AMENDED IN ASSEMBLY JUNE 12, 2007

AMENDED IN SENATE MAY 15, 2007

SENATE BILL

No. 795

Introduced by Senator Yee

February 23, 2007

An act to amend Section 8778 of, and to add Section 8778.5 to, the Health and Safety Code, relating to cemeteries.

LEGISLATIVE COUNSEL'S DIGEST

SB 795, as amended, Yee. Cemeteries: investment of special care trust funds.

Existing law, the Cemetery Act, which is administered by the Cemetery and Funeral Bureau, provides for the regulation of certain cemeteries, including any cemetery that establishes an endowment care fund or a special care trust fund. Under existing law, endowment care funds and special care trust funds are required to be invested and reinvested in specified types of investments. Existing law provides that any investment lawful for endowment care funds is a lawful investment for special care trusts created by irrevocable agreement.

This bill would instead provide that any investment that is lawful for endowment care funds is a lawful investment for any special care trust.

Existing regulations adopted by the bureau require a trust agreement between the board of trustees or cemetery authority and trustor to set forth what revocation expenses will be charged out of the income of the trust upon its revocation, as provided, and prohibits the amount charged for revocation expenses from exceeding 10% of the trust corpus.

The bill would require the board of trustees to honor a written request of revocation by the trustor within ~~15~~ 30 days upon receipt of the written request, and would authorize a board of trustees to charge a revocation fee out of the earned income of a special care trust fund, provided that the amount charged does not exceed 10% of the trust corpus, subject to certain exceptions. The bill would also permit the board of trustees to charge an annual fee, not to exceed 4% of the trust balance, for administering a revocable special care trust fund, as provided. The bill would make a violation of these provisions punishable by disciplinary action as provided under existing provisions of law, or by a civil fine, or both, as determined by the Cemetery and Funeral Bureau.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
