold criminal record clearances in its active files for a minimum of two years after an employee is no longer employed at a licensed facility in order for the criminal record clearance to be transferred.

(3) The following shall apply to a criminal record clearance or exemption from the department or a county office with department-delegated licensing authority:

(A) A county office with department-delegated licensing authority may accept a clearance or exemption from the department.

(B) The department may accept a clearance or exemption from any county office with department-delegated licensing authority.

(C) A county office with department-delegated licensing authority may accept a clearance or exemption from any other county office with department-delegated licensing authority.

(4) With respect to notifications issued by the Department of Justice pursuant to Section 11105.2 of the Penal Code concerning an individual whose criminal record clearance was originally processed by the department or a county office with department-delegated licensing authority, all of the following shall apply:

(A) The Department of Justice shall process a request from the department or a county office with department-delegated licensing authority to receive the notice only if all of the following conditions are met:

(i) The request shall be submitted to the Department of Justice by the agency to be substituted to receive the notification.

(ii) The request shall be for the same applicant type as the type for which the original clearance was obtained.

(iii) The request shall contain all prescribed data elements and format protocols pursuant to a written agreement between the department and the Department of Justice.

(B) (i) On or before January 7, 2005, the department shall notify the Department of Justice of all county offices that have department-delegated licensing authority.

(ii) The department shall notify the Department of Justice within 15 calendar days of the date on which a new county office receives department-delegated licensing authority or a county's delegated licensing authority is rescinded.

(C) The Department of Justice shall charge the department or a county office with department-delegated licensing authority a fee for each time a request to substitute the recipient agency is received for purposes of this paragraph. This fee shall not exceed the cost of providing the service.

(i) The full criminal record obtained for purposes of this section may be used by the department or by a licensed adoption agency as a clearance required for adoption purposes.

(j) If a licensee or facility is required by law to deny employment or to terminate employment of any employee based on written notification from the state department that the employee has a prior criminal conviction or is determined unsuitable for employment under Section 1558, the licensee or facility shall not incur civil liability or unemployment insurance liability as a result of that denial or termination.

(k) The State Department of Social Services may charge a fee for the costs of processing electronic fingerprint images and related information.

(l) Amendments to this section made in the 1999 portion of the 1999–2000 Regular Session shall be implemented commencing 60 days after the effective date of the act amending this section in the 1999 portion of the 1999–2000 Regular Session, except that those provisions for the submission of fingerprints for searching the records of the Federal Bureau of Investigation shall be implemented 90 days after the effective date of that act.

SEC. 13.1. Section 1522 of the Health and Safety Code is amended to read:

1522. The Legislature recognizes the need to generate timely and accurate positive fingerprint identification of applicants as a condition of issuing licenses, permits, or certificates of approval for persons to operate or provide direct care services in a community care facility, foster family home, or a certified family home of a licensed foster family agency. Therefore, the Legislature supports the use of the fingerprint live-scan technology, as identified in the long-range plan of the Department of Justice for fully automating the processing of fingerprints and other data by the year 1999, otherwise known as the California Crime Information Intelligence System (CAL-CII), to be used for applicant fingerprints. It is the intent of the Legislature in enacting this section to require the fingerprints of those individuals whose contact with community care clients may pose a risk to the clients' health and safety. An individual shall be required to obtain either a criminal record clearance or a criminal record exemption from the State Department of Social Services before his or her initial presence in a community care facility.

(a) (1) Before issuing a license or special permit to any person or persons to operate or manage a community care facility, the State Department of Social Services shall secure from an appropriate law enforcement agency

a criminal record to determine whether the applicant or any other person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, of the Penal Code, subdivision (b) of Section 273a of the Penal Code, or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons, and subsequent arrest information pursuant to Section 11105.2 of the Penal Code.

(3) Except during the 2003–04, 2004–05, 2005–06, 2006–07, and 2007–08 fiscal years, neither the Department of Justice nor the State Department of Social Services may charge a fee for the fingerprinting of an applicant for a license or special permit to operate a facility providing nonmedical board, room, and care for six or less children or for obtaining a criminal record of the applicant pursuant to this section.

(4) The following shall apply to the criminal record information:

(A) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(B) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services may cease processing the application until the conclusion of the trial.

(C) If no criminal record information has been recorded, the Department of Justice shall provide the applicant and the State Department of Social Services with a statement of that fact.

(D) If the State Department of Social Services finds after licensure that the licensee, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license may be revoked, unless the director grants an exemption pursuant to subdivision (g).

(E) An applicant and any other person specified in subdivision (b) shall submit fingerprint images and related information to the Department of Justice for the purpose of searching the criminal records of the Federal Bureau of Investigation, in addition to the criminal records search required by this subdivision. If an applicant and all other persons described in subdivision (b) meet all of the conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal offender record information search response for the applicant or any of the persons described in subdivision (b), the department may issue a license if the applicant and each person described in subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction, as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, the department

determines that the licensee or any other person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1550. The department may also suspend the license pending an administrative hearing pursuant to Section 1550.5.

(F) The State Department of Social Services shall develop procedures to provide the individual's state and federal criminal history information with the written notification of his or her exemption denial or revocation based on the criminal record. Receipt of the criminal history information shall be optional on the part of the individual, as set forth in the agency's procedures. The procedure shall protect the confidentiality and privacy of the individual's record, and the criminal history information shall not be made available to the employer.

(G) Notwithstanding any other provision of law, the department is authorized to provide an individual with a copy of his or her state or federal level criminal offender record information search response as provided to that department by the Department of Justice if the department has denied a criminal background clearance based on this information and the individual makes a written request to the department for a copy specifying an address to which it is to be sent. The state or federal level criminal offender record information search response shall not be modified or altered from its form or content as provided by the Department of Justice and shall be provided to the address specified by the individual in their written request. The department shall retain a copy of the individual's written request and the response and date provided.

(b) (1) In addition to the applicant, this section shall be applicable to criminal convictions of the following persons:

(A) Adults responsible for administration or direct supervision of staff.

(B) Any person, other than a client, residing in the facility.

(C) Any person who provides client assistance in dressing, grooming, bathing, or personal hygiene. Any nurse assistant or home health aide meeting the requirements of Section 1338.5 or 1736.6, respectively, who is not employed, retained, or contracted by the licensee, and who has been certified or recertified on or after July 1, 1998, shall be deemed to meet the criminal record clearance requirements of this section. A certified nurse assistant and certified home health aide who will be providing client assistance and who falls under this exemption shall provide one copy of his or her current certification, prior to providing care, to the community care facility. The facility shall maintain the copy of the certification on file as long as care is being provided by the certified nurse assistant or certified home health aide at the facility. Nothing in this paragraph restricts the right of the department to exclude a certified nurse assistant or certified home health aide from a licensed community care facility pursuant to Section 1558.

(D) Any staff person, volunteer, or employee who has contact with the clients.

(E) If the applicant is a firm, partnership, association, or corporation, the chief executive officer or other person serving in like capacity.

(F) Additional officers of the governing body of the applicant, or other persons with a financial interest in the applicant, as determined necessary by the department by regulation. The criteria used in the development of these regulations shall be based on the person's capability to exercise substantial influence over the operation of the facility.

(2) The following persons are exempt from the requirements applicable under paragraph (1):

(A) A medical professional as defined in department regulations who holds a valid license or certification from the person's governing California medical care regulatory entity and who is not employed, retained, or contracted by the licensee if all of the following apply:

(i) The criminal record of the person has been cleared as a condition of licensure or certification by the person's governing California medical care regulatory entity.

(ii) The person is providing time-limited specialized clinical care or services.

(iii) The person is providing care or services within the person's scope of practice.

(iv) The person is not a community care facility licensee or an employee of the facility.

(B) A third-party repair person or similar retained contractor if all of the following apply:

(i) The person is hired for a defined, time-limited job.

(ii) The person is not left alone with clients.

(iii) When clients are present in the room in which the repairperson or contractor is working, a staff person who has a criminal record clearance or exemption is also present.

(C) Employees of a licensed home health agency and other members of licensed hospice interdisciplinary teams who have a contract with a client or resident of the facility and are in the facility at the request of that client or resident's legal decisionmaker. The exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(D) Clergy and other spiritual caregivers who are performing services in common areas of the community care facility or who are advising an individual client at the request of, or with the permission of, the client or legal decisionmaker, are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care licensee or employee of the facility.

(E) Members of fraternal, service, or similar organizations who conduct group activities for clients if all of the following apply:

(i) Members are not left alone with clients.

(ii) Members do not transport clients off the facility premises.

(iii) The same organization does not conduct group activities for clients more often than defined by the department's regulations.

(3) In addition to the exemptions in paragraph (2), the following persons in foster family homes, certified family homes, and small family homes are exempt from the requirements applicable under paragraph (1):

(A) Adult friends and family of the licensed or certified foster parent, who come into the home to visit for a length of time no longer than defined by the department in regulations, provided that the adult friends and family of the licensee are not left alone with the foster children. However, the licensee, acting as a reasonable and prudent parent, as defined in paragraph (2) of subdivision (a) of Section 362.04 of the Welfare and Institutions Code, may allow his or her adult friends and family to provide short-term care to the foster child and act as an appropriate occasional short-term babysitter for the child.

(B) Parents of a foster child's friends when the foster child is visiting the friend's home and the friend, licensed or certified foster parent, or both are also present. However, the licensee, acting as a reasonable and prudent parent, may allow the parent of the foster child's friends to act as an appropriate short-term babysitter for the child without the friend being present.

(C) Individuals who are engaged by any licensed or certified foster parent to provide short-term care to the child for periods not to exceed 24 hours. Caregivers shall use a reasonable and prudent parent standard in selecting appropriate individuals to act as appropriate occasional short-term babysitters.

(4) In addition to the exemptions specified in paragraph (2), the following persons in adult day care and adult day support centers are exempt from the requirements applicable under paragraph (1):

(A) Unless contraindicated by the client's individualized program plan (IPP) or needs and service plan, a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to the client.

(B) A volunteer if all of the following applies:

(i) The volunteer is supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(ii) The volunteer is never left alone with clients.

(iii) The volunteer does not provide any client assistance with dressing, grooming, bathing, or personal hygiene other than washing of hands.

(5) (A) In addition to the exemptions specified in paragraph (2), the following persons in adult residential and social rehabilitation facilities, unless contraindicated by the client's individualized program plan (IPP) or needs and services plan, are exempt from the requirements applicable under paragraph (1): a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the

licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to that client.

(B) Nothing in this subdivision shall prevent a licensee from requiring a criminal record clearance of any individual exempt from the requirements of this section, provided that the individual has client contact.

(6) Any person similar to those described in this subdivision, as defined by the department in regulations.

(c) (1) Subsequent to initial licensure, any person specified in subdivision (b) and not exempted from fingerprinting shall, as a condition to employment, residence, or presence in a community care facility, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions. The licensee shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or to comply with paragraph (1) of subdivision (h), prior to the person's employment, residence, or initial presence in the community care facility. These fingerprint images and related information shall be sent by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice for the purpose of obtaining a permanent set of fingerprints, and shall be submitted to the Department of Justice by the licensee. A licensee's failure to submit fingerprints to the Department of Justice or to comply with paragraph (1) of subdivision (h), as required in this section, shall result in the citation of a deficiency and the immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548. The fingerprint images and related information shall then be submitted to the Department of Justice for processing. Upon request of the licensee, who shall enclose a self-addressed stamped postcard for this purpose, the Department of Justice shall verify receipt of the fingerprints.

(2) Within 14 calendar days of the receipt of the fingerprint images, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided for in subdivision (a). If no criminal record information has been recorded, the Department of Justice shall provide the licensee and the State Department of Social Services with a statement of that fact within 14 calendar days of receipt of the fingerprint images. Documentation of the individual's clearance or exemption shall be maintained by the licensee and be available for inspection. If new fingerprint images are required for processing, the Department of Justice shall, within 14 calendar days from the date of receipt of the fingerprints, notify the licensee that the fingerprints were illegible, the Department of Justice shall notify the State Department of Social Services, as required by Section

1522.04, and shall also notify the licensee by mail, within 14 days of electronic transmission of the fingerprints to the Department of Justice, if the person has no criminal history recorded. A violation of the regulations adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548.

(3) Except for persons specified in paragraph (2) of subdivision (b), the licensee shall endeavor to ascertain the previous employment history of persons required to be fingerprinted under this subdivision. If it is determined by the State Department of Social Services, on the basis of the fingerprint images and related information submitted to the Department of Justice, that the person has been convicted of, or is awaiting trial for, a sex offense against a minor, or has been convicted for an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the State Department of Social Services shall notify the licensee to act immediately to terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility. The State Department of Social Services may subsequently grant an exemption pursuant to subdivision (g). If the conviction or arrest was for another crime, except a minor traffic violation, the licensee shall, upon notification by the State Department of Social Services, act immediately to either (A) terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility; or (B) seek an exemption pursuant to subdivision (g). The State Department of Social Services shall determine if the person shall be allowed to remain in the facility until a decision on the exemption is rendered. A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by this paragraph shall be grounds for disciplining the licensee pursuant to Section 1550.

(4) The department may issue an exemption on its own motion pursuant to subdivision (g) if the person's criminal history indicates that the person is of good character based on the age, seriousness, and frequency of the conviction or convictions. The department, in consultation with interested parties, shall develop regulations to establish the criteria to grant an exemption pursuant to this paragraph.

(5) Concurrently with notifying the licensee pursuant to paragraph (3), the department shall notify the affected individual of his or her right to seek an exemption pursuant to subdivision (g). The individual may seek an exemption only if the licensee terminates the person's employment or removes the person from the facility after receiving notice from the department pursuant to paragraph (3).

(d) (1) Before issuing a license, special permit, or certificate of approval to any person or persons to operate or manage a foster family home or certified family home as described in Section 1506, the State Department of Social Services or other approving authority shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in subdivision (c) of Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons.

(3) Neither the Department of Justice nor the State Department of Social Services may charge a fee for the fingerprinting of an applicant for a license, special permit, or certificate of approval described in this subdivision. The record, if any, shall be taken into consideration when evaluating a prospective applicant.

(4) The following shall apply to the criminal record information:

(A) If the applicant or other persons specified in subdivision (b) have convictions that would make the applicant's home unfit as a foster family home or a certified family home, the license, special permit, or certificate of approval shall be denied.

(B) If the State Department of Social Services finds that the applicant, or any person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services or other approving authority may cease processing the application until the conclusion of the trial.

(C) For the purposes of this subdivision, a criminal record clearance provided under Section 8712 of the Family Code may be used by the department or other approving agency.

(D) To the extent required by federal law, an applicant for a foster family home license or for certification as a family home, and any other person specified in subdivision (b), shall submit a set of fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, in addition to the criminal records search required by subdivision (a).

(5) Any person specified in this subdivision shall, as a part of the application, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions or arrests for any crime against a child, spousal or cohabitant abuse or, any crime for which the department cannot grant an exemption if the person was convicted and shall submit these fingerprints to the licensing agency or other approving authority.

(6) (A) The foster family agency shall obtain fingerprint images and related information from certified home applicants and from persons

specified in subdivision (b) and shall submit them directly to the Department of Justice by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice. A foster family home licensee or foster family agency shall submit these fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or to comply with paragraph (1) of subdivision (b) prior to the person's employment, residence, or initial presence in the foster family home or certified family home. A foster family agency's failure to submit fingerprint images and related information to the Department of Justice, or comply with paragraph (1) of subdivision (h), as required in this section, shall result in a citation of a deficiency, and the immediate civil penalties of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. A violation of the regulation adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the foster family agency pursuant to Section 1550. A licensee's failure to submit fingerprint images and related information to the Department of Justice, or comply with paragraph (1) of subdivision (h), as required in this section, may result in the citation of a deficiency and immediate civil penalties of one hundred dollars (\$100) per violation. A licensee's violation of regulations adopted pursuant to Section 1522.04 may result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation. The State Department of Social Services may assess penalties for continued violations, as permitted by Section 1548. The fingerprint images shall then be submitted to the Department of Justice for processing.

(B) Upon request of the licensee, who shall enclose a self-addressed envelope for this purpose, the Department of Justice shall verify receipt of the fingerprints. Within five working days of the receipt of the criminal record or information regarding criminal convictions from the Department of Justice, the department shall notify the applicant of any criminal arrests or convictions. If no arrests or convictions are recorded, the Department of Justice shall provide the foster family home licensee or the foster family agency with a statement of that fact concurrent with providing the information to the State Department of Social Services.

(7) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a

crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(8) If the State Department of Social Services finds after licensure or the granting of the certificate of approval that the licensee, certified foster parent, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license or certificate of approval may be revoked by the department or the foster family agency, whichever is applicable, unless the director grants an exemption pursuant to subdivision (g). A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by paragraph (3) of subdivision (c) shall be grounds for disciplining the licensee pursuant to Section 1550.

(e) The State Department of Social Services may not use a record of arrest to deny, revoke, or terminate any application, license, employment, or residence unless the department investigates the incident and secures evidence, whether or not related to the incident of arrest, that is admissible in an administrative hearing to establish conduct by the person that may pose a risk to the health and safety of any person who is or may become a client. The State Department of Social Services is authorized to obtain any arrest or conviction records or reports from any law enforcement agency as necessary to the performance of its duties to inspect, license, and investigate community care facilities and individuals associated with a community care facility.

(f) (1) For purposes of this section or any other provision of this chapter, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the State Department of Social Services is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, when the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, notwithstanding a subsequent order pursuant to Sections 1203.4 and 1203.4a of the Penal Code permitting the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. For purposes of this section or any other provision of this chapter, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction. For purposes of this section or any other provision of this chapter, the arrest disposition report certified by the Department of Justice, or documents admissible in a criminal action pursuant to Section 969b of the Penal Code, shall be prima facie evidence of the conviction, notwithstanding any other provision of law prohibiting the admission of these documents in a civil or administrative action.

(2) For purposes of this section or any other provision of this chapter, the department shall consider criminal convictions from another state or federal court as if the criminal offense was committed in this state.

(g) (1) After review of the record, the director may grant an exemption from disqualification for a license or special permit as specified in paragraphs (1) and (4) of subdivision (a), or for a license, special permit, or certificate of approval as specified in paragraphs (4) and (5) of subdivision (d), or for employment, residence, or presence in a community care facility as specified in paragraphs (3), (4), and (5) of subdivision (c), if the director has substantial and convincing evidence to support a reasonable belief that the applicant and the person convicted of the crime, if other than the applicant, are of good character as to justify issuance of the license or special permit or granting an exemption for purposes of subdivision (c). Except as otherwise provided in this subdivision, an exemption may not be granted pursuant to this subdivision if the conviction was for any of the following offenses:

(A) (i) An offense specified in Section 220, 243.4, or 264.1, subdivision (a) of Section 273a or, prior to January 1, 1994, paragraph (1) of Section 273a, Section 273d, 288, or 289, subdivision (c) of Section 290, or Section 368 of the Penal Code, or was a conviction of another crime against an individual specified in subdivision (c) of Section 667.5 of the Penal Code.

(ii) Notwithstanding clause (i), the director may grant an exemption regarding the conviction for an offense described in paragraph (1), (2), (7), or (8) of subdivision (c) of Section 667.5 of the Penal Code, if the employee or prospective employee has been rehabilitated as provided in Section 4852.03 of the Penal Code, has maintained the conduct required in Section 4852.05 of the Penal Code for at least 10 years, and has the recommendation of the district attorney representing the employee's county of residence, or if the employee or prospective employee has received a certificate of rehabilitation pursuant to Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code.

(B) A felony offense specified in Section 729 of the Business and Professions Code or Section 206 or 215, subdivision (a) of Section 347, subdivision (b) of Section 417, or subdivision (a) of Section 451 of the Penal Code.

(2) The department may not prohibit a person from being employed or having contact with clients in a facility on the basis of a denied criminal record exemption request or arrest information unless the department complies with the requirements of Section 1558.

(h) (1) For purposes of compliance with this section, the department may permit an individual to transfer a current criminal record clearance, as defined in subdivision (a), from one facility to another, as long as the criminal record clearance has been processed through a state licensing district office, and is being transferred to another facility licensed by a state licensing district office. The request shall be in writing to the State Department of Social Services, and shall include a copy of the person's driver's license or valid identification card issued by the Department of Motor Vehicles, or a valid photo identification issued by another state or the United States government if the person is not a California resident. Upon request of the licensee, who shall enclose a self-addressed envelope for this

purpose, the State Department of Social Services shall verify whether the individual has a clearance that can be transferred.

(2) The State Department of Social Services shall hold criminal record clearances in its active files for a minimum of two years after an employee is no longer employed at a licensed facility in order for the criminal record clearance to be transferred.

(3) The following shall apply to a criminal record clearance or exemption from the department or a county office with department-delegated licensing authority:

(A) A county office with department-delegated licensing authority may accept a clearance or exemption from the department.

(B) The department may accept a clearance or exemption from any county office with department-delegated licensing authority.

(C) A county office with department-delegated licensing authority may accept a clearance or exemption from any other county office with department-delegated licensing authority.

(4) With respect to notifications issued by the Department of Justice pursuant to Section 11105.2 of the Penal Code concerning an individual whose criminal record clearance was originally processed by the department or a county office with department-delegated licensing authority, all of the following shall apply:

(A) The Department of Justice shall process a request from the department or a county office with department-delegated licensing authority to receive the notice only if all of the following conditions are met:

(i) The request shall be submitted to the Department of Justice by the agency to be substituted to receive the notification.

(ii) The request shall be for the same applicant type as the type for which the original clearance was obtained.

(iii) The request shall contain all prescribed data elements and format protocols pursuant to a written agreement between the department and the Department of Justice.

(B) (i) On or before January 7, 2005, the department shall notify the Department of Justice of all county offices that have department-delegated licensing authority.

(ii) The department shall notify the Department of Justice within 15 calendar days of the date on which a new county office receives department-delegated licensing authority or a county's delegated licensing authority is rescinded.

(C) The Department of Justice shall charge the department or a county office with department-delegated licensing authority a fee for each time a request to substitute the recipient agency is received for purposes of this paragraph. This fee shall not exceed the cost of providing the service.

(i) The full criminal record obtained for purposes of this section may be used by the department or by a licensed adoption agency as a clearance required for adoption purposes.

(j) If a licensee or facility is required by law to deny employment or to terminate employment of any employee based on written notification from

the state department that the employee has a prior criminal conviction or is determined unsuitable for employment under Section 1558, the licensee or facility shall not incur civil liability or unemployment insurance liability as a result of that denial or termination.

(k) The State Department of Social Services may charge a fee for the costs of processing electronic fingerprint images and related information.

(l) Amendments to this section made in the 1999 portion of the 1999–2000 Regular Session shall be implemented commencing 60 days after the effective date of the act amending this section in the 1999 portion of the 1999–2000 Regular Session, except that those provisions for the submission of fingerprints for searching the records of the Federal Bureau of Investigation shall be implemented 90 days after the effective date of that act.

SEC. 13.2. Section 1522 of the Health and Safety Code is amended to read:

1522. The Legislature recognizes the need to generate timely and accurate positive fingerprint identification of applicants as a condition of issuing licenses, permits, or certificates of approval for persons to operate or provide direct care services in a community care facility, foster family home, or a certified family home of a licensed foster family agency. Therefore, the Legislature supports the use of the fingerprint live-scan technology, as identified in the long-range plan of the Department of Justice for fully automating the processing of fingerprints and other data by the year 1999, otherwise known as the California Crime Information Intelligence System (CAL-CII), to be used for applicant fingerprints. It is the intent of the Legislature in enacting this section to require the fingerprints of those individuals whose contact with community care clients may pose a risk to the clients' health and safety. An individual shall be required to obtain either a criminal record clearance or a criminal record exemption from the State Department of Social Services before his or her initial presence in a community care facility.

(a) (1) Before issuing a license or special permit to any person or persons to operate or manage a community care facility, the State Department of Social Services shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any other person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, of the Penal Code, subdivision (b) of Section 273a of the Penal Code, or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons, and subsequent arrest information pursuant to Section 11105.2 of the Penal Code.

(3) Except during the 2003–04, 2004–05, 2005–06, 2006–07, and 2007–08 fiscal years, neither the Department of Justice nor the State

Department of Social Services may charge a fee for the fingerprinting of an applicant for a license or special permit to operate a facility providing nonmedical board, room, and care for six or less children or for obtaining a criminal record of the applicant pursuant to this section.

(4) The following shall apply to the criminal record information:

(A) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(B) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services may cease processing the application until the conclusion of the trial.

(C) If no criminal record information has been recorded, the Department of Justice shall provide the applicant and the State Department of Social Services with a statement of that fact.

(D) If the State Department of Social Services finds after licensure that the licensee, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license may be revoked, unless the director grants an exemption pursuant to subdivision (g).

(E) An applicant and any other person specified in subdivision (b) shall submit fingerprint images and related information to the Department of Justice for the purpose of searching the criminal records of the Federal Bureau of Investigation, in addition to the criminal records search required by this subdivision. If an applicant and all other persons described in subdivision (b) meet all of the conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal offender record information search response for the applicant or any of the persons described in subdivision (b), the department may issue a license if the applicant and each person described in subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction, as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, the department determines that the licensee or any other person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1550. The department may also suspend the license pending an administrative hearing pursuant to Section 1550.5.

(F) The State Department of Social Services shall develop procedures to provide the individual's state and federal criminal history information with the written notification of his or her exemption denial or revocation based on the criminal record. Receipt of the criminal history information shall be optional on the part of the individual, as set forth in the agency's procedures. The procedure shall protect the confidentiality and privacy of the individual's record, and the criminal history information shall not be made available to the employer.

(G) Notwithstanding any other provision of law, the department is authorized to provide an individual with a copy of his or her state or federal level criminal offender record information search response as provided to that department by the Department of Justice if the department has denied a criminal background clearance based on this information and the individual makes a written request to the department for a copy specifying an address to which it is to be sent. The state or federal level criminal offender record information search response shall not be modified or altered from its form or content as provided by the Department of Justice and shall be provided to the address specified by the individual in their written request. The department shall retain a copy of the individual's written request and the response and date provided.

(b) (1) In addition to the applicant, this section shall be applicable to criminal convictions of the following persons:

(A) Adults responsible for administration or direct supervision of staff.

(B) Any person, other than a client, residing in the facility.

