LEGISLATIVE COUNSEL'S DIGEST

AB 6, as amended, Evans. ~~Budget Act of 2008.~~ *Human services.*

Existing law, the Lanterman Developmental Disabilities Services Act, requires the State Department of Developmental Services to allocate funds to private nonprofit regional centers for the provision of community services and support for persons with developmental disabilities and their families and sets forth the duties of regional centers in that regard.

Existing law requires that contracts between the department and regional centers specify certain coordinator-to-consumer ratios. Existing law also requires these contracts to require the regional center to have, or contract for, expertise in certain areas.

This bill would provide that, from February 1, 2009, to June 30, 2010, inclusive, certain coordinator-to-consumer ratio requirements shall not apply and that a regional center shall not be required to have or contract for certain areas of expertise.

Existing law requires regional centers, by December 1 of each year, to provide a listing to the department of a complete salary schedule for all personnel classifications used by the regional center and information on all prior fiscal year expenditures, as specified.

This bill, from February 1, 2009, to June 30, 2010, inclusive, would suspend the salary schedule reporting requirements. The bill would also provide that regional centers shall not be required to report certain prior fiscal year operations expenditures in 2009.

The bill would also require regional centers, in order to implement changes in the level of funding for regional center purchase of services, from February 1, 2009, to June 30, 2010, inclusive, to reduce certain payments for services delivered on or after February 1, 2009, by 3%, except as specified.

Existing federal law provides for allocation of federal funds through the federal Temporary Assistance for Needy Families (TANF) block grant program to eligible states. Existing law provides for the California Work Opportunity and Responsibility to Kids (CalWORKs) program under which, through a combination of state and county funds and federal funds received through the TANF program, each county provides cash assistance and other benefits to qualified low-income families.

Existing law establishes maximum aid grant amounts to be provided under the CalWORKs program, and provides, with certain exceptions, including the 2007–08 and 2008–09 fiscal years for an annual cost-of-living adjustment to be made in the maximum aid payments provided to needy families under the program.

This bill would reduce the maximum aid payments in effect on September 1, 2007, by 4%, unless a specified notice is made by the Director of Finance to the Joint Legislative Budget Committee, in accordance with a designated section of the Government Code.

This bill would provide that no adjustment to the maximum aid payment would be made for the 2009–10 fiscal year.

Existing law provides for the State Supplementary Program for the Aged, Blind and Disabled (SSP), which requires the State Department of Social Services to contract with the United States Secretary of Health and Human Services to make payments to SSP recipients to supplement Supplemental Security Income (SSI) payments made available pursuant to the federal Social Security Act.

Under existing law, benefit payments under the SSP are calculated by establishing the maximum level of nonexempt income and federal SSI and state SSP benefits for each category of eligible recipient. The *state SSP payment is the amount, when added to the nonexempt income and SSI benefits available to the recipient, which would be required to provide the maximum benefit payment. Under existing law, this adjustment becomes effective on January 1 of each year, until the 2010 calendar year, and thereafter, when the adjustment takes effect on June 1.*

This bill would provide that, on May 1, 2009, the maximum aid payment levels in effect on January 1, 2009, would be reduced to the payment levels in effect on December 1, 2008, except as specified. The bill would provide for a further reduction of these benefits of 2.3 percent, commencing July 1, 2009, unless a specified notice is made by the Director of Finance to the Joint Legislative Budget Committee, in accordance with a designated section of the Government Code. The bill would provide that no benefit adjustment would be made for the 2010 calendar year, and would require the adjustment to be made effective June 1 commencing with the 2011 calendar year and thereafter.

Existing law provides for the county-administered In-Home Supportive Services (IHSS) program, under which qualified aged, blind, and disabled persons are provided with services in order to permit them to remain in their own homes and avoid institutionalization.

Existing law establishes the federal Medicaid program, which is administered by each state. California's version of this program is the Medi-Cal program, which is administered by the State Department of Health Services and under which qualified low-income persons receive health care benefits.

Existing law provides for the payment of a supplementary benefit under the IHSS program to any eligible aged, blind, or disabled person who is receiving Medi-Cal personal care services and who would otherwise be deemed a categorically needy recipient under the IHSS program.

