CHAPTER _____

An act to amend Sections 100, 2102, 2106, 2150, and 2205 of the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

AB 30, Price. Elections: voter registration.

Existing law authorizes a person who will be 18 years of age at the time of the next election to register to vote by executing an affidavit of registration.

This bill would authorize a person who is at least 17 years of age and otherwise meets all voter eligibility requirements to submit his or her affidavit of registration. The affidavit of registration would be deemed effective as soon as the affiant would be 18 years of age at the time of the next election.

Existing law requires the local registrar of births and deaths to notify the county elections official monthly of all deceased persons 18 years of age and over whose deaths were registered the preceding month. Existing law further requires the county elections official to cancel the affidavit of registration of a deceased voter.

This bill would require the local registrar of births and deaths to notify the county elections official monthly of all deceased persons 17 years of age and over whose deaths were registered the preceding month.

This bill would also make conforming changes to existing law.

The above provisions of the bill would become operative when the Secretary of State certifies that the state has a statewide voter registration database that complies with the requirements of the federal Help America Vote Act of 2002.

By requiring local elections officials to process voter registrations submitted by persons 17 years of age or older, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the

state, reimbursement for those costs shall be made pursuant to these statutory provisions.

This bill would incorporate changes to Section 2150 of the Elections Code made by SB 6, to become operative only if both this bill and SB 6 become operative.

The people of the State of California do enact as follows:

SECTION 1. Section 100 of the Elections Code is amended to read:

100. (a) Notwithstanding any other provision of law, whenever an initiative, referendum, recall, nominating petition or paper, or any other petition or paper, is required to be signed by voters of a county, city, school district, or special district subject to petitioning, only a person who is an eligible registered voter at the time of signing the petition or paper is entitled to sign the petition or paper. A person who submits his or her affidavit of registration pursuant to subdivision (d) of Section 2102 is not eligible to sign a petition or paper unless at the time of the signing of the petition or paper he or she is 18 years of age.

(b) A signer shall at the time of signing the petition or paper personally affix his or her signature, printed name, and place of residence, including the street and number of the place of residence, and if no street or number for the place of residence exists, then a designation of the place of residence that will enable the location to be readily ascertained. A space at least one inch wide shall be left blank after each name for the use of the elections official in verifying the petition or paper.

The affidavit shall be mailed or delivered to the county elections official and shall set forth all of the facts required to be shown by this chapter. A properly executed registration shall be deemed effective upon receipt of the affidavit by the county elections official if received on or before the 15th day prior to an election to be held in the registrant's precinct. A properly executed registration shall also be deemed effective upon receipt of the affidavit by the county elections official if any of the following apply:

(1) The affidavit is postmarked on or before the 15th day prior to the election and received by mail by the county elections official.

(1) The affidavit is signed on the same date or a date prior to the signing of the petition or paper.

(2) The affidavit is received by the county elections official on or before the date on which the petition or paper is filed.

(c) Notwithstanding any other provision of law to the contrary, the affidavit of registration required under this chapter may not be taken under sworn oath, but the content of the affidavit shall be certified as to its truthfulness and correctness, under penalty of perjury, by the signature of the affiant.

(d) A person who is at least 17 years of age and otherwise meets all eligibility requirements to vote may submit his or her affidavit of registration as prescribed by this section. A properly executed registration made pursuant to this subdivision shall be deemed effective as of the date the affiant will be 18 years of age, if the information in the affidavit of registration is still current at that time. If the information provided by the affiant in the affidavit of registration is not current at the time that the registration would otherwise become effective, for his or her registration to become effective, the affiant shall provide the current information to the proper county elections official as prescribed by this chapter.

SEC. 3. Section 2106 of the Elections Code is amended to read:

2106. A program adopted by a county pursuant to Section 2103 or 2105, that is designed to encourage the registration of electors, shall, with respect to a printed literature or media announcement made in connection with these programs, contain this statement: "A person entitled to register to vote must be a United States citizen, a resident of California, not in prison or on parole for the conviction of a felony, and at least 18 years of age at the time of the election. A person may preregister to vote if he or she is a United States citizen, a resident of California, not in prison or on parole for the conviction of a felony, and at least 17 years of age."