(C) Any person who provides client assistance in dressing, grooming, bathing, or personal hygiene. Any nurse assistant or home health aide meeting the requirements of Section 1338.5 or 1736.6, respectively, who is not employed, retained, or contracted by the licensee, and who has been certified or recertified on or after July 1, 1998, shall be deemed to meet the criminal record clearance requirements of this section. A certified nurse assistant and certified home health aide who will be providing client assistance and who falls under this exemption shall provide one copy of his or her current certification, prior to providing care, to the community care facility. The facility shall maintain the copy of the certification on file as long as care is being provided by the certified nurse assistant or certified home health aide at the facility. Nothing in this paragraph restricts the right of the department to exclude a certified nurse assistant or certified home health aide from a licensed community care facility pursuant to Section 1558.

(D) Any staff person, volunteer, or employee who has contact with the clients.

(E) If the applicant is a firm, partnership, association, or corporation, the chief executive officer or other person serving in like capacity.

(F) Additional officers of the governing body of the applicant, or other persons with a financial interest in the applicant, as determined necessary by the department by regulation. The criteria used in the development of these regulations shall be based on the person's capability to exercise substantial influence over the operation of the facility.

(2) The following persons are exempt from the requirements applicable under paragraph (1):

(A) A medical professional as defined in department regulations who holds a valid license or certification from the person's governing California medical care regulatory entity and who is not employed, retained, or contracted by the licensee if all of the following apply:

(i) The criminal record of the person has been cleared as a condition of licensure or certification by the person's governing California medical care regulatory entity.

(ii) The person is providing time-limited specialized clinical care or services.

(iii) The person is providing care or services within the person's scope of practice.

(iv) The person is not a community care facility licensee or an employee of the facility.

(B) A third-party repair person or similar retained contractor if all of the following apply:

(i) The person is hired for a defined, time-limited job.

(ii) The person is not left alone with clients.

(iii) When clients are present in the room in which the repairperson or contractor is working, a staff person who has a criminal record clearance or exemption is also present.

(C) Employees of a licensed home health agency and other members of licensed hospice interdisciplinary teams who have a contract with a client or resident of the facility and are in the facility at the request of that client or resident's legal decisionmaker. The exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(D) Clergy and other spiritual caregivers who are performing services in common areas of the community care facility or who are advising an individual client at the request of, or with the permission of, the client or legal decisionmaker, are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care licensee or employee of the facility.

(E) Members of fraternal, service, or similar organizations who conduct group activities for clients if all of the following apply:

(i) Members are not left alone with clients.

(ii) Members do not transport clients off the facility premises.

(iii) The same organization does not conduct group activities for clients more often than defined by the department's regulations.

(3) In addition to the exemptions in paragraph (2), the following persons in foster family homes, certified family homes, and small family homes are exempt from the requirements applicable under paragraph (1):

(A) Adult friends and family of the licensed or certified foster parent, who come into the home to visit for a length of time no longer than defined by the department in regulations, provided that the adult friends and family of the licensee are not left alone with the foster children. However, the licensee, acting as a reasonable and prudent parent, as defined in paragraph (2) of subdivision (a) of Section 362.04 of the Welfare and Institutions Code, may allow his or her adult friends and family to provide short-term care to the foster child and act as an appropriate occasional short-term babysitter for the child.

(B) Parents of a foster child's friends when the foster child is visiting the friend's home and the friend, licensed or certified foster parent, or both are also present. However, the licensee, acting as a reasonable and prudent parent, may allow the parent of the foster child's friends to act as an appropriate short-term babysitter for the child without the friend being present.

(C) Individuals who are engaged by any licensed or certified foster parent to provide short-term care to the child for periods not to exceed 24 hours. Caregivers shall use a reasonable and prudent parent standard in selecting appropriate individuals to act as appropriate occasional short-term babysitters.

(4) In addition to the exemptions specified in paragraph (2), the following persons in adult day care and adult day support centers are exempt from the requirements applicable under paragraph (1):

(A) Unless contraindicated by the client's individualized program plan (IPP) or needs and service plan, a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to the client.

(B) A volunteer if all of the following applies:

(i) The volunteer is supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(ii) The volunteer is never left alone with clients.

(iii) The volunteer does not provide any client assistance with dressing, grooming, bathing, or personal hygiene other than washing of hands.

(5) (A) In addition to the exemptions specified in paragraph (2), the following persons in adult residential and social rehabilitation facilities, unless contraindicated by the client's individualized program plan (IPP) or needs and services plan, are exempt from the requirements applicable under paragraph (1): a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to that client.

(B) Nothing in this subdivision shall prevent a licensee from requiring a criminal record clearance of any individual exempt from the requirements of this section, provided that the individual has client contact.

(6) Any person similar to those described in this subdivision, as defined by the department in regulations.

(c) (1) Subsequent to initial licensure, any person specified in subdivision (b) and not exempted from fingerprinting shall, as a condition to employment, residence, or presence in a community care facility, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions. The licensee shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of

Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or to comply with paragraph (1) of subdivision (h), prior to the person's employment, residence, or initial presence in the community care facility. These fingerprint images and related information shall be sent by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice for the purpose of obtaining a permanent set of fingerprints, and shall be submitted to the Department of Justice by the licensee. A licensee's failure to submit fingerprints to the Department of Justice or to comply with paragraph (1) of subdivision (h), as required in this section, shall result in the citation of a deficiency and the immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548. The fingerprint images and related information shall then be submitted to the Department of Justice for processing. Upon request of the licensee, who shall enclose a self-addressed stamped postcard for this purpose, the Department of Justice shall verify receipt of the fingerprints.

(2) Within 14 calendar days of the receipt of the fingerprint images, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided for in subdivision (a). If no criminal record information has been recorded, the Department of Justice shall provide the licensee and the State Department of Social Services with a statement of that fact within 14 calendar days of receipt of the fingerprint images. Documentation of the individual's clearance or exemption shall be maintained by the licensee and be available for inspection. If new fingerprint images are required for processing, the Department of Justice shall, within 14 calendar days from the date of receipt of the fingerprints, notify the licensee that the fingerprints were illegible, the Department of Justice shall notify the State Department of Social Services, as required by Section 1522.04, and shall also notify the licensee by mail, within 14 days of electronic transmission of the fingerprints to the Department of Justice, if the person has no criminal history recorded. A violation of the regulations adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548.

(3) Except for persons specified in paragraph (2) of subdivision (b), the licensee shall endeavor to ascertain the previous employment history of

persons required to be fingerprinted under this subdivision. If it is determined by the State Department of Social Services, on the basis of the fingerprint images and related information submitted to the Department of Justice, that the person has been convicted of, or is awaiting trial for, a sex offense against a minor, or has been convicted for an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the State Department of Social Services shall notify the licensee to act immediately to terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility. The State Department of Social Services may subsequently grant an exemption pursuant to subdivision (g). If the conviction or arrest was for another crime, except a minor traffic violation, the licensee shall, upon notification by the State Department of Social Services, act immediately to either (A) terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility; or (B) seek an exemption pursuant to subdivision (g). The State Department of Social Services shall determine if the person shall be allowed to remain in the facility until a decision on the exemption is rendered. A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by this paragraph shall be grounds for disciplining the licensee pursuant to Section 1550.

(4) The department may issue an exemption on its own motion pursuant to subdivision (g) if the person's criminal history indicates that the person is of good character based on the age, seriousness, and frequency of the conviction or convictions. The department, in consultation with interested parties, shall develop regulations to establish the criteria to grant an exemption pursuant to this paragraph.

(5) Concurrently with notifying the licensee pursuant to paragraph (3), the department shall notify the affected individual of his or her right to seek an exemption pursuant to subdivision (g). The individual may seek an exemption only if the licensee terminates the person's employment or removes the person from the facility after receiving notice from the department pursuant to paragraph (3).

(d) (1) Before issuing a license, special permit, or certificate of approval to any person or persons to operate or manage a foster family home or certified family home as described in Section 1506, the State Department of Social Services or other approving authority shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons.

(3) Neither the Department of Justice nor the State Department of Social Services may charge a fee for the fingerprinting of an applicant for a license, special permit, or certificate of approval described in this subdivision. The record, if any, shall be taken into consideration when evaluating a prospective applicant.

(4) The following shall apply to the criminal record information:

(A) If the applicant or other persons specified in subdivision (b) have convictions that would make the applicant's home unfit as a foster family home or a certified family home, the license, special permit, or certificate of approval shall be denied.

(B) If the State Department of Social Services finds that the applicant, or any person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services or other approving authority may cease processing the application until the conclusion of the trial.

(C) For the purposes of this subdivision, a criminal record clearance provided under Section 8712 of the Family Code may be used by the department or other approving agency.

(D) To the extent required by federal law, an applicant for a foster family home license or for certification as a family home, and any other person specified in subdivision (b), shall submit a set of fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, in addition to the criminal records search required by subdivision (a).

(5) Any person specified in this subdivision shall, as a part of the application, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions or arrests for any crime against a child, spousal or cohabitant abuse or, any crime for which the department cannot grant an exemption if the person was convicted and shall submit these fingerprints to the licensing agency or other approving authority.

(6) (A) The foster family agency shall obtain fingerprint images and related information from certified home applicants and from persons specified in subdivision (b) and shall submit them directly to the Department of Justice by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice. A foster family home licensee or foster family agency shall submit these fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or to comply with paragraph (1) of subdivision (b) prior to the person's employment, residence, or initial presence in the foster family home or certified family home. A foster family agency's failure to submit fingerprint images and related information to the Department of Justice, or comply with paragraph (1) of subdivision (b), as required in this section, shall result in a citation of a deficiency, and the immediate civil penalties of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a

second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. A violation of the regulation adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the foster family agency pursuant to Section 1550. A licensee's failure to submit fingerprint images and related information to the Department of Justice, or comply with paragraph (1) of subdivision (h), as required in this section, may result in the citation of a deficiency and immediate civil penalties of one hundred dollars (\$100) per violation. A licensee's violation of regulations adopted pursuant to Section 1522.04 may result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation. The State Department of Social Services may assess penalties for continued violations, as permitted by Section 1548. The fingerprint images shall then be submitted to the Department of Justice for processing.

(B) Upon request of the licensee, who shall enclose a self-addressed envelope for this purpose, the Department of Justice shall verify receipt of the fingerprints. Within five working days of the receipt of the criminal record or information regarding criminal convictions from the Department of Justice, the department shall notify the applicant of any criminal arrests or convictions. If no arrests or convictions are recorded, the Department of Justice shall provide the foster family home licensee or the foster family agency with a statement of that fact concurrent with providing the information to the State Department of Social Services.

(7) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(8) If the State Department of Social Services finds after licensure or the granting of the certificate of approval that the licensee, certified foster parent, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license or certificate of approval may be revoked by the department or the foster family agency, whichever is applicable, unless the director grants an exemption pursuant to subdivision (g). A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by paragraph (3) of subdivision (c) shall be grounds for disciplining the licensee pursuant to Section 1550.

(e) The State Department of Social Services may not use a record of arrest to deny, revoke, or terminate any application, license, employment, or residence unless the department investigates the incident and secures

evidence, whether or not related to the incident of arrest, that is admissible in an administrative hearing to establish conduct by the person that may pose a risk to the health and safety of any person who is or may become a client. The State Department of Social Services is authorized to obtain any arrest or conviction records or reports from any law enforcement agency as necessary to the performance of its duties to inspect, license, and investigate community care facilities and individuals associated with a community care facility.

(f) (1) For purposes of this section or any other provision of this chapter, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the State Department of Social Services is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, when the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, notwithstanding a subsequent order pursuant to Sections 1203.4 and 1203.4a of the Penal Code permitting the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. For purposes of this section or any other provision of this chapter, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction. For purposes of this section or any other provision of this chapter, the arrest disposition report certified by the Department of Justice, or documents admissible in a criminal action pursuant to Section 969b of the Penal Code, shall be prima facie evidence of the conviction, notwithstanding any other provision of law prohibiting the admission of these documents in a civil or administrative action.

(2) For purposes of this section or any other provision of this chapter, the department shall consider criminal convictions from another state or federal court as if the criminal offense was committed in this state.

(g) (1) After review of the record, the director may grant an exemption from disqualification for a license or special permit as specified in paragraphs (1) and (4) of subdivision (a), or for a license, special permit, or certificate of approval as specified in paragraphs (4) and (5) of subdivision (d), or for employment, residence, or presence in a community care facility as specified in paragraphs (3), (4), and (5) of subdivision (c), if the director has substantial and convincing evidence to support a reasonable belief that the applicant and the person convicted of the crime, if other than the applicant, are of good character as to justify issuance of the license or special permit or granting an exemption for purposes of subdivision (c). Except as otherwise provided in this subdivision, an exemption may not be granted pursuant to this subdivision if the conviction was for any of the following offenses:

(A) (i) An offense specified in Section 220, 243.4, or 264.1, subdivision (a) of Section 273a or, prior to January 1, 1994, paragraph (1) of Section 273a, Section 273d, 288, or 289, subdivision (a) of Section 290, or Section

368 of the Penal Code, or was a conviction of another crime against an individual specified in subdivision (c) of Section 667.5 of the Penal Code.

(ii) Notwithstanding clause (i), the director may grant an exemption regarding the conviction for an offense described in paragraph (1), (2), (7), or (8) of subdivision (c) of Section 667.5 of the Penal Code, if the employee or prospective employee has been rehabilitated as provided in Section 4852.03 of the Penal Code, has maintained the conduct required in Section 4852.05 of the Penal Code for at least 10 years, and has the recommendation of the district attorney representing the employee's county of residence, or if the employee or prospective employee has received a certificate of rehabilitation pursuant to Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code.

(B) A felony offense specified in Section 729 of the Business and Professions Code or Section 206 or 215, subdivision (a) of Section 347, subdivision (b) of Section 417, or subdivision (a) of Section 451 of the Penal Code.

(2) The department may not prohibit a person from being employed or having contact with clients in a facility on the basis of a denied criminal record exemption request or arrest information unless the department complies with the requirements of Section 1558.

(h) (1) For purposes of compliance with this section, the department may permit an individual to transfer a current criminal record clearance, as defined in subdivision (a), from one facility to another, as long as the criminal record clearance has been processed through a state licensing district office, and is being transferred to another facility licensed by a state licensing district office. The request shall be in writing to the State Department of Social Services, and shall include a copy of the person's driver's license or valid identification card issued by the Department of Motor Vehicles, or a valid photo identification issued by another state or the United States government if the person is not a California resident. Upon request of the licensee, who shall enclose a self-addressed envelope for this purpose, the State Department of Social Services shall verify whether the individual has a clearance that can be transferred.

(2) The State Department of Social Services shall hold criminal record clearances in its active files for a minimum of two years after an employee is no longer employed at a licensed facility in order for the criminal record clearance to be transferred.

(3) The following shall apply to a criminal record clearance or exemption from the department or a county office with department-delegated licensing authority:

(A) A county office with department-delegated licensing authority may accept a clearance or exemption from the department.

(B) The department may accept a clearance or exemption from any county office with department-delegated licensing authority.

(C) A county office with department-delegated licensing authority may accept a clearance or exemption from any other county office with department-delegated licensing authority.

(4) With respect to notifications issued by the Department of Justice pursuant to Section 11105.2 of the Penal Code concerning an individual whose criminal record clearance was originally processed by the department or a county office with department-delegated licensing authority, all of the following shall apply:

(A) The Department of Justice shall process a request from the department or a county office with department-delegated licensing authority to receive the notice only if all of the following conditions are met:

(i) The request shall be submitted to the Department of Justice by the agency to be substituted to receive the notification.

(ii) The request shall be for the same applicant type as the type for which the original clearance was obtained.

(iii) The request shall contain all prescribed data elements and format protocols pursuant to a written agreement between the department and the Department of Justice.

(B) (i) On or before January 7, 2005, the department shall notify the Department of Justice of all county offices that have department-delegated licensing authority.

(ii) The department shall notify the Department of Justice within 15 calendar days of the date on which a new county office receives department-delegated licensing authority or a county's delegated licensing authority is rescinded.

(C) The Department of Justice shall charge the department, a county office with department-delegated licensing authority, or a county child welfare agency with criminal record clearance and exemption authority, a fee for each time a request to substitute the recipient agency is received for purposes of this paragraph. This fee shall not exceed the cost of providing the service.

(5) (A) A county child welfare agency with authority to secure clearances pursuant to Section 16504.5 of the Welfare and Institutions Code and to grant exemptions pursuant to Section 361.4 of the Welfare and Institutions Code may accept a clearance or exemption from another county with criminal record and exemption authority pursuant to these sections.

(B) With respect to notifications issued by the Department of Justice pursuant to Section 11105.2 of the Penal Code concerning an individual whose criminal record clearance was originally processed by a county child welfare agency with criminal record clearance and exemption authority, the Department of Justice shall process a request from a county child welfare agency with criminal record and exemption authority to receive the notice only if all of the following conditions are met:

(i) The request shall be submitted to the Department of Justice by the agency to be substituted to receive the notification.

(ii) The request shall be for the same applicant type as the type for which the original clearance was obtained.

(iii) The request shall contain all prescribed data elements and format protocols pursuant to a written agreement between the State Department of Social Services and the Department of Justice.

(i) The full criminal record obtained for purposes of this section may be used by the department or by a licensed adoption agency as a clearance required for adoption purposes.

(j) If a licensee or facility is required by law to deny employment or to terminate employment of any employee based on written notification from the state department that the employee has a prior criminal conviction or is determined unsuitable for employment under Section 1558, the licensee or facility shall not incur civil liability or unemployment insurance liability as a result of that denial or termination.

(k) The State Department of Social Services may charge a fee for the costs of processing electronic fingerprint images and related information.

(l) Amendments to this section made in the 1999 portion of the 1999–2000 Regular Session shall be implemented commencing 60 days after the effective date of the act amending this section in the 1999 portion of the 1999–2000 Regular Session, except that those provisions for the submission of fingerprints for searching the records of the Federal Bureau of Investigation shall be implemented 90 days after the effective date of that act.

SEC. 13.3. Section 1522 of the Health and Safety Code is amended to read:

1522. The Legislature recognizes the need to generate timely and accurate positive fingerprint identification of applicants as a condition of issuing licenses, permits, or certificates of approval for persons to operate or provide direct care services in a community care facility, foster family home, or a certified family home of a licensed foster family agency. Therefore, the Legislature supports the use of the fingerprint live-scan technology, as identified in the long-range plan of the Department of Justice for fully automating the processing of fingerprints and other data by the year 1999, otherwise known as the California Crime Information Intelligence System (CAL-CII), to be used for applicant fingerprints. It is the intent of the Legislature in enacting this section to require the fingerprints of those individuals whose contact with community care clients may pose a risk to the clients' health and safety. An individual shall be required to obtain either a criminal record clearance or a criminal record exemption from the State Department of Social Services before his or her initial presence in a community care facility.

(a) (1) Before issuing a license or special permit to any person or persons to operate or manage a community care facility, the State Department of Social Services shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any other person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, of the Penal Code, subdivision (b) of Section 273a of the Penal Code, or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons, and subsequent arrest information pursuant to Section 11105.2 of the Penal Code.

(3) Except during the 2003–04, 2004–05, 2005–06, 2006–07, and 2007–08 fiscal years, neither the Department of Justice nor the State Department of Social Services may charge a fee for the fingerprinting of an applicant for a license or special permit to operate a facility providing nonmedical board, room, and care for six or less children or for obtaining a criminal record of the applicant pursuant to this section.

(4) The following shall apply to the criminal record information:

(A) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(B) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services may cease processing the application until the conclusion of the trial.

(C) If no criminal record information has been recorded, the Department of Justice shall provide the applicant and the State Department of Social Services with a statement of that fact.

(D) If the State Department of Social Services finds after licensure that the licensee, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license may be revoked, unless the director grants an exemption pursuant to subdivision (g).

(E) An applicant and any other person specified in subdivision (b) shall submit fingerprint images and related information to the Department of Justice for the purpose of searching the criminal records of the Federal Bureau of Investigation, in addition to the criminal records search required by this subdivision. If an applicant and all other persons described in subdivision (b) meet all of the conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal offender record information search response for the applicant or any of the persons described in subdivision (b), the department may issue a license if the applicant and each person described in subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction, as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, the department determines that the licensee or any other person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1550. The department may also suspend the license pending an administrative hearing pursuant to Section 1550.5.

(F) The State Department of Social Services shall develop procedures to provide the individual's state and federal criminal history information with the written notification of his or her exemption denial or revocation based on the criminal record. Receipt of the criminal history information

shall be optional on the part of the individual, as set forth in the agency's procedures. The procedure shall protect the confidentiality and privacy of the individual's record, and the criminal history information shall not be made available to the employer.

(G) Notwithstanding any other provision of law, the department is authorized to provide an individual with a copy of his or her state or federal level criminal offender record information search response as provided to that department by the Department of Justice if the department has denied a criminal background clearance based on this information and the individual makes a written request to the department for a copy specifying an address to which it is to be sent. The state or federal level criminal offender record information search response shall not be modified or altered from its form or content as provided by the Department of Justice and shall be provided to the address specified by the individual in their written request. The department shall retain a copy of the individual's written request and the response and date provided.

(b) (1) In addition to the applicant, this section shall be applicable to criminal convictions of the following persons:

(A) Adults responsible for administration or direct supervision of staff.

(B) Any person, other than a client, residing in the facility.

(C) Any person who provides client assistance in dressing, grooming, bathing, or personal hygiene. Any nurse assistant or home health aide meeting the requirements of Section 1338.5 or 1736.6, respectively, who is not employed, retained, or contracted by the licensee, and who has been certified or recertified on or after July 1, 1998, shall be deemed to meet the criminal record clearance requirements of this section. A certified nurse assistant and certified home health aide who will be providing client assistance and who falls under this exemption shall provide one copy of his or her current certification, prior to providing care, to the community care facility. The facility shall maintain the copy of the certification on file as long as care is being provided by the certified nurse assistant or certified home health aide at the facility. Nothing in this paragraph restricts the right of the department to exclude a certified nurse assistant or certified home health aide from a licensed community care facility pursuant to Section 1558.

(D) Any staff person, volunteer, or employee who has contact with the clients.

(E) If the applicant is a firm, partnership, association, or corporation, the chief executive officer or other person serving in like capacity.

(F) Additional officers of the governing body of the applicant, or other persons with a financial interest in the applicant, as determined necessary by the department by regulation. The criteria used in the development of these regulations shall be based on the person's capability to exercise substantial influence over the operation of the facility.

(2) The following persons are exempt from the requirements applicable under paragraph (1):

(A) A medical professional as defined in department regulations who holds a valid license or certification from the person's governing California medical care regulatory entity and who is not employed, retained, or contracted by the licensee if all of the following apply:

(i) The criminal record of the person has been cleared as a condition of licensure or certification by the person's governing California medical care regulatory entity.

(ii) The person is providing time-limited specialized clinical care or services.

(iii) The person is providing care or services within the person's scope of practice.

(iv) The person is not a community care facility licensee or an employee of the facility.

(B) A third-party repair person or similar retained contractor if all of the following apply:

(i) The person is hired for a defined, time-limited job.

(ii) The person is not left alone with clients.

(iii) When clients are present in the room in which the repairperson or contractor is working, a staff person who has a criminal record clearance or exemption is also present.

(C) Employees of a licensed home health agency and other members of licensed hospice interdisciplinary teams who have a contract with a client or resident of the facility and are in the facility at the request of that client or resident's legal decisionmaker. The exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(D) Clergy and other spiritual caregivers who are performing services in common areas of the community care facility or who are advising an individual client at the request of, or with the permission of, the client or legal decisionmaker, are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care licensee or employee of the facility.

(E) Members of fraternal, service, or similar organizations who conduct group activities for clients if all of the following apply:

(i) Members are not left alone with clients.

(ii) Members do not transport clients off the facility premises.

(iii) The same organization does not conduct group activities for clients more often than defined by the department's regulations.

(3) In addition to the exemptions in paragraph (2), the following persons in foster family homes, certified family homes, and small family homes are exempt from the requirements applicable under paragraph (1):

(A) Adult friends and family of the licensed or certified foster parent, who come into the home to visit for a length of time no longer than defined by the department in regulations, provided that the adult friends and family of the licensee are not left alone with the foster children. However, the licensee, acting as a reasonable and prudent parent, as defined in paragraph (2) of subdivision (a) of Section 362.04 of the Welfare and Institutions Code,

may allow his or her adult friends and family to provide short-term care to the foster child and act as an appropriate occasional short-term babysitter for the child.

(B) Parents of a foster child's friends when the foster child is visiting the friend's home and the friend, licensed or certified foster parent, or both are also present. However, the licensee, acting as a reasonable and prudent parent, may allow the parent of the foster child's friends to act as an appropriate short-term babysitter for the child without the friend being present.

(C) Individuals who are engaged by any licensed or certified foster parent to provide short-term care to the child for periods not to exceed 24 hours. Caregivers shall use a reasonable and prudent parent standard in selecting appropriate individuals to act as appropriate occasional short-term babysitters.

(4) In addition to the exemptions specified in paragraph (2), the following persons in adult day care and adult day support centers are exempt from the requirements applicable under paragraph (1):

(A) Unless contraindicated by the client's individualized program plan (IPP) or needs and service plan, a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to the client.

(B) A volunteer if all of the following applies:

(i) The volunteer is supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(ii) The volunteer is never left alone with clients.

(iii) The volunteer does not provide any client assistance with dressing, grooming, bathing, or personal hygiene other than washing of hands.

(5) (A) In addition to the exemptions specified in paragraph (2), the following persons in adult residential and social rehabilitation facilities, unless contraindicated by the client's individualized program plan (IPP) or needs and services plan, are exempt from the requirements applicable under paragraph (1): a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to that client.

(B) Nothing in this subdivision shall prevent a licensee from requiring a criminal record clearance of any individual exempt from the requirements of this section, provided that the individual has client contact.

(6) Any person similar to those described in this subdivision, as defined by the department in regulations.

(c) (1) Subsequent to initial licensure, any person specified in subdivision (b) and not exempted from fingerprinting shall, as a condition to employment, residence, or presence in a community care facility, be

fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions. The licensee shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or to comply with paragraph (1) of subdivision (h), prior to the person's employment, residence, or initial presence in the community care facility. These fingerprint images and related information shall be sent by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice for the purpose of obtaining a permanent set of fingerprints, and shall be submitted to the Department of Justice by the licensee. A licensee's failure to submit fingerprints to the Department of Justice or to comply with paragraph (1) of subdivision (h), as required in this section, shall result in the citation of a deficiency and the immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548. The fingerprint images and related information shall then be submitted to the Department of Justice for processing. Upon request of the licensee, who shall enclose a self-addressed stamped postcard for this purpose, the Department of Justice shall verify receipt of the fingerprints.