This bill would limit this supplementary payment to individuals who received Medi-Cal personal care services before July 1, 2009, who continue to receive those services, unless a specified notice is made by the Director of Finance to the Joint Legislative Budget Committee, in accordance with a designated section of the Government Code.

Existing law provides that when any increase in provider wages or benefits is negotiated or agreed to by a public authority or nonprofit consortium, the county shall use county-only funds for the state and county share of any increase in the program, unless otherwise provided in the Budget Act or appropriated by statute.

Existing law establishes a formula with regard to provider wages or benefits increases negotiated or agreed to by a public authority or nonprofit consortium, and specifies the percentages required to be paid by the state and counties, beginning with the 2000–01 fiscal year, with regard to the nonfederal share of any increases.

This bill, notwithstanding the existing formula, would limit state participation to a total cost of wages up to $9.50 per hour and individual health benefits up to $0.60 per hour, commencing July 1, 2009, unless a specified notice is made by the Director of Finance to the Joint Legislative Budget Committee, in accordance with a designated section of the Government Code.

This bill would authorize the State Department of Social Services to implement the changes made by this bill relating to the IHSS program through all-county letters or similar instructions from the director, pending the adoption of emergency regulations.

The California Constitution authorizes the Governor to declare a fiscal emergency and to call the Legislature into special session for that purpose. The Governor issued a proclamation declaring a fiscal emergency, and calling a special session for this purpose, on December 19, 2008.

This bill would state that it addresses the fiscal emergency declared by the Governor by proclamation issued on December 19, 2008, pursuant to the California Constitution.

This bill would declare that it is to take effect immediately as an urgency statute.

~~This bill would express the intent of the Legislature to make statutory changes relating to the Budget Act of 2008.~~

~~The California Constitution authorizes the Governor to declare a fiscal emergency and to call the Legislature into special session for that purpose. The Governor issued a proclamation declaring a fiscal emergency, and calling a special session for this purpose, on December 19, 2008.~~

~~This bill would state that it addresses the fiscal emergency declared by the Governor by proclamation issued on December 19, 2008, pursuant to the California Constitution.~~

Vote: ~~majority~~ *2⁄3*. Appropriation: no. Fiscal committee: ~~no~~ *yes*. State-mandated local program: no.

The people of the State of California do enact as follows:

SEC. 2. Section 4640.6 of the Welfare and Institutions Code is amended to read:

4640.6. (a) In approving regional center contracts, the department shall ensure that regional center staffing patterns demonstrate that direct service coordination are the highest priority.

(b) Contracts between the department and regional centers shall require that regional centers implement an emergency response system that ensures that a regional center staff person will respond to a consumer, or individual acting on behalf of a consumer, within two hours of the time an emergency call is placed. This emergency response system shall be operational 24 hours per day, 365 days per year.

(c) Contracts between the department and regional centers shall require regional centers to have service coordinator-to-consumer ratios, as follows:

(1) An average service coordinator-to-consumer ratio of 1 to 62 for all consumers who have not moved from the developmental centers to the community since April 14, 1993. In no case shall a service coordinator for these consumers have an assigned caseload in excess of 79 consumers for more than 60 days.

(2) An average service coordinator-to-consumer ratio of 1 to 45 for all consumers who have moved from a developmental center to the community since April 14, 1993. In no case shall a service coordinator for these consumers have an assigned caseload in excess of 59 consumers for more than 60 days.

(C) All consumers who have not moved from the developmental centers to the community since April 14, 1993, and who are not described in subparagraph (A), an average service coordinator-to-consumer ratio of 1 to 66.

(4) For purposes of paragraph (3), service coordinators may have a mixed caseload of consumers three years of age and younger, consumers enrolled ~~on~~ *in* the Home and Community-based Services Waiver program for persons with developmental disabilities, and other consumers if the overall average caseload is weighted proportionately to ensure that overall regional center average service coordinator-to-consumer ratios as specified in paragraph (3) are met. For purposes of paragraph (3), in no case shall a service coordinator have an assigned caseload in excess of 84 for more than 60 days.

