

AMENDED IN SENATE MARCH 24, 2008

SENATE BILL

No. 1364

Introduced by Senator Cedillo

February 21, 2008

~~An act to amend Section 21466 of the Vehicle Code, relating to vehicles. An act to add and repeal Part 2.5 (commencing with Section 104340) of Division 103 of the Health and Safety Code, relating to autism spectrum disorders.~~

LEGISLATIVE COUNSEL'S DIGEST

SB 1364, as amended, Cedillo. ~~Traffic control. Autism spectrum disorders: advisory council: centralized registry.~~

Existing law imposes various functions and duties on the State Department of Public Health with respect to the administration and oversight of various disease prevention and health promotion programs.

This bill would require the department, by January 1, 2010, to establish the Autism Spectrum Disorders Advisory Council composed of 18 members, with 6 members each to be appointed by the Senate Committee on Rules, the Speaker of the Assembly, and the Governor. This bill would require the council to provide recommendations to the department to enable it to deal more effectively with the public health crisis of autism spectrum disorders.

This bill would also permit the department, in partnership with the council, the State Department of Developmental Services, the State Department of Education, and other appropriate state and local agencies to establish a pilot project in 3 or more counties that will provide a voluntary centralized registry for individuals with autism spectrum disorders.

This bill would require the department, on or before June 1, 2012, to submit a report to the Governor and the Legislature with recommendations from the council, including findings and recommendations about implementing a voluntary centralized registry for individuals with autism spectrum disorders.

This bill would establish the Autism Spectrum Disorders Public Health Program Fund in the State Treasury, would require the department to deposit any moneys available for purposes of the bill into the fund, and would permit the department to use moneys in the fund, upon appropriation by the Legislature, to implement the bill.

This bill would make its provisions inoperative on July 1, 2012, and repeal them on January 1, 2013.

~~Existing law prohibits any person from placing, maintaining, or displaying upon or in view of any highway any light in such a position as to prevent the driver of a vehicle from readily recognizing any official traffic control device.~~

~~This bill would make technical, nonsubstantive changes to these provisions.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~ yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. The Legislature finds and declares all of the
- 2 following:
- 3 (a) Autism spectrum disorders are now the fastest growing
- 4 serious developmental disabilities in California and affect one in
- 5 every 150 children and one in 94 boys.
- 6 (b) Most school districts in California have seen a doubling of
- 7 students with autism spectrum disorders in the past four years
- 8 alone. The number of Californians with autism spectrum disorders
- 9 who are served by the State Department of Developmental Services
- 10 now exceeds 35,000, which is a number that has more than tripled
- 11 since 1998 and has increased more than twelvefold since 1987.
- 12 (c) Many Californians are not adequately informed about autism
- 13 spectrum disorders and the value and importance of early
- 14 identification, assessment, and treatment of these disorders.
- 15 (d) Individuals with autism spectrum disorders and their families
- 16 in underserved populations face tremendous and overwhelming

1 challenges in accessing and navigating the complex programs and
2 services for these disorders.

3 (e) Programs and services that serve individuals with autism
4 spectrum disorders typically lack appropriate data management
5 and information sharing systems, which have precluded California
6 from accessing federal funding and resources.

7 (f) Autism spectrum disorders are a public health crisis, and
8 yet the state lacks a comprehensive public health initiative and
9 infrastructure.

10 (g) The State Department of Public Health has been established
11 to improve access to health care services, and this department
12 currently has an impressive record of autism study and research
13 within its Environmental Health Investigations Branch.

14 SEC. 2. Part 2.5 (commencing with Section 104340) is added
15 to Division 103 of the Health and Safety Code, to read:

16
17 PART 2.5. AUTISM SPECTRUM DISORDERS

26 (b) The council shall consist of 18 members, six members
27 appointed by the Senate Committee on Rules, six members
28 appointed by the Speaker of the Assembly, and six members
29 appointed by the Governor.

