An act to amend Section 19607 of the Business and Professions Code, relating to horse racing.

LEGISLATIVE COUNSEL'S DIGEST

Existing law requires an amount not to exceed 1.25% of the total amount handled by satellite wagering facilities on thoroughbred races in the central or southern zone to be deducted from the funds otherwise allocated for distribution as commissions, purses, and owners' premiums and instead distributed to an organization formed as specified to administer, pursuant to supervision of the California Horse Racing Board, a fund to provide reimbursement for offsite stabling at board-approved auxiliary training facilities for additional stalls and for vanning, as provided.

This bill would increase the amount that is required to be deducted to an amount not to exceed 1.26%.