(d) For purposes of this section, "service coordinator" means a regional center employee whose primary responsibility includes preparing, implementing, and monitoring consumers' individual program plans, securing and coordinating consumer services and supports, and providing placement and monitoring activities.

(e) In order to ensure that caseload ratios are maintained pursuant to this section, each regional center shall provide service coordinator caseload data to the department, annually for each fiscal year. The data shall be submitted in the format, including the content, prescribed by the department. Within 30 days of receipt of data submitted pursuant to this subdivision, the department shall make a summary of the data available to the public upon request. The department shall verify the accuracy of the data when conducting regional center fiscal audits. Data submitted by regional centers pursuant to this subdivision shall:

(1) Only include data on service coordinator positions as defined in subdivision (d). Regional centers shall identify the number of positions that perform service coordinator duties on less than a full-time basis. Staffing ratios reported pursuant to this subdivision shall reflect the appropriate proportionality of these staff to consumers served.

(2) Be reported separately for service coordinators whose caseload includes any of the following:

(D) Consumers enrolled in the Home and Community-based Services Waiver program.

(3) Not include positions that are vacant for more than 60 days or new positions established within 60 days of the reporting month that are still vacant.

(4) For purposes of calculating caseload ratios for consumers enrolled in the Home- and Community-based Services Waiver program, vacancies shall not be included in the calculations.

(f) The department shall provide technical assistance and require a plan of correction for any regional center that, for two consecutive reporting periods, fails to maintain service coordinator caseload ratios required by this section or otherwise demonstrates an inability to maintain appropriate staffing patterns pursuant to this section. Plans of correction shall be developed following input from the local area board, local organizations representing consumers, family members, regional center employees, including recognized labor organizations, and service providers, and other interested parties.

(g) Contracts between the department and regional center shall require the regional center to have, or contract for, all of the following areas:

(1) Criminal justice expertise to assist the regional center in providing services and support to consumers involved in the criminal justice system as a victim, defendant, inmate, or parolee.

In addition, the regional center shall submit to the department any written opposition to the proposal from organizations or individuals, including, but not limited to, consumers, families, providers, and advocates, including recognized labor organizations. The department may grant waivers to regional centers that sufficiently demonstrate that the proposed staffing arrangement is in the best interest of consumers and families served, complies with the requirements of this chapter, and does not violate any contractual requirements. A waiver shall be approved by the department for up to 12 months, at which time a regional center may submit a new request pursuant to this subdivision.

~~(i) The requirements of subdivisions (c), (f), and (h) shall not apply when a regional center is required to develop an expenditure plan pursuant to Section 4791, and when the expenditure plan addresses the specific impact of the budget reduction on staffing requirements and the expenditure plan is approved by the department.~~

(i) From February 1, 2009, to June 30, 2010, inclusive, the following shall not apply:

SEC. 4. Section 11453 of the Welfare and Institutions Code is amended to read:

11453. (a) Except as provided in subdivision (c), the amounts set forth in Section 11452 and subdivision (a) of Section 11450 shall be adjusted annually by the department to reflect any increases or decreases in the cost of living. These adjustments shall become effective July 1 of each year, unless otherwise specified by the Legislature. For the 2000–01 fiscal year to the 2003–04 fiscal year, inclusive, these adjustments shall become effective October 1 of each year. The cost-of-living adjustment shall be calculated by the Department of Finance based on the changes in the California Necessities Index, which as used in this section means the weighted average changes for food, clothing, fuel, utilities, rent, and transportation for low-income consumers. The computation of annual adjustments in the California Necessities Index shall be made in accordance with the following steps:

(1) The base period expenditure amounts for each expenditure category within the California Necessities Index used to compute the annual grant adjustment are:

Food	$ 3,027
Clothing (apparel and upkeep)	406
Fuel and other utilities	529
Rent, residential	4,883
Transportation	1,757
Total	$10,602

(2) Based on the appropriate components of the Consumer Price Index for All Urban Consumers, as published by the United States Department of Labor, Bureau of Labor Statistics, the percentage

change shall be determined for the 12-month period ending with the December preceding the year for which the cost-of-living adjustment will take effect, for each expenditure category specified in subdivision (a) within the following geographical areas: Los Angeles-Long Beach-Anaheim, San Francisco-Oakland, San Diego, and, to the extent statistically valid information is available from the Bureau of Labor Statistics, additional geographical areas within the state which include not less than 80 percent of recipients of aid under this chapter.