(2) Within 14 calendar days of the receipt of the fingerprint images, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided for in subdivision (a). If no criminal record information has been recorded, the Department of Justice shall provide the licensee and the State Department of Social Services with a statement of that fact within 14 calendar days of receipt of the fingerprint images. Documentation of the individual's clearance or exemption shall be maintained by the licensee and be available for inspection. If new fingerprint images are required for processing, the Department of Justice shall, within 14 calendar days from the date of receipt of the fingerprints, notify the licensee that the fingerprints were illegible, the Department of Justice shall notify the State Department of Social Services, as required by Section 1522.04, and shall also notify the licensee by mail, within 14 days of electronic transmission of the fingerprints to the Department of Justice, if the person has no criminal history recorded. A violation of the regulations adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for

disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548.

(3) Except for persons specified in paragraph (2) of subdivision (b), the licensee shall endeavor to ascertain the previous employment history of persons required to be fingerprinted under this subdivision. If it is determined by the State Department of Social Services, on the basis of the fingerprint images and related information submitted to the Department of Justice, that the person has been convicted of, or is awaiting trial for, a sex offense against a minor, or has been convicted for an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the State Department of Social Services shall notify the licensee to act immediately to terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility. The State Department of Social Services may subsequently grant an exemption pursuant to subdivision (g). If the conviction or arrest was for another crime, except a minor traffic violation, the licensee shall, upon notification by the State Department of Social Services, act immediately to either (A) terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility; or (B) seek an exemption pursuant to subdivision (g). The State Department of Social Services shall determine if the person shall be allowed to remain in the facility until a decision on the exemption is rendered. A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by this paragraph shall be grounds for disciplining the licensee pursuant to Section 1550.

(4) The department may issue an exemption on its own motion pursuant to subdivision (g) if the person's criminal history indicates that the person is of good character based on the age, seriousness, and frequency of the conviction or convictions. The department, in consultation with interested parties, shall develop regulations to establish the criteria to grant an exemption pursuant to this paragraph.

(5) Concurrently with notifying the licensee pursuant to paragraph (3), the department shall notify the affected individual of his or her right to seek an exemption pursuant to subdivision (g). The individual may seek an exemption only if the licensee terminates the person's employment or removes the person from the facility after receiving notice from the department pursuant to paragraph (3).

(d) (1) Before issuing a license, special permit, or certificate of approval to any person or persons to operate or manage a foster family home or certified family home as described in Section 1506, the State Department of Social Services or other approving authority shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in subdivision (c) of Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for

any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons.

(3) Neither the Department of Justice nor the State Department of Social Services may charge a fee for the fingerprinting of an applicant for a license, special permit, or certificate of approval described in this subdivision. The record, if any, shall be taken into consideration when evaluating a prospective applicant.

(4) The following shall apply to the criminal record information:

(A) If the applicant or other persons specified in subdivision (b) have convictions that would make the applicant's home unfit as a foster family home or a certified family home, the license, special permit, or certificate of approval shall be denied.

(B) If the State Department of Social Services finds that the applicant, or any person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services or other approving authority may cease processing the application until the conclusion of the trial.

(C) For the purposes of this subdivision, a criminal record clearance provided under Section 8712 of the Family Code may be used by the department or other approving agency.

(D) To the extent required by federal law, an applicant for a foster family home license or for certification as a family home, and any other person specified in subdivision (b), shall submit a set of fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, in addition to the criminal records search required by subdivision (a).

(5) Any person specified in this subdivision shall, as a part of the application, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions or arrests for any crime against a child, spousal or cohabitant abuse or, any crime for which the department cannot grant an exemption if the person was convicted and shall submit these fingerprints to the licensing agency or other approving authority.

(6) (A) The foster family agency shall obtain fingerprint images and related information from certified home applicants and from persons specified in subdivision (b) and shall submit them directly to the Department of Justice by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice. A foster family home licensee or foster family agency shall submit these fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or to comply with paragraph (1) of subdivision (b) prior to the person's employment, residence, or initial presence in the foster family home or certified family home. A foster family agency's failure to submit fingerprint images and related

information to the Department of Justice, or comply with paragraph (1) of subdivision (h), as required in this section, shall result in a citation of a deficiency, and the immediate civil penalties of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. A violation of the regulation adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the foster family agency pursuant to Section 1550. A licensee's failure to submit fingerprint images and related information to the Department of Justice, or comply with paragraph (1) of subdivision (h), as required in this section, may result in the citation of a deficiency and immediate civil penalties of one hundred dollars (\$100) per violation. A licensee's violation of regulations adopted pursuant to Section 1522.04 may result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation. The State Department of Social Services may assess penalties for continued violations, as permitted by Section 1548. The fingerprint images shall then be submitted to the Department of Justice for processing.

(B) Upon request of the licensee, who shall enclose a self-addressed envelope for this purpose, the Department of Justice shall verify receipt of the fingerprints. Within five working days of the receipt of the criminal record or information regarding criminal convictions from the Department of Justice, the department shall notify the applicant of any criminal arrests or convictions. If no arrests or convictions are recorded, the Department of Justice shall provide the foster family home licensee or the foster family agency with a statement of that fact concurrent with providing the information to the State Department of Social Services.

(7) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(8) If the State Department of Social Services finds after licensure or the granting of the certificate of approval that the licensee, certified foster parent, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license or certificate of approval may be revoked by the department or the foster family agency, whichever is applicable, unless the director grants an exemption pursuant to subdivision (g). A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence

in the facility as required by paragraph (3) of subdivision (c) shall be grounds for disciplining the licensee pursuant to Section 1550.

(e) The State Department of Social Services may not use a record of arrest to deny, revoke, or terminate any application, license, employment, or residence unless the department investigates the incident and secures evidence, whether or not related to the incident of arrest, that is admissible in an administrative hearing to establish conduct by the person that may pose a risk to the health and safety of any person who is or may become a client. The State Department of Social Services is authorized to obtain any arrest or conviction records or reports from any law enforcement agency as necessary to the performance of its duties to inspect, license, and investigate community care facilities and individuals associated with a community care facility.

(f) (1) For purposes of this section or any other provision of this chapter, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the State Department of Social Services is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, when the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, notwithstanding a subsequent order pursuant to Sections 1203.4 and 1203.4a of the Penal Code permitting the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. For purposes of this section or any other provision of this chapter, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction. For purposes of this section or any other provision of this chapter, the arrest disposition report certified by the Department of Justice, or documents admissible in a criminal action pursuant to Section 969b of the Penal Code, shall be prima facie evidence of the conviction, notwithstanding any other provision of law prohibiting the admission of these documents in a civil or administrative action.

(2) For purposes of this section or any other provision of this chapter, the department shall consider criminal convictions from another state or federal court as if the criminal offense was committed in this state.

(g) (1) After review of the record, the director may grant an exemption from disqualification for a license or special permit as specified in paragraphs (1) and (4) of subdivision (a), or for a license, special permit, or certificate of approval as specified in paragraphs (4) and (5) of subdivision (d), or for employment, residence, or presence in a community care facility as specified in paragraphs (3), (4), and (5) of subdivision (c), if the director has substantial and convincing evidence to support a reasonable belief that the applicant and the person convicted of the crime, if other than the applicant, are of good character as to justify issuance of the license or special permit or granting an exemption for purposes of subdivision (c). Except as otherwise

provided in this subdivision, an exemption may not be granted pursuant to this subdivision if the conviction was for any of the following offenses:

(A) (i) An offense specified in Section 220, 243.4, or 264.1, subdivision (a) of Section 273a or, prior to January 1, 1994, paragraph (1) of Section 273a, Section 273d, 288, or 289, subdivision (c) of Section 290, or Section 368 of the Penal Code, or was a conviction of another crime against an individual specified in subdivision (c) of Section 667.5 of the Penal Code.

(ii) Notwithstanding clause (i), the director may grant an exemption regarding the conviction for an offense described in paragraph (1), (2), (7), or (8) of subdivision (c) of Section 667.5 of the Penal Code, if the employee or prospective employee has been rehabilitated as provided in Section 4852.03 of the Penal Code, has maintained the conduct required in Section 4852.05 of the Penal Code for at least 10 years, and has the recommendation of the district attorney representing the employee's county of residence, or if the employee or prospective employee has received a certificate of rehabilitation pursuant to Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code.

(B) A felony offense specified in Section 729 of the Business and Professions Code or Section 206 or 215, subdivision (a) of Section 347, subdivision (b) of Section 417, or subdivision (a) of Section 451 of the Penal Code.

(2) The department may not prohibit a person from being employed or having contact with clients in a facility on the basis of a denied criminal record exemption request or arrest information unless the department complies with the requirements of Section 1558.

(h) (1) For purposes of compliance with this section, the department may permit an individual to transfer a current criminal record clearance, as defined in subdivision (a), from one facility to another, as long as the criminal record clearance has been processed through a state licensing district office, and is being transferred to another facility licensed by a state licensing district office. The request shall be in writing to the State Department of Social Services, and shall include a copy of the person's driver's license or valid identification card issued by the Department of Motor Vehicles, or a valid photo identification issued by another state or the United States government if the person is not a California resident. Upon request of the licensee, who shall enclose a self-addressed envelope for this purpose, the State Department of Social Services shall verify whether the individual has a clearance that can be transferred.

(2) The State Department of Social Services shall hold criminal record clearances in its active files for a minimum of two years after an employee is no longer employed at a licensed facility in order for the criminal record clearance to be transferred.

(3) The following shall apply to a criminal record clearance or exemption from the department or a county office with department-delegated licensing authority:

(A) A county office with department-delegated licensing authority may accept a clearance or exemption from the department.

(B) The department may accept a clearance or exemption from any county office with department-delegated licensing authority.

(C) A county office with department-delegated licensing authority may accept a clearance or exemption from any other county office with department-delegated licensing authority.

(4) With respect to notifications issued by the Department of Justice pursuant to Section 11105.2 of the Penal Code concerning an individual whose criminal record clearance was originally processed by the department or a county office with department-delegated licensing authority, all of the following shall apply:

(A) The Department of Justice shall process a request from the department or a county office with department-delegated licensing authority to receive the notice only if all of the following conditions are met:

(i) The request shall be submitted to the Department of Justice by the agency to be substituted to receive the notification.

(ii) The request shall be for the same applicant type as the type for which the original clearance was obtained.

(iii) The request shall contain all prescribed data elements and format protocols pursuant to a written agreement between the department and the Department of Justice.

(B) (i) On or before January 7, 2005, the department shall notify the Department of Justice of all county offices that have department-delegated licensing authority.

(ii) The department shall notify the Department of Justice within 15 calendar days of the date on which a new county office receives department-delegated licensing authority or a county's delegated licensing authority is rescinded.

(C) The Department of Justice shall charge the department, a county office with department-delegated licensing authority, or a county child welfare agency with criminal record clearance and exemption authority, a fee for each time a request to substitute the recipient agency is received for purposes of this paragraph. This fee shall not exceed the cost of providing the service.

(5) (A) A county child welfare agency with authority to secure clearances pursuant to Section 16504.5 of the Welfare and Institutions Code and to grant exemptions pursuant to Section 361.4 of the Welfare and Institutions Code may accept a clearance or exemption from another county with criminal record and exemption authority pursuant to these sections.

(B) With respect to notifications issued by the Department of Justice pursuant to Section 11105.2 of the Penal Code concerning an individual whose criminal record clearance was originally processed by a county child welfare agency with criminal record clearance and exemption authority, the Department of Justice shall process a request from a county child welfare agency with criminal record and exemption authority to receive the notice only if all of the following conditions are met:

(i) The request shall be submitted to the Department of Justice by the agency to be substituted to receive the notification.

(ii) The request shall be for the same applicant type as the type for which the original clearance was obtained.

(iii) The request shall contain all prescribed data elements and format protocols pursuant to a written agreement between the State Department of Social Services and the Department of Justice.

(i) The full criminal record obtained for purposes of this section may be used by the department or by a licensed adoption agency as a clearance required for adoption purposes.

(j) If a licensee or facility is required by law to deny employment or to terminate employment of any employee based on written notification from the state department that the employee has a prior criminal conviction or is determined unsuitable for employment under Section 1558, the licensee or facility shall not incur civil liability or unemployment insurance liability as a result of that denial or termination.

(k) The State Department of Social Services may charge a fee for the costs of processing electronic fingerprint images and related information.

(l) Amendments to this section made in the 1999 portion of the 1999–2000 Regular Session shall be implemented commencing 60 days after the effective date of the act amending this section in the 1999 portion of the 1999–2000 Regular Session, except that those provisions for the submission of fingerprints for searching the records of the Federal Bureau of Investigation shall be implemented 90 days after the effective date of that act.

SEC. 14. Section 1522.05 of the Health and Safety Code is amended to read:

1522.05. (a) A foster family agency shall not place a child in a certified family home until the foster family agency has received both a criminal record clearance and a child abuse and neglect registry clearance, as specified in Section 1522.1, from the department, except as provided in subdivisions (b) and (c).

(b) Any peace officer, or other category of person approved by the department subject to criminal record clearance as a condition of employment, and who has submitted fingerprints and executed a declaration regarding criminal convictions, may receive a child in placement pending the receipt of a criminal record clearance when the certified family home has met all other licensing requirements.

(c) Any person currently licensed pursuant to this chapter by the department or a county, when the certified family home has met all other licensing requirements, and who has submitted fingerprints and executed a declaration regarding criminal convictions, may receive, or continue, a child in placement pending the receipt of a criminal record clearance.

SEC. 15. Section 1522.1 of the Health and Safety Code is amended to read:

1522.1. (A) If the court determines that there has been due diligence in attempting to locate and serve the parent and the probation officer or social worker recommends adoption, service shall be to that parent's attorney of record, if any, by certified mail, return receipt requested. If the parent does not have an attorney of record, the court shall order that service be made by publication of citation requiring the parent to appear at the date, time, and place stated in the citation, and that the citation be published in a newspaper designated as most likely to give notice to the parent. (B) If the court determines that there has been due diligence in attempting to locate and serve the parent and the probation officer or social worker recommends legal guardianship or long-term foster care, no further notice is required to the parent, but the court shall order that notice be given to the grandparents of the child, if their identities and addresses are known, by first-class mail.

(C) In any case where the residence of the parent becomes known, notice shall immediately be served upon the parent as provided for in either paragraph (2), (3), (4), (5), or (6).

(g) (1) If the identity of one or both of the parents, or alleged parents, of the child is unknown, or if the name of one or both parents is uncertain, then that fact shall be set forth in the affidavit filed with the court at least 75 days before the hearing date and the court, consistent with the provisions

of Sections 7665 and 7666 of the Family Code, shall issue an order dispensing with notice to a natural parent or possible natural parent under this section if, after inquiry and a determination that there has been due diligence in attempting to identify the unknown parent, the court is unable to identify the natural parent or possible natural parent and no person has appeared claiming to be the natural parent.

(2) After a determination that there has been due diligence in attempting to identify an unknown parent pursuant to paragraph (1) and the probation officer or social worker recommends adoption, the court shall consider whether publication notice would be likely to lead to actual notice to the unknown parent. The court may order publication notice if, on the basis of all information before the court, the court determines that notice by publication is likely to lead to actual notice to the parent. If publication notice to an unknown parent is ordered, the court shall order the published citation to be directed to either the father or mother, or both, of the child, and to all persons claiming to be the father or mother of the child, naming and otherwise describing the child. An order of publication pursuant to this paragraph shall be based on an affidavit describing efforts made to identify the unknown parent or parents. Service made by publication pursuant to this paragraph shall require the unknown parent or parents to appear at the date, time, and place stated in the citation. Publication shall be made once a week for four consecutive weeks.

(3) If the court determines that there has been due diligence in attempting to identify one or both of the parents, or alleged parents, of the child and the probation officer or social worker recommends legal guardianship or long-term foster care, no further notice to the parent shall be required.

(h) Notice to the child and all counsel of record shall be by first-class mail.

(i) If the court knows or has reason to know that an Indian child is involved, notice shall be given in accordance with Section 224.2.

(j) Notwithstanding subdivision (a), if the attorney of record is present at the time the court schedules a hearing pursuant to Section 366.26, no further notice is required, except as required by subparagraph (A) of paragraph (7) of subdivision (f).

(k) This section shall also apply to children adjudged wards pursuant to Section 727.31.

(l) The court shall state the reasons on the record explaining why good cause exists for granting any continuance of a hearing held pursuant to Section 366.26 to fulfill the requirements of this section.

SEC. 23. Section 295 of the Welfare and Institutions Code is amended to read:

295. The social worker or probation officer shall give notice of review hearings held pursuant to Section 366.3 in the following manner:

- (a) Notice of the hearing shall be given to the following persons:
  - (1) The mother.
  - (2) The presumed father.
  - (3) The legal guardian or guardians.

(4) The child, if the child is 10 years of age or older.

(5) Any known sibling of the child who is the subject of the hearing if that sibling either is the subject of a dependency proceeding or has been adjudged to be a dependent child of the juvenile court. If the sibling is 10 years of age or older, the sibling, the sibling's caregiver, and the sibling's attorney. If the sibling is under 10 years of age, the sibling's caregiver and the sibling's attorney. However, notice is not required to be given to any sibling whose matter is calendared in the same court on the same day.

(6) The current caregiver of the child, including foster parents, relative caregivers, preadoptive parents, nonrelative extended family members, community care facility, or foster family agency having physical custody of the child if a child is removed from the physical custody of the parents or legal guardian. The person notified may attend all hearings and may submit any information he or she deems relevant to the court in writing.

(7) The attorney of record if that attorney of record was not present at the time that the hearing was set by the court.

(8) The alleged father or fathers, but only if the recommendation is to set a new hearing pursuant to Section 366.26.

(b) No notice is required for a parent whose parental rights have been terminated.

(c) The notice of the review hearing shall be served no earlier than 30 days, nor later than 15 days, before the hearing.

(d) The notice of the review hearing shall contain a statement regarding the nature of the hearing to be held, any recommended change in the custody or status of the child, and any recommendation that the court set a new hearing pursuant to Section 366.26 in order to select a more permanent plan.

(e) Service of notice shall be by first-class mail addressed to the last known address of the person to be provided notice. In the case of an Indian child, notice shall be by registered mail, return receipt requested.

(f) If the child is ordered into a permanent plan of legal guardianship, and subsequently a petition to terminate or modify the guardianship is filed, the probation officer or social worker shall serve notice of the petition not less than 15 court days prior to the hearing on all persons listed in subdivision (a) and on the court that established legal guardianship if it is in another county.

(g) If the social worker or probation officer knows or has reason to know that an Indian child is involved, notice shall be given in accordance with Section 224.2.

SEC. 24. Section 361.4 of the Welfare and Institutions Code is amended to read:

361.4. (a) Prior to placing a child in the home of a relative, or the home of any prospective guardian or other person who is not a licensed or certified foster parent, the county social worker shall visit the home to ascertain the appropriateness of the placement.

(b) Whenever a child may be placed in the home of a relative, or the home of any prospective guardian or other person who is not a licensed or certified foster parent, the court or county social worker placing the child

shall cause a state level criminal records check to be conducted by an appropriate governmental agency through the California Law Enforcement Telecommunications System (CLETS) pursuant to Section 16504.5. The criminal records check shall be conducted with regard to all persons over the age of 18 years living in the home, and on any other person over the age of 18 years, other than professionals providing professional services to the child, known to the placing entity who may have significant contact with the child, including any person who has a familial or intimate relationship with any person living in the home. A criminal records check may be conducted pursuant to this section on any person over the age of 14 years living in the home who the county social worker believes may have a criminal record. Within 10 calendar days following the criminal records check conducted through the California Law Enforcement Telecommunications System, the social worker shall ensure that a fingerprint clearance check of the relative and any other person whose criminal record was obtained pursuant to this subdivision is initiated through the Department of Justice to ensure the accuracy of the criminal records check conducted through the California Law Enforcement Telecommunications System and shall review the results of any criminal records check to assess the safety of the home. The Department of Justice shall forward fingerprint requests for federal level criminal history information to the Federal Bureau of Investigation pursuant to this section.

(c) Whenever a child may be placed in the home of a relative, or a prospective guardian or other person who is not a licensed or certified foster parent, the county social worker shall cause a check of the Child Abuse Central Index pursuant to subdivision (a) of Section 11170 of the Penal Code to be requested from the Department of Justice. The Child Abuse Central Index check shall be conducted on all persons over the age of 18 years living in the home. For any application received on or after January 1, 2008, if any person in the household is 18 years of age or older and has lived in another state in the preceding five years, the county social worker shall check the other state's child abuse and neglect registry to the extent required by federal law.

(d) (1) If the criminal records check indicates that the person has no criminal record, the county social worker and court may consider the home of the relative, prospective guardian, or other person who is not a licensed or certified foster parent for placement of a child.

(2) If the criminal records check indicates that the person has been convicted of a crime that would preclude licensure under Section 1522 of the Health and Safety Code, the child may not be placed in the home, unless a criminal records exemption has been granted by the county, based on substantial and convincing evidence to support a reasonable belief that the person with the criminal conviction is of such good character as to justify the placement and not present a risk of harm to the child pursuant to paragraph (3).

(3) (A) A county may issue a criminal records exemption only if that county has been granted permission by the Director of Social Services to

issue criminal records exemptions. The county may file a request with the Director of Social Services seeking permission for the county to establish a procedure to evaluate and grant appropriate individual criminal records exemptions for persons described in subdivision (b). The director shall grant or deny the county's request within 14 days of receipt. The county shall evaluate individual criminal records in accordance with the standards and limitations set forth in paragraph (1) of subdivision (g) of Section 1522 of the Health and Safety Code, and in no event shall the county place a child in the home of a person who is ineligible for an exemption under that provision.

(B) The department shall monitor county implementation of the authority to grant an exemption under this paragraph to ensure that the county evaluates individual criminal records and allows or disallows placements according to the standards set forth in paragraph (1) of subdivision (g) of Section 1522 of the Health and Safety Code.

(4) The department shall conduct an evaluation of the implementation of paragraph (3) through random sampling of county exemption decisions.

(5) The State Department of Social Services shall not evaluate or grant criminal records exemption requests for persons described in subdivision (b), unless the exemption request is made by an Indian tribe pursuant to subdivision (f).

(6) If a county has not requested, or has not been granted, permission by the State Department of Social Services to establish a procedure to evaluate and grant criminal records exemptions, the county may not place a child into the home of a person described in subdivision (b) if any person residing in the home has been convicted of a crime other than a minor traffic violation, except as provided in subdivision (f).

(e) Nothing in this section shall preclude a county from conducting a criminal background check that the county is otherwise authorized to conduct using fingerprints.

(f) Upon request from an Indian tribe, the State Department of Social Services shall evaluate an exemption request, if needed, to allow placement into an Indian home that the tribe has designated for placement under the Indian Child Welfare Act (25 U.S.C. Sec. 1901 et seq.) that would otherwise be barred under this section. However, if the county with jurisdiction over the child that is the subject of the tribe's request has established an approved procedure pursuant to paragraph (3) of subdivision (d), the tribe may request that the county evaluate the exemption request. Once a tribe has elected to have the exemption request reviewed by either the State Department of Social Services or the county, the exemption decision may only be made by that entity. Nothing in this subdivision limits the duty of a county social worker to evaluate the home for placement or to gather information needed to evaluate an exemption request.

(g) This section shall remain in effect only until January 1, 2010, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2010, deletes or extends that date.

SEC. 25. Section 361.5 of the Welfare and Institutions Code is amended to read:

361.5. (a) Except as provided in subdivision (b), or when the parent has voluntarily relinquished the child and the relinquishment has been filed with the State Department of Social Services, or upon the establishment of an order of guardianship pursuant to Section 360, whenever a child is removed from a parent's or guardian's custody, the juvenile court shall order the social worker to provide child welfare services to the child and the child's mother and statutorily presumed father or guardians. Upon a finding and declaration of paternity by the juvenile court or proof of a prior declaration of paternity by any court of competent jurisdiction, the juvenile court may order services for the child and the biological father, if the court determines that the services will benefit the child. Child welfare services, when provided, shall be provided as follows:

(1) For a child who, on the date of initial removal from the physical custody of his or her parent or guardian, was three years of age or older, court-ordered services shall not exceed a period of 12 months from the date the child entered foster care, except as otherwise provided in paragraph (3).

(2) For a child who, on the date of initial removal from the physical custody of his or her parent or guardian, was under the age of three years, court-ordered services shall not exceed a period of six months from the date the child entered foster care.

(3) For the purpose of placing and maintaining a sibling group together in a permanent home should reunification efforts fail, for a child in a sibling group whose members were removed from parental custody at the same time, and in which one member of the sibling group was under the age of three years on the date of initial removal from the physical custody of his or her parent or guardian, court-ordered services to some or all of the sibling group may be limited to a period of six months from the date the child entered foster care. For the purposes of this paragraph, "a sibling group" shall mean two or more children who are related to each other as full or half-siblings.

Regardless of the age of the child, a child shall be deemed to have entered foster care on the earlier of the date of the jurisdictional hearing held pursuant to Section 356 or the date that is 60 days after the date on which the child was initially removed from the physical custody of his or her parent or guardian.

Notwithstanding paragraphs (1), (2), and (3), court-ordered services may be extended up to a maximum time period not to exceed 18 months after the date the child was originally removed from physical custody of his or her parent or guardian if it can be shown, at the hearing held pursuant to subdivision (f) of Section 366.21, that the permanent plan for the child is that he or she will be returned and safely maintained in the home within the extended time period. The court shall extend the time period only if it finds that there is a substantial probability that the child will be returned to the physical custody of his or her parent or guardian within the extended time period or that reasonable services have not been provided to the parent or

guardian. If the court extends the time period, the court shall specify the factual basis for its conclusion that there is a substantial probability that the child will be returned to the physical custody of his or her parent or guardian within the extended time period. The court also shall make findings pursuant to subdivision (a) of Section 366 and subdivision (e) of Section 358.1.

When counseling or other treatment services are ordered, the parent or guardian shall be ordered to participate in those services, unless the parent's or guardian's participation is deemed by the court to be inappropriate or potentially detrimental to the child. Physical custody of the child by the parents or guardians during the applicable time period under paragraph (1), (2), or (3) shall not serve to interrupt the running of the period. If at the end of the applicable time period, a child cannot be safely returned to the care and custody of a parent or guardian without court supervision, but the child clearly desires contact with the parent or guardian, the court shall take the child's desire into account in devising a permanency plan.

In cases where the child was under the age of three years on the date of the initial removal from the physical custody of his or her parent or guardian or is a member of a sibling group as described in paragraph (3), the court shall inform the parent or guardian that the failure of the parent or guardian to participate regularly in any court-ordered treatment programs or to cooperate or avail himself or herself of services provided as part of the child welfare services case plan may result in a termination of efforts to reunify the family after six months. The court shall inform the parent or guardian of the factors used in subdivision (e) of Section 366.21 to determine whether to limit services to six months for some or all members of a sibling group as described in paragraph (3).

