

Senate Bill No. 1396

CHAPTER 405

An act to amend Section 27388 of the Government Code, relating to local government.

[Approved by Governor September 27, 2008. Filed with
Secretary of State September 27, 2008.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1396, Cox. Local government: recording fees.

Existing law authorizes a county board of supervisors to impose a fee of up to \$2 to be paid at the time of recording of every real estate instrument, paper, or notice required or permitted by law to be recorded within that county, and defines "real estate instrument" to mean a deed of trust, an assignment of deed of trust, a reconveyance, a request for notice, and a notice of default.

This bill would authorize a county board of supervisors to impose a fee of up to \$3 to be paid at the time of recording of every real estate instrument, paper, or notice required or permitted by law to be recorded within that county, except as specified, and would define "real estate instrument" to mean a deed of trust, an assignment of deed of trust, a reconveyance, a request for notice, a notice of default, a substitution of trustee, a notice of trustee sale, and a notice of rescission of declaration of default.

The people of the State of California do enact as follows:

SECTION 1. Section 27388 of the Government Code is amended to read:

27388. (a) In addition to any other recording fees specified in this code, upon the adoption of a resolution by the county board of supervisors, a fee of up to three dollars (\$3) shall be paid at the time of recording of every real estate instrument, paper, or notice required or permitted by law to be recorded within that county, except those expressly exempted from payment of recording fees. "Real estate instrument" is defined for the purpose of this section as a deed of trust, an assignment of deed of trust, a reconveyance, a request for notice, a notice of default, a substitution of trustee, a notice of trustee sale, and a notice of rescission of declaration of default. "Real estate instrument" does not include any deed, instrument, or writing subject to the imposition of a documentary transfer tax as defined in Section 11911 of the Revenue and Taxation Code, nor any document required to facilitate the transfer subject to the documentary transfer tax. The fees, after deduction of any actual and necessary administrative costs incurred by the county in

carrying out this section, shall be paid quarterly to the county auditor or director of finance, to be placed in the Real Estate Fraud Prosecution Trust Fund. The amount deducted for administrative costs shall not exceed 10 percent of the fees paid pursuant to this section.

(b) Money placed in the Real Estate Fraud Prosecution Trust Fund shall be expended to fund programs to enhance the capacity of local police and prosecutors to deter, investigate, and prosecute real estate fraud crimes. After deduction of the actual and necessary administrative costs referred to in subdivision (a), 60 percent of the funds shall be distributed to district attorneys subject to review pursuant to subdivision (d), and 40 percent of the funds shall be distributed to local law enforcement agencies within the county in accordance with subdivision (c). In those counties where the investigation of real estate fraud is done exclusively by the district attorney, after deduction of the actual and necessary administrative costs referred to in subdivision (a), 100 percent of the funds shall be distributed to the district attorney, subject to review pursuant to subdivision (d). The funds so distributed shall be expended for the exclusive purpose of deterring, investigating, and prosecuting real estate fraud crimes.

(c) The county auditor or director of finance shall distribute funds in the Real Estate Fraud Prosecution Trust Fund to eligible law enforcement agencies within the county pursuant to subdivision (b), as determined by a Real Estate Fraud Prosecution Trust Fund Committee composed of the district attorney, the county chief administrative officer, the chief officer responsible for consumer protection within the county, and the chief law enforcement officer of one law enforcement agency receiving funding from the Real Estate Fraud Prosecution Trust Fund, the latter being selected by a majority of the other three members of the committee. The chief law enforcement officer shall be a nonvoting member of the committee and shall serve a one-year term, which may be renewed. Members may appoint representatives of their offices to serve on the committee. If a county lacks a chief officer responsible for consumer protection, the county board of supervisors may appoint an appropriate representative to serve on the committee. The committee shall establish and publish deadlines and written procedures for local law enforcement agencies within the county to apply for the use of funds and shall review applications and make determinations by majority vote as to the award of funds using the following criteria:

(1) Each law enforcement agency that seeks funds shall submit a written application to the committee setting forth in detail the agency's proposed use of the funds.