30 (c) The council shall reflect the diverse and multicultural
31 population of California and shall include at least one
32 representative from each of the following:

33 (1) Individuals with autism spectrum disorders or their family
34 members.

35 (2) Individuals with experience and expertise in the field of
36 biomedical research related to autism spectrum disorders.

37 (3) Individuals with experience and expertise in the area of
38 public health issues related to autism spectrum disorders.

1 (4) Individuals with experience and expertise in the area of
2 autism spectrum disorder issues related to underserved
3 communities.

4 (5) Individuals with experience in the area of community
5 outreach, education, or public relations related to autism spectrum
6 disorders.

7 (6) Individuals with experience and expertise in services and
8 programs provided by regional centers or the State Department
9 of Developmental Services.

10 (7) Individuals with experience and expertise in programs and
11 services for autism spectrum disorders through special education.

12 (8) Individuals with experience and expertise in programs and
13 services provided to adults with autism spectrum disorders.

14 (9) Individuals with experience and expertise in programs and
15 services related to autism spectrum disorder medical treatments
16 and interventions.

17 (10) The council shall be chaired by the State Public Health
18 Officer or his or her designee.

19 104341. The council shall provide input and make
20 recommendations to the department that will enable the department
21 to deal more effectively with the public health crisis of autism
22 spectrum disorders. These recommendations may include, but are
23 not limited to, the following issues:

24 (a) Strategies to enhance public awareness of the signs and
25 manifestations of autism spectrum disorders.

26 (b) Strategies to enhance public awareness of the importance
27 of early screening, diagnosis, assessment, intervention, and
28 treatment of autism spectrum disorders.

29 (c) Strategies to enhance partnerships between public and
30 private entities and to mobilize all available resources to address
31 the public health crisis of autism spectrum disorders.

32 (d) Strategies to improve access to and navigation of programs
33 and systems that provide services to individuals with autism
34 spectrum disorders and their families.

35 (e) Strategies that will improve and provide needed services to
36 underserved communities.

37 (f) Strategies that will provide improved coordination and
38 integration of programs and services for autism spectrum disorders
39 at the state, regional, county, and community levels.

1 (g) Strategies that provide recommendations and input on
2 existing programs at the department that are potentially related
3 to autism spectrum disorders, including, but not limited to, the
4 California Environmental Contaminant Biomonitoring Program
5 provided for pursuant to Chapter 8 (commencing with Section
6 15480) of Part 5, and other programs administered by the
7 Environmental Health Investigations Branch.

8 104342. (a) The department, in partnership with the council,
9 the State Department of Developmental Services, the State
10 Department of Education, and other appropriate state and local
11 agencies may establish a pilot project in three or more consenting
12 counties that will provide a voluntary centralized registry for
13 individuals with autism spectrum disorders.

14 (b) A registry created pursuant to subdivision (a) shall ensure
15 the confidentiality of all participants and comply with all existing
16 federal and state confidentiality laws and regulations.

17 (c) The goals and objectives of the pilot project shall include,
18 but not be limited to, demonstrating the value of a centralized
19 registry with regard to the following:

20 (1) Planning, administering, and delivering programs and
21 services related to autism spectrum disorders.

22 (2) Future public health services related to autism spectrum
23 disorders.

24 (3) Future research related to autism spectrum disorders.

25 104343. The department shall submit a report to the Governor
26 and the Legislature on or before June 1, 2012, that includes all of
27 the following:

28 (a) Recommendations and strategies that were provided by the
29 council to the department.

30 (b) Findings and recommendations about implementing a
31 voluntary centralized registry for individuals with autism spectrum
32 disorders.

33 (c) Findings and recommendations about the future of the
34 council and implementing a voluntary centralized registry for
35 individuals with autism spectrum disorders.

36 104344. The department and the council may partner with
37 existing public and private programs and initiatives to share
38 information, avoid duplication, and build upon the work and
39 recommendations of reports and published models regarding
40 autism spectrum disorders.

1 104345. *The Autism Spectrum Disorders Public Health*