Except in cases where, pursuant to subdivision (b), the court does not order reunification services, the court shall inform the parent or parents of Section 366.26 and shall specify that the parent's or parents' parental rights may be terminated.

(b) Reunification services need not be provided to a parent or guardian described in this subdivision when the court finds, by clear and convincing evidence, any of the following:

(1) That the whereabouts of the parent or guardian is unknown. A finding pursuant to this paragraph shall be supported by an affidavit or by proof that a reasonably diligent search has failed to locate the parent or guardian. The posting or publication of notices is not required in that search.

(2) That the parent or guardian is suffering from a mental disability that is described in Chapter 2 (commencing with Section 7820) of Part 4 of Division 12 of the Family Code and that renders him or her incapable of utilizing those services.

(3) That the child or a sibling of the child has been previously adjudicated a dependent pursuant to any subdivision of Section 300 as a result of physical or sexual abuse, that following that adjudication the child had been removed from the custody of his or her parent or guardian pursuant to Section 361, that the child has been returned to the custody of the parent or guardian

from whom the child had been taken originally, and that the child is being removed pursuant to Section 361, due to additional physical or sexual abuse.

(4) That the parent or guardian of the child has caused the death of another child through abuse or neglect.

(5) That the child was brought within the jurisdiction of the court under subdivision (e) of Section 300 because of the conduct of that parent or guardian.

(6) That the child has been adjudicated a dependent pursuant to any subdivision of Section 300 as a result of severe sexual abuse or the infliction of severe physical harm to the child, a sibling, or a half-sibling by a parent or guardian, as defined in this subdivision, and the court makes a factual finding that it would not benefit the child to pursue reunification services with the offending parent or guardian.

A finding of severe sexual abuse, for the purposes of this subdivision, may be based on, but is not limited to, sexual intercourse, or stimulation involving genital-genital, oral-genital, anal-genital, or oral-anal contact, whether between the parent or guardian and the child or a sibling or half-sibling of the child, or between the child or a sibling or half-sibling of the child and another person or animal with the actual or implied consent of the parent or guardian; or the penetration or manipulation of the child's, sibling's, or half-sibling's genital organs or rectum by any animate or inanimate object for the sexual gratification of the parent or guardian, or for the sexual gratification of another person with the actual or implied consent of the parent or guardian.

A finding of the infliction of severe physical harm, for the purposes of this subdivision, may be based on, but is not limited to, deliberate and serious injury inflicted to or on a child's body or the body of a sibling or half-sibling of the child by an act or omission of the parent or guardian, or of another individual or animal with the consent of the parent or guardian; deliberate and torturous confinement of the child, sibling, or half-sibling in a closed space; or any other torturous act or omission that would be reasonably understood to cause serious emotional damage.

(7) That the parent is not receiving reunification services for a sibling or a half-sibling of the child pursuant to paragraph (3), (5), or (6).

(8) That the child was conceived by means of the commission of an offense listed in Section 288 or 288.5 of the Penal Code, or by an act committed outside of this state that, if committed in this state, would constitute one of those offenses. This paragraph only applies to the parent who committed the offense or act.

(9) That the child has been found to be a child described in subdivision (g) of Section 300, that the parent or guardian of the child willfully abandoned the child, and the court finds that the abandonment itself constituted a serious danger to the child; or that the parent or other person having custody of the child voluntarily surrendered physical custody of the child pursuant to Section 1255.7 of the Health and Safety Code. For the purposes of this paragraph, "serious danger" means that without the intervention of another person or agency, the child would have sustained

severe or permanent disability, injury, illness, or death. For purposes of this paragraph, “willful abandonment” shall not be construed as actions taken in good faith by the parent without the intent of placing the child in serious danger.

(10) That the court ordered termination of reunification services for any siblings or half-siblings of the child because the parent or guardian failed to reunify with the sibling or half-sibling after the sibling or half-sibling had been removed from that parent or guardian pursuant to Section 361 and that parent or guardian is the same parent or guardian described in subdivision (a) and that, according to the findings of the court, this parent or guardian has not subsequently made a reasonable effort to treat the problems that led to removal of the sibling or half-sibling of that child from that parent or guardian.

(11) That the parental rights of a parent over any sibling or half-sibling of the child had been permanently severed, and this parent is the same parent described in subdivision (a), and that, according to the findings of the court, this parent has not subsequently made a reasonable effort to treat the problems that led to removal of the sibling or half-sibling of that child from the parent.

(12) That the parent or guardian of the child has been convicted of a violent felony, as defined in subdivision (c) of Section 667.5 of the Penal Code.

(13) That the parent or guardian of the child has a history of extensive, abusive, and chronic use of drugs or alcohol and has resisted prior court-ordered treatment for this problem during a three-year period immediately prior to the filing of the petition that brought that child to the court’s attention, or has failed or refused to comply with a program of drug or alcohol treatment described in the case plan required by Section 358.1 on at least two prior occasions, even though the programs identified were available and accessible.

(14) That the parent or guardian of the child has advised the court that he or she is not interested in receiving family maintenance or family reunification services or having the child returned to or placed in his or her custody and does not wish to receive family maintenance or reunification services.

The parent or guardian shall be represented by counsel and shall execute a waiver of services form to be adopted by the Judicial Council. The court shall advise the parent or guardian of any right to services and of the possible consequences of a waiver of services, including the termination of parental rights and placement of the child for adoption. The court shall not accept the waiver of services unless it states on the record its finding that the parent or guardian has knowingly and intelligently waived the right to services.

(15) That the parent or guardian has on one or more occasions willfully abducted the child or child’s sibling or half-sibling from his or her placement and refused to disclose the child’s or child’s sibling’s or half-sibling’s whereabouts, refused to return physical custody of the child or child’s sibling

or half-sibling to his or her placement, or refused to return physical custody of the child or child's sibling or half-sibling to the social worker.

(c) In deciding whether to order reunification in any case in which this section applies, the court shall hold a dispositional hearing. The social worker shall prepare a report that discusses whether reunification services shall be provided. When it is alleged, pursuant to paragraph (2) of subdivision (b), that the parent is incapable of utilizing services due to mental disability, the court shall order reunification services unless competent evidence from mental health professionals establishes that, even with the provision of services, the parent is unlikely to be capable of adequately caring for the child within the time limits specified in subdivision (a).

The court shall not order reunification for a parent or guardian described in paragraph (3), (4), (6), (7), (8), (9), (10), (11), (12), (13), (14), or (15) of subdivision (b) unless the court finds, by clear and convincing evidence, that reunification is in the best interest of the child.

In addition, the court shall not order reunification in any situation described in paragraph (5) of subdivision (b) unless it finds that, based on competent testimony, those services are likely to prevent reabuse or continued neglect of the child or that failure to try reunification will be detrimental to the child because the child is closely and positively attached to that parent. The social worker shall investigate the circumstances leading to the removal of the child and advise the court whether there are circumstances that indicate that reunification is likely to be successful or unsuccessful and whether failure to order reunification is likely to be detrimental to the child.

The failure of the parent to respond to previous services, the fact that the child was abused while the parent was under the influence of drugs or alcohol, a past history of violent behavior, or testimony by a competent professional that the parent's behavior is unlikely to be changed by services are among the factors indicating that reunification services are unlikely to be successful. The fact that a parent or guardian is no longer living with an individual who severely abused the child may be considered in deciding that reunification services are likely to be successful, provided that the court shall consider any pattern of behavior on the part of the parent that has exposed the child to repeated abuse.

(d) If reunification services are not ordered pursuant to paragraph (1) of subdivision (b) and the whereabouts of a parent become known within six months of the out-of-home placement of the child, the court shall order the social worker to provide family reunification services in accordance with this subdivision.

(e) (1) If the parent or guardian is incarcerated or institutionalized, the court shall order reasonable services unless the court determines, by clear and convincing evidence, those services would be detrimental to the child. In determining detriment, the court shall consider the age of the child, the degree of parent-child bonding, the length of the sentence, the nature of the treatment, the nature of the crime or illness, the degree of detriment to the

child if services are not offered and, for children 10 years of age or older, the child's attitude toward the implementation of family reunification services, and any other appropriate factors. Reunification services are subject to the applicable time limitations imposed in subdivision (a). Services may include, but shall not be limited to, all of the following:

(A) Maintaining contact between the parent and child through collect telephone calls.

(B) Transportation services, where appropriate.

(C) Visitation services, where appropriate.

(D) Reasonable services to extended family members or foster parents providing care for the child if the services are not detrimental to the child.

An incarcerated parent may be required to attend counseling, parenting classes, or vocational training programs as part of the service plan if these programs are available.

(2) The presiding judge of the juvenile court of each county may convene representatives of the county welfare department, the sheriff's department, and other appropriate entities for the purpose of developing and entering into protocols for ensuring the notification, transportation, and presence of an incarcerated or institutionalized parent at all court hearings involving proceedings affecting the child pursuant to Section 2625 of the Penal Code.

(3) Notwithstanding any other provision of law, if the incarcerated parent is a woman seeking to participate in the community treatment program operated by the Department of Corrections and Rehabilitation pursuant to Chapter 4.8 (commencing with Section 1174) of Title 7 of Part 2 of, Chapter 4 (commencing with Section 3410) of Title 2 of Part 3 of, the Penal Code, the court shall determine whether the parent's participation in a program is in the child's best interest and whether it is suitable to meet the needs of the parent and child.

(f) If the court, pursuant to paragraph (2), (3), (4), (5), (6), (7), (8), (9), (10), (11), (12), (13), (14), or (15) of subdivision (b) or paragraph (1) of subdivision (e), does not order reunification services, it shall, at the dispositional hearing, that shall include a permanency hearing, determine if a hearing under Section 366.26 shall be set in order to determine whether adoption, guardianship, or long-term foster care is the most appropriate plan for the child, and shall consider in-state and out-of-state placement options. If the court so determines, it shall conduct the hearing pursuant to Section 366.26 within 120 days after the dispositional hearing. However, the court shall not schedule a hearing so long as the other parent is being provided reunification services pursuant to subdivision (a). The court may continue to permit the parent to visit the child unless it finds that visitation would be detrimental to the child.

(g) Whenever a court orders that a hearing shall be held pursuant to Section 366.26, it shall direct the agency supervising the child and the licensed county adoption agency, or the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency, to prepare an assessment that shall include:

(1) Current search efforts for an absent parent or parents.

(2) A review of the amount of and nature of any contact between the child and his or her parents and other members of his or her extended family since the time of placement. Although the extended family of each child shall be reviewed on a case-by-case basis, “extended family” for the purpose of this paragraph shall include, but not be limited to, the child’s siblings, grandparents, aunts, and uncles.

(3) An evaluation of the child’s medical, developmental, scholastic, mental, and emotional status.

(4) A preliminary assessment of the eligibility and commitment of any identified prospective adoptive parent or guardian, particularly the caretaker, to include a social history including screening for criminal records and prior referrals for child abuse or neglect, the capability to meet the child’s needs, and the understanding of the legal and financial rights and responsibilities of adoption and guardianship. If a proposed guardian is a relative of the minor, and the relative was assessed for foster care placement of the minor prior to January 1, 1998, the assessment shall also consider, but need not be limited to, all of the factors specified in subdivision (a) of Section 361.3. As used in this paragraph, “relative” means an adult who is related to the minor by blood, adoption, or affinity within the fifth degree of kinship, including stepparents, stepsiblings, and all relatives whose status is preceded by the words “great,” “great-great,” or “grand,” or the spouse of any of those persons even if the marriage was terminated by death or dissolution.

(5) The relationship of the child to any identified prospective adoptive parent or guardian, the duration and character of the relationship, the motivation for seeking adoption or guardianship, and a statement from the child concerning placement and the adoption or guardianship, unless the child’s age or physical, emotional, or other condition precludes his or her meaningful response, and if so, a description of the condition.

(6) An analysis of the likelihood that the child will be adopted if parental rights are terminated.

(h) In determining whether reunification services will benefit the child pursuant to paragraph (6) or (7) of subdivision (b), the court shall consider any information it deems relevant, including the following factors:

(1) The specific act or omission comprising the severe sexual abuse or the severe physical harm inflicted on the child or the child’s sibling or half-sibling.

(2) The circumstances under which the abuse or harm was inflicted on the child or the child’s sibling or half-sibling.

(3) The severity of the emotional trauma suffered by the child or the child’s sibling or half-sibling.

(4) Any history of abuse of other children by the offending parent or guardian.

(5) The likelihood that the child may be safely returned to the care of the offending parent or guardian within 12 months with no continuing supervision.

(6) Whether or not the child desires to be reunified with the offending parent or guardian.

(i) The court shall read into the record the basis for a finding of severe sexual abuse or the infliction of severe physical harm under paragraph (6) of subdivision (b), and shall also specify the factual findings used to determine that the provision of reunification services to the offending parent or guardian would not benefit the child.

SEC. 25.5. Section 361.5 of the Welfare and Institutions Code is amended to read:

361.5. (a) Except as provided in subdivision (b), or when the parent has voluntarily relinquished the child and the relinquishment has been filed with the State Department of Social Services, or upon the establishment of an order of guardianship pursuant to Section 360, whenever a child is removed from a parent's or guardian's custody, the juvenile court shall order the social worker to provide child welfare services to the child and the child's mother and statutorily presumed father or guardians. Upon a finding and declaration of paternity by the juvenile court or proof of a prior declaration of paternity by any court of competent jurisdiction, the juvenile court may order services for the child and the biological father, if the court determines that the services will benefit the child. Child welfare services, when provided, shall be provided as follows:

(1) For a child who, on the date of initial removal from the physical custody of his or her parent or guardian, was three years of age or older, court-ordered services shall not exceed a period of 12 months from the date the child entered foster care, except as otherwise provided in paragraph (3).

(2) For a child who, on the date of initial removal from the physical custody of his or her parent or guardian, was under the age of three years, court-ordered services shall not exceed a period of six months from the date the child entered foster care.

(3) For the purpose of placing and maintaining a sibling group together in a permanent home should reunification efforts fail, for a child in a sibling group whose members were removed from parental custody at the same time, and in which one member of the sibling group was under the age of three years on the date of initial removal from the physical custody of his or her parent or guardian, court-ordered services to some or all of the sibling group may be limited to a period of six months from the date the child entered foster care. For the purposes of this paragraph, "a sibling group" shall mean two or more children who are related to each other as full or half-siblings.

Regardless of the age of the child, a child shall be deemed to have entered foster care on the earlier of the date of the jurisdictional hearing held pursuant to Section 356 or the date that is 60 days after the date on which the child was initially removed from the physical custody of his or her parent or guardian.

Notwithstanding paragraphs (1), (2), and (3), court-ordered services may be extended up to a maximum time period not to exceed 18 months after the date the child was originally removed from physical custody of his or her parent or guardian if it can be shown, at the hearing held pursuant to subdivision (f) of Section 366.21, that the permanent plan for the child is

that he or she will be returned and safely maintained in the home within the extended time period. The court shall extend the time period only if it finds that there is a substantial probability that the child will be returned to the physical custody of his or her parent or guardian within the extended time period or that reasonable services have not been provided to the parent or guardian. If the court extends the time period, the court shall specify the factual basis for its conclusion that there is a substantial probability that the child will be returned to the physical custody of his or her parent or guardian within the extended time period. The court also shall make findings pursuant to subdivision (a) of Section 366 and subdivision (e) of Section 358.1.

When counseling or other treatment services are ordered, the parent or guardian shall be ordered to participate in those services, unless the parent's or guardian's participation is deemed by the court to be inappropriate or potentially detrimental to the child. Physical custody of the child by the parents or guardians during the applicable time period under paragraph (1), (2), or (3) shall not serve to interrupt the running of the period. If at the end of the applicable time period, a child cannot be safely returned to the care and custody of a parent or guardian without court supervision, but the child clearly desires contact with the parent or guardian, the court shall take the child's desire into account in devising a permanency plan.

In cases where the child was under the age of three years on the date of the initial removal from the physical custody of his or her parent or guardian or is a member of a sibling group as described in paragraph (3), the court shall inform the parent or guardian that the failure of the parent or guardian to participate regularly in any court-ordered treatment programs or to cooperate or avail himself or herself of services provided as part of the child welfare services case plan may result in a termination of efforts to reunify the family after six months. The court shall inform the parent or guardian of the factors used in subdivision (e) of Section 366.21 to determine whether to limit services to six months for some or all members of a sibling group as described in paragraph (3).

Except in cases where, pursuant to subdivision (b), the court does not order reunification services, the court shall inform the parent or parents of Section 366.26 and shall specify that the parent's or parents' parental rights may be terminated.

(b) Reunification services need not be provided to a parent or guardian described in this subdivision when the court finds, by clear and convincing evidence, any of the following:

(1) That the whereabouts of the parent or guardian is unknown. A finding pursuant to this paragraph shall be supported by an affidavit or by proof that a reasonably diligent search has failed to locate the parent or guardian. The posting or publication of notices is not required in that search.

(2) That the parent or guardian is suffering from a mental disability that is described in Chapter 2 (commencing with Section 7820) of Part 4 of Division 12 of the Family Code and that renders him or her incapable of utilizing those services.

(3) That the child or a sibling of the child has been previously adjudicated a dependent pursuant to any subdivision of Section 300 as a result of physical or sexual abuse, that following that adjudication the child had been removed from the custody of his or her parent or guardian pursuant to Section 361, that the child has been returned to the custody of the parent or guardian from whom the child had been taken originally, and that the child is being removed pursuant to Section 361, due to additional physical or sexual abuse.

(4) That the parent or guardian of the child has caused the death of another child through abuse or neglect.

(5) That the child was brought within the jurisdiction of the court under subdivision (e) of Section 300 because of the conduct of that parent or guardian.

(6) That the child has been adjudicated a dependent pursuant to any subdivision of Section 300 as a result of severe sexual abuse or the infliction of severe physical harm to the child, a sibling, or a half sibling by a parent or guardian, as defined in this subdivision, and the court makes a factual finding that it would not benefit the child to pursue reunification services with the offending parent or guardian.

A finding of severe sexual abuse, for the purposes of this subdivision, may be based on, but is not limited to, sexual intercourse, or stimulation involving genital-genital, oral-genital, anal-genital, or oral-anal contact, whether between the parent or guardian and the child or a sibling or half sibling of the child, or between the child or a sibling or half sibling of the child and another person or animal with the actual or implied consent of the parent or guardian; or the penetration or manipulation of the child's, sibling's, or half sibling's genital organs or rectum by any animate or inanimate object for the sexual gratification of the parent or guardian, or for the sexual gratification of another person with the actual or implied consent of the parent or guardian.

A finding of the infliction of severe physical harm, for the purposes of this subdivision, may be based on, but is not limited to, deliberate and serious injury inflicted to or on a child's body or the body of a sibling or half sibling of the child by an act or omission of the parent or guardian, or of another individual or animal with the consent of the parent or guardian; deliberate and torturous confinement of the child, sibling, or half sibling in a closed space; or any other torturous act or omission that would be reasonably understood to cause serious emotional damage.

(7) That the parent is not receiving reunification services for a sibling or a half sibling of the child pursuant to paragraph (3), (5), or (6).

(8) That the child was conceived by means of the commission of an offense listed in Section 288 or 288.5 of the Penal Code, or by an act committed outside of this state that, if committed in this state, would constitute one of those offenses. This paragraph only applies to the parent who committed the offense or act.

(9) That the child has been found to be a child described in subdivision (g) of Section 300, that the parent or guardian of the child willfully abandoned the child, and the court finds that the abandonment itself

constituted a serious danger to the child; or that the parent or other person having custody of the child voluntarily surrendered physical custody of the child pursuant to Section 1255.7 of the Health and Safety Code. For the purposes of this paragraph, “serious danger” means that without the intervention of another person or agency, the child would have sustained severe or permanent disability, injury, illness, or death. For purposes of this paragraph, “willful abandonment” shall not be construed as actions taken in good faith by the parent without the intent of placing the child in serious danger.

(10) That the court ordered termination of reunification services for any siblings or half siblings of the child because the parent or guardian failed to reunify with the sibling or half sibling after the sibling or half sibling had been removed from that parent or guardian pursuant to Section 361 and that parent or guardian is the same parent or guardian described in subdivision (a) and that, according to the findings of the court, this parent or guardian has not subsequently made a reasonable effort to treat the problems that led to removal of the sibling or half sibling of that child from that parent or guardian.

(11) That the parental rights of a parent over any sibling or half sibling of the child had been permanently severed, and this parent is the same parent described in subdivision (a), and that, according to the findings of the court, this parent has not subsequently made a reasonable effort to treat the problems that led to removal of the sibling or half sibling of that child from the parent.

(12) That the parent or guardian of the child has been convicted of a violent felony, as defined in subdivision (c) of Section 667.5 of the Penal Code.

(13) That the parent or guardian of the child has a history of extensive, abusive, and chronic use of drugs or alcohol and has resisted prior court-ordered treatment for this problem during a three-year period immediately prior to the filing of the petition that brought that child to the court’s attention, or has failed or refused to comply with a program of drug or alcohol treatment described in the case plan required by Section 358.1 on at least two prior occasions, even though the programs identified were available and accessible.

(14) That the parent or guardian of the child has advised the court that he or she is not interested in receiving family maintenance or family reunification services or having the child returned to or placed in his or her custody and does not wish to receive family maintenance or reunification services.

The parent or guardian shall be represented by counsel and shall execute a waiver of services form to be adopted by the Judicial Council. The court shall advise the parent or guardian of any right to services and of the possible consequences of a waiver of services, including the termination of parental rights and placement of the child for adoption. The court shall not accept the waiver of services unless it states on the record its finding that the parent or guardian has knowingly and intelligently waived the right to services.

(15) That the parent or guardian has on one or more occasions willfully abducted the child or child's sibling or half sibling from his or her placement and refused to disclose the child's or child's sibling's or half sibling's whereabouts, refused to return physical custody of the child or child's sibling or half sibling to his or her placement, or refused to return physical custody of the child or child's sibling or half sibling to the social worker.

(c) In deciding whether to order reunification in any case in which this section applies, the court shall hold a dispositional hearing. The social worker shall prepare a report that discusses whether reunification services shall be provided. When it is alleged, pursuant to paragraph (2) of subdivision (b), that the parent is incapable of utilizing services due to mental disability, the court shall order reunification services unless competent evidence from mental health professionals establishes that, even with the provision of services, the parent is unlikely to be capable of adequately caring for the child within the time limits specified in subdivision (a).

The court shall not order reunification for a parent or guardian described in paragraph (3), (4), (6), (7), (8), (9), (10), (11), (12), (13), (14), or (15) of subdivision (b) unless the court finds, by clear and convincing evidence, that reunification is in the best interest of the child.

In addition, the court shall not order reunification in any situation described in paragraph (5) of subdivision (b) unless it finds that, based on competent testimony, those services are likely to prevent reabuse or continued neglect of the child or that failure to try reunification will be detrimental to the child because the child is closely and positively attached to that parent. The social worker shall investigate the circumstances leading to the removal of the child and advise the court whether there are circumstances that indicate that reunification is likely to be successful or unsuccessful and whether failure to order reunification is likely to be detrimental to the child.

The failure of the parent to respond to previous services, the fact that the child was abused while the parent was under the influence of drugs or alcohol, a past history of violent behavior, or testimony by a competent professional that the parent's behavior is unlikely to be changed by services are among the factors indicating that reunification services are unlikely to be successful. The fact that a parent or guardian is no longer living with an individual who severely abused the child may be considered in deciding that reunification services are likely to be successful, provided that the court shall consider any pattern of behavior on the part of the parent that has exposed the child to repeated abuse.

(d) If reunification services are not ordered pursuant to paragraph (1) of subdivision (b) and the whereabouts of a parent become known within six months of the out-of-home placement of the child, the court shall order the social worker to provide family reunification services in accordance with this subdivision.

(e) (1) If the parent or guardian is incarcerated or institutionalized, the court shall order reasonable services unless the court determines, by clear

and convincing evidence, those services would be detrimental to the child. In determining detriment, the court shall consider the age of the child, the degree of parent-child bonding, the length of the sentence, the nature of the treatment, the nature of the crime or illness, the degree of detriment to the child if services are not offered and, for children 10 years of age or older, the child's attitude toward the implementation of family reunification services, and any other appropriate factors. Reunification services are subject to the applicable time limitations imposed in subdivision (a). Services may include, but shall not be limited to, all of the following:

(A) Maintaining contact between the parent and child through collect telephone calls.

(B) Transportation services, where appropriate.

(C) Visitation services, where appropriate.

(D) Reasonable services to extended family members or foster parents providing care for the child if the services are not detrimental to the child.

An incarcerated parent may be required to attend counseling, parenting classes, or vocational training programs as part of the service plan if these programs are available.

(2) The presiding judge of the juvenile court of each county may convene representatives of the county welfare department, the sheriff's department, and other appropriate entities for the purpose of developing and entering into protocols for ensuring the notification, transportation, and presence of an incarcerated or institutionalized parent at all court hearings involving proceedings affecting the child pursuant to Section 2625 of the Penal Code.

(3) Notwithstanding any other provision of law, if the incarcerated parent is a woman seeking to participate in the community treatment program operated by the Department of Corrections and Rehabilitation pursuant to Chapter 4.8 (commencing with Section 1174) of Title 7 of Part 2 of, Chapter 4 (commencing with Section 3410) of Title 2 of Part 3 of, the Penal Code, the court shall determine whether the parent's participation in a program is in the child's best interest and whether it is suitable to meet the needs of the parent and child.

(f) If the court, pursuant to paragraph (2), (3), (4), (5), (6), (7), (8), (9), (10), (11), (12), (13), (14), or (15) of subdivision (b) or paragraph (1) of subdivision (e), does not order reunification services, it shall, at the dispositional hearing, that shall include a permanency hearing, determine if a hearing under Section 366.26 shall be set in order to determine whether adoption, guardianship, or long-term foster care is the most appropriate plan for the child, and shall consider in-state and out-of-state placement options. If the court so determines, it shall conduct the hearing pursuant to Section 366.26 within 120 days after the dispositional hearing. However, the court shall not schedule a hearing so long as the other parent is being provided reunification services pursuant to subdivision (a). The court may continue to permit the parent to visit the child unless it finds that visitation would be detrimental to the child.

(g)(1) Whenever a court orders that a hearing shall be held pursuant to Section 366.26, it shall direct the agency supervising the child and the

licensed county adoption agency, or the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency, to prepare an assessment that shall include:

(A) Current search efforts for an absent parent or parents.

