No. 179

(Principal coauthor: Senator Negrete McLeod)

February 2, 2009

~~An act to add Section 290.024 to the Penal Code, relating to sex offender registration. An act relating to taxation.~~

LEGISLATIVE COUNSEL'S DIGEST

AB 179, as amended, Portantino. ~~Sex offender registration: e-mail addresses. Income and corporation taxes: report.~~

The Franchise Tax Board, among other things, administers the Personal Income Tax Law and the Corporation Tax Law.

This bill would require the board to report to the Legislature specified information relating to corporations, entities, or individuals receiving tax exemptions, deductions, credits, and credit carryovers, as provided.

~~Existing law requires a person convicted of any specified sex offenses to register as a sex offender and provide specified information to law enforcement agencies. That information is kept at the location where the offender registered and transmitted to the Department of Justice where it is electronically stored in the Violent Crime Information Network (VCIN), as specified.~~

~~This bill would provide that, beginning January 1, 2011, the Department of Justice shall study the feasibility and value of requiring~~

~~every person who must register as a sex offender to include in the information provided by the person all e-mail addresses and instant message addresses he or she uses, or intends to use, to communicate over the Internet. This bill would require the department's study to include a determination of the value and feasibility of incorporating this information in the VCIN.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
