No. 46

Introduced by Assembly Member Blakeslee

December 1, 2008

An act to amend Sections 32320, 32321, 32322, 32324, and 32942 of, and to repeal Section 32208 of, the Financial Code, and to amend Sections 25421 and 25449.4 of the Public Resources Code, relating to energy, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 46, as amended, Blakeslee. Energy.

(1) Existing law creates the nonprofit State Assistance Fund for Enterprise Business and Industrial Development Corporation (SAFE-BIDCO). Existing law provides that the board of directors of SAFE-BIDCO shall consist of 2 official members and 4 public members. Existing law provides that the 2 official members of the board of directors shall be a member of the Governor's cabinet, or his or her designee, and a member of the State Energy Resources Conservation and Development Commission, selected and appointed by the members of the commission.

This bill would decrease the membership of the board of directors of SAFE-BIDCO by eliminating the official member selected by the members of the State Energy Resources Conservation and Development

Commission. The bill would make conforming changes, including changes to a provision related to a specified loan committee.

(2) Existing law requires the State Energy Resources Conservation and Development Commission to administer the State Energy Conservation Assistance Account, a continuously appropriated account, in the General Fund, until January 1, 2011, to provide grants and loans to local governments and public institutions to maximize energy use savings. All loans outstanding as of that date are required to continue to be repaid, as specified, until paid in full, and all unexpended funds in the account on and after that date, except as specified, are required to revert to the General Fund.

~~This bill would extend the operation of those provisions to January 1, 2020, and would thereby make an appropriation by extending the time during which the funds in a continuously appropriated account are made available.~~

~~(3) Existing~~

~~Existing law also establishes, until January 1, 2011, a financial assistance program that provides requires the commission to provide loans to local jurisdictions for energy projects, including projects to purchase, maintain, and evaluate energy efficient equipment for existing or new facilities. Existing law establishes, until January 1, 2020, the Local Jurisdiction Energy Assistance Account in the General Fund for the purposes of the program and, requires the funds to be disbursed by the Controller as authorized by the commission and on January 1, 2011, requires that all unexpended funds in that account, except as specified, be deposited in the Federal Trust Fund for specified purposes.~~

~~This bill would extend the financial assistance program and the Local Jurisdiction Energy Assistance Account to January 1, 2020.~~

~~This bill would extend the operation of the above provisions to January 1, 2016, and would thereby make an appropriation by extending the time during which the funds in a continuously appropriated account are made available.~~

Vote: $\frac{2}{3}$. Appropriation: yes. Fiscal committee: yes.
State-mandated local program: no.