(B) A review of the amount of and nature of any contact between the child and his or her parents and other members of his or her extended family since the time of placement. Although the extended family of each child shall be reviewed on a case-by-case basis, “extended family” for the purpose of this subparagraph shall include, but not be limited to, the child’s siblings, grandparents, aunts, and uncles.

(C) An evaluation of the child’s medical, developmental, scholastic, mental, and emotional status.

(D) A preliminary assessment of the eligibility and commitment of any identified prospective adoptive parent or guardian, particularly the caretaker, to include a social history including screening for criminal records and prior referrals for child abuse or neglect, the capability to meet the child’s needs, and the understanding of the legal and financial rights and responsibilities of adoption and guardianship. If a proposed guardian is a relative of the minor, and the relative was assessed for foster care placement of the minor prior to January 1, 1998, the assessment shall also consider, but need not be limited to, all of the factors specified in subdivision (a) of Section 361.3. As used in this subparagraph, “relative” means an adult who is related to the minor by blood, adoption, or affinity within the fifth degree of kinship, including stepparents, stepsiblings, and all relatives whose status is preceded by the words “great,” “great-great,” or “grand,” or the spouse of any of those persons even if the marriage was terminated by death or dissolution.

(E) The relationship of the child to any identified prospective adoptive parent or guardian, the duration and character of the relationship, the motivation for seeking adoption or guardianship, and a statement from the child concerning placement and the adoption or guardianship, unless the child’s age or physical, emotional, or other condition precludes his or her meaningful response, and if so, a description of the condition.

(F) An analysis of the likelihood that the child will be adopted if parental rights are terminated.

(2) (A) A relative caregiver’s preference for legal guardianship over adoption, if it is due to circumstances that do not include an unwillingness to accept legal or financial responsibility for the child, shall not constitute the sole basis for recommending removal of the child from the relative caregiver for purposes of adoptive placement.

(B) A relative caregiver shall be given information regarding the permanency options of guardianship and adoption, including the long-term benefits and consequences of each option, prior to establishing legal guardianship or pursuing adoption.

(h) In determining whether reunification services will benefit the child pursuant to paragraph (6) or (7) of subdivision (b), the court shall consider any information it deems relevant, including the following factors:

(1) The specific act or omission comprising the severe sexual abuse or the severe physical harm inflicted on the child or the child's sibling or half sibling.

(2) The circumstances under which the abuse or harm was inflicted on the child or the child's sibling or half sibling.

(3) The severity of the emotional trauma suffered by the child or the child's sibling or half sibling.

(4) Any history of abuse of other children by the offending parent or guardian.

(5) The likelihood that the child may be safely returned to the care of the offending parent or guardian within 12 months with no continuing supervision.

(6) Whether or not the child desires to be reunified with the offending parent or guardian.

(i) The court shall read into the record the basis for a finding of severe sexual abuse or the infliction of severe physical harm under paragraph (6) of subdivision (b), and shall also specify the factual findings used to determine that the provision of reunification services to the offending parent or guardian would not benefit the child.

SEC. 26. Section 366.21 of the Welfare and Institutions Code, as amended by Chapter 177 of the Statutes of 2007, is amended to read:

366.21. (a) Every hearing conducted by the juvenile court reviewing the status of a dependent child shall be placed on the appearance calendar. The court shall advise all persons present at the hearing of the date of the future hearing and of their right to be present and represented by counsel.

(b) Except as provided in Sections 294 and 295, notice of the hearing shall be provided pursuant to Section 293.

(c) At least 10 calendar days prior to the hearing, the social worker shall file a supplemental report with the court regarding the services provided or offered to the parent or legal guardian to enable him or her to assume custody and the efforts made to achieve legal permanence for the child if efforts to reunify fail, including, but not limited to, efforts to maintain relationships between a child who is 10 years of age or older and has been in out-of-home placement for six months or longer and individuals who are important to the child, consistent with the child's best interests; the progress made; and, where relevant, the prognosis for return of the child to the physical custody of his or her parent or legal guardian; and shall make his or her recommendation for disposition. If the child is a member of a sibling group described in paragraph (3) of subdivision (a) of Section 361.5, the report and recommendation may also take into account those factors described in subdivision (e) relating to the child's sibling group. If the recommendation is not to return the child to a parent or legal guardian, the report shall specify why the return of the child would be detrimental to the child. The social worker shall provide the parent or legal guardian, counsel for the child, and any court-appointed child advocate with a copy of the report, including his or her recommendation for disposition, at least 10 calendar days prior to the hearing. In the case of a child removed from the physical custody of his

or her parent or legal guardian, the social worker shall, at least 10 calendar days prior to the hearing, provide a summary of his or her recommendation for disposition to any foster parents, relative caregivers, and certified foster parents who have been approved for adoption by the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency or by a licensed county adoption agency, community care facility, or foster family agency having the physical custody of the child. The social worker shall include a copy of the Judicial Council Caregiver Information Form (JV-290) with the summary of recommendations to the child's foster parents, relative caregivers, or foster parents approved for adoption, in the caregiver's primary language when available, along with information on how to file the form with the court.

(d) Prior to any hearing involving a child in the physical custody of a community care facility or a foster family agency that may result in the return of the child to the physical custody of his or her parent or legal guardian, or in adoption or the creation of a legal guardianship, the facility or agency shall file with the court a report, or a Judicial Council Caregiver Information Form (JV-290), containing its recommendation for disposition. Prior to the hearing involving a child in the physical custody of a foster parent, a relative caregiver, or a certified foster parent who has been approved for adoption by the State Department of Social Services when it is acting as an adoption agency or by a licensed adoption agency, the foster parent, relative caregiver, or the certified foster parent who has been approved for adoption by the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency or by a licensed county adoption agency, may file with the court a report containing his or her recommendation for disposition. The court shall consider the report and recommendation filed pursuant to this subdivision prior to determining any disposition.

(e) At the review hearing held six months after the initial dispositional hearing, the court shall order the return of the child to the physical custody of his or her parent or legal guardian unless the court finds, by a preponderance of the evidence, that the return of the child to his or her parent or legal guardian would create a substantial risk of detriment to the safety, protection, or physical or emotional well-being of the child. The social worker shall have the burden of establishing that detriment. At the hearing, the court shall consider the criminal history, obtained pursuant to paragraph (1) of subdivision (f) of Section 16504.5, of the parent or legal guardian subsequent to the child's removal, provided that he or she agreed to submit fingerprint images to obtain criminal history information as part of the case plan. The failure of the parent or legal guardian to participate regularly and make substantive progress in court-ordered treatment programs shall be prima facie evidence that return would be detrimental. In making its determination, the court shall review and consider the social worker's report and recommendations and the report and recommendations of any child advocate appointed pursuant to Section 356.5; and shall consider the efforts or progress, or both, demonstrated by the parent or legal guardian

and the extent to which he or she availed himself or herself to services provided.

Whether or not the child is returned to a parent or legal guardian, the court shall specify the factual basis for its conclusion that the return would be detrimental or would not be detrimental. The court also shall make appropriate findings pursuant to subdivision (a) of Section 366; and, where relevant, shall order any additional services reasonably believed to facilitate the return of the child to the custody of his or her parent or legal guardian. The court shall also inform the parent or legal guardian that if the child cannot be returned home by the 12-month permanency hearing, a proceeding pursuant to Section 366.26 may be instituted. This section does not apply in a case where, pursuant to Section 361.5, the court has ordered that reunification services shall not be provided.

If the child was under the age of three years on the date of the initial removal, or is a member of a sibling group described in paragraph (3) of subdivision (a) of Section 361.5, and the court finds by clear and convincing evidence that the parent failed to participate regularly and make substantive progress in a court-ordered treatment plan, the court may schedule a hearing pursuant to Section 366.26 within 120 days. If, however, the court finds there is a substantial probability that the child, who was under the age of three years on the date of initial removal or is a member of a sibling group described in paragraph (3) of subdivision (a) of Section 361.5, may be returned to his or her parent or legal guardian within six months or that reasonable services have not been provided, the court shall continue the case to the 12-month permanency hearing.

For the purpose of placing and maintaining a sibling group together in a permanent home, the court, in making its determination to schedule a hearing pursuant to Section 366.26 for some or all members of a sibling group, as described in paragraph (3) of subdivision (a) of Section 361.5, shall review and consider the social worker's report and recommendations. Factors the report shall address, and the court shall consider, may include, but need not be limited to, whether the sibling group was removed from parental care as a group, the closeness and strength of the sibling bond, the ages of the siblings, the appropriateness of maintaining the sibling group together, the detriment to the child if sibling ties are not maintained, the likelihood of finding a permanent home for the sibling group, whether the sibling group is currently placed together in a preadoptive home or has a concurrent plan goal of legal permanency in the same home, the wishes of each child whose age and physical and emotional condition permits a meaningful response, and the best interest of each child in the sibling group. The court shall specify the factual basis for its finding that it is in the best interest of each child to schedule a hearing pursuant to Section 366.26 in 120 days for some or all of the members of the sibling group.

If the child was removed initially under subdivision (g) of Section 300 and the court finds by clear and convincing evidence that the whereabouts of the parent are still unknown, or the parent has failed to contact and visit the child, the court may schedule a hearing pursuant to Section 366.26 within

120 days. If the court finds by clear and convincing evidence that the parent has been convicted of a felony indicating parental unfitness, the court may schedule a hearing pursuant to Section 366.26 within 120 days.

If the child had been placed under court supervision with a previously noncustodial parent pursuant to Section 361.2, the court shall determine whether supervision is still necessary. The court may terminate supervision and transfer permanent custody to that parent, as provided for by paragraph (1) of subdivision (b) of Section 361.2.

In all other cases, the court shall direct that any reunification services previously ordered shall continue to be offered to the parent or legal guardian pursuant to the time periods set forth in subdivision (a) of Section 361.5, provided that the court may modify the terms and conditions of those services.

If the child is not returned to his or her parent or legal guardian, the court shall determine whether reasonable services that were designed to aid the parent or legal guardian in overcoming the problems that led to the initial removal and the continued custody of the child have been provided or offered to the parent or legal guardian. The court shall order that those services be initiated, continued, or terminated.

(f) The permanency hearing shall be held no later than 12 months after the date the child entered foster care, as that date is determined pursuant to subdivision (a) of Section 361.5. At the permanency hearing, the court shall determine the permanent plan for the child, which shall include a determination of whether the child will be returned to the child's home and, if so, when, within the time limits of subdivision (a) of Section 361.5. The court shall order the return of the child to the physical custody of his or her parent or legal guardian unless the court finds, by a preponderance of the evidence, that the return of the child to his or her parent or legal guardian would create a substantial risk of detriment to the safety, protection, or physical or emotional well-being of the child. The social worker shall have the burden of establishing that detriment. At the permanency hearing, the court shall consider the criminal history, obtained pursuant to paragraph (1) of subdivision (f) of Section 16504.5, of the parent or legal guardian subsequent to the child's removal, provided that he or she agreed to submit fingerprint images to obtain criminal history information as part of the case plan. The court shall also determine whether reasonable services that were designed to aid the parent or legal guardian to overcome the problems that led to the initial removal and continued custody of the child have been provided or offered to the parent or legal guardian. For each youth 16 years of age and older, the court shall also determine whether services have been made available to assist him or her in making the transition from foster care to independent living. The failure of the parent or legal guardian to participate regularly and make substantive progress in court-ordered treatment programs shall be prima facie evidence that return would be detrimental. In making its determination, the court shall review and consider the social worker's report and recommendations and the report and recommendations of any child advocate appointed pursuant to Section 356.5,

shall consider the efforts or progress, or both, demonstrated by the parent or legal guardian and the extent to which he or she availed himself or herself of services provided, and shall make appropriate findings pursuant to subdivision (a) of Section 366.

Whether or not the child is returned to his or her parent or legal guardian, the court shall specify the factual basis for its decision. If the child is not returned to a parent or legal guardian, the court shall specify the factual basis for its conclusion that the return would be detrimental. The court also shall make a finding pursuant to subdivision (a) of Section 366. If the child is not returned to his or her parent or legal guardian, the court shall consider, and state for the record, in-state and out-of-state placement options. If the child is placed out of the state, the court shall make a determination whether the out-of-state placement continues to be appropriate and in the best interests of the child.

(g) If the time period in which the court-ordered services were provided has met or exceeded the time period set forth in paragraph (1), (2), or (3) of subdivision (a) of Section 361.5, as appropriate, and a child is not returned to the custody of a parent or legal guardian at the permanency hearing held pursuant to subdivision (f), the court shall do one of the following:

(1) Continue the case for up to six months for a permanency review hearing, provided that the hearing shall occur within 18 months of the date the child was originally taken from the physical custody of his or her parent or legal guardian. The court shall continue the case only if it finds that there is a substantial probability that the child will be returned to the physical custody of his or her parent or legal guardian and safely maintained in the home within the extended period of time or that reasonable services have not been provided to the parent or legal guardian. For the purposes of this section, in order to find a substantial probability that the child will be returned to the physical custody of his or her parent or legal guardian and safely maintained in the home within the extended period of time, the court shall be required to find all of the following:

(A) That the parent or legal guardian has consistently and regularly contacted and visited with the child.

(B) That the parent or legal guardian has made significant progress in resolving problems that led to the child's removal from the home.

(C) The parent or legal guardian has demonstrated the capacity and ability both to complete the objectives of his or her treatment plan and to provide for the child's safety, protection, physical and emotional well-being, and special needs.

For purposes of this subdivision, the court's decision to continue the case based on a finding or substantial probability that the child will be returned to the physical custody of his or her parent or legal guardian is a compelling reason for determining that a hearing held pursuant to Section 366.26 is not in the best interests of the child.

The court shall inform the parent or legal guardian that if the child cannot be returned home by the next permanency review hearing, a proceeding pursuant to Section 366.26 may be instituted. The court may not order that

a hearing pursuant to Section 366.26 be held unless there is clear and convincing evidence that reasonable services have been provided or offered to the parent or legal guardian.

(2) Order that a hearing be held within 120 days, pursuant to Section 366.26, but only if the court does not continue the case to the permanency planning review hearing and there is clear and convincing evidence that reasonable services have been provided or offered to the parents or legal guardians.

(3) Order that the child remain in long-term foster care, but only if the court finds by clear and convincing evidence, based upon the evidence already presented to it, including a recommendation by the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency or by a licensed county adoption agency, that there is a compelling reason for determining that a hearing held pursuant to Section 366.26 is not in the best interest of the child because the child is not a proper subject for adoption and has no one willing to accept legal guardianship. For purposes of this section, a recommendation by the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency or by a licensed county adoption agency that adoption is not in the best interest of the child shall constitute a compelling reason for the court's determination. That recommendation shall be based on the present circumstances of the child and may not preclude a different recommendation at a later date if the child's circumstances change.

If the court orders that a child who is 10 years of age or older remain in long-term foster care, the court shall determine whether the agency has made reasonable efforts to maintain the child's relationships with individuals other than the child's siblings who are important to the child, consistent with the child's best interests, and may make any appropriate order to ensure that those relationships are maintained.

If the child is not returned to his or her parent or legal guardian, the court shall consider, and state for the record, in-state and out-of-state options for permanent placement. If the child is placed out of the state, the court shall make a determination whether the out-of-state placement continues to be appropriate and in the best interests of the child.

(h) In any case in which the court orders that a hearing pursuant to Section 366.26 shall be held, it shall also order the termination of reunification services to the parent or legal guardian. The court shall continue to permit the parent or legal guardian to visit the child pending the hearing unless it finds that visitation would be detrimental to the child. The court shall make any other appropriate orders to enable the child to maintain relationships with individuals, other than the child's siblings, who are important to the child, consistent with the child's best interests.

(i) Whenever a court orders that a hearing pursuant to Section 366.26 shall be held, it shall direct the agency supervising the child and the licensed county adoption agency, or the State Department of Social Services when

it is acting as an adoption agency in counties that are not served by a county adoption agency, to prepare an assessment that shall include:

(1) Current search efforts for an absent parent or parents or legal guardians.

(2) A review of the amount of and nature of any contact between the child and his or her parents or legal guardians and other members of his or her extended family since the time of placement. Although the extended family of each child shall be reviewed on a case-by-case basis, “extended family” for the purpose of this paragraph shall include, but not be limited to, the child’s siblings, grandparents, aunts, and uncles.

(3) An evaluation of the child’s medical, developmental, scholastic, mental, and emotional status.

(4) A preliminary assessment of the eligibility and commitment of any identified prospective adoptive parent or legal guardian, particularly the caretaker, to include a social history including screening for criminal records and prior referrals for child abuse or neglect, the capability to meet the child’s needs, and the understanding of the legal and financial rights and responsibilities of adoption and guardianship. If a proposed guardian is a relative of the minor, and the relative was assessed for foster care placement of the minor prior to January 1, 1998, the assessment shall also consider, but need not be limited to, all of the factors specified in subdivision (a) of Section 361.3.

(5) The relationship of the child to any identified prospective adoptive parent or legal guardian, the duration and character of the relationship, the motivation for seeking adoption or guardianship, and a statement from the child concerning placement and the adoption or guardianship, unless the child’s age or physical, emotional, or other condition precludes his or her meaningful response, and if so, a description of the condition.

(6) A description of efforts to be made to identify a prospective adoptive parent or legal guardian, including, but not limited to, child-specific recruitment and listing on an adoption exchange within the state or out of the state.

(7) An analysis of the likelihood that the child will be adopted if parental rights are terminated.

(j) If, at any hearing held pursuant to Section 366.26, a guardianship is established for the minor with a relative, and juvenile court dependency is subsequently dismissed, the relative shall be eligible for aid under the Kin-GAP Program, as provided for in Article 4.5 (commencing with Section 11360) of Chapter 2 of Part 3 of Division 9.

(k) As used in this section, “relative” means an adult who is related to the minor by blood, adoption, or affinity within the fifth degree of kinship, including stepparents, stepsiblings, and all relatives whose status is preceded by the words “great,” “great-great,” or “grand,” or the spouse of any of those persons even if the marriage was terminated by death or dissolution.

(l) For purposes of this section, evidence of any of the following circumstances may not, in and of itself, be deemed a failure to provide or offer reasonable services:

(1) The child has been placed with a foster family that is eligible to adopt a child, or has been placed in a preadoptive home.

(2) The case plan includes services to make and finalize a permanent placement for the child if efforts to reunify fail.

(3) Services to make and finalize a permanent placement for the child, if efforts to reunify fail, are provided concurrently with services to reunify the family.

(m) The implementation and operation of the amendments to subdivisions (c) and (g) enacted at the 2005–06 Regular Session shall be subject to appropriation through the budget process and by phase, as provided in Section 366.35.

SEC. 26.5. Section 366.21 of the Welfare and Institutions Code, as amended by Chapter 177 of the Statutes of 2007, is amended to read:

366.21. (a) Every hearing conducted by the juvenile court reviewing the status of a dependent child shall be placed on the appearance calendar. The court shall advise all persons present at the hearing of the date of the future hearing and of their right to be present and represented by counsel.

(b) Except as provided in Sections 294 and 295, notice of the hearing shall be provided pursuant to Section 293.

(c) At least 10 calendar days prior to the hearing, the social worker shall file a supplemental report with the court regarding the services provided or offered to the parent or legal guardian to enable him or her to assume custody and the efforts made to achieve legal permanence for the child if efforts to reunify fail, including, but not limited to, efforts to maintain relationships between a child who is 10 years of age or older and has been in out-of-home placement for six months or longer and individuals who are important to the child, consistent with the child's best interests; the progress made; and, where relevant, the prognosis for return of the child to the physical custody of his or her parent or legal guardian; and shall make his or her recommendation for disposition. If the child is a member of a sibling group described in paragraph (3) of subdivision (a) of Section 361.5, the report and recommendation may also take into account those factors described in subdivision (e) relating to the child's sibling group. If the recommendation is not to return the child to a parent or legal guardian, the report shall specify why the return of the child would be detrimental to the child. The social worker shall provide the parent or legal guardian, counsel for the child, and any court-appointed child advocate with a copy of the report, including his or her recommendation for disposition, at least 10 calendar days prior to the hearing. In the case of a child removed from the physical custody of his or her parent or legal guardian, the social worker shall, at least 10 calendar days prior to the hearing, provide a summary of his or her recommendation for disposition to any foster parents, relative caregivers, and certified foster parents who have been approved for adoption by the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency or by a licensed county adoption agency, community care facility, or foster family agency having the physical custody of the child. The social worker shall include a copy of the Judicial

Council Caregiver Information Form (JV-290) with the summary of recommendations to the child's foster parents, relative caregivers, or foster parents approved for adoption, in the caregiver's primary language when available, along with information on how to file the form with the court.

(d) Prior to any hearing involving a child in the physical custody of a community care facility or a foster family agency that may result in the return of the child to the physical custody of his or her parent or legal guardian, or in adoption or the creation of a legal guardianship, the facility or agency shall file with the court a report, or a Judicial Council Caregiver Information Form (JV-290), containing its recommendation for disposition. Prior to the hearing involving a child in the physical custody of a foster parent, a relative caregiver, or a certified foster parent who has been approved for adoption by the State Department of Social Services when it is acting as an adoption agency or by a licensed adoption agency, the foster parent, relative caregiver, or the certified foster parent who has been approved for adoption by the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency or by a licensed county adoption agency, may file with the court a report containing his or her recommendation for disposition. The court shall consider the report and recommendation filed pursuant to this subdivision prior to determining any disposition.

(e) At the review hearing held six months after the initial dispositional hearing, the court shall order the return of the child to the physical custody of his or her parent or legal guardian unless the court finds, by a preponderance of the evidence, that the return of the child to his or her parent or legal guardian would create a substantial risk of detriment to the safety, protection, or physical or emotional well-being of the child. The social worker shall have the burden of establishing that detriment. At the hearing, the court shall consider the criminal history, obtained pursuant to paragraph (1) of subdivision (f) of Section 16504.5, of the parent or legal guardian subsequent to the child's removal, provided that he or she agreed to submit fingerprint images to obtain criminal history information as part of the case plan. The failure of the parent or legal guardian to participate regularly and make substantive progress in court-ordered treatment programs shall be prima facie evidence that return would be detrimental. In making its determination, the court shall review and consider the social worker's report and recommendations and the report and recommendations of any child advocate appointed pursuant to Section 356.5; and shall consider the efforts or progress, or both, demonstrated by the parent or legal guardian and the extent to which he or she availed himself or herself to services provided.

Regardless of whether the child is returned to a parent or legal guardian, the court shall specify the factual basis for its conclusion that the return would be detrimental or would not be detrimental. The court also shall make appropriate findings pursuant to subdivision (a) of Section 366; and, where relevant, shall order any additional services reasonably believed to facilitate the return of the child to the custody of his or her parent or legal guardian.

The court shall also inform the parent or legal guardian that if the child cannot be returned home by the 12-month permanency hearing, a proceeding pursuant to Section 366.26 may be instituted. This section does not apply in a case where, pursuant to Section 361.5, the court has ordered that reunification services shall not be provided.

If the child was under the age of three years on the date of the initial removal, or is a member of a sibling group described in paragraph (3) of subdivision (a) of Section 361.5, and the court finds by clear and convincing evidence that the parent failed to participate regularly and make substantive progress in a court-ordered treatment plan, the court may schedule a hearing pursuant to Section 366.26 within 120 days. If, however, the court finds there is a substantial probability that the child, who was under the age of three years on the date of initial removal or is a member of a sibling group described in paragraph (3) of subdivision (a) of Section 361.5, may be returned to his or her parent or legal guardian within six months or that reasonable services have not been provided, the court shall continue the case to the 12-month permanency hearing.

For the purpose of placing and maintaining a sibling group together in a permanent home, the court, in making its determination to schedule a hearing pursuant to Section 366.26 for some or all members of a sibling group, as described in paragraph (3) of subdivision (a) of Section 361.5, shall review and consider the social worker's report and recommendations. Factors the report shall address, and the court shall consider, may include, but need not be limited to, whether the sibling group was removed from parental care as a group, the closeness and strength of the sibling bond, the ages of the siblings, the appropriateness of maintaining the sibling group together, the detriment to the child if sibling ties are not maintained, the likelihood of finding a permanent home for the sibling group, whether the sibling group is currently placed together in a preadoptive home or has a concurrent plan goal of legal permanency in the same home, the wishes of each child whose age and physical and emotional condition permits a meaningful response, and the best interest of each child in the sibling group. The court shall specify the factual basis for its finding that it is in the best interest of each child to schedule a hearing pursuant to Section 366.26 in 120 days for some or all of the members of the sibling group.

If the child was removed initially under subdivision (g) of Section 300 and the court finds by clear and convincing evidence that the whereabouts of the parent are still unknown, or the parent has failed to contact and visit the child, the court may schedule a hearing pursuant to Section 366.26 within 120 days. If the court finds by clear and convincing evidence that the parent has been convicted of a felony indicating parental unfitness, the court may schedule a hearing pursuant to Section 366.26 within 120 days.

If the child had been placed under court supervision with a previously noncustodial parent pursuant to Section 361.2, the court shall determine whether supervision is still necessary. The court may terminate supervision and transfer permanent custody to that parent, as provided for by paragraph (1) of subdivision (b) of Section 361.2.

In all other cases, the court shall direct that any reunification services previously ordered shall continue to be offered to the parent or legal guardian pursuant to the time periods set forth in subdivision (a) of Section 361.5, provided that the court may modify the terms and conditions of those services.

If the child is not returned to his or her parent or legal guardian, the court shall determine whether reasonable services that were designed to aid the parent or legal guardian in overcoming the problems that led to the initial removal and the continued custody of the child have been provided or offered to the parent or legal guardian. The court shall order that those services be initiated, continued, or terminated.

(f) The permanency hearing shall be held no later than 12 months after the date the child entered foster care, as that date is determined pursuant to subdivision (a) of Section 361.5. At the permanency hearing, the court shall determine the permanent plan for the child, which shall include a determination of whether the child will be returned to the child's home and, if so, when, within the time limits of subdivision (a) of Section 361.5. The court shall order the return of the child to the physical custody of his or her parent or legal guardian unless the court finds, by a preponderance of the evidence, that the return of the child to his or her parent or legal guardian would create a substantial risk of detriment to the safety, protection, or physical or emotional well-being of the child. The social worker shall have the burden of establishing that detriment. At the permanency hearing, the court shall consider the criminal history, obtained pursuant to paragraph (1) of subdivision (f) of Section 16504.5, of the parent or legal guardian subsequent to the child's removal, provided that he or she agreed to submit fingerprint images to obtain criminal history information as part of the case plan. The court shall also determine whether reasonable services that were designed to aid the parent or legal guardian to overcome the problems that led to the initial removal and continued custody of the child have been provided or offered to the parent or legal guardian. For each youth 16 years of age and older, the court shall also determine whether services have been made available to assist him or her in making the transition from foster care to independent living. The failure of the parent or legal guardian to participate regularly and make substantive progress in court-ordered treatment programs shall be prima facie evidence that return would be detrimental. In making its determination, the court shall review and consider the social worker's report and recommendations and the report and recommendations of any child advocate appointed pursuant to Section 356.5, shall consider the efforts or progress, or both, demonstrated by the parent or legal guardian and the extent to which he or she availed himself or herself of services provided, and shall make appropriate findings pursuant to subdivision (a) of Section 366.