(2) In order to qualify for receipt of funds, each law enforcement agency submitting an application shall provide written evidence that the agency either:

(A) Has a unit, division, or section devoted to the investigation or prosecution of real estate fraud, or both, and the unit, division, or section has been in existence for at least one year prior to the application date.

(B) Has on a regular basis, during the three years immediately preceding the application date, accepted for investigation or prosecution, or both, and

assigned to specific persons employed by the agency, cases of suspected real estate fraud, and actively investigated and prosecuted those cases.

(3) The committee's determination to award funds to a law enforcement agency shall be based on, but not be limited to, (A) the number of real estate fraud cases filed in the prior year; (B) the number of real estate fraud cases investigated in the prior year; (C) the number of victims involved in the cases filed; and (D) the total aggregated monetary loss suffered by victims, including individuals, associations, institutions, or corporations, as a result of the real estate fraud cases filed, and those under active investigation by that law enforcement agency.

(4) Each law enforcement agency that, pursuant to this section, has been awarded funds in the previous year, upon reapplication for funds to the committee in each successive year, in addition to any information the committee may require in paragraph (3), shall be required to submit a detailed accounting of funds received and expended in the prior year. The accounting shall include (A) the amount of funds received and expended; (B) the uses to which those funds were put, including payment of salaries and expenses, purchase of equipment and supplies, and other expenditures by type; (C) the number of filed complaints, investigations, arrests, and convictions that resulted from the expenditure of the funds; and (D) other relevant information the committee may reasonably require.

(d) The county board of supervisors shall annually review the effectiveness of the district attorney in deterring, investigating, and prosecuting real estate fraud crimes based upon information provided by the district attorney in an annual report. The district attorney shall submit the annual report to the board and to the Legislative Analyst's Office on or before September 1 of each year. The Legislative Analyst's Office shall compile the results and report to the Legislature, detailing both:

(1) Facts, based upon, but not limited to, (A) the number of real estate fraud cases filed in the prior year; (B) the number of real estate fraud cases investigated in the prior year; (C) the number of victims involved in the cases filed; (D) the number of convictions obtained in the prior year; and (E) the total aggregated monetary loss suffered by victims, including individuals, associations, institutions, corporations, and other relevant public entities, according to the number of cases filed, investigations, prosecutions, and convictions obtained.

(2) An accounting of funds received and expended in the prior year, which shall include (A) the amount of funds received and expended; (B) the uses to which those funds were put, including payment of salaries and expenses, purchase of equipment and supplies, and other expenditures by type; (C) the number of filed complaints, investigations, prosecutions, and convictions that resulted from the expenditure of funds; and (D) other relevant information provided at the discretion of the district attorney.

(e) A county in which a district attorney fails to submit an annual report to the Legislative Analyst's Office pursuant to the requirements of subdivision (d) shall not expend funds held in that county's Real Estate

Fraud Prosecution Trust Fund until the district attorney has submitted an annual report for the county's most recent full fiscal year.

(f) Annual reports submitted to the Legislative Analyst's Office pursuant to subdivision (d) shall be made in a standard form and manner determined by the Legislative Analyst's Office, in consultation with participating law enforcement agencies.

(g) The intent of the Legislature in enacting this section is to have an impact on real estate fraud involving the largest number of victims. To the extent possible, an emphasis should be placed on fraud against individuals whose residences are in danger of, or are in, foreclosure as defined under subdivision (b) of Section 1695.1 of the Civil Code. Case filing decisions continue to be in the discretion of the prosecutor.

(h) A district attorney's office or a local enforcement agency that has undertaken investigations and prosecutions that will continue into a subsequent program year may receive nonexpended funds from the previous fiscal year subsequent to the annual submission of information detailing the accounting of funds received and expended in the prior year.

(i) No money collected pursuant to this section shall be expended to offset a reduction in any other source of funds. Funds from the Real Estate Fraud Prosecution Trust Fund shall be used only in connection with criminal investigations or prosecutions involving recorded real estate documents.