(3) Calculate a weighted percentage change for each of the expenditure categories specified in subdivision (a) using the applicable weighting factors for each area used by the State Department of Industrial Relations to calculate the California Consumer Price Index (CCPI).

(4) Calculate a category adjustment factor for each expenditure category in subdivision (a) by (1) adding 100 to the applicable weighted percentage change as determined in paragraph (2) and (2) dividing the sum by 100.

(5) Determine the expenditure amounts for the current year by multiplying each expenditure amount determined for the prior year by the applicable category adjustment factor determined in paragraph (4).

(6) Determine the overall adjustment factor by dividing (1) the sum of the expenditure amounts as determined in paragraph (4) for the current year by (2) the sum of the expenditure amounts as determined in subdivision (d) for the prior year.

(b) The overall adjustment factor determined by the preceding computation steps shall be multiplied by the schedules established pursuant to Section 11452 and subdivision (a) of Section 11450 as are in effect during the month of June preceding the fiscal year in which the adjustments are to occur and the product rounded to the nearest dollar. The resultant amounts shall constitute the new schedules which shall be filed with the Secretary of State.

(c) (1) No adjustment to the maximum aid payment set forth in subdivision (a) of Section 11450 shall be made under this section for the purpose of increasing the benefits under this chapter for the 1990–91, 1991–92, 1992–93, 1993–94, 1994–95, 1995–96, 1996–97, and 1997–98 fiscal years, and through October 31, 1998, to reflect any change in the cost of living. For the 1998–99 fiscal year, the cost of living adjustment that would have been provided on July 1, 1998, pursuant to subdivision (a) shall be made on November 1, 1998. No adjustment to the maximum aid payment set forth in subdivision (a) of Section 11450 shall be made under this section for the purpose of increasing the benefits under this chapter for the 2005–06 and 2006–07 fiscal years to reflect any change in the cost-of-living. Elimination of the cost-of-living adjustment pursuant to this paragraph shall satisfy the requirements of Section 11453.05, and no further reduction shall be made pursuant to that section.

(2) No adjustment to the minimum basic standard of adequate care set forth in Section 11452 shall be made under this section for the purpose of increasing the benefits under this chapter for the 1990–91 and 1991–92 fiscal years to reflect any change in the cost of living.

(3) In any fiscal year commencing with the 2000–01 fiscal year to the 2003–04 fiscal year, inclusive, when there is any increase in tax relief pursuant to the applicable paragraph of subdivision (a) of Section 10754 of the Revenue and Taxation Code, then the increase pursuant to subdivision (a) of this section shall occur. In any fiscal year commencing with the 2000–01 fiscal year to the 2003–04 fiscal year, inclusive, when there is no increase in tax relief pursuant to the applicable paragraph of subdivision (a) of Section 10754 of the Revenue and Taxation Code, then any increase pursuant to subdivision (a) of this section shall be suspended.

(4) Notwithstanding paragraph (3), an adjustment to the maximum aid payments set forth in subdivision (a) of Section 11450 shall be made under this section for the 2002–03 fiscal year, but the adjustment shall become effective June 1, 2003.

(5) No adjustment to the maximum aid payment set forth in subdivision (a) of Section 11450 shall be made under this section for the purpose of increasing benefits under this chapter for the 2007–08 ~~and 2008–09~~*, 2008–09, and 2009–10* fiscal years.

(d) For the 2004–05 fiscal year, the adjustment to the maximum aid payment set forth in subdivision (a) shall be suspended for three months commencing on the first day of the first month following the effective date of the act adding this subdivision.

(e) Adjustments for subsequent fiscal years pursuant to this section shall not include any adjustments for any fiscal year in which the cost of living was suspended pursuant to subdivision (c).