Regardless of whether the child is returned to his or her parent or legal guardian, the court shall specify the factual basis for its decision. If the child is not returned to a parent or legal guardian, the court shall specify the factual basis for its conclusion that the return would be detrimental. The court also

shall make a finding pursuant to subdivision (a) of Section 366. If the child is not returned to his or her parent or legal guardian, the court shall consider, and state for the record, in-state and out-of-state placement options. If the child is placed out of the state, the court shall make a determination whether the out-of-state placement continues to be appropriate and in the best interests of the child.

(g) If the time period in which the court-ordered services were provided has met or exceeded the time period set forth in paragraph (1), (2), or (3) of subdivision (a) of Section 361.5, as appropriate, and a child is not returned to the custody of a parent or legal guardian at the permanency hearing held pursuant to subdivision (f), the court shall do one of the following:

(1) Continue the case for up to six months for a permanency review hearing, provided that the hearing shall occur within 18 months of the date the child was originally taken from the physical custody of his or her parent or legal guardian. The court shall continue the case only if it finds that there is a substantial probability that the child will be returned to the physical custody of his or her parent or legal guardian and safely maintained in the home within the extended period of time or that reasonable services have not been provided to the parent or legal guardian. For the purposes of this section, in order to find a substantial probability that the child will be returned to the physical custody of his or her parent or legal guardian and safely maintained in the home within the extended period of time, the court shall be required to find all of the following:

(A) That the parent or legal guardian has consistently and regularly contacted and visited with the child.

(B) That the parent or legal guardian has made significant progress in resolving problems that led to the child's removal from the home.

(C) The parent or legal guardian has demonstrated the capacity and ability both to complete the objectives of his or her treatment plan and to provide for the child's safety, protection, physical and emotional well-being, and special needs.

For purposes of this subdivision, the court's decision to continue the case based on a finding or substantial probability that the child will be returned to the physical custody of his or her parent or legal guardian is a compelling reason for determining that a hearing held pursuant to Section 366.26 is not in the best interests of the child.

The court shall inform the parent or legal guardian that if the child cannot be returned home by the next permanency review hearing, a proceeding pursuant to Section 366.26 may be instituted. The court may not order that a hearing pursuant to Section 366.26 be held unless there is clear and convincing evidence that reasonable services have been provided or offered to the parent or legal guardian.

(2) Order that a hearing be held within 120 days, pursuant to Section 366.26, but only if the court does not continue the case to the permanency planning review hearing and there is clear and convincing evidence that reasonable services have been provided or offered to the parents or legal guardians.

(3) Order that the child remain in long-term foster care, but only if the court finds by clear and convincing evidence, based upon the evidence already presented to it, including a recommendation by the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency or by a licensed county adoption agency, that there is a compelling reason for determining that a hearing held pursuant to Section 366.26 is not in the best interest of the child because the child is not a proper subject for adoption and has no one willing to accept legal guardianship. For purposes of this section, a recommendation by the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency or by a licensed county adoption agency that adoption is not in the best interest of the child shall constitute a compelling reason for the court's determination. That recommendation shall be based on the present circumstances of the child and may not preclude a different recommendation at a later date if the child's circumstances change.

If the court orders that a child who is 10 years of age or older remain in long-term foster care, the court shall determine whether the agency has made reasonable efforts to maintain the child's relationships with individuals other than the child's siblings who are important to the child, consistent with the child's best interests, and may make any appropriate order to ensure that those relationships are maintained.

If the child is not returned to his or her parent or legal guardian, the court shall consider, and state for the record, in-state and out-of-state options for permanent placement. If the child is placed out of the state, the court shall make a determination whether the out-of-state placement continues to be appropriate and in the best interests of the child.

(h) In any case in which the court orders that a hearing pursuant to Section 366.26 shall be held, it shall also order the termination of reunification services to the parent or legal guardian. The court shall continue to permit the parent or legal guardian to visit the child pending the hearing unless it finds that visitation would be detrimental to the child. The court shall make any other appropriate orders to enable the child to maintain relationships with individuals, other than the child's siblings, who are important to the child, consistent with the child's best interests.

(i) (1) Whenever a court orders that a hearing pursuant to Section 366.26 shall be held, it shall direct the agency supervising the child and the licensed county adoption agency, or the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency, to prepare an assessment that shall include:

(A) Current search efforts for an absent parent or parents or legal guardians.

(B) A review of the amount of and nature of any contact between the child and his or her parents or legal guardians and other members of his or her extended family since the time of placement. Although the extended family of each child shall be reviewed on a case-by-case basis, "extended

family” for the purpose of this subparagraph shall include, but not be limited to, the child’s siblings, grandparents, aunts, and uncles.

(C) An evaluation of the child’s medical, developmental, scholastic, mental, and emotional status.

(D) A preliminary assessment of the eligibility and commitment of any identified prospective adoptive parent or legal guardian, particularly the caretaker, to include a social history including screening for criminal records and prior referrals for child abuse or neglect, the capability to meet the child’s needs, and the understanding of the legal and financial rights and responsibilities of adoption and guardianship. If a proposed guardian is a relative of the minor, and the relative was assessed for foster care placement of the minor prior to January 1, 1998, the assessment shall also consider, but need not be limited to, all of the factors specified in subdivision (a) of Section 361.3.

(E) The relationship of the child to any identified prospective adoptive parent or legal guardian, the duration and character of the relationship, the motivation for seeking adoption or guardianship, and a statement from the child concerning placement and the adoption or guardianship, unless the child’s age or physical, emotional, or other condition precludes his or her meaningful response, and if so, a description of the condition.

(F) A description of efforts to be made to identify a prospective adoptive parent or legal guardian, including, but not limited to, child-specific recruitment and listing on an adoption exchange within the state or out of the state.

(G) An analysis of the likelihood that the child will be adopted if parental rights are terminated.

(2) (A) A relative caregiver’s preference for legal guardianship over adoption, if it is due to circumstances that do not include an unwillingness to accept legal or financial responsibility for the child, shall not constitute the sole basis for recommending removal of the child from the relative caregiver for purposes of adoptive placement.

(B) A relative caregiver shall be given information regarding the permanency options of guardianship and adoption, including the long-term benefits and consequences of each option, prior to establishing legal guardianship or pursuing adoption.

(j) If, at any hearing held pursuant to Section 366.26, a guardianship is established for the minor with a relative, and juvenile court dependency is subsequently dismissed, the relative shall be eligible for aid under the Kin-GAP Program, as provided for in Article 4.5 (commencing with Section 11360) of Chapter 2 of Part 3 of Division 9.

(k) As used in this section, “relative” means an adult who is related to the minor by blood, adoption, or affinity within the fifth degree of kinship, including stepparents, stepsiblings, and all relatives whose status is preceded by the words “great,” “great-great,” or “grand,” or the spouse of any of those persons even if the marriage was terminated by death or dissolution.

(l) For purposes of this section, evidence of any of the following circumstances may not, in and of itself, be deemed a failure to provide or offer reasonable services:

(1) The child has been placed with a foster family that is eligible to adopt a child, or has been placed in a preadoptive home.

(2) The case plan includes services to make and finalize a permanent placement for the child if efforts to reunify fail.

(3) Services to make and finalize a permanent placement for the child, if efforts to reunify fail, are provided concurrently with services to reunify the family.

(m) The implementation and operation of the amendments to subdivisions (c) and (g) enacted at the 2005–06 Regular Session shall be subject to appropriation through the budget process and by phase, as provided in Section 366.35.

SEC. 27. Section 366.22 of the Welfare and Institutions Code, as amended by Chapter 177 of the Statutes of 2007, is amended to read:

366.22. (a) When a case has been continued pursuant to paragraph (1) of subdivision (g) of Section 366.21, the permanency review hearing shall occur within 18 months after the date the child was originally removed from the physical custody of his or her parent or legal guardian. The court shall order the return of the child to the physical custody of his or her parent or legal guardian unless the court finds, by a preponderance of the evidence, that the return of the child to his or her parent or legal guardian would create a substantial risk of detriment to the safety, protection, or physical or emotional well-being of the child. The social worker shall have the burden of establishing that detriment. At the permanency review hearing, the court shall consider the criminal history, obtained pursuant to paragraph (1) of subdivision (f) of Section 16504.5, of the parent or legal guardian subsequent to the child's removal, provided that he or she agreed to submit fingerprint images to obtain criminal history information as part of the case plan. The failure of the parent or legal guardian to participate regularly and make substantive progress in court-ordered treatment programs shall be prima facie evidence that return would be detrimental. In making its determination, the court shall review and consider the social worker's report and recommendations and the report and recommendations of any child advocate appointed pursuant to Section 356.5; shall consider the efforts or progress, or both, demonstrated by the parent or legal guardian and the extent to which he or she availed himself or herself of services provided; and shall make appropriate findings pursuant to subdivision (a) of Section 366.

Whether or not the child is returned to his or her parent or legal guardian, the court shall specify the factual basis for its decision. If the child is not returned to a parent or legal guardian, the court shall specify the factual basis for its conclusion that return would be detrimental. If the child is not returned to his or her parent or legal guardian, the court shall consider, and state for the record, in-state and out-of-state options for the child's permanent placement. If the child is placed out of the state, the court shall make a

determination whether the out-of-state placement continues to be appropriate and in the best interests of the child.

If the child is not returned to a parent or legal guardian at the permanency review hearing, the court shall order that a hearing be held pursuant to Section 366.26 in order to determine whether adoption, guardianship, or long-term foster care is the most appropriate plan for the child. However, if the court finds by clear and convincing evidence, based on the evidence already presented to it, including a recommendation by the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency or by a licensed county adoption agency, that there is a compelling reason, as described in paragraph (2) of subdivision (g) of Section 366.21, for determining that a hearing held under Section 366.26 is not in the best interest of the child because the child is not a proper subject for adoption and has no one willing to accept legal guardianship, then the court may, only under these circumstances, order that the child remain in foster care. If the court orders that a child who is 10 years of age or older remain in long-term foster care, the court shall determine whether the agency has made reasonable efforts to maintain the child's relationships with individuals other than the child's siblings who are important to the child, consistent with the child's best interests, and may make any appropriate order to ensure that those relationships are maintained. The hearing shall be held no later than 120 days from the date of the permanency review hearing. The court shall also order termination of reunification services to the parent or legal guardian. The court shall continue to permit the parent or legal guardian to visit the child unless it finds that visitation would be detrimental to the child. The court shall determine whether reasonable services have been offered or provided to the parent or legal guardian. For purposes of this subdivision, evidence of any of the following circumstances shall not, in and of themselves, be deemed a failure to provide or offer reasonable services:

(1) The child has been placed with a foster family that is eligible to adopt a child, or has been placed in a preadoptive home.

(2) The case plan includes services to make and finalize a permanent placement for the child if efforts to reunify fail.

(3) Services to make and finalize a permanent placement for the child, if efforts to reunify fail, are provided concurrently with services to reunify the family.

(b) Whenever a court orders that a hearing pursuant to Section 366.26 shall be held, it shall direct the agency supervising the child and the licensed county adoption agency, or the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency, to prepare an assessment that shall include:

(1) Current search efforts for an absent parent or parents.

(2) A review of the amount of and nature of any contact between the child and his or her parents and other members of his or her extended family since the time of placement. Although the extended family of each child shall be reviewed on a case-by-case basis, "extended family" for the purposes

of this paragraph shall include, but not be limited to, the child's siblings, grandparents, aunts, and uncles.

(3) An evaluation of the child's medical, developmental, scholastic, mental, and emotional status.

(4) A preliminary assessment of the eligibility and commitment of any identified prospective adoptive parent or legal guardian, particularly the caretaker, to include a social history including screening for criminal records and prior referrals for child abuse or neglect, the capability to meet the child's needs, and the understanding of the legal and financial rights and responsibilities of adoption and guardianship. If a proposed legal guardian is a relative of the minor, and the relative was assessed for foster care placement of the minor prior to January 1, 1998, the assessment shall also consider, but need not be limited to, all of the factors specified in subdivision (a) of Section 361.3.

(5) The relationship of the child to any identified prospective adoptive parent or legal guardian, the duration and character of the relationship, the motivation for seeking adoption or legal guardianship, and a statement from the child concerning placement and the adoption or legal guardianship, unless the child's age or physical, emotional, or other condition precludes his or her meaningful response, and if so, a description of the condition.

(6) An analysis of the likelihood that the child will be adopted if parental rights are terminated.

(c) This section shall become operative January 1, 1999. If at any hearing held pursuant to Section 366.26, a legal guardianship is established for the minor with a relative, and juvenile court dependency is subsequently dismissed, the relative shall be eligible for aid under the Kin-GAP Program, as provided for in Article 4.5 (commencing with Section 11360) of Chapter 2 of Part 3 of Division 9.

(d) As used in this section, "relative" means an adult who is related to the child by blood, adoption, or affinity within the fifth degree of kinship, including stepparents, stepsiblings, and all relatives whose status is preceded by the words "great," "great-great," or "grand," or the spouse of any of those persons even if the marriage was terminated by death or dissolution.

(e) The implementation and operation of the amendments to subdivision (a) enacted at the 2005–06 Regular Session shall be subject to appropriation through the budget process and by phase, as provided in Section 366.35.

SEC. 27.5. Section 366.22 of the Welfare and Institutions Code, as amended by Chapter 177 of the Statutes of 2007, is amended to read:

366.22. (a) When a case has been continued pursuant to paragraph (1) of subdivision (g) of Section 366.21, the permanency review hearing shall occur within 18 months after the date the child was originally removed from the physical custody of his or her parent or legal guardian. The court shall order the return of the child to the physical custody of his or her parent or legal guardian unless the court finds, by a preponderance of the evidence, that the return of the child to his or her parent or legal guardian would create a substantial risk of detriment to the safety, protection, or physical or emotional well-being of the child. The social worker shall have the burden

of establishing that detriment. At the permanency review hearing, the court shall consider the criminal history, obtained pursuant to paragraph (1) of subdivision (f) of Section 16504.5, of the parent or legal guardian subsequent to the child's removal, provided that he or she agreed to submit fingerprint images to obtain criminal history information as part of the case plan. The failure of the parent or legal guardian to participate regularly and make substantive progress in court-ordered treatment programs shall be prima facie evidence that return would be detrimental. In making its determination, the court shall review and consider the social worker's report and recommendations and the report and recommendations of any child advocate appointed pursuant to Section 356.5; shall consider the efforts or progress, or both, demonstrated by the parent or legal guardian and the extent to which he or she availed himself or herself of services provided; and shall make appropriate findings pursuant to subdivision (a) of Section 366.

Whether or not the child is returned to his or her parent or legal guardian, the court shall specify the factual basis for its decision. If the child is not returned to a parent or legal guardian, the court shall specify the factual basis for its conclusion that return would be detrimental. If the child is not returned to his or her parent or legal guardian, the court shall consider, and state for the record, in-state and out-of-state options for the child's permanent placement. If the child is placed out of the state, the court shall make a determination whether the out-of-state placement continues to be appropriate and in the best interests of the child.

If the child is not returned to a parent or legal guardian at the permanency review hearing, the court shall order that a hearing be held pursuant to Section 366.26 in order to determine whether adoption, guardianship, or long-term foster care is the most appropriate plan for the child. However, if the court finds by clear and convincing evidence, based on the evidence already presented to it, including a recommendation by the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency or by a licensed county adoption agency, that there is a compelling reason, as described in paragraph (3) of subdivision (g) of Section 366.21, for determining that a hearing held under Section 366.26 is not in the best interest of the child because the child is not a proper subject for adoption and has no one willing to accept legal guardianship, then the court may, only under these circumstances, order that the child remain in foster care. If the court orders that a child who is 10 years of age or older remain in long-term foster care, the court shall determine whether the agency has made reasonable efforts to maintain the child's relationships with individuals other than the child's siblings who are important to the child, consistent with the child's best interests, and may make any appropriate order to ensure that those relationships are maintained. The hearing shall be held no later than 120 days from the date of the permanency review hearing. The court shall also order termination of reunification services to the parent or legal guardian. The court shall continue to permit the parent or legal guardian to visit the child unless it finds that visitation would be detrimental to the child. The court shall determine

whether reasonable services have been offered or provided to the parent or legal guardian. For purposes of this subdivision, evidence of any of the following circumstances shall not, in and of themselves, be deemed a failure to provide or offer reasonable services:

(1) The child has been placed with a foster family that is eligible to adopt a child, or has been placed in a preadoptive home.

(2) The case plan includes services to make and finalize a permanent placement for the child if efforts to reunify fail.

(3) Services to make and finalize a permanent placement for the child, if efforts to reunify fail, are provided concurrently with services to reunify the family.

(b) (1) Whenever a court orders that a hearing pursuant to Section 366.26 shall be held, it shall direct the agency supervising the child and the licensed county adoption agency, or the State Department of Social Services when it is acting as an adoption agency in counties that are not served by a county adoption agency, to prepare an assessment that shall include:

(A) Current search efforts for an absent parent or parents.

(B) A review of the amount of and nature of any contact between the child and his or her parents and other members of his or her extended family since the time of placement. Although the extended family of each child shall be reviewed on a case-by-case basis, “extended family” for the purposes of this subparagraph shall include, but not be limited to, the child’s siblings, grandparents, aunts, and uncles.

(C) An evaluation of the child’s medical, developmental, scholastic, mental, and emotional status.

(D) A preliminary assessment of the eligibility and commitment of any identified prospective adoptive parent or legal guardian, particularly the caretaker, to include a social history including screening for criminal records and prior referrals for child abuse or neglect, the capability to meet the child’s needs, and the understanding of the legal and financial rights and responsibilities of adoption and guardianship. If a proposed legal guardian is a relative of the minor, and the relative was assessed for foster care placement of the minor prior to January 1, 1998, the assessment shall also consider, but need not be limited to, all of the factors specified in subdivision (a) of Section 361.3.

(E) The relationship of the child to any identified prospective adoptive parent or legal guardian, the duration and character of the relationship, the motivation for seeking adoption or legal guardianship, and a statement from the child concerning placement and the adoption or legal guardianship, unless the child’s age or physical, emotional, or other condition precludes his or her meaningful response, and if so, a description of the condition.

(F) An analysis of the likelihood that the child will be adopted if parental rights are terminated.

(2) (A) A relative caregiver’s preference for legal guardianship over adoption, if it is due to circumstances that do not include an unwillingness to accept legal or financial responsibility for the child, shall not constitute

the sole basis for recommending removal of the child from the relative caregiver for purposes of adoptive placement.

(B) A relative caregiver shall be given information regarding the permanency options of guardianship and adoption, including the long-term benefits and consequences of each option, prior to establishing legal guardianship or pursuing adoption.

(c) This section shall become operative January 1, 1999. If at any hearing held pursuant to Section 366.26, a legal guardianship is established for the minor with a relative, and juvenile court dependency is subsequently dismissed, the relative shall be eligible for aid under the Kin-GAP Program, as provided for in Article 4.5 (commencing with Section 11360) of Chapter 2 of Part 3 of Division 9.

(d) As used in this section, “relative” means an adult who is related to the child by blood, adoption, or affinity within the fifth degree of kinship, including stepparents, stepsiblings, and all relatives whose status is preceded by the words “great,” “great-great,” or “grand,” or the spouse of any of those persons even if the marriage was terminated by death or dissolution.

(e) The implementation and operation of the amendments to subdivision (a) enacted at the 2005–06 Regular Session shall be subject to appropriation through the budget process and by phase, as provided in Section 366.35.

SEC. 28. Section 366.26 of the Welfare and Institutions Code is amended to read:

366.26. (a) This section applies to children who are adjudged dependent children of the juvenile court pursuant to subdivision (c) of Section 360. The procedures specified herein are the exclusive procedures for conducting these hearings; Part 2 (commencing with Section 3020) of Division 8 of the Family Code is not applicable to these proceedings. Section 8714.7 of the Family Code is applicable and available to all dependent children meeting the requirements of that section, if the postadoption contact agreement has been entered into voluntarily. For children who are adjudged dependent children of the juvenile court pursuant to subdivision (c) of Section 360, this section and Sections 8604, 8605, 8606, and 8700 of the Family Code and Chapter 5 (commencing with Section 7660) of Part 3 of Division 12 of the Family Code specify the exclusive procedures for permanently terminating parental rights with regard to, or establishing legal guardianship of, the child while the child is a dependent child of the juvenile court.

(b) At the hearing, which shall be held in juvenile court for all children who are dependents of the juvenile court, the court, in order to provide stable, permanent homes for these children, shall review the report as specified in Section 361.5, 366.21, or 366.22, shall indicate that the court has read and considered it, shall receive other evidence that the parties may present, and then shall make findings and orders in the following order of preference:

(1) Terminate the rights of the parent or parents and order that the child be placed for adoption and, upon the filing of a petition for adoption in the juvenile court, order that a hearing be set. The court shall proceed with the adoption after the appellate rights of the natural parents have been exhausted.

(2) On making a finding under paragraph (3) of subdivision (c), identify adoption as the permanent placement goal and order that efforts be made to locate an appropriate adoptive family for the child within a period not to exceed 180 days.

(3) Appoint a legal guardian for the child and order that letters of guardianship issue.

(4) Order that the child be placed in long-term foster care, subject to the periodic review of the juvenile court under Section 366.3.

In choosing among the above alternatives the court shall proceed pursuant to subdivision (c).

(c) (1) If the court determines, based on the assessment provided as ordered under subdivision (i) of Section 366.21 or subdivision (b) of Section 366.22, and any other relevant evidence, by a clear and convincing standard, that it is likely the child will be adopted, the court shall terminate parental rights and order the child placed for adoption. The fact that the child is not yet placed in a preadoptive home nor with a relative or foster family who is prepared to adopt the child, shall not constitute a basis for the court to conclude that it is not likely the child will be adopted. A finding under subdivision (b) or paragraph (1) of subdivision (e) of Section 361.5 that reunification services shall not be offered, under subdivision (e) of Section 366.21 that the whereabouts of a parent have been unknown for six months or that the parent has failed to visit or contact the child for six months or that the parent has been convicted of a felony indicating parental unfitness, or, under Section 366.21 or 366.22, that the court has continued to remove the child from the custody of the parent or guardian and has terminated reunification services, shall constitute a sufficient basis for termination of parental rights unless the court finds a compelling reason for determining that termination would be detrimental to the child due to one or more of the following circumstances:

(A) The parents have maintained regular visitation and contact with the child and the child would benefit from continuing the relationship.

(B) A child 12 years of age or older objects to termination of parental rights.

(C) The child is placed in a residential treatment facility, adoption is unlikely or undesirable, and continuation of parental rights will not prevent finding the child a permanent family placement if the parents cannot resume custody when residential care is no longer needed.

(D) The child is living with a relative, foster parent, or Indian custodian who is unable or unwilling to adopt the child because of exceptional circumstances, that do not include an unwillingness to accept legal or financial responsibility for the child, but who is willing and capable of providing the child with a stable and permanent environment and the removal of the child from the physical custody of his or her relative, foster parent, or Indian custodian would be detrimental to the emotional well-being of the child. This subparagraph does not apply to any child who is living with a nonrelative and who is either (i) under six years of age or (ii) a member of a sibling group where at least one child is under six years of age and the

siblings are, or should be, permanently placed together. For purposes of an Indian child, “relative” shall include an “extended family member” as defined in the Indian Child Welfare Act (25 U.S.C. Sec. 1903(2)).

(E) There would be substantial interference with a child’s sibling relationship, taking into consideration the nature and extent of the relationship, including, but not limited to, whether the child was raised with a sibling in the same home, whether the child shared significant common experiences or has existing close and strong bonds with a sibling, and whether ongoing contact is in the child’s best interest, including the child’s long-term emotional interest, as compared to the benefit of legal permanence through adoption.

(F) The child is an Indian child and there is a compelling reason for determining that termination of parental rights would not be in the best interest of the child, including, but not limited to:

(i) Termination of parental rights would substantially interfere with the child’s connection to his or her tribal community or the child’s tribal membership rights.

(ii) The child’s tribe has identified guardianship, long-term foster care with a fit and willing relative, or another planned permanent living arrangement for the child.

If the court finds that termination of parental rights would be detrimental to the child pursuant to subparagraph (A), (B), (C), (D), (E), or (F), it shall state its reasons in writing or on the record.

(2) The court shall not terminate parental rights if:

(A) At each hearing at which the court was required to consider reasonable efforts or services, the court has found that reasonable efforts were not made or that reasonable services were not offered or provided.

(B) In the case of an Indian child:

(i) At the hearing terminating parental rights, the court has found that active efforts were not made as required in Section 361.7.

(ii) The court does not make a determination at the hearing terminating parental rights, supported by evidence beyond a reasonable doubt, including testimony of one or more “qualified expert witnesses” as defined in Section 224.6, that the continued custody of the child by the parent is likely to result in serious emotional or physical damage to the child.

(3) If the court finds that termination of parental rights would not be detrimental to the child pursuant to paragraph (1) and that the child has a probability for adoption but is difficult to place for adoption and there is no identified or available prospective adoptive parent, the court may identify adoption as the permanent placement goal and without terminating parental rights, order that efforts be made to locate an appropriate adoptive family for the child, within the state or out of the state, within a period not to exceed 180 days. During this 180-day period, the public agency responsible for seeking adoptive parents for each child shall, to the extent possible, ask each child who is 10 years of age or older, to identify any individuals, other than the child’s siblings, who are important to the child, in order to identify potential adoptive parents. The public agency may ask any other child to

provide that information, as appropriate. During the 180-day period, the public agency shall, to the extent possible, contact other private and public adoption agencies regarding the availability of the child for adoption. During the 180-day period, the public agency shall conduct the search for adoptive parents in the same manner as prescribed for children in Sections 8708 and 8709 of the Family Code. At the expiration of this period, another hearing shall be held and the court shall proceed pursuant to paragraph (1) or (3) of subdivision (b). For purposes of this section, a child may only be found to be difficult to place for adoption if there is no identified or available prospective adoptive parent for the child because of the child's membership in a sibling group, or the presence of a diagnosed medical, physical, or mental handicap, or the child is the age of seven years or more.

(4) (A) If the court finds that adoption of the child or termination of parental rights is not in the best interest of the child, because one of the conditions in subparagraph (A), (B), (C), (D), (E), or (F) of paragraph (1) or in paragraph (2) applies, the court shall either order that the present caretakers or other appropriate persons shall become legal guardians of the child or order that the child remain in long-term foster care. Legal guardianship shall be considered before long-term foster care, if it is in the best interests of the child and if a suitable guardian can be found. A child who is 10 years of age or older, shall be asked to identify any individuals, other than the child's siblings, who are important to the child, in order to identify potential guardians. The agency may ask any other child to provide that information, as appropriate.

(B) If the child is living with a relative or a foster parent who is willing and capable of providing a stable and permanent environment, but not willing to become a legal guardian, the child shall not be removed from the home if the court finds the removal would be seriously detrimental to the emotional well-being of the child because the child has substantial psychological ties to the relative caretaker or foster parents.

(C) The court shall also make an order for visitation with the parents or guardians unless the court finds by a preponderance of the evidence that the visitation would be detrimental to the physical or emotional well-being of the child.

(5) If the court finds that the child should not be placed for adoption, that legal guardianship shall not be established, and that there are no suitable foster parents except exclusive-use homes available to provide the child with a stable and permanent environment, the court may order the care, custody, and control of the child transferred from the county welfare department to a licensed foster family agency. The court shall consider the written recommendation of the county welfare director regarding the suitability of the transfer. The transfer shall be subject to further court orders.

The licensed foster family agency shall place the child in a suitable licensed or exclusive-use home that has been certified by the agency as meeting licensing standards. The licensed foster family agency shall be responsible for supporting the child and providing appropriate services to the child, including those services ordered by the court. Responsibility for

the support of the child shall not, in and of itself, create liability on the part of the foster family agency to third persons injured by the child. Those children whose care, custody, and control are transferred to a foster family agency shall not be eligible for foster care maintenance payments or child welfare services, except for emergency response services pursuant to Section 16504.

(d) The proceeding for the appointment of a guardian for a child who is a dependent of the juvenile court shall be in the juvenile court. If the court finds pursuant to this section that legal guardianship is the appropriate permanent plan, it shall appoint the legal guardian and issue letters of guardianship. The assessment prepared pursuant to subdivision (g) of Section 361.5, subdivision (i) of Section 366.21, and subdivision (b) of Section 366.22 shall be read and considered by the court prior to the appointment, and this shall be reflected in the minutes of the court. The person preparing the assessment may be called and examined by any party to the proceeding.

(e) The proceeding for the adoption of a child who is a dependent of the juvenile court shall be in the juvenile court if the court finds pursuant to this section that adoption is the appropriate permanent plan and the petition for adoption is filed in the juvenile court. Upon the filing of a petition for adoption, the juvenile court shall order that an adoption hearing be set. The court shall proceed with the adoption after the appellate rights of the natural parents have been exhausted. The full report required by Section 8715 of the Family Code shall be read and considered by the court prior to the adoption and this shall be reflected in the minutes of the court. The person preparing the report may be called and examined by any party to the proceeding. It is the intent of the Legislature, pursuant to this subdivision, to give potential adoptive parents the option of filing in the juvenile court the petition for the adoption of a child who is a dependent of the juvenile court. Nothing in this section is intended to prevent the filing of a petition for adoption in any other court as permitted by law, instead of in the juvenile court.

(f) At the beginning of any proceeding pursuant to this section, if the child or the parents are not being represented by previously retained or appointed counsel, the court shall proceed as follows:

(1) In accordance with subdivision (c) of Section 317, if a child before the court is without counsel, the court shall appoint counsel unless the court finds that the child would not benefit from the appointment of counsel. The court shall state on the record its reasons for that finding.

(2) If a parent appears without counsel and is unable to afford counsel, the court shall appoint counsel for the parent, unless this representation is knowingly and intelligently waived. The same counsel shall not be appointed to represent both the child and his or her parent. The public defender or private counsel may be appointed as counsel for the parent.

(3) Private counsel appointed under this section shall receive a reasonable sum for compensation and expenses, the amount of which shall be determined by the court. The amount shall be paid by the real parties in interest, other than the child, in any proportions the court deems just.

However, if the court finds that any of the real parties in interest are unable to afford counsel, the amount shall be paid out of the general fund of the county.

(g) The court may continue the proceeding for a period of time not to exceed 30 days as necessary to appoint counsel, and to enable counsel to become acquainted with the case.

(h) (1) At all proceedings under this section, the court shall consider the wishes of the child and shall act in the best interests of the child.

(2) In accordance with Section 349, the child shall be present in court if the child or the child's counsel so requests or the court so orders. If the child is 10 years of age or older and is not present at a hearing held pursuant to this section, the court shall determine whether the minor was properly notified of his or her right to attend the hearing and inquire as to the reason why the child is not present.

(3) (A) The testimony of the child may be taken in chambers and outside the presence of the child's parent or parents, if the child's parent or parents are represented by counsel, the counsel is present, and any of the following circumstances exists:

(i) The court determines that testimony in chambers is necessary to ensure truthful testimony.

(ii) The child is likely to be intimidated by a formal courtroom setting.

(iii) The child is afraid to testify in front of his or her parent or parents.

(B) After testimony in chambers, the parent or parents of the child may elect to have the court reporter read back the testimony or have the testimony summarized by counsel for the parent or parents.

(C) The testimony of a child also may be taken in chambers and outside the presence of the guardian or guardians of a child under the circumstances specified in this subdivision.

(i) (1) Any order of the court permanently terminating parental rights under this section shall be conclusive and binding upon the child, upon the parent or parents and upon all other persons who have been served with citation by publication or otherwise as provided in this chapter. After making the order, the juvenile court shall have no power to set aside, change, or modify it, except as provided in paragraph (2), but nothing in this section shall be construed to limit the right to appeal the order.

(2) A child who has not been adopted after the passage of at least three years from the date the court terminated parental rights and for whom the court has determined that adoption is no longer the permanent plan may petition the juvenile court to reinstate parental rights pursuant to the procedure prescribed by Section 388. The child may file the petition prior to the expiration of this three-year period if the State Department of Social Services or licensed adoption agency that is responsible for custody and supervision of the child as described in subdivision (j) and the child stipulate that the child is no longer likely to be adopted. A child over 12 years of age shall sign the petition in the absence of a showing of good cause as to why the child could not do so. If it appears that the best interests of the child may be promoted by reinstatement of parental rights, the court shall order

that a hearing be held and shall give prior notice, or cause prior notice to be given, to the social worker or probation officer and to the child's attorney of record, or, if there is no attorney of record for the child, to the child, and the child's tribe, if applicable, by means prescribed by subdivision (c) of Section 297. The court shall order the child or the social worker or probation officer to give prior notice of the hearing to the child's former parent or parents whose parental rights were terminated in the manner prescribed by subdivision (f) of Section 294 where the recommendation is adoption. The juvenile court shall grant the petition if it finds by clear and convincing evidence that the child is no longer likely to be adopted and that reinstatement of parental rights is in the child's best interest. If the court reinstates parental rights over a child who is under 12 years of age and for whom the new permanent plan will not be reunification with a parent or legal guardian, the court shall specify the factual basis for its findings that it is in the best interest of the child to reinstate parental rights. This subdivision is intended to be retroactive and applies to any child who is under the jurisdiction of the juvenile court at the time of the hearing regardless of the date parental rights were terminated.

(j) If the court, by order or judgment, declares the child free from the custody and control of both parents, or one parent if the other does not have custody and control, the court shall at the same time order the child referred to the State Department of Social Services or a licensed adoption agency for adoptive placement by the agency. However, a petition for adoption may not be granted until the appellate rights of the natural parents have been exhausted. The State Department of Social Services or licensed adoption agency shall be responsible for the custody and supervision of the child and shall be entitled to the exclusive care and control of the child at all times until a petition for adoption is granted, except as specified in subdivision (n). With the consent of the agency, the court may appoint a guardian of the child, who shall serve until the child is adopted.

(k) Notwithstanding any other provision of law, the application of any person who, as a relative caretaker or foster parent, has cared for a dependent child for whom the court has approved a permanent plan for adoption, or who has been freed for adoption, shall be given preference with respect to that child over all other applications for adoptive placement if the agency making the placement determines that the child has substantial emotional ties to the relative caretaker or foster parent and removal from the relative caretaker or foster parent would be seriously detrimental to the child's emotional well-being.

As used in this subdivision, "preference" means that the application shall be processed and, if satisfactory, the family study shall be completed before the processing of the application of any other person for the adoptive placement of the child.

(l) (1) An order by the court that a hearing pursuant to this section be held is not appealable at any time unless all of the following apply:

(A) A petition for extraordinary writ review was filed in a timely manner.

(B) The petition substantively addressed the specific issues to be challenged and supported that challenge by an adequate record.

(C) The petition for extraordinary writ review was summarily denied or otherwise not decided on the merits.

(2) Failure to file a petition for extraordinary writ review within the period specified by rule, to substantively address the specific issues challenged, or to support that challenge by an adequate record shall preclude subsequent review by appeal of the findings and orders made pursuant to this section.

(3) The Judicial Council shall adopt rules of court, effective January 1, 1995, to ensure all of the following:

(A) A trial court, after issuance of an order directing a hearing pursuant to this section be held, shall advise all parties of the requirement of filing a petition for extraordinary writ review as set forth in this subdivision in order to preserve any right to appeal in these issues. This notice shall be made orally to a party if the party is present at the time of the making of the order or by first-class mail by the clerk of the court to the last known address of a party not present at the time of the making of the order.

(B) The prompt transmittal of the records from the trial court to the appellate court.

(C) That adequate time requirements for counsel and court personnel exist to implement the objective of this subdivision.

(D) That the parent or guardian, or their trial counsel or other counsel, is charged with the responsibility of filing a petition for extraordinary writ relief pursuant to this subdivision.

(4) The intent of this subdivision is to do both of the following:

(A) Make every reasonable attempt to achieve a substantive and meritorious review by the appellate court within the time specified in Sections 366.21 and 366.22 for holding a hearing pursuant to this section.

(B) Encourage the appellate court to determine all writ petitions filed pursuant to this subdivision on their merits.

(5) This subdivision shall only apply to cases in which an order to set a hearing pursuant to this section is issued on or after January 1, 1995.

(m) Except for subdivision (j), this section shall also apply to minors adjudged wards pursuant to Section 727.31.

(n) (1) Notwithstanding Section 8704 of the Family Code or any other provision of law, the court, at a hearing held pursuant to this section or anytime thereafter, may designate a current caretaker as a prospective adoptive parent if the child has lived with the caretaker for at least six months, the caretaker currently expresses a commitment to adopt the child, and the caretaker has taken at least one step to facilitate the adoption process. In determining whether to make that designation, the court may take into consideration whether the caretaker is listed in the preliminary assessment prepared by the county department in accordance with subdivision (i) of Section 366.21 as an appropriate person to be considered as an adoptive parent for the child and the recommendation of the State Department of Social Services or licensed adoption agency.

(2) For purposes of this subdivision, steps to facilitate the adoption process include, but are not limited to, the following:

- (A) Applying for an adoption homestudy.
- (B) Cooperating with an adoption homestudy.
- (C) Being designated by the court or the licensed adoption agency as the adoptive family.
- (D) Requesting de facto parent status.
- (E) Signing an adoptive placement agreement.
- (F) Engaging in discussions regarding a postadoption contact agreement.
- (G) Working to overcome any impediments that have been identified by the State Department of Social Services and the licensed adoption agency.
- (H) Attending classes required of prospective adoptive parents.

(3) Prior to a change in placement and as soon as possible after a decision is made to remove a child from the home of a designated prospective adoptive parent, the agency shall notify the court, the designated prospective adoptive parent or the current caretaker, if that caretaker would have met the threshold criteria to be designated as a prospective adoptive parent pursuant to paragraph (1) on the date of service of this notice, the child's attorney, and the child, if the child is 10 years of age or older, of the proposal in the manner described in Section 16010.6.

(A) Within five court days or seven calendar days, whichever is longer, of the date of notification, the child, the child's attorney, or the designated prospective adoptive parent may file a petition with the court objecting to the proposal to remove the child, or the court, upon its own motion, may set a hearing regarding the proposal. The court may, for good cause, extend the filing period. A caretaker who would have met the threshold criteria to be designated as a prospective adoptive parent pursuant to paragraph (1) on the date of service of the notice of proposed removal of the child may file, together with the petition under this subparagraph, a petition for an order designating the caretaker as a prospective adoptive parent for purposes of this subdivision.

(B) A hearing ordered pursuant to this paragraph shall be held as soon as possible and not later than five court days after the petition is filed with the court or the court sets a hearing upon its own motion, unless the court for good cause is unable to set the matter for hearing five court days after the petition is filed, in which case the court shall set the matter for hearing as soon as possible. At the hearing, the court shall determine whether the caretaker has met the threshold criteria to be designated as a prospective adoptive parent pursuant to paragraph (1), and whether the proposed removal of the child from the home of the designated prospective adoptive parent is in the child's best interest, and the child may not be removed from the home of the designated prospective adoptive parent unless the court finds that removal is in the child's best interest. If the court determines that the caretaker did not meet the threshold criteria to be designated as a prospective adoptive parent on the date of service of the notice of proposed removal of the child, the petition objecting to the proposed removal filed by the caretaker shall be dismissed. If the caretaker was designated as a prospective adoptive

parent prior to this hearing, the court shall inquire into any progress made by the caretaker towards the adoption of the child since the caretaker was designated as a prospective adoptive parent.

(C) A determination by the court that the caretaker is a designated prospective adoptive parent pursuant to paragraph (1) or subparagraph (B) does not make the caretaker a party to the dependency proceeding nor does it confer on the caretaker any standing to object to any other action of the department or licensed adoption agency, unless the caretaker has been declared a de facto parent by the court prior to the notice of removal served pursuant to paragraph (3).

(D) If a petition objecting to the proposal to remove the child is not filed, and the court, upon its own motion, does not set a hearing, the child may be removed from the home of the designated prospective adoptive parent without a hearing.

(4) Notwithstanding paragraph (3), if the State Department of Social Services or a licensed adoption agency determines that the child must be removed from the home of the caretaker who is or may be a designated prospective adoptive parent immediately, due to a risk of physical or emotional harm, the agency may remove the child from that home and is not required to provide notice prior to the removal. However, as soon as possible and not longer than two court days after the removal, the agency shall notify the court, the caretaker who is or may be a designated prospective adoptive parent, the child's attorney, and the child, if the child is 10 years of age or older, of the removal. Within five court days or seven calendar days, whichever is longer, of the date of notification of the removal, the child, the child's attorney, or the caretaker who is or may be a designated prospective adoptive parent may petition for, or the court on its own motion may set, a noticed hearing pursuant to paragraph (3). The court may, for good cause, extend the filing period.

(5) Except as provided in subdivision (b) of Section 366.28, an order by the court issued after a hearing pursuant to this subdivision shall not be appealable.

(6) Nothing in this section shall preclude a county child protective services agency from fully investigating and responding to alleged abuse or neglect of a child pursuant to Section 11165.5 of the Penal Code.

(7) The Judicial Council shall prepare forms to facilitate the filing of the petitions described in this subdivision, which shall become effective on January 1, 2006.

(o) The implementation and operation of the amendments to paragraph (3) of subdivision (c) and subparagraph (A) of paragraph (4) of subdivision (c) enacted at the 2005–06 Regular Session shall be subject to appropriation through the budget process and by phase, as provided in Section 366.35.

SEC. 28.5. Section 366.26 of the Welfare and Institutions Code is amended to read:

366.26. (a) This section applies to children who are adjudged dependent children of the juvenile court pursuant to subdivision (d) of Section 360. The procedures specified herein are the exclusive procedures for conducting

these hearings; Part 2 (commencing with Section 3020) of Division 8 of the Family Code is not applicable to these proceedings. Section 8616.5 of the Family Code is applicable and available to all dependent children meeting the requirements of that section, if the postadoption contact agreement has been entered into voluntarily. For children who are adjudged dependent children of the juvenile court pursuant to subdivision (d) of Section 360, this section and Sections 8604, 8605, 8606, and 8700 of the Family Code and Chapter 5 (commencing with Section 7660) of Part 3 of Division 12 of the Family Code specify the exclusive procedures for permanently terminating parental rights with regard to, or establishing legal guardianship of, the child while the child is a dependent child of the juvenile court.

(b) At the hearing, which shall be held in juvenile court for all children who are dependents of the juvenile court, the court, in order to provide stable, permanent homes for these children, shall review the report as specified in Section 361.5, 366.21, or 366.22, shall indicate that the court has read and considered it, shall receive other evidence that the parties may present, and then shall make findings and orders in the following order of preference:

(1) Terminate the rights of the parent or parents and order that the child be placed for adoption and, upon the filing of a petition for adoption in the juvenile court, order that a hearing be set. The court shall proceed with the adoption after the appellate rights of the natural parents have been exhausted.

(2) Appoint a relative or relatives with whom the child is currently residing as legal guardian or guardians for the child, and order that letters of guardianship issue.

(3) On making a finding under paragraph (3) of subdivision (c), identify adoption as the permanent placement goal and order that efforts be made to locate an appropriate adoptive family for the child within a period not to exceed 180 days.

(4) Appoint a nonrelative legal guardian for the child and order that letters of guardianship issue.

(5) Order that the child be placed in long-term foster care, subject to the periodic review of the juvenile court under Section 366.3.

In choosing among the above alternatives the court shall proceed pursuant to subdivision (c).

(c) (1) If the court determines, based on the assessment provided as ordered under subdivision (i) of Section 366.21 or subdivision (b) of Section 366.22, and any other relevant evidence, by a clear and convincing standard, that it is likely the child will be adopted, the court shall terminate parental rights and order the child placed for adoption. The fact that the child is not yet placed in a preadoptive home nor with a relative or foster family who is prepared to adopt the child, shall not constitute a basis for the court to conclude that it is not likely the child will be adopted. A finding under subdivision (b) or paragraph (1) of subdivision (e) of Section 361.5 that reunification services shall not be offered, under subdivision (e) of Section 366.21 that the whereabouts of a parent have been unknown for six months or that the parent has failed to visit or contact the child for six months or

that the parent has been convicted of a felony indicating parental unfitness, or, under Section 366.21 or 366.22, that the court has continued to remove the child from the custody of the parent or guardian and has terminated reunification services, shall constitute a sufficient basis for termination of parental rights. Under these circumstances, the court shall terminate parental rights unless either of the following applies:

(A) The child is living with a relative who is unable or unwilling to adopt the child because of circumstances that do not include an unwillingness to accept legal or financial responsibility for the child, but who is willing and capable of providing the child with a stable and permanent environment through legal guardianship, and the removal of the child from the custody of his or her relative would be detrimental to the emotional well-being of the child. For purposes of an Indian child, “relative” shall include an “extended family member,” as defined in the federal Indian Child Welfare Act (25 U.S.C. Sec. 1903(2)).

(B) The court finds a compelling reason for determining that termination would be detrimental to the child due to one or more of the following circumstances:

(i) The parents have maintained regular visitation and contact with the child and the child would benefit from continuing the relationship.

(ii) A child 12 years of age or older objects to termination of parental rights.

(iii) The child is placed in a residential treatment facility, adoption is unlikely or undesirable, and continuation of parental rights will not prevent finding the child a permanent family placement if the parents cannot resume custody when residential care is no longer needed.

(iv) The child is living with a foster parent or Indian custodian who is unable or unwilling to adopt the child because of exceptional circumstances, that do not include an unwillingness to accept legal or financial responsibility for the child, but who is willing and capable of providing the child with a stable and permanent environment and the removal of the child from the physical custody of his or her foster parent or Indian custodian would be detrimental to the emotional well-being of the child. This clause does not apply to any child who is either (I) under six years of age or (II) a member of a sibling group where at least one child is under six years of age and the siblings are, or should be, permanently placed together.

(v) There would be substantial interference with a child’s sibling relationship, taking into consideration the nature and extent of the relationship, including, but not limited to, whether the child was raised with a sibling in the same home, whether the child shared significant common experiences or has existing close and strong bonds with a sibling, and whether ongoing contact is in the child’s best interest, including the child’s long-term emotional interest, as compared to the benefit of legal permanence through adoption.

(vi) The child is an Indian child and there is a compelling reason for determining that termination of parental rights would not be in the best interest of the child, including, but not limited to:

(I) Termination of parental rights would substantially interfere with the child's connection to his or her tribal community or the child's tribal membership rights.

(II) The child's tribe has identified guardianship, long-term foster care with a fit and willing relative, or another planned permanent living arrangement for the child.

If the court finds that termination of parental rights would be detrimental to the child pursuant to clause (i), (ii), (iii), (iv), (v), or (vi), it shall state its reasons in writing or on the record.

(2) The court shall not terminate parental rights if:

(A) At each hearing at which the court was required to consider reasonable efforts or services, the court has found that reasonable efforts were not made or that reasonable services were not offered or provided.

(B) In the case of an Indian child:

(i) At the hearing terminating parental rights, the court has found that active efforts were not made as required in Section 361.7.

(ii) The court does not make a determination at the hearing terminating parental rights, supported by evidence beyond a reasonable doubt, including testimony of one or more "qualified expert witnesses" as defined in Section 224.6, that the continued custody of the child by the parent is likely to result in serious emotional or physical damage to the child.

(3) If the court finds that termination of parental rights would not be detrimental to the child pursuant to paragraph (1) and that the child has a probability for adoption but is difficult to place for adoption and there is no identified or available prospective adoptive parent, the court may identify adoption as the permanent placement goal and without terminating parental rights, order that efforts be made to locate an appropriate adoptive family for the child, within the state or out of the state, within a period not to exceed 180 days. During this 180-day period, the public agency responsible for seeking adoptive parents for each child shall, to the extent possible, ask each child who is 10 years of age or older, to identify any individuals, other than the child's siblings, who are important to the child, in order to identify potential adoptive parents. The public agency may ask any other child to provide that information, as appropriate. During the 180-day period, the public agency shall, to the extent possible, contact other private and public adoption agencies regarding the availability of the child for adoption. During the 180-day period, the public agency shall conduct the search for adoptive parents in the same manner as prescribed for children in Sections 8708 and 8709 of the Family Code. At the expiration of this period, another hearing shall be held and the court shall proceed pursuant to paragraph (1) or (4) of subdivision (b). For purposes of this section, a child may only be found to be difficult to place for adoption if there is no identified or available prospective adoptive parent for the child because of the child's membership in a sibling group, or the presence of a diagnosed medical, physical, or mental handicap, or the child is the age of seven years or more.

(4) (A) If the court finds that adoption of the child or termination of parental rights is not in the best interest of the child, because one of the

conditions in clause (i), (ii), (iii), (iv), (v), or (vi) of subparagraph (B) of paragraph (1) or in paragraph (2) applies, the court shall either order that the present caretakers or other appropriate persons shall become legal guardians of the child or order that the child remain in long-term foster care. Legal guardianship shall be considered before long-term foster care, if it is in the best interests of the child and if a suitable guardian can be found. A child who is 10 years of age or older, shall be asked to identify any individuals, other than the child's siblings, who are important to the child, in order to identify potential guardians. The agency may ask any other child to provide that information, as appropriate.

(B) If the child is living with a relative or a foster parent who is willing and capable of providing a stable and permanent environment, but not willing to become a legal guardian, the child shall not be removed from the home if the court finds the removal would be seriously detrimental to the emotional well-being of the child because the child has substantial psychological ties to the relative caretaker or foster parents.

(C) The court shall also make an order for visitation with the parents or guardians unless the court finds by a preponderance of the evidence that the visitation would be detrimental to the physical or emotional well-being of the child.

(5) If the court finds that the child should not be placed for adoption, that legal guardianship shall not be established, and that there are no suitable foster parents except exclusive-use homes available to provide the child with a stable and permanent environment, the court may order the care, custody, and control of the child transferred from the county welfare department to a licensed foster family agency. The court shall consider the written recommendation of the county welfare director regarding the suitability of the transfer. The transfer shall be subject to further court orders.

The licensed foster family agency shall place the child in a suitable licensed or exclusive-use home that has been certified by the agency as meeting licensing standards. The licensed foster family agency shall be responsible for supporting the child and providing appropriate services to the child, including those services ordered by the court. Responsibility for the support of the child shall not, in and of itself, create liability on the part of the foster family agency to third persons injured by the child. Those children whose care, custody, and control are transferred to a foster family agency shall not be eligible for foster care maintenance payments or child welfare services, except for emergency response services pursuant to Section 16504.

(d) The proceeding for the appointment of a guardian for a child who is a dependent of the juvenile court shall be in the juvenile court. If the court finds pursuant to this section that legal guardianship is the appropriate permanent plan, it shall appoint the legal guardian and issue letters of guardianship. The assessment prepared pursuant to subdivision (g) of Section 361.5, subdivision (i) of Section 366.21, and subdivision (b) of Section 366.22 shall be read and considered by the court prior to the appointment,

and this shall be reflected in the minutes of the court. The person preparing the assessment may be called and examined by any party to the proceeding.

(e) The proceeding for the adoption of a child who is a dependent of the juvenile court shall be in the juvenile court if the court finds pursuant to this section that adoption is the appropriate permanent plan and the petition for adoption is filed in the juvenile court. Upon the filing of a petition for adoption, the juvenile court shall order that an adoption hearing be set. The court shall proceed with the adoption after the appellate rights of the natural parents have been exhausted. The full report required by Section 8715 of the Family Code shall be read and considered by the court prior to the adoption and this shall be reflected in the minutes of the court. The person preparing the report may be called and examined by any party to the proceeding. It is the intent of the Legislature, pursuant to this subdivision, to give potential adoptive parents the option of filing in the juvenile court the petition for the adoption of a child who is a dependent of the juvenile court. Nothing in this section is intended to prevent the filing of a petition for adoption in any other court as permitted by law, instead of in the juvenile court.

(f) At the beginning of any proceeding pursuant to this section, if the child or the parents are not being represented by previously retained or appointed counsel, the court shall proceed as follows:

(1) In accordance with subdivision (c) of Section 317, if a child before the court is without counsel, the court shall appoint counsel unless the court finds that the child would not benefit from the appointment of counsel. The court shall state on the record its reasons for that finding.

(2) If a parent appears without counsel and is unable to afford counsel, the court shall appoint counsel for the parent, unless this representation is knowingly and intelligently waived. The same counsel shall not be appointed to represent both the child and his or her parent. The public defender or private counsel may be appointed as counsel for the parent.

(3) Private counsel appointed under this section shall receive a reasonable sum for compensation and expenses, the amount of which shall be determined by the court. The amount shall be paid by the real parties in interest, other than the child, in any proportions the court deems just. However, if the court finds that any of the real parties in interest are unable to afford counsel, the amount shall be paid out of the general fund of the county.

(g) The court may continue the proceeding for a period of time not to exceed 30 days as necessary to appoint counsel, and to enable counsel to become acquainted with the case.

(h) (1) At all proceedings under this section, the court shall consider the wishes of the child and shall act in the best interests of the child.

(2) In accordance with Section 349, the child shall be present in court if the child or the child's counsel so requests or the court so orders. If the child is 10 years of age or older and is not present at a hearing held pursuant to this section, the court shall determine whether the minor was properly

notified of his or her right to attend the hearing and inquire as to the reason why the child is not present.

(3) (A) The testimony of the child may be taken in chambers and outside the presence of the child's parent or parents, if the child's parent or parents are represented by counsel, the counsel is present, and any of the following circumstances exists:

(i) The court determines that testimony in chambers is necessary to ensure truthful testimony.

(ii) The child is likely to be intimidated by a formal courtroom setting.

(iii) The child is afraid to testify in front of his or her parent or parents.

(B) After testimony in chambers, the parent or parents of the child may elect to have the court reporter read back the testimony or have the testimony summarized by counsel for the parent or parents.

(C) The testimony of a child also may be taken in chambers and outside the presence of the guardian or guardians of a child under the circumstances specified in this subdivision.

(i) (1) Any order of the court permanently terminating parental rights under this section shall be conclusive and binding upon the child, upon the parent or parents and upon all other persons who have been served with citation by publication or otherwise as provided in this chapter. After making the order, the juvenile court shall have no power to set aside, change, or modify it, except as provided in paragraph (2), but nothing in this section shall be construed to limit the right to appeal the order.

(2) A child who has not been adopted after the passage of at least three years from the date the court terminated parental rights and for whom the court has determined that adoption is no longer the permanent plan may petition the juvenile court to reinstate parental rights pursuant to the procedure prescribed by Section 388. The child may file the petition prior to the expiration of this three-year period if the State Department of Social Services or licensed adoption agency that is responsible for custody and supervision of the child as described in subdivision (j) and the child stipulate that the child is no longer likely to be adopted. A child over 12 years of age shall sign the petition in the absence of a showing of good cause as to why the child could not do so. If it appears that the best interests of the child may be promoted by reinstatement of parental rights, the court shall order that a hearing be held and shall give prior notice, or cause prior notice to be given, to the social worker or probation officer and to the child's attorney of record, or, if there is no attorney of record for the child, to the child, and the child's tribe, if applicable, by means prescribed by subdivision (c) of Section 297. The court shall order the child or the social worker or probation officer to give prior notice of the hearing to the child's former parent or parents whose parental rights were terminated in the manner prescribed by subdivision (f) of Section 294 where the recommendation is adoption. The juvenile court shall grant the petition if it finds by clear and convincing evidence that the child is no longer likely to be adopted and that reinstatement of parental rights is in the child's best interest. If the court reinstates parental rights over a child who is under 12 years of age and for

whom the new permanent plan will not be reunification with a parent or legal guardian, the court shall specify the factual basis for its findings that it is in the best interest of the child to reinstate parental rights. This subdivision is intended to be retroactive and applies to any child who is under the jurisdiction of the juvenile court at the time of the hearing regardless of the date parental rights were terminated.

(j) If the court, by order or judgment, declares the child free from the custody and control of both parents, or one parent if the other does not have custody and control, the court shall at the same time order the child referred to the State Department of Social Services or a licensed adoption agency for adoptive placement by the agency. However, a petition for adoption may not be granted until the appellate rights of the natural parents have been exhausted. The State Department of Social Services or licensed adoption agency shall be responsible for the custody and supervision of the child and shall be entitled to the exclusive care and control of the child at all times until a petition for adoption is granted, except as specified in subdivision (n). With the consent of the agency, the court may appoint a guardian of the child, who shall serve until the child is adopted.

(k) Notwithstanding any other provision of law, the application of any person who, as a relative caretaker or foster parent, has cared for a dependent child for whom the court has approved a permanent plan for adoption, or who has been freed for adoption, shall be given preference with respect to that child over all other applications for adoptive placement if the agency making the placement determines that the child has substantial emotional ties to the relative caretaker or foster parent and removal from the relative caretaker or foster parent would be seriously detrimental to the child's emotional well-being.

As used in this subdivision, "preference" means that the application shall be processed and, if satisfactory, the family study shall be completed before the processing of the application of any other person for the adoptive placement of the child.

(l) (1) An order by the court that a hearing pursuant to this section be held is not appealable at any time unless all of the following apply:

(A) A petition for extraordinary writ review was filed in a timely manner.

(B) The petition substantively addressed the specific issues to be challenged and supported that challenge by an adequate record.

(C) The petition for extraordinary writ review was summarily denied or otherwise not decided on the merits.

(2) Failure to file a petition for extraordinary writ review within the period specified by rule, to substantively address the specific issues challenged, or to support that challenge by an adequate record shall preclude subsequent review by appeal of the findings and orders made pursuant to this section.

(3) The Judicial Council shall adopt rules of court, effective January 1, 1995, to ensure all of the following:

(A) A trial court, after issuance of an order directing a hearing pursuant to this section be held, shall advise all parties of the requirement of filing a

petition for extraordinary writ review as set forth in this subdivision in order to preserve any right to appeal in these issues. This notice shall be made orally to a party if the party is present at the time of the making of the order or by first-class mail by the clerk of the court to the last known address of a party not present at the time of the making of the order.

(B) The prompt transmittal of the records from the trial court to the appellate court.

(C) That adequate time requirements for counsel and court personnel exist to implement the objective of this subdivision.

(D) That the parent or guardian, or their trial counsel or other counsel, is charged with the responsibility of filing a petition for extraordinary writ relief pursuant to this subdivision.

(4) The intent of this subdivision is to do both of the following:

(A) Make every reasonable attempt to achieve a substantive and meritorious review by the appellate court within the time specified in Sections 366.21 and 366.22 for holding a hearing pursuant to this section.

(B) Encourage the appellate court to determine all writ petitions filed pursuant to this subdivision on their merits.

(5) This subdivision shall only apply to cases in which an order to set a hearing pursuant to this section is issued on or after January 1, 1995.

(m) Except for subdivision (j), this section shall also apply to minors adjudged wards pursuant to Section 727.31.

(n) (1) Notwithstanding Section 8704 of the Family Code or any other provision of law, the court, at a hearing held pursuant to this section or anytime thereafter, may designate a current caretaker as a prospective adoptive parent if the child has lived with the caretaker for at least six months, the caretaker currently expresses a commitment to adopt the child, and the caretaker has taken at least one step to facilitate the adoption process. In determining whether to make that designation, the court may take into consideration whether the caretaker is listed in the preliminary assessment prepared by the county department in accordance with subdivision (i) of Section 366.21 as an appropriate person to be considered as an adoptive parent for the child and the recommendation of the State Department of Social Services or licensed adoption agency.

(2) For purposes of this subdivision, steps to facilitate the adoption process include, but are not limited to, the following:

(A) Applying for an adoption home study.

(B) Cooperating with an adoption home study.

(C) Being designated by the court or the licensed adoption agency as the adoptive family.

(D) Requesting de facto parent status.

(E) Signing an adoptive placement agreement.

(F) Engaging in discussions regarding a postadoption contact agreement.

(G) Working to overcome any impediments that have been identified by the State Department of Social Services and the licensed adoption agency.

(H) Attending classes required of prospective adoptive parents.

(3) Prior to a change in placement and as soon as possible after a decision is made to remove a child from the home of a designated prospective adoptive parent, the agency shall notify the court, the designated prospective adoptive parent or the current caretaker, if that caretaker would have met the threshold criteria to be designated as a prospective adoptive parent pursuant to paragraph (1) on the date of service of this notice, the child's attorney, and the child, if the child is 10 years of age or older, of the proposal in the manner described in Section 16010.6.

(A) Within five court days or seven calendar days, whichever is longer, of the date of notification, the child, the child's attorney, or the designated prospective adoptive parent may file a petition with the court objecting to the proposal to remove the child, or the court, upon its own motion, may set a hearing regarding the proposal. The court may, for good cause, extend the filing period. A caretaker who would have met the threshold criteria to be designated as a prospective adoptive parent pursuant to paragraph (1) on the date of service of the notice of proposed removal of the child may file, together with the petition under this subparagraph, a petition for an order designating the caretaker as a prospective adoptive parent for purposes of this subdivision.

(B) A hearing ordered pursuant to this paragraph shall be held as soon as possible and not later than five court days after the petition is filed with the court or the court sets a hearing upon its own motion, unless the court for good cause is unable to set the matter for hearing five court days after the petition is filed, in which case the court shall set the matter for hearing as soon as possible. At the hearing, the court shall determine whether the caretaker has met the threshold criteria to be designated as a prospective adoptive parent pursuant to paragraph (1), and whether the proposed removal of the child from the home of the designated prospective adoptive parent is in the child's best interest, and the child may not be removed from the home of the designated prospective adoptive parent unless the court finds that removal is in the child's best interest. If the court determines that the caretaker did not meet the threshold criteria to be designated as a prospective adoptive parent on the date of service of the notice of proposed removal of the child, the petition objecting to the proposed removal filed by the caretaker shall be dismissed. If the caretaker was designated as a prospective adoptive parent prior to this hearing, the court shall inquire into any progress made by the caretaker towards the adoption of the child since the caretaker was designated as a prospective adoptive parent.

(C) A determination by the court that the caretaker is a designated prospective adoptive parent pursuant to paragraph (1) or subparagraph (B) does not make the caretaker a party to the dependency proceeding nor does it confer on the caretaker any standing to object to any other action of the department or licensed adoption agency, unless the caretaker has been declared a de facto parent by the court prior to the notice of removal served pursuant to paragraph (3).

(D) If a petition objecting to the proposal to remove the child is not filed, and the court, upon its own motion, does not set a hearing, the child may

be removed from the home of the designated prospective adoptive parent without a hearing.

(4) Notwithstanding paragraph (3), if the State Department of Social Services or a licensed adoption agency determines that the child must be removed from the home of the caretaker who is or may be a designated prospective adoptive parent immediately, due to a risk of physical or emotional harm, the agency may remove the child from that home and is not required to provide notice prior to the removal. However, as soon as possible and not longer than two court days after the removal, the agency shall notify the court, the caretaker who is or may be a designated prospective adoptive parent, the child's attorney, and the child, if the child is 10 years of age or older, of the removal. Within five court days or seven calendar days, whichever is longer, of the date of notification of the removal, the child, the child's attorney, or the caretaker who is or may be a designated prospective adoptive parent may petition for, or the court on its own motion may set, a noticed hearing pursuant to paragraph (3). The court may, for good cause, extend the filing period.

(5) Except as provided in subdivision (b) of Section 366.28, an order by the court issued after a hearing pursuant to this subdivision shall not be appealable.

(6) Nothing in this section shall preclude a county child protective services agency from fully investigating and responding to alleged abuse or neglect of a child pursuant to Section 11165.5 of the Penal Code.

(7) The Judicial Council shall prepare forms to facilitate the filing of the petitions described in this subdivision, which shall become effective on January 1, 2006.

(o) The implementation and operation of the amendments to paragraph (3) of subdivision (c) and subparagraph (A) of paragraph (4) of subdivision (c) enacted at the 2005–06 Regular Session shall be subject to appropriation through the budget process and by phase, as provided in Section 366.35.

SEC. 29. Section 16500.1 of the Welfare and Institutions Code is amended to read:

16500.1. (a) It is the intent of the Legislature to use the strengths of families and communities to serve the needs of children who are alleged to be abused or neglected, as described in Section 300, to reduce the necessity for removing these children from their home, to encourage speedy reunification of families when it can be safely accomplished, to locate permanent homes and families for children who cannot return to their biological families, to reduce the number of placements experienced by these children, to ensure that children leaving the foster care system have support within their communities, to improve the quality and homelike nature of out-of-home care, and to foster the educational progress of children in out-of-home care.

(b) In order to achieve the goals specified in subdivision (a), the state shall encourage the development of approaches to child protection that do all of the following:

(1) Allow children to remain in their own schools, in close proximity to their families.

(2) Increase the number and quality of foster families available to serve these children.

(3) Use a team approach to foster care that permits the biological and foster family and the child to be part of that team.

(4) Use team decisionmaking in case planning.

(5) Provide support to foster children and foster families.

(6) Ensure that licensing requirements do not create barriers to recruitment of qualified, high-quality foster homes.

(7) Provide training for foster parents and professional staff on working effectively with families and communities.

(8) Encourage foster parents to serve as mentors and role models for biological parents.

(9) Use community resources, including community-based agencies and volunteer organizations, to assist in developing placements for children and to provide support for children and their families.

(10) Ensure an appropriate array of placement resources for children in need of out-of-home care.

(11) Ensure that no child leaves foster care without a lifelong connection to a committed adult.

(12) Ensure that children are actively involved in the case plan and permanency planning process.

(c) (1) Each county shall provide the department with a disaster response plan describing how county programs assisted under Part B (commencing with Section 620) and Part E (commencing with Section 670) of Subchapter IV of Chapter 7 of Title 42 of the United States Code (Titles IV-B and IV-E of the Social Security Act) would respond to a disaster. The plan shall set forth procedures describing how each county will perform the following services:

(A) Identify, locate, and continue availability of services for children under state care or supervision who are displaced or adversely affected by a disaster.

(B) Respond, as appropriate, to new child welfare cases in areas adversely affected by a disaster, and provide services in those cases.

(C) Remain in communication with caseworkers and other essential child welfare personnel who are displaced because of a disaster.

(D) Preserve essential program records.

(E) Coordinate services and share information with other counties.

(2) The department shall review its disaster plan with respect to subparagraphs (A) to (E), inclusive, of paragraph (1), and shall revise the plan to clarify the role and responsibilities of the state in the event of a disaster.

(3) The department shall consult with counties to identify opportunities for collaboration between counties, and between the county and the state, in the event of a disaster.

(d) In carrying out the requirements of subdivisions (b) and (c), the department shall do all of the following:

(1) Consider the existing array of program models provided in statute and in practice, including, but not limited to, wraparound services, as defined in Section 18251, children's systems of care, as provided for in Section 5852, the Oregon Family Unity or Santa Clara County Family Conference models, which include family conferences at key points in the casework process, such as when out-of-home placement or return home is considered, and the Annie E. Casey Foundation Family to Family initiative, which uses team decisionmaking in case planning, community-based placement practices requiring that children be placed in foster care in the communities where they resided prior to placement, and involve foster families as team members in family reunification efforts.

(2) Ensure that emergency response services, family maintenance services, family reunification services, and permanent placement services are coordinated with the implementation of the models described in paragraph (1).

(3) Ensure consistency between child welfare services program regulations and the program models described in paragraph (1).

(e) The department, in conjunction with stakeholders, including, but not limited to, county child welfare services agencies, foster parent and group home associations, the California Youth Connection, and other child advocacy groups, shall review the existing child welfare services program regulations to ensure that these regulations are consistent with the legislative intent specified in subdivision (a). This review shall also determine how to incorporate the best practice guidelines for assessment of children and families receiving child welfare and foster care services, as required by Section 16501.2.

(f) The department shall report to the Legislature on the results of the actions taken under this section on or before January 1, 2002.

SEC. 30. Section 16501.1 of the Welfare and Institutions Code is amended to read:

16501.1. (a) (1) The Legislature finds and declares that the foundation and central unifying tool in child welfare services is the case plan.

(2) The Legislature further finds and declares that a case plan ensures that the child receives protection and safe and proper care and case management, and that services are provided to the child and parents or other caretakers, as appropriate, in order to improve conditions in the parent's home, to facilitate the safe return of the child to a safe home or the permanent placement of the child, and to address the needs of the child while in foster care.

(b) (1) A case plan shall be based upon the principles of this section and shall document that a preplacement assessment of the service needs of the child and family, and preplacement preventive services, have been provided, and that reasonable efforts to prevent out-of-home placement have been made.

(2) In determining the reasonable services to be offered or provided, the child's health and safety shall be the paramount concerns.

(3) Reasonable services shall be offered or provided to make it possible for a child to return to a safe home environment, unless, pursuant to subdivisions (b) and (e) of Section 361.5, the court determines that reunification services shall not be provided.

(4) If reasonable services are not ordered, or are terminated, reasonable efforts shall be made to place the child in a timely manner in accordance with the permanent plan and to complete all steps necessary to finalize the permanent placement of the child.

(c) (1) If out-of-home placement is used to attain case plan goals, the decision regarding choice of placement shall be based upon selection of a safe setting that is the least restrictive or most familylike and the most appropriate setting that is available and in close proximity to the parent's home, proximity to the child's school, consistent with the selection of the environment best suited to meet the child's special needs and best interests, or both. The selection shall consider, in order of priority, placement with relatives, tribal members, and foster family, group care, and residential treatment pursuant to Section 7950 of the Family Code.

(2) In addition to the requirements of paragraph (1), and taking into account other statutory considerations regarding placement, the selection of the most appropriate home that will meet the child's special needs and best interests shall also promote educational stability by taking into consideration proximity to the child's school attendance area.

(d) A written case plan shall be completed within a maximum of 60 days of the initial removal of the child or of the in-person response required under subdivision (f) of Section 16501 if the child has not been removed from his or her home, or by the date of the dispositional hearing pursuant to Section 358, whichever occurs first. The case plan shall be updated, as the service needs of the child and family dictate. At a minimum, the case plan shall be updated in conjunction with each status review hearing conducted pursuant to Section 366.21, and the hearing conducted pursuant to Section 366.26, but no less frequently than once every six months. Each updated case plan shall include a description of the services that have been provided to the child under the plan and an evaluation of the appropriateness and effectiveness of those services.

(1) It is the intent of the Legislature that extending the maximum time available for preparing a written case plan from 30 to 60 days will afford caseworkers time to actively engage families, and to solicit and integrate into the case plan the input of the child and the child's family, as well as the input of relatives and other interested parties.

(2) The extension of the maximum time available for preparing a written case plan from the 30 to 60 days shall be effective 90 days after the date that the department gives counties written notice that necessary changes have been made to the Child Welfare Services Case Management System to account for the 60-day timeframe for preparing a written case plan.

(e) The child welfare services case plan shall be comprehensive enough to meet the juvenile court dependency proceedings requirements pursuant to Article 6 (commencing with Section 300) of Chapter 2 of Part 1 of Division 2.

(f) The case plan shall be developed as follows:

(1) The case plan shall be based upon an assessment of the circumstances that required child welfare services intervention. The child shall be involved in developing the case plan as age and developmentally appropriate.

(2) The case plan shall identify specific goals and the appropriateness of the planned services in meeting those goals.

(3) The case plan shall identify the original allegations of abuse or neglect, as defined in Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code, or the conditions cited as the basis for declaring the child a dependent of the court pursuant to Section 300, or all of these, and the other precipitating incidents that led to child welfare services intervention.

(4) The case plan shall include a description of the schedule of the social worker contacts with the child and the family or other caretakers. The frequency of these contacts shall be in accordance with regulations adopted by the State Department of Social Services. If the child has been placed in foster care out of state, the county social worker or a social worker on the staff of the social services agency in the state in which the child has been placed shall visit the child in a foster family home or the home of a relative at least every 12 months and submit a report to the court on each visit. For children in out-of-state group home facilities, visits shall be conducted at least monthly, pursuant to Section 16516.5. At least once every six months, at the time of a regularly scheduled social worker contact with the foster child, the child's social worker shall inform the child of his or her rights as a foster child, as specified in Section 16001.9. The social worker shall provide the information to the child in a manner appropriate to the age or developmental level of the child.

(5) (A) When out-of-home services are used, the frequency of contact between the natural parents or legal guardians and the child shall be specified in the case plan. The frequency of those contacts shall reflect overall case goals, and consider other principles outlined in this section.

(B) Information regarding any court-ordered visitation between the child and the natural parents or legal guardians, and the terms and conditions needed to facilitate the visits while protecting the safety of the child, shall be provided to the child's out-of-home caregiver as soon as possible after the court order is made.

(6) When out-of-home placement is made, the case plan shall include provisions for the development and maintenance of sibling relationships as specified in subdivisions (b), (c), and (d) of Section 16002. If appropriate, when siblings who are dependents of the juvenile court are not placed together, the social worker for each child, if different, shall communicate with each of the other social workers and ensure that the child's siblings are informed of significant life events that occur within their extended

family. Unless it has been determined that it is inappropriate in a particular case to keep siblings informed of significant life events that occur within the extended family, the social worker shall determine the appropriate means and setting for disclosure of this information to the child commensurate with the child's age and emotional well-being. These significant life events shall include, but shall not be limited to, the following:

(A) The death of an immediate relative.

(B) The birth of a sibling.

(C) Significant changes regarding a dependent child, unless the child objects to the sharing of the information with his or her siblings, including changes in placement, major medical or mental health diagnoses, treatments, or hospitalizations, arrests, and changes in the permanent plan.

(7) If out-of-home placement is made in a foster family home, group home or other child care institution that is either a substantial distance from the home of the child's parent or out of state, the case plan shall specify the reasons why that placement is in the best interest of the child. When an out-of-state group home placement is recommended or made, the case plan shall, in addition, specify compliance with Section 7911.1 of the Family Code.

(8) (A) If out-of-home services are used, or if parental rights have been terminated and the case plan is placement for adoption, the case plan shall include a recommendation regarding the appropriateness of unsupervised visitation between the child and any of the child's siblings. This recommendation shall include a statement regarding the child's and the siblings' willingness to participate in unsupervised visitation. If the case plan includes a recommendation for unsupervised sibling visitation, the plan shall also note that information necessary to accomplish this visitation has been provided to the child or to the child's siblings.

(B) Information regarding the schedule and frequency of the visits between the child and siblings, as well as any court-ordered terms and conditions needed to facilitate the visits while protecting the safety of the child, shall be provided to the child's out-of-home caregiver as soon as possible after the court order is made.

(9) If out-of-home services are used and the goal is reunification, the case plan shall describe the services to be provided to assist in reunification and the services to be provided concurrently to achieve legal permanency if efforts to reunify fail. The plan shall also consider in-state and out-of-state placements, the importance of developing and maintaining sibling relationships pursuant to Section 16002, and the desire and willingness of the caregiver to provide legal permanency for the child if reunification is unsuccessful.

(10) If out-of-home services are used, the child has been in care for at least 12 months, and the goal is not adoptive placement, the case plan shall include documentation of the compelling reason or reasons why termination of parental rights is not in the child's best interest. A determination completed or updated within the past 12 months by the department when it is acting as an adoption agency or by a licensed adoption agency that it is

unlikely that the child will be adopted, or that one of the conditions described in paragraph (1) of subdivision (c) of Section 366.26 applies, shall be deemed a compelling reason.

(11) (A) Parents and legal guardians shall have an opportunity to review the case plan, and to sign it whenever possible, and then shall receive a copy of the plan. In any voluntary service or placement agreement, the parents or legal guardians shall be required to review and sign the case plan. Whenever possible, parents and legal guardians shall participate in the development of the case plan.

(B) Parents and legal guardians shall be advised that, pursuant to Section 1228.1 of the Evidence Code, neither their signature on the child welfare services case plan nor their acceptance of any services prescribed in the child welfare services case plan shall constitute an admission of guilt or be used as evidence against the parent or legal guardian in a court of law. However, they shall also be advised that the parent's or guardian's failure to cooperate, except for good cause, in the provision of services specified in the child welfare services case plan may be used in any hearing held pursuant to Section 366.21 or 366.22 as evidence.

(12) A child shall be given a meaningful opportunity to participate in the development of the case plan and state his or her preference for foster care placement. A child who is 12 years of age or older and in a permanent placement shall also be given the opportunity to review the case plan, sign the case plan, and receive a copy of the case plan.

(13) The case plan shall be included in the court report and shall be considered by the court at the initial hearing and each review hearing. Modifications to the case plan made during the period between review hearings need not be approved by the court if the casework supervisor for that case determines that the modifications further the goals of the plan. If out-of-home services are used with the goal of family reunification, the case plan shall consider and describe the application of subdivision (b) of Section 11203.

(14) If the case plan has as its goal for the child a permanent plan of adoption or placement in another permanent home, it shall include a statement of the child's wishes regarding their permanent placement plan and an assessment of those stated wishes. The agency shall also include documentation of the steps the agency is taking to find an adoptive family or other permanent living arrangements for the child; to place the child with an adoptive family, an appropriate and willing relative, a legal guardian, or in another planned permanent living arrangement; and to finalize the adoption or legal guardianship. At a minimum, the documentation shall include child-specific recruitment efforts, such as the use of state, regional, and national adoption exchanges, including electronic exchange systems, when the child has been freed for adoption.

(15) When appropriate, for a child who is 16 years of age or older, the case plan shall include a written description of the programs and services that will help the child, consistent with the child's best interests, prepare for the transition from foster care to independent living. The case plan shall

be developed with the child and individuals identified as important to the child, and shall include steps the agency is taking to ensure that the child has a connection to a caring adult.

(g) If the court finds, after considering the case plan, that unsupervised sibling visitation is appropriate and has been consented to, the court shall order that the child or the child's siblings, the child's current caregiver, and the child's prospective adoptive parents, if applicable, be provided with information necessary to accomplish this visitation. This section does not require or prohibit the social worker's facilitation, transportation, or supervision of visits between the child and his or her siblings.

(h) The case plan documentation on sibling placements required under this section shall not require modification of existing case plan forms until the Child Welfare Services Case Management System is implemented on a statewide basis.

(i) When a child who is 10 years of age or older and who has been in out-of-home placement for six months or longer, the case plan shall include an identification of individuals, other than the child's siblings, who are important to the child and actions necessary to maintain the child's relationship with those individuals, provided that those relationships are in the best interest of the child. The social worker shall ask every child who is 10 years of age or older and who has been in out-of-home placement for six months or longer to identify individuals other than the child's siblings who are important to the child, and may ask any other child to provide that information, as appropriate. The social worker shall make efforts to identify other individuals who are important to the child, consistent with the child's best interests.

(j) The child's caregiver shall be provided a copy of a plan outlining the child's needs and services.

(k) On or before June 30, 2008, the department, in consultation with the County Welfare Directors Association and other advocates, shall develop a comprehensive plan to ensure that 90 percent of foster children are visited by their caseworkers on a monthly basis by October 1, 2011, and that the majority of the visits occur in the residence of the child. The plan shall include any data reporting requirements necessary to comply with the provisions of the federal Child and Family Services Improvement Act of 2006 (Public Law 109-288).

(l) The implementation and operation of the amendments to subdivision (i) enacted at the 2005–06 Regular Session shall be subject to appropriation through the budget process and by phase, as provided in Section 366.35.
